4. ("Mortgagor(s)") do(es)

hereby GRANT, BARGAIN, SELL and CONVEY unto the Mortgagee, its successors and assigns, the following described real estate situated in Bibb & Shelby County, Alabama (all of which will be collectively referred to herein as the "Property") to-wit:

See attached Exhibit "A" made a part of this mortgage by reference.

TO HAVE AND TO HOLD the aforegranted premises, together with improvements and appurtenances thereunto belonging and all fixtures now or hereafter attached thereto, unto the Mortgagee and its successors and assigns FOREVER, Mortgagor(s) agree(s) that this Mortgage instrument shall, in addition to this debt, secure all other debts and obligations owed by Debtor(s) or any one of them to Mortgagee; and should Debtor(s) become indebted to Mortgagee in excess of the amount herein stated, including pre-existing debt, Debtor(s) and Mortgagor(s) expressly agree(s) that such debts shall be and the same are hereby made a part of this Mortgage debt, with all the rights, power and authority, as to the collection and foreclosure herein expressed. Debtor(s) and Mortgagor(s) expressly agree(s) that the language contained in this instrument and the language contained in each of the promissory notes given unto Mortgagee, evidencing present debts or future and additional loans, obligations or advances, correctly sets forth the intention of Debtor(s) and Mortgagor(s).

Mortgagee will not extend credit to Debtor(s) without the Mortgagor(s) entering into this Accommodation Mortgage, and Mortgagor(s) acknowledges that the benefit received by Debtor(s) constitutes consideration for the Mortgagor(s) entering into this Accommodation Mortgage, and the receipt and sufficiency of such consideration is hereby expressly acknowledged by the Mortgagor(s)

Debtor(s) and Mortgagor(s) do(es) hereby further pledge, pawn and deliver unto said Mortgagee, its successors and assigns, all of the stock and participation certificates of said Mortgagee, owned or acquired hereafter by Debtor(s) or Mortgagor(s), or any of them, said Mortgagee hereby accepting and acknowledging same.

Mortgagor(s) covenant(s) with Mortgagee and its successors and assigns, that Mortgagor(s) is/are lawfully seized in fee of the aforegranted premises; that they are free from all encumbrances, unless otherwise herein stated; that Mortgagor(s) has/have good right to sell and convey the same to Mortgagee; that Mortgagor(s) will warrant and defend the premises to the Mortgagee and its successors and assigns forever against the lawful claims and demands of all persons; and covenant(s) that said Mortgagor(s) shall not sell or further encumber said Property without the written consent of Mortgagee, its successors and assigns.

The undersigned Debtor(s) and Mortgagor(s) expressly agree, jointly and individually, that this Mortgage shall remain in full force and effect as security for the full performance of all obligations of Debtor(s) and Mortgagor(s) herein described and also as security for the payment, when due, of all present or future debts herein described, with interest thereon, and notwithstanding any extensions of the time of, or for the payment of any of said principal or interest, or any changes in the amounts agreed to be paid under or by virtue of any obligations provided for in this mortgage, or any changes by way of release or surrender of any collateral and/or real estate held as security. The undersigned Mortgagor(s) and Debtor(s) waive(s) all and every kind of notice of any such extensions or changes and agree that the same may be made without the joinder of the undersigned. And each of the undersigned further, jointly and individually, agree to notify, in writing, Mortgagee, its successors and assigns, of any transfer by deed or otherwise of any of the security herein, whether it be among themselves or a third party and of any encumbrances of any collateral and/or real estate held as security by Mortgagee herein, as well as any liens and suits filed and judgments obtained against them or any of them, it being expressly understood, as hereinabove stated, that any sale or further encumbering of any of the security herein described, without the written consent of Mortgagee, its successors and assigns, shall constitute a default under the within Mortgage.

BUT, THIS CONVEYANCE IS MADE UPON THE FOLLOWING CONDITIONS NEVERTHELESS, that is to say: If the Debtor(s) or Mortgagor(s) shall well and truly pay, when due, all sums hereby secured, including future loans and advances, and fulfill all other obligations under this Mortgage, then this conveyance shall become void. But if (a) the Debtor(s) and Mortgagor(s) fail(s) to perform any obligation or agreement herein contained, or (b) violate any provision herein included, or (c) fail to pay when due, any sums hereby secured, including present or future loans, obligations and advances due by any one of the Debtor(s), or (d) fail to pay any installment of any such debt when due or at maturity, or (e) in the event of any other default hereunder, or (f) should Debtor(s) or Mortgagor(s) become insolvent, be adjudicated bankrupt or made defendant in bankruptcy or receivership proceedings, either State or Federal, or (g) if Mortgagee, in good faith believes that the prospect of payment, performance or realization on the security is impaired, or (h) if any loan proceeds are used for a purpose that will contribute to excessive erosion of highly erodible land or to the conversion of wetlands to produce an agricultural commodity, as further explained in 7 CFR Part 1940, Subpart G, Exhibit M, then at the option of the Mortgagee, its successors and assigns, the whole of all debts hereby secured may be declared due and payable, and this Mortgage shall be subject to foreclosure whereupon

