

DURABLE POWER OF ATTORNEY

STATE OF ALABAMA)
COUNTY OF SHELBY)

Know All Men by These Presents, which are intended to constitute a Durable Power of Attorney, that I, Glenda Presley, the undersigned, County of Shelby, State of Alabama, do hereby make, constitute and appoint John Leland Presley and William Davis Presley, as my true and lawful Joint and Independent Attorney's in Fact, for me in my name, place and stead, and for my benefit and behalf to do, perform and execute all and every act that I may legally do through an attorney in fact, and every proper power necessary to carry out the purposes for which this power is granted, with full power of substitution and revocation.

The rights, powers and authority of my said Joint and Independent Attorney's in Fact herein granted shall commence and be in full force and effect upon the disability, incompetency, or incapacity of the said principal, Glenda Presley, and such rights, powers and authority shall remain in full force and effect thereafter until the death of the principal, Glenda Presley, or until her disability, incompetency, or incapacity is otherwise terminated. A determination of disability, incompetency or incapacitation shall be made by a court of competent jurisdiction before the authority granted hereunder is effective. Any action taken in good faith pursuant to the foregoing authority without actual knowledge of her death shall be binding upon her, her heirs, assigns and personal representatives.

The principal shall bind herself to indemnify her Joint and Independent Attorney's in Fact who shall so act against any and all claims, demands, losses, damages, actions and causes of action, including expenses, costs and reasonable attorneys' fees which the Joint and Independent Attorney's in Fact at any time may sustain or incur in connection with carrying out the authority granted to the Joint and Independent Attorney's in Fact in this Durable Power of Attorney.

This instrument is to be construed and interpreted as a general durable power of attorney effective as of the date of the execution of this instrument and shall not be affected by the principal's disability, incompetency or incapacity. The powers granted to the Attorney in Fact under this instrument are given pursuant to a "durable power of attorney" as authorized by Ala. Code §26-1-2 (1975). There exists no intent to limit or restrict the general powers granted to Attorneys in Fact under the law. This instrument is executed and delivered in the State of Alabama, and the laws of the State of Alabama shall govern all questions as to the validity of this power and the construction of its provisions.

This Durable Power of Attorney may be voluntarily revoked by the principal, Glenda Presley, by written instrument delivered to the Attorney in Fact. The principal's legal guardian or conservator may also revoke this instrument by written instrument delivered to the Attorney in Fact. Any affidavit executed by the Attorney in Fact stating that she does not have, at the time of doing any act pursuant to this power of attorney, actual knowledge of the revocation or termination of this Durable Power of Attorney, is, in the absence of fraud, conclusive proof of the non-revocation or non-termination of the power at that time.

If any power or authorization granted under this Durable Power of Attorney be determined to be invalid or ineffective, that invalidity or ineffectiveness shall not affect in any way the validity or authority given under any of the other powers, or authorization granted under this Durable Power of Attorney.

The undersigned principal, Glenda Presley, acknowledges that she has carefully read the provisions of this Durable Power of Attorney and that she understands that this document: (a) authorizes the Attorney in Fact to exercise all powers with respect to her real and personal property which he may personally exercise; (b) authorizes any action taken by the Joint and Independent Attorney's in Fact on her behalf in good faith to be binding upon her; and, (c) does not strip the Joint and Independent Attorney's in Fact of their powers upon her being declared legally incompetent.

In Witness Whereof, as Principal, I have signed this Durable Power of Attorney Alabaster, Alabama, this the 30th day of Oct., 2012, and I have directed that photographic copies of this power be made which shall have the same force and effect as the original.
