### NEGATIVE PLEDGE AGREEMENT

**THIS NEGATIVE PLEDGE AGREEMENT** (the "Agreement") is made and entered into as of the 19<sup>th</sup> day of November, 2018, by and between **PINE MOUNTAIN PRESERVE, INC.**, a Delaware corporation (the "Borrower") and **BRYANT BANK**, an Alabama state banking corporation (the "Bank")

WHEREAS, the Borrower has requested that the Bank make a loan to the Borrower and its affiliate, Pine Mountain Preserve, LLLP, in the maximum aggregate principal amount of Four Million Five Hundred Thirty-Three Thousand Five Hundred Thirty-Three and 00/100 Dollars (\$4,533,533.00) (the "Loan"), and the Bank has agreed to make the Loan on the condition that the Borrower execute and deliver this Agreement;

NOW, THEREFORE, in consideration of the Loan and for other good and valuable consideration, the receipt and sufficiency of which hereby are acknowledged, Borrower agrees as follows:

1. **Transfer or Encumbrance of the Property.** Borrower is the owner in fee simple of the real estate described on Exhibit "A" and all improvements thereon (the "Property"). Borrower acknowledges that the Bank has examined and relied on the creditworthiness of Borrower and experience of Borrower in owning and operating the Property in agreeing to make the Loan to Borrower, and that the Bank will continue to rely on Borrower's ownership of the Property as a means of maintaining the value of the Property and Borrower's ability to repay the Loan. Borrower acknowledges that the Bank has a valid interest in maintaining the value of the Property. Borrower shall not, without the prior written consent of the Bank, sell, convey, alien, mortgage, encumber, pledge or otherwise transfer the Property or any part thereof, or permit the Property or any part thereof to be sold, conveyed, aliened, mortgaged, encumbered, pledged or otherwise transferred.

2. **Insurance.** Borrower shall keep or cause to be kept the Property insured against loss or damage by fire, extended coverage perils, vandalism, malicious mischief, and any such other hazards, casualties, or other contingencies as from time to time may be required by the Bank in such manner and in such companies and amounts as the Bank may approve. All such insurance shall be replacement cost coverage rather than actual cash value coverage. Borrower shall cause duplicate originals of any and all such insurance policies to be deposited with the Bank. At least fifteen (15) business days prior to the date the premiums on each such policy or policies shall become due and payable, Borrower shall furnish to the Bank evidence of the payment of such premiums. Borrower agrees that Borrower will not take any action or fail to take any action, which action or inaction would result in the invalidation of any insurance policy required hereunder. Borrower shall give immediate notice in writing to the Bank of any loss or damage to the Property caused by any casualty. If Borrower fails to keep the Property insured as above specified, the Bank may at its option and sole discretion, and at Borrower's expense, insure the Property for its insurable value against loss by fire, wind and other hazards as specified above for the sole benefit of the Bank.

3. **Taxes and Assessments.** Borrower will pay all taxes and assessments against or affecting the Property as the same shall become due and payable, and, if Borrower fails to do so, the Bank may pay them, together with all costs and penalties thereon, at Borrower's expense. Notwithstanding the foregoing, Borrower may in good faith by appropriate proceedings contest the validity of such taxes and assessments and, pending such contest, Borrower shall not be deemed in default hereunder due to such nonpayment if (i) prior to delinquency of the asserted tax or assessment, Borrower furnishes the Bank an indemnity bond, conditioned that such tax or assessment with interest, cost and penalties be paid as herein stipulated secured by a deposit in cash, or security acceptable to the Bank, or with surety acceptable to the Bank, in the amount of the tax or assessment being contested by Borrower, and a reasonable additional sum to pay all possible costs, interest and penalties imposed or incurred in connection therewith, and (ii) Borrower promptly pays any amount adjudged by a court of competent jurisdiction to be due, with all costs, penalties and interest thereon, before such judgment becomes final.