Mortgagee or its agents, attorneys or assigns are hereby authorized to immediately take possession of the real estate herein described and are further authorized and empowered to sell said Property, hereby conveyed, at auction for cash to the highest bidder at the courthouse door of the county courthouse of any county wherein any of the real estate hereby conveyed is situated, first having given notice thereof by publication once a week for three successive weeks in any newspaper then published in each county in which any part of said land is situated; (and if no newspaper is then published in said county or counties, publication in a newspaper having general circulation therein shall suffice). In the event of such sale, the Mortgagee, or its successors and assigns, are authorized to purchase the said real estate or any part thereof as if strangers, and the auctioneer or person making the sale is hereby expressly empowered to execute a conveyance in the name(s) of the Mortgagor(s) and Mortgagee, or its successors or assigns, to any purchaser at such sale; and, out of the proceeds of said sale Mortgagee shall first pay all expenses incident thereto, including reasonable and lawful attorneys' fees; then retain enough to pay said debts with the interest thereon and all other outstanding indebtedness then owing to the said Mortgagee, its successors and assigns, and the balance, if any shall be paid to Mortgagor(s) or any other party entitled thereto.

With respect to the Property, Mortgagor(s) has/have complied, is/are in compliance, and will at all times comply in all respect with all applicable laws (whether statutory, common law or otherwise), rules, regulations, orders, permits, licenses, ordinances, judgments, or decrees of all governmental authorities (whether Federal, state, local or otherwise), including, without limitation, all laws regarding public health or welfare, environmental protection, water and air pollution, composition of product, underground storage tanks, toxic substances, hazardous wastes, hazardous substances, hazardous materials, waste or used oil, asbestos, occupational health and safety, nuisances, trespass, and negligence.

The Mortgagor(s) hereby grant(s), and will cause any tenants to grant, to Mortgagee, its agents, attorneys, employees, consultants, contractors, successors and assigns, an irrevocable license and authorization, upon reasonable notice, to enter upon and inspect the Property and facilities thereon, and perform such tests, including without limitation, subsurface testing, soils and groundwater testing, and other tests which may physically invade the Property thereon, as the Mortgagee, in its sole discretion, determines is necessary to protect its security interest, provided however, that under no circumstances shall the Mortgagee be obligated to perform such inspections or tests.

Mortgagor(s) agree(s) to indemnify and hold Mortgagee, its directors, employees, agents, successors and assigns, harmless from and against any and all claims, losses, damages, liabilities, fines, penalties, charges, judgments, administrative orders, remedial action requirements, enforcement actions of any kind, and all costs and expenses incurred in connection therewith (including, but not limited to, attorneys' fees and expenses incurred by Mortgagee in and for this indemnity), arising directly or indirectly, in whole or in part, out of any failure of Mortgagor(s) to comply with the environmental representations, warranties and covenants contained herein.

Mortgagor's(s') representations, warranties, covenants and indemnities contained herein shall survive the occurrence of any event whatsoever, including, without limitation, the satisfaction of the promissory note secured hereby, the reconveyance or foreclosure of this Mortgage, the acceptance by Mortgagee of a deed in lieu of foreclosure, or any transfer or abandonment of the Property.

To provide for payment of all debts secured by this Mortgage, Mortgagor(s) hereby assign(s) to the Mortgagee all sums of money which are now due or hereafter may become due to Mortgagor(s) for claims, injury or damage to the Property from any cause, and also all sums which are now due or hereafter may become due to Mortgagor(s) as rents, royalties, bonuses or delay rentals under any oil, gas or other mineral lease now existing, or hereafter entered into by Mortgagor(s) on the Property described above and to assign payment of these sums to the Mortgagee. Mortgagor(s) agree(s) to execute and deliver to the Mortgagee any further instruments which the Mortgagee may require. At the Mortgagee's option, sums paid to it by virtue of this assignment may be released by the Mortgagee to Mortgagor(s), and release of any such sums shall not prevent the Mortgagee from receiving payment of any other sums under this assignment. If not released by the Mortgagee to Mortgagor(s), such sums may be applied to pay any matured debt owing to the Mortgagee, or if no matured debt exists, such sums may be applied as advance payment of principal, according to the provisions of the promissory note described herein. Release of this Mortgage of record shall automatically terminate the Mortgagee's right to recover any further sums under this assignment.

All the rents, royalties, issues, profits, revenue, income and other benefits of the Property described aforesaid arising from the use or enjoyment of all or any portion thereof or from any lease or agreement pertaining thereto (the "Rents and Profits") are hereby absolutely assigned, transferred and conveyed to Mortgagor(s) to be applied by Mortgagee in payment of the principal and interest and all other sums payable on the promissory note described herein and all other sums payable under or by this Mortgage. Prior to the happening of any event of default as specified herein, Mortgagee shall have a license to collect and receive all Rents and Profits as trustee for the benefit of the Mortgagor(s) and shall apply the amount so allocated first to the payment of interest and principal and other sums due and payable under the promissory note described herein, and to the payment of all other sums payable under this Mortgage. Thereafter, so long as no event of default has occurred, the balance shall be distributed to the account of Mortgagor(s). Nothing contained in this article or elsewhere in this Mortgage shall be construed to make or render Mortgagee in possession unless and until Mortgagee actually takes possession of the Property described herein either in person or through an agent or receiver.

