WHEREAS, Developer owns certain additional real property (the "Subject Property") situated in Shelby County, Alabama, which is proposed to be developed as part of the Development, and which is more particularly described on Exhibit A attached hereto;

WHEREAS, Developer has created the Association pursuant to the Declaration of Easements and Master Protective Covenants for Highland Lakes recorded as Instrument Number 1994-07111 in the Probate Office of Shelby County, Alabama, as amended by the documents recorded as Instrument Number 1996-17543 and Instrument Number 1999-31095 and in said office (the "Master Covenants"), for the purpose of maintaining certain lakes (the "Lakes") and other property located adjacent to or near the Subject Property which is intended to be for the non-exclusive use and benefit of the owners of the Development (the "Common Areas"), regulating the use of the Lakes and Common Areas, and levying assessments for the maintenance, preservation and regulation of the Common Areas and the Lakes;

WHEREAS, the Developer desires to submit the Subject Property to the Original Declaration and the Master Covenants in accordance with and pursuant to the terms thereof, each of which permit the Developer, with the approval in writing of the Association, to evidence the submission of such property to the Original Declaration and the Master Covenants by filing a Supplementary Declaration to that effect in the Office of the Judge of Probate of Shelby County, Alabama;

NOW THEREFORE, the Developer and the Association (collectively the "Declarants"), do, upon the recording hereof, declare and make the Subject Property and any portion thereof subject to the covenants, conditions, restrictions, uses, limitations and affirmative obligations of the Original Declaration and the Master

Covenants, as each has been heretofore amended and as amended hereby, all of which are declared to be in furtherance of a plan for the use and improvement of the Subject Property in a desirable and uniform manner and for the maintenance, preservation, and regulation of the Lakes and Common Areas within the property subject to the Original Declaration and the Master Covenants.

ARTICLE I

The Declarants hereby reaffirm and restate the terms and provisions of the Original Declaration and the Master Covenants in their entirety without any change whatsoever, except as follows:

1. The legal description of the Property subject to the Original Declaration and the Master Covenants is hereby amended to include the Subject Property.

2. It is the intention of the Developer to submit the Subject Property to the Original Declaration as Additional Property pursuant to Section 2.2 of the Original Declaration so that the Subject Property will be part of the Property (as defined in the Original Declaration) and the members of the ARC (as defined in the Original Declaration) will be members of the Association. The Subject Property shall be subject in all respects to the Original Declaration and the Master Covenants except that the following covenants shall be binding upon the Subject Property and shall modify the Original Declaration with respect to the Subject Property:

(a) The Original Declaration is hereby amended to exempt the Subject Property from the requirements of Section 6.7 of the Original Declaration and to declare that the Subject Property shall be subject to the following restrictions on the size of structures:

There shall be no specific height limitations or size restrictions for residential structures to be constructed on a Lot within the Subject Property. The ARC reserves the right to approve the height and size of any residential structure to be constructed on a Lot within the Subject Property based on the compatibility of the appearance of such structure with structures on other Lots within and adjacent to the Subject Property.

(b) The provisions of Section 2 of Article I of this Supplementary Declaration shall be applicable to the Subject Property and shall modify the Original Declaration with respect to the Subject Property in accordance with Section 2.2 of the Original Declaration.

3. The Subject Property has not been subdivided into Lots. The Master Plan for the Development, as approved by applicable governmental authorities, contemplates the subdivision of the Subject Property into Lots in accordance with applicable state and local laws and regulations for the subdivision of real property. Developer intends to subdivide the Subject Property into Lots substantially in accordance with the Master Plan by applying for approval of a subdivision plat with respect to all or part of the Subject Property and by recording the approved subdivision plat in the Probate Office of Shelby County, Alabama, as permitted by Section 2.6 of the Master Covenants and Section 2.6 of the Original Declaration. The undivided portion of the Subject Property shall be treated as a single Lot for purposes of Article IV of the Master Covenants and Section 5.2 of the Original Declaration. No assessments shall be due on any Lot owned by the Developer in the Subject Property. Assessments on individual Lots within the Subject Property shall commence in accordance with Section 6.3 of the Master Covenants upon the conveyance of the Lot to a person other than the Developer.

4. Developer reserves the right to harvest timber on any portion of the Subject Property that has not been subdivided into Lots pursuant to a recorded subdivision plat.
