KNOW ALL MEN BY THESE PRESENTS that, for and in consideration of One Hundred Dollars (\$100) and other valuable considerations paid to **UNITED STATES STEEL CORPORATION**, a Delaware corporation (hereinafter referred to as "Grantor"), by **TROY HUGHES**, and wife **JULIET HUGHES** (hereinafter referred to as "Grantees"), the receipt and sufficiency of which is acknowledged, Grantor does hereby grant, bargain, sell, and convey unto Grantees, for and during their joint lives and upon the death of either of them, then to the survivor of them in fee simple, together with every contingent remainder and right of reversion, one (1) parcel of land, **MINERALS AND MINING RIGHTS EXCEPTED**, situated in Shelby County, Alabama, more particularly described on **EXHIBIT A** attached hereto and made a part hereof (the "Property").

This conveyance is made upon the covenant and condition that no right of action for damages on account of injuries to the Property herein conveyed or to any buildings, improvements, structures, pipelines, or other sources of water supply now or hereafter located upon the Property, or to any owners or occupants or other persons in or upon the Property, resulting from sinkholes or other defects of the surface or subsurface of any nature affecting the Property or resulting from past mining and/or gas or oil producing operations of Grantor, or its assigns, licensees, lessees, or contractors, or resulting from past blasting, dewatering, or the past removal of coal, iron ore, gas, oil, methane, hydrocarbons, occluded natural gas, coal bed methane gas, gob gas, limestone and all other minerals and non-mineral substances, including water associated with the production of coal bed methane gas, or coal seam or other roof supports by Grantor, or its assigns, licensees, lessees, or contractors, whether said past mining and/or gas or oil producing operations be in the Property or other lands, shall ever accrue to or be asserted by Grantees or by Grantees' successors in title, this conveyance being made expressly subject to all such injuries, either past or future, and this condition shall constitute a covenant running with the land as against Grantees and all successors in title.

By acceptance of this deed and as a condition of the conveyance hereunder, Grantee acknowledges and agrees that the physical and environmental condition of the Property conveyed hereunder has been inspected by Grantee or its duly authorized agent and that the Property is purchased by Grantee as a result of such inspection and not upon any agreement, representation, or warranty made by Grantor. Furthermore Grantee, and on behalf of its successors and assigns, agrees to accept the Property in its **"AS IS, WHERE**

IS, WITH ALL FAULTS” condition, including any physical and environmental conditions; to release Grantor from any and all liabilities under CERCLA, RCRA, or the HMTA, or any other local, state, or federal laws, rules, regulations, or ordinances; and to ***indemnify, defend, and hold Grantor harmless from and against*** any cost, fine, penalty, or other liability relating to the physical and environmental condition of the Property. It is the express intention of the parties that this assumption, release, and indemnity run with the land and shall be binding upon Grantee, its successors and assigns and all successors in title. (For the purpose of this provision, “CERCLA” shall mean and refer to the Comprehensive Environmental Response Compensation and Liability Act of 1980, 42 U.S.C. §9601, *et seq.*, as amended; “RCRA” shall mean and refer to the Resource Conservation and Recovery Act, 42 U.S.C. §6901, *et seq.*, as amended; and “HMTA” shall mean and refer to the Hazardous Materials Transportation Act, 49 U.S.C. §5102, *et seq.*, as amended.)

No private right of action shall accrue with respect to the physical or environmental condition of the Property to any subsequent purchaser of the Property, whether by foreclosure or otherwise, due solely to the taking of title to the Property and, by taking such title, any such purchaser does thereby waive any and all right or claim against Grantor, Grantees, or their heirs, successors, and assigns or any of them, for any costs, loss, damage, or liability such purchaser or its successors and assigns may incur as a result of the physical or environmental condition of the Property or the need or desirability to do any removal, corrective, or remediation work including, but not limited to, in connection with hazardous materials or waste pursuant to the Comprehensive Environmental Response, Compensation, and Liability Act, as amended, the Resources Conservation and Recovery Act, as amended, and all regulations thereunder or any similar laws or regulations enacted by the United States of America or the State of Alabama, or any agency or instrumentality of either.

TO HAVE AND TO HOLD unto Grantees for and during their joint lives and upon the death of either of them, then to the survivor of them in fee simple, together with every contingent remainder and right of reversion, and to the heirs and assigns of such survivor, forever.

Grantor does hereby covenant that the Grantor is lawfully seized and possessed of the Property and has the right and lawful authority to sell and convey the Property. The Grantor does hereby warrant the title to the Property, and will defend the same against the lawful claims of all persons claiming by, through, or under Grantor and that the Property is free and clear of all encumbrances except for the Permitted Encumbrances set forth in **EXHIBIT B** attached hereto and by this reference made a part hereof, against which Grantor shall not defend.