Mortgagor(s) hereby agree(s) to indemnify Mortgagee for and save harmless from any and all liability, loss or damage, including reasonable attorneys' fees, which Mortgagee might incur under said leases or by virtue of this assignment, and from any and all claims and demands whatsoever, which may be asserted against Mortgagee thereunder or hereunder, and, without limiting the generality of the foregoing, and covenants that this assignment, prior to any such default by Mortgagor(s) and entry upon the Property described herein by Mortgagee by reason thereof, shall not operate to place responsibility for control, care, management or repair of the Property described aforesaid upon the Mortgagee, nor need carrying out of said leases, nor shall it operate to make Mortgagee responsible or liable for any waste committed on the Property described aforesaid herein by the tenants or any other party, or for any negligence in the management, upkeep, repair or control of said Property described aforesaid resulting in loss or injury or death to any tenant, licensee, invitee, employee, stranger or other person.

Mortgagor(s) shall not execute any lease of all or any portion of the Property described herein without the prior written consent of Mortgagee and all leases entered into hereafter will be in form and substance subject to the approval of the Mortgagee.

Mortgagor(s) will at all times promptly and faithfully perform or cause to be performed all the covenants, conditions and agreements contained in all leases of the Property described aforesaid now or hereafter existing on the part of the lessor thereunder to be kept and performed.

If, at such time, a receiver has not been appointed, any monies received or collected by Mortgagee, its successors or assigns, by virtue of this assignment, shall be applied for the following purposes, but not necessarily in the order named, priority and application of such funds being within the sole discretion of Mortgagee, its successors and assigns:

1. To the payment of all necessary expenses for the operation, protection and preservation of the Property described aforesaid, including the total and customary fees for management services and reasonable attorneys' fees.

2. To the payment of taxes levied and assessed against the Mortgaged Property described aforesaid as said taxes and assessments become due and payable.

3. To the payment of premiums due and payable on any insurance policy described aforesaid.

4. To the payment of installments of principal and interest due on the herein described Promissory Note as and when they become due and payable.

5. The balance remaining after payment of the above shall be paid to the then owner of record of the Property described aforesaid.

If Mortgagee herein, its successors or assigns, elects to foreclose this Mortgage in a Court having jurisdiction thereof, Mortgagor(s) will pay the costs thereof including reasonable attorneys' fees, which shall be and constitute a part of the debt hereby secured.

Mortgagor(s) and Debtor(s) further specifically waive(s) all exemptions which Mortgagor(s) or Debtor(s) has/have, or to which Mortgagor(s) or Debtor(s) may be entitled under the Constitution and laws of the State of Alabama or any other State in regard to the collection or enforcement of the debts hereby secured.

Mortgagor(s) promise(s) and agree(s) to pay all taxes and other lawful charges and assessments which may be imposed upon, or levied against the real estate, hereby described, before the same become delinquent, so long as the debts hereby secured remain unpaid; and also to keep buildings and other improvements on said above described real estate insured against loss by fire, lightning, tornado, earthquake, theft, and all other expected risks and perils as Mortgagee may require and in such companies and under such policies and in such form as Mortgagee may require, to their full insurable value, until all debts hereby secured have been paid in full. All such policies of insurance shall contain loss payable clauses in favor of Mortgagee and the original of such policies shall be deposited with Mortgagee.

It is further hereby agreed that failure of Debtor(s) or Mortgagor(s) to insure the Property as herein required and/or failure to pay taxes and assessments due thereon before the same become delinquent, shall constitute default in the terms of this Mortgage; and in such event Mortgagee, its successors and assigns, may at this option and without notice pay such delinquent insurance premiums, taxes, or assessments, add the same to the principal of the Mortgage indebtedness, declare the Mortgage in default, and proceed at its option to foreclose the same just as if default had been made in the payment of any other debt hereby secured.

If required as a condition of any loan secured hereunder, Debtor(s) or Mortgagor(s) shall pay to Mortgagee on the day installments are due, until the note is paid in full or any escrow requirement is otherwise waived in writing by Mortgagee, a sum to provide for payment of amounts due for: (a) taxes and assessments and other items which can attain priority over this instrument as a lien or encumbrance on the property; and (b) premiums for any and all insurance required by Mortgagee. Such amounts required hereunder shall be determined in accordance with the Real Estate Settlement Procedures Act (12 U.S.C. §2601 et seq.) and its implementing regulation, Regulation X ("RESPA"). Upon payment in full of all sums secured by this instrument, or if any such escrow requirement is no longer required as a condition of any loan secured hereunder, Mortgagee shall promptly refund to Debtor(s) or Mortgagor(s) any funds held by Mortgagee under this escrow requirement.
