If an Event of Default occurs, the right of Assignor to collect the Rents and to manage the Mortgaged Property shall thereupon automatically terminate and such right together with the other rights, powers and authorizations contained herein shall belong exclusively to Assignee.

Assignor further covenants that if any Lease provides for the abatement of rent during repair of the premises demised thereunder by reason of fire or other casualty, Assignor shall furnish to Assignee rental insurance in an amount and form and written by insurance companies as shall be reasonably satisfactory to Assignee.

(f) Assignee shall be deemed to be the creditor of each lessee under the Leases in any assignments for the benefit of creditors and bankruptcy, reorganization, insolvency, dissolution, receivership or probate proceedings affecting such lessee (without any obligation on the part of Assignee to file claims or otherwise to pursue creditors rights in such proceedings). All monies received in connection with any such proceedings or occurrences shall constitute additional Rents hereunder.

(a) If an Event of Default shall occur or be continuing:

(i) Assignee may exercise its rights as provided in this Assignment without regard to the adequacy of the security and without waiving any other remedy available to Assignee and without waiving such Event of Default;

(ii) In the event Assignee elects to invoke any of its rights hereunder and thereafter, for any reason, relinquishes to Assignor such rights, this Assignment shall not be terminated, but shall remain in full force and effect until Assignor's Liabilities are paid in full, it being the intent of the parties that Assignee shall, until release of this Assignment, have all the rights granted hereby and be able to exercise them from time to time if an Event of Default occurs.

(b) No delay or omission on the part of Assignee in the exercise of any remedy for an Event of Default shall operate as a waiver thereof. The remedies available to Assignee under this Assignment shall be in addition to, and exercisable in any combination with, any and all remedies available by operation of law and under the other Loan Instruments. Said remedies shall be cumulative and concurrent, may be pursued separately, successively or together against Assignor or the Mortgaged Property at the sole discretion of Assignee and may be exercised as often as occasion therefor shall arise.

(d) The receipt by Assignee of any Rents pursuant to this Assignment following an Event of Default and the exercise of any remedies provided for herein or in the other Loan Instruments shall not cure such Event of Default or affect or prejudice the exercise of such remedies.

(e) Assignee's obligations as to any Rents actually collected shall be discharged by application of such Rents to any of the purposes specified in subparagraph (c), above. Assignee shall not be liable for uncollected Rents or for failure to collect Rents or for any claim for damages or setoffs arising out of Assignee's management of the Mortgaged Property. Assignee shall not be liable to any lessee for the return of any security deposit made under any Lease unless Assignee shall have received such security deposit from the Assignor or such lessee. Assignee shall not by reason of this Assignment or the exercise of any right granted herein be obligated to perform any obligation of the lessor under any of the Leases, nor shall Assignee be responsible for any act committed by the lessor, or any breach or failure to perform by the lessor with respect to any of the Leases. Nothing contained herein shall be deemed to have the effect of making Assignee a mortgagee in possession of the Mortgaged Property or any part thereof.

(f) Assignor shall reimburse Assignee for and indemnify Assignee against all expenses, losses, damages and liabilities which Assignee may incur by reason of this Assignment or the exercise of any of the rights granted hereunder. Any and all amounts due and payable, shall be added to Assignor's Liabilities, shall bear interest at the Default Rate and shall be secured by this Assignment and the other Loan Instruments.

(g) Each present and future lessee under any of the Leases is hereby authorized and directed to pay the rent payable thereunder to Assignee upon written demand from Assignee stating that an Event of Default has occurred without inquiry as to whether any such default has occurred or whether Assignee is rightfully entitled to such rent. Following receipt of any such demand, no lessee shall be given credit for any rent paid other than to Assignee thereafter until Assignee instructs such lessee otherwise in writing.

MISCELLANEOUS

(a) If the time of payment of any indebtedness secured hereby is extended at any time or times, if the Note is renewed, modified or replaced or if any security for the Note is released, Assignor and any other parties now or hereafter liable therefor or interested in the Mortgaged Property shall be deemed to have consented to such extensions, renewals, modifications, replacements and releases, and their liability and the lien hereof and of the other Loan Instruments shall not be released and the rights created hereby and thereby shall continue in full force, the right of recourse against all such parties being reserved by Assignee.

(b) This Assignment shall inure to the benefit of Assignee and be binding upon Assignor, the heirs, legal representatives, successors and assigns of Assignor and all persons and entities (including owners and lessees) which may hereafter have any interest in the Mortgaged Property. Whenever Assignor or Assignee is referred to herein, such heirs, legal representatives, successors and assigns thereof shall be included in such reference. Notwithstanding the foregoing, Assignor shall not assign its rights and obligations hereunder without Assignee's prior written consent.

(c) Notwithstanding the conveyance or transfer of title to any or all of the Mortgaged Property to any lessee under any of the Leases, the lessee's leasehold estate under such Lease shall not merge into the fee estate and the lessee shall remain obligated under such lease as assigned by this Assignment.
