R/W NO: 401:230

CATHODIC PROTECTION EASEMENT

FOR AND IN CONSIDERATION OF Ten and No/100 Dollars (\$10.00), the receipt and adequacy of which is hereby acknowledged, HWY 13 LLC, hereinafter referred to as Grantor (whether one or more), does hereby grant, bargain, sell, convey and warrant unto COLONIAL PIPELINE COMPANY, a Delaware Corporation, its successors and assigns, hereinafter referred to as Grantee, an easement to construct, install, maintain, inspect, operate, protect, repair, replace, or remove cathodic protection facilities consisting of poles, power lines, cables, meters, anodes, ground beds and fittings for the control of electrolytic action on Grantee's pipelines on, over, and through the following described lands, of which Grantor warrants it is the owner in fee simple, situated in SHELBY County, State of ALABAMA, to wit:

That parcel of land identified as Red Oak Farms, situated in Shelby County, Alabama. Survey recorded in Map Book 45, Page 95A, 95B, 95C and 95D, copies attached hereto as EXHIBIT B, Pages 1-4. More specifically shown on the below referenced EXHIBIT A, as being that portion of the property located along the western edge of that private gravel road known as Red Oak Road, with a 60' wide right of way, running northerly and southerly across the Colonial Pipeline Right of Way.

Said facilities and appurtenances are more particularly shown on Colonial Pipeline Company drawing entitled Colonial Pipeline Company Red Oak Farms Rectifier Site and Cathodic Protection Anode Cable, dated 6-10-16, which is labeled EXHIBIT A, and attached hereto and made a part hereof.

Grantee shall have the right of ingress and egress to and from said lands, on, over, and through Grantor's above-described land, specifically including along and over Red Oak Road, for any and all purposes necessary and incident to the exercise by said Grantee of the rights granted hereunder. Grantor agrees not to impound water or construct any permanent structures over the cathodic protection facilities unless authorized in writing by Grantee. These shall be covenants running with the land and shall be binding on Grantor, its successors and assigns.

Delay of Grantee in the use or exercise of any right or easement hereby granted, or in installing said facilities shall not result in the loss, limitation or abandonment of any of the rights, title, interest, easement or estate hereby granted.

The terms, covenants and provisions of this right of way easement shall extend to and be binding upon the heirs, executors, administrators, personal representatives, successors, and assigns of the parties hereto.

IN WITNESS WHEREOF, the Grantor herein has hereunto set its hand and seal this 10th day of August, 2016.
