Any lien, or right to lien, for services, labor, or material heretofore or hereafter furnished, imposed by law, and not shown by the public records.

Laurel Master Deed Restrictions dated as of September 1, 2000 and recorded as Instrument #2000-35579 in the Probate Office and all amendments thereto (which, together with all amendments thereto, is hereinafter referred to as the "Master Deed Restrictions"), and the Mt. Laurel Declaration of Charter, Easements, Covenants and Restrictions dated as of September 1, 2000 and recorded as Instrument No. 2000-35580 in the Probate Office and all amendments thereto (which, together with all amendments thereto, is hereinafter referred to as the "Declaration"). All other setback lines, easements, rights-of-way, restrictions, limitations, if any, of record.

The Property is subject to all of the terms and provisions of the Declaration, the Master Deed Restrictions, the Rules and Regulations, as defined in the Declaration, and the Mt. Laurel Design Code, as defined in the Declaration (collectively, the "Mt. Laurel Documents") and Grantees agree to be bound by all of the terms and provisions of the Mt. Laurel Documents.

The Mt. Laurel Documents permit the Founder (which is the affiliate of Grantor) to make various changes and modifications to the Mt. Laurel Documents from time to time and at any time prior to the Turnover Date, as defined in the Declaration, without the consent or approval of any Owners

(which would include Grantees).

The Master Plan for Mt. Laurel, which is the Founder may change from time to time without the consent or approval of any Owners (which would include Grantees), contemplates that Mt. Laurel will be developed as a traditional neighborhood development which will mix commercial, residential and civic use unlike that of typical or conventional suburban developments which separate residential from civic and commercial land uses. A traditional neighborhood development attempts to create a neighborhood of walkable streets and a range of housing types which are commingled with civic and commercial land uses. Accordingly, Single-Family Districts in Mt. Laurel may be directly adjacent to Townhouse Districts, Multi-Family Districts and Commercial Division.

As provided in the Declaration, each Owner (which would include Grantees) will be a member of the Association, as defined in the Declaration, and the Association has the right to levy Assessments against the property, which Assessments are secured by a lien on the Property and, if such Assessments are not timely paid, then such lien is subject to the foreclosure rights created by the Declaration.

Only the real property shown on the Initial Plat and any Additional Property which is submitted to the Declaration and Master Deed Restrictions in accordance with the terms and provisions thereof is subject to the terms and provisions of the Declaration and the Master Deed Restrictions. The Founder has no obligation to submit or add any of the other real property shown on the Master Plan to the Declaration or the Master Deed Restrictions.

As of the date hereof, all roadways, streets and alleyways within Mt. Laurel are private and will be maintained by the Association; however, the Founder has reserved the unilateral right under the Declaration to dedicate all or any portion of the Common Roads within Mt. Laurel to any Governmental Authority in which event such Common Roads would become public roads.
