Hanson (Paternal Grandmother), the following powers of consent over said child: Any and all powers that a natural parent would have, including but not limited to power to seek and administer medical care, power to enroll in school, all custodial powers, power to make all legal decisions.

It is my/our intention that the person named above shall have all the powers of the heretofore stated, except the power to consent to marriage or adoption, of said child, until this is revoked in writing. The above Power of Attorney (Delegation of Powers) of the above named person herein granted shall commence and be in full force and effect on the date set forth below; and such powers shall remain in full force and effect until revoked in writing;
