

THE LAST WILL AND TESTAMENT OF William Marchman

DECLARATION

I, William Marchman, a resident of the state of Alabama and county of Jefferson; and being of sound mind and memory, do hereby make, publish, and declare this to be my last will and testament, thereby revoking and making null and void any and all other last will and testaments and/or codicils to last will and testaments heretofore made by me. All references herein to "**this Will**" refer only to this last will and testament.

FAMILY

At the time of executing this Will, I am married to Ruby Marchman. The names of my children are listed below. Unless otherwise specifically indicated in this Will, any provision for my children includes the below-named children, as well as any child of mine hereafter born or adopted.

DEBT

I direct that as soon as is practical after my death, the executor named pursuant to this Will review all of my just debts and obligations, including last illness and funeral expenses, except for those secured long-term debts that may be assumed by the beneficiary of such property, unless such assumption is prohibited by law or on agreement by the beneficiary. The executor is further directed to pay any attorneys' fees and any other estate administration expenses. The executor shall pay these just debts only after a creditor provides timely and sufficient evidence to support its claim and in accordance with applicable state law.

I direct that any estate, inheritance, and succession taxes, including any interest and penalties thereon, imposed by the federal government or any state, district, or territory, attributable to assets includible in my estate, passing either under or outside of this Will, be apportioned among the persons interested in my estate in accordance with applicable state and federal law. My executor is authorized and directed to seek reimbursement from the beneficiaries of my estate of any taxes paid by my executor to the extent allowed by law.

If my executor cannot collect from any person interested in the estate the amount of tax apportioned to that person, the amount not recoverable will be equitably apportioned among the other persons interested in the estate who are subject to apportionment.

If a person is charged with or required to pay tax in an amount greater than his or her prorated amount because another person does not pay his or her prorated amount, the person charged

with or required to pay the greater amount has a right of reimbursement against the other person. I further direct that if any beneficiary named in this Will is indebted to me at the time of my death, and evidence of such indebtedness is provided or made available to my executor, that share of my estate that

I give to any and each such beneficiary be reduced in value by an amount equal to the proven indebtedness of such beneficiary unless: (i) I have specifically provided in this Will for the forbearance of such debt, or (ii) such beneficiary is the sole principal beneficiary.

PRINCIPAL REMAINDER DISTRIBUTION

If my spouse, Ruby Marchman, survives me, I give, devise, and bequeath to my spouse all of the rest, residue, and remainder of my property and estate, real, personal, and mixed, tangible and intangible, of whatever nature and wherever situated, including all property I may acquire or become entitled to after the execution of this Will, including all lapsed legacies and devises (but excluding any property over which I may have a power of appointment, it being my intention not to exercise any such power), outright and free of trust, after payment of all my just debts, expenses, taxes, and specific bequests, if any.

ALTERNATE REMAINDER BENEFICIARIES

If my spouse does not survive me, I give, devise, and bequeath all of the rest, residue, and remainder of my property to the persons named below, in the percentages set forth below. Unless otherwise indicated in this Will, these shares will be distributed outright and free of trust.

Name: Donna Bolton Relation: Daughter Percentage: 25%

Name: Benita Diamond Relation: Daughter Percentage: 25%

Name: Ronald Marchman Relation: Son Percentage: 25%

Name: Barbara Higginbotham Relation: Daughter Percentage: 25%

DISTRIBUTION IF NO LIVING BENEFICIARIES

If at any time before full distribution of my estate all of my beneficiaries are deceased and this instrument directs no other disposition of the property, the remaining portion of my estate will then be distributed to my heirs determined according to the laws of intestate succession, unless specifically disinherited elsewhere in this Will.

EXECUTOR NOMINATION

I nominate my Son, Ronald Marchman, to be the executor of this Will.

If, for any reason, my first nominee executor is unable or unwilling to serve or to continue to serve as executor of this Will, I nominate my Son-in-Law, Len Higginbotham, to be the executor of this Will.