4. **Waste, Demolition, Alteration, Replacement or Repair of Property.** Borrower shall cause the Property and every part thereof to be maintained, preserved, kept safe and in good repair, and in good working condition. Borrower shall not commit or permit waste thereon. Borrower shall not remove, demolish or alter the design or structural character of the Project or the Property now or hereafter erected on the Real Estate without the express prior written consent of the Bank. Borrower shall comply with all laws and regulations of any governmental authority with reference to the Property and the manner and use of the same, and shall from time to time make all necessary and proper repairs, renewals, additions and restorations thereto so that the value and efficient use thereof shall be fully preserved and maintained. Borrower will discharge all claims for labor performed and material furnished therefor, and will not suffer any lien of mechanics or materialmen to attach to any part of the Property. Borrower agrees not to remove any of the fixtures included in the Property without the express prior written consent of the Bank and unless the same is immediately replaced with like property of at least equal value and utility.

The Bank and other persons authorized by the Bank shall have access to and the right to enter and inspect the Property at all reasonable times, and upon reasonable notice to Borrower, including monthly inspections if deemed necessary by the Bank. In the event the Bank finds that Borrower is not maintaining the Property as referenced herein, the Bank shall notify Borrower in writing of the needed repairs and Borrower shall have ten (10) business days to make satisfactory arrangements to bring the Property back to good condition. If after such time, satisfactory arrangements have not been made to bring the Property back to good condition as determined by the sole discretion of the Bank, the Bank shall have the right to make the repairs required at the expense of Borrower as previously enunciated in this Agreement, or shall have the right to declare the Loan to be at once due and payable.

5. **Financial Statements.** Borrower shall deliver to the Bank year-end financial statements in form suitable to the Bank within one hundred twenty (120) days following Borrower's fiscal year end. Borrower also agrees to deliver to the Bank, from time to time, such other financial information with respect to Borrower as the Bank may reasonably request.

6. **Notice of Litigation.** Borrower consents and agrees that it will give notice to the Bank of any litigation in which Borrower becomes involved and will continue to thereafter provide to the Bank periodic statements of the status and progress of such litigation as may be requested by the Bank.

7. **Hold Harmless.** Borrower will defend, at its own cost and expense, and hold the Bank harmless from, any proceeding or claim affecting the Property. All costs and expenses incurred by Borrower in protecting its interests hereunder, including all court costs and reasonable attorneys' fees, shall be borne by Borrower.

8. **Notices by Governmental Authority, Fire and Casualty Losses, Etc.** Borrower shall timely comply with and promptly furnish to the Bank true and complete copies of any official notice or claim by any governmental authority pertaining to the Property. Borrower shall promptly notify the Bank of any fire or other casualty or any notice or taking of eminent domain action or proceeding affecting the Property.

9. **Recording and Filing.** This Agreement and all applicable Loan Documents and all amendments, supplements and extensions thereto and substitutions therefor shall be recorded, filed, rerecorded and refiled in such manner and in such places as the Bank shall reasonably request, and Borrower will pay all such recording, filing, rerecording and refiling fees, title insurance premiums, and other charges.

10. **Termination.** If Borrower shall: (A) pay in full (i) the Loan including but not limited to all sums (principal, interest and charges) payable under the Note and any and all extensions and renewals of the same (including future advances); (ii) all sums becoming due and payable by Borrower under the terms of this Agreement and the Loan Documents, including but

not limited to advancements made by the Bank pursuant to the terms and conditions of this Agreement; and (iii) any and all obligations of Borrower to Bank or to any affiliate of Bank arising under or in connection with any swap agreement (as defined in 11 U.S.C. § 101, as in effect from time to time) between Borrower and Bank or any affiliate of Bank; and (B) have kept and performed each and every obligation, covenant, duty, condition and agreement herein imposed on or agreed to by Borrower; then this Agreement shall become null and void and the Bank in such case shall, upon the request of Borrower and at Borrower's cost and expense, deliver to Borrower proper instruments acknowledging termination of this Agreement; otherwise, this Agreement shall remain in full force and effect.
