Constitution for UNITED STATES OF AMERICA REPUBLIC ARTICLE VI

“With us all Moorish Nationals and Citizens must proclaim their Nationality and we are Conferring Our People their Nationality and their divine creed, that they may know that they are a part and a parcel of the United States of America Republic, and are not Negroes, Colored Folks, Black People, or Ethiopians, because these names were given to slaves by slave holders in 1779 and lasted until 1865 during the time of slavery; but this is a new era of time now, and all men now must proclaim their free National name to be recognized by the Government in which they live and the nations of the earth; this is the reason why Allah the great God of the universe ordained Noble Drew Ali, the Prophet to redeem his people from their sinful ways. The Moorish Americans are the descendants of the ancient Moabites who inhabited the North Western and South Western shores of Africa”.

**UNITED STATES OF AMERICA REPUBLIC Continental Congress Assembled PUBLIC LAW 112-06
Amended: 8 October 2017 CIVIL RIGHTS ACT (www.usarlaws.info)**

SECTION 6. PRIVILEGES AND IMMUNITIES CLAUSE

The Privileges and Immunities Clause of the Thirteenth Amendment deals with the rights of citizens of the United States of America Republic as such, and the privileges and immunities protected thereby are those of Citizens of the United States of America Republic, as distinguished from the privileges and immunities of the citizens of a state. The clause protects all citizens against abridgment by states of rights of National Citizenship as distinct from the fundamental or natural rights inherent in state citizenship.

SECTION 7. DUE PROCESS CLAUSE

The Due Process Clause was intended, in addition to other guarantees of private rights, to give increased security against arbitrary deprivation of life or liberty, or the arbitrary spoliation of property. The Due Process Clause requires that action by a state through any of its agencies must be consistent with the fundamentals of liberty and justice. The Due Process Clause does not prohibit action by a private individual, unless the state, in any of its manifestations, has in some way involved itself in the actions of an individual to some significant extent.

SECTION 9. CIVIL ACTIONS BY ATTORNEY GENERAL

Under Title III, whenever the United States of America Republic Attorney General receives a written, signed complaint from an individual stating that he or she is being deprived or threatened with the loss of the right to the equal protection of the laws, because of race, color, religion, or national origin, by being denied the equal utilization of any public facility owned, operated, or managed by or on behalf of any state or subdivision thereof, other than a public school or college, the Attorney General may, by a proper complaint, institute an action in the appropriate United States Province court against the appropriate parties, and implead additional necessary parties, if the Attorney General believes the complaint to be meritorious and certifies that the complainant is unable, in his or her judgment, to initiate or maintain the appropriate legal proceedings for relief and that the institution of an action will materially further the orderly progress of the desegregation of public facilities. A person or persons are deemed unable to initiate and maintain appropriate legal proceedings within the meaning of the statute when such person or persons are unable, either directly or through other interested persons or organizations, to bear the expense of the litigation or to obtain effective legal representation, or whenever the Attorney General is satisfied that the institution of such litigation would jeopardize the personal safety, employment, or economic standing of those persons, their families, or their property.

AMENDMENT XIII Abolition of Slavery

Section 1. Abolition of Slavery; Neither slavery nor involuntary servitude, except as a punishment for crime whereof the party shall have been duly convicted, shall exist within the United States of America Republic or any place subject to their jurisdiction.

Section 2. Power to enforce this Article; Congress shall have power to enforce this article by appropriate legislation.

Section 3. The prohibition of slavery contained in the Thirteenth Amendment extends not only to slavery per se, but also to the "badges and incidents" of slavery such as Negro, black, colored, Afro American, African American shall be recognized as slave brands or badges.

Section 4. Shall Prohibit the UNITED STATES as well as the states from making or enforcing any law which shall abridge the privileges or immunities of citizens of the United States of America Republic; from depriving any person of life, liberty, or property, without due process of law; and from denying to any person within their jurisdiction the equal protection of the laws.

UNITED STATES OF AMERICA REPUBLIC Attorney Generals/Executors does not need a BAR license to represent the Moorish American National beneficiaries and property of the Vast Estate Express Trust #10105905. On timely application, the Attorney General of the United States of America Republic may intervene in any action commenced in any court of the United States seeking relief from the denial of equal protection of the laws under the Thirteenth Amendment on account of race, color, religion, sex, or national origin

**STATE OF ALABAMA NOR UNITED STATES CAN JUDGE A MOORISH AMERICAN NATIONAL.
YOU LACK SUBJECT MATTER AND PERSONAL MATTER JURISDICTION.**

Peace and Friendship Treaty Between Morocco and United States 1836

ART. 21.

If a citizen of the United States should kill or wound a Moor, or, on the contrary, if a Moor shall kill or wound a citizen of the United States, the law of the Country shall take place, and equal justice shall be rendered, the Consul assisting at the trial; and if any delinquent shall make his escape, the Consul shall not be answerable for him in any manner whatever.

The "Law" of the "Country" (U.S.A.) for Moorish American Nationals is the Constitution for UNITED STATES OF AMERICA REPUBLIC. UNITED STATES and the STATE OF ALABAMA lack subject matter jurisdiction and personal jurisdiction. Showing any security interests in a vessel of UNITED STATES OF AMERICA REPUBLIC without the consent of UNITED STATES OF AMERICA REPUBLIC is a commercial crime and constitutes an act of fraud.

Peace and Friendship Treaty Between Morocco and United States 1836

ART. 22.

If an American citizen shall die in our country, and no will shall appear, the Consul shall take possession of his effects; and if there shall be no Consul, the effects shall be deposited in the hands of some person worthy of trust, until the party shall appear who has a right to demand them; but if the heir to the person deceased be present, the property shall be delivered to him without interruption; and if a will shall appear the property shall descend agreeably to that will, as soon as the Consul shall declare the validity thereof.

The Moorish American People was considered lost at sea and dead in the eyes of the law. UNITED STATES casted slave badge names up on the Moorish American People, and denationalized while depriving Moorish Americans of their Civil Rights. This act is still going on today as Officers, trustees, and Administrators of the UNITED STATES continue to break the Peace and Friendship Treaty between Morocco and UNITED STATES of 1836. The Moorish American People have claimed their Nationality in which the Government they live in known as UNITED STATES OF AMERICA REPUBLIC. Moorish American Nationals are the beneficiaries of the Empire of Morocco, and we understand that the Consul (UNITED STATES) was left as trustees until a party shall appear who has a right to demand the possessions, but if the heir of the person deceased be present, the property shall be delivered to him without interruption; and if a will shall appear the property shall descend agreeably to that will, as soon as the Consul shall declare the validity thereof. UNITED STATES OF AMERICA REPUBLIC is here to make the claim on behalf of the Moorish American Nationals beneficiaries of the Vast Estate Express Trust #10105905. As Heirs to the Empire of Morocco who inhabited U.S.A., UNITED STATES OF AMERICA REPUBLIC claim all Estates and property of all Moorish American Nationals held by the STATE OF ALABAMA and UNITED STATES.

UNITED STATES OF AMERICA REPUBLIC was issued a Certificate of Authority in the STATE OF ALABAMA by Secretary of State John H. Merrill on September 29, 2017.