MISCELLANEOUS EXECUTOR PROVISIONS

The term “**executor**” includes any executrix, personal representative, or administrator, if those terms are used in the statutes of any state that has jurisdiction over all or any portion of my estate.

My executor will have broad and reasonable discretion in the administration of my estate to exercise all of the powers permitted to be exercised by an executor under state law, including the power to sell estate assets with or without notice, at either public or private sale, and to do everything he or she deems advisable and in the best interest of my estate and the beneficiaries thereof, all without the necessity of court approval or supervision. I direct that my executor perform all acts and exercise all such rights and privileges, although not specifically mentioned in this Will, with relation to any such property, as if the absolute owner thereof and, in connection therewith, to make, execute, and deliver any instruments, and to enter into any covenants or agreements binding my estate or any portion thereof.

If there are two co-executors serving, they shall act by unanimous agreement. If there are more than two co-executors serving, they shall act in accordance with the decision made by the majority of co-executors.

Subject to specific provisions to the contrary, I authorize my executor to distribute a share of my estate given to a minor beneficiary, up to the whole thereof, to a custodian under the applicable Transfers to Minors Act or Gifts to Minors Act, if in the executor’s discretion, it is in the best interests of the beneficiary. The executor may also make distributions to a minor by making distributions to the trustee of a trust created under this Will for a minor beneficiary, the guardian of the minor’s person, or the guardian of the minor’s estate.

No person named as an executor is required to post any bond.

I authorize my executor to make the following choices or elections in my executor’s absolute discretion, regardless of the resulting effect on any other provisions of this Will or on any person interested in my estate or in the amount of any of the taxes referred to: (a) choose a valuation date for estate or inheritance tax purposes or choose the methods to pay estate or inheritance taxes; (b) elect to treat or use an item, for either federal or state tax purposes, as either an income tax deduction or as a deduction for estate or inheritance tax purposes; (c) determine when a particular item is to be treated as taken into income or used as a tax deduction, to the extent the law provides that choice; and (d) disclaim all or any portion of any interest in property passing to my estate at or after my death, even though any of these actions may subject my estate to additional tax liabilities. No person adversely affected by my executor’s exercise of discretion under this clause is entitled to any reimbursement or adjustment, and my executor is not required to make any adjustment between income and principal or in the amount of any property passing under this Will as a result of any election under this provision.

I authorize my executor, without obtaining court approval, to employ professional investment counsel on such terms as my executor considers proper, and to pay the fees of investment counsel as an expense of administration of my estate. However, my executor is under no obligation to employ any investment counsel.

I authorize my executor either to continue the operation of any business belonging to my estate for such time and in such manner as my executor may consider advisable and in the best interest of my estate, or to sell or liquidate the business at such time and on such terms as my executor may consider advisable and in the best interest of my estate. Any such good faith operation, sale, or liquidation by my executor will be at the risk of my estate and without liability on the part of my executor for any losses that may result.

SIMULTANEOUS DEATH

If it cannot be established if a beneficiary of my estate survived me, the provisions of the applicable Uniform Simultaneous Death Act, as amended, or any substantially similar successor act effective on the date of my death, will apply.

NONLIABILITY OF FIDUCIARIES

Any fiduciary, including my executor and any trustee, who in good faith endeavors to carry out the provisions of this Will, will not be liable to me, my estate, my heirs, or my beneficiaries for any damages or claims arising because of their actions or inaction, or the actions of any predecessor fiduciary acting pursuant to this Will. My estate will indemnify and hold them harmless.

SAVING CLAUSE

If a court of competent jurisdiction shall at any time invalidate or find unenforceable any provision of this Will, such invalidation shall not be construed as invalidating the whole of this Will. All of the remaining provisions shall be undisturbed as to their legal force and effect. If a court finds that an invalidated or unenforceable provision would become valid if it is limited, then such provision shall be deemed to be written, deemed, construed and enforced as so limited.
