LOAN #: 10011805128291

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. Payment of Principal, Interest, Escrow Items, and Late Charges. Borrower shall pay when due the principal of, and interest on, the debt evidenced by the Note and late charges due under the Note. Borrower shall also pay funds for Escrow Items pursuant to Section 3. Payments due under the Note and this Security Instrument shall be made in U.S. currency. However, if any check or other instrument received by Lender as payment under the Note or this Security Instrument is returned to Lender unpaid, Lender may require that any or all subsequent payments due under the Note and this Security Instrument be made in one or more of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal agency, instrumentality, or entity; or (d) Electronic Funds Transfer.

Payments are deemed received by Lender when received at the location designated in the Note or at such other location as may be designated by Lender in accordance with the notice provisions in Section 14. Lender may return any payment or partial payment if the payment or partial payments are insufficient to bring the Loan current. Lender may accept any payment or partial payment insufficient to bring the Loan current, without waiver of any rights hereunder or prejudice to its rights to refuse such payment or partial payments in the future, but Lender is not obligated to apply such payments at the time such payments are accepted. If each Periodic Payment is applied as of its scheduled due date, then Lender need not pay interest on unapplied funds. Lender may hold such unapplied funds until Borrower makes payment to bring the Loan current. If Borrower does not do so within a reasonable period of time, Lender shall either apply such funds or return them to Borrower. If not applied earlier, such funds will be applied to the outstanding principal balance under the Note immediately prior to foreclosure. No offset or claim which Borrower might have now or in the future against Lender shall relieve Borrower from making payments due under the Note and this Security Instrument or performing the covenants and agreements secured by this Security Instrument.

2. Application of Payments or Proceeds. Except as otherwise described in this Section 2, all payments accepted and applied by Lender shall be applied in the following order of priority:

First, to the Mortgage Insurance premiums to be paid by Lender to the Secretary or the monthly charge by the Secretary instead of the monthly mortgage insurance premiums;

Second, to any taxes, special assessments, leasehold payments or ground rents, and fire, flood and other hazard insurance premiums, as required;

Third, to interest due under the Note;

Fourth, to amortization of the principal of the Note; and,

Fifth, to late charges due under the Note.

Any application of payments, insurance proceeds, or Miscellaneous Proceeds to principal due under the Note shall not extend or postpone the due date, or change the amount of the Periodic Payments.

3. Funds for Escrow Items. Borrower shall pay to Lender on the day Periodic Payments are due under the Note, until the Note is paid in full, a sum (the "Funds") to provide for payment of amounts due for: (a) taxes and assessments and other items which can attain priority over this Security Instrument as a lien or encumbrance on the Property; (b) leasehold payments or ground rents on the Property, if any; (c) premiums for any and all insurance required by Lender under Section 5; and (d) Mortgage Insurance premiums to be paid by Lender to the Secretary or the monthly charge by the Secretary instead of the monthly Mortgage Insurance premiums. These items are called "Escrow Items." At origination or at any time during the term of the Loan, Lender may require that Community Association Dues, Fees, and Assessments, if any, be escrowed by Borrower, and such dues, fees and assessments shall be an Escrow Item. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this Section. Borrower shall pay Lender the Funds for Escrow Items unless Lender waives Borrower's obligation to pay the Funds for any or all Escrow Items. Lender may waive Borrower's obligation to pay to Lender Funds for any or all Escrow Items at any time. Any such waiver may only be in writing. In the event of such waiver, Borrower shall pay directly, when and where payable, the amounts due for any Escrow Items for which payment of Funds has been waived by Lender and, if Lender requires, shall furnish to Lender receipts evidencing such payment within such time period as Lender may require. Borrower's obligation to make such payments and to provide receipts shall for all purposes be deemed to be a covenant and agreement contained in this Security Instrument, as the phrase "covenant and agreement" is used in Section 9. If Borrower is obligated to pay Escrow Items directly, pursuant to a waiver, and Borrower fails to pay the amount due for an Escrow Item, Lender may exercise its rights under Section 9 and pay such amount and Borrower shall then be obligated under Section 9 to repay to Lender any such amount. Lender may revoke the waiver as to any or all Escrow Items at any time by a notice given in accordance with Section 14 and, upon such revocation, Borrower shall pay to Lender all Funds, and in such amounts, that are then required under this Section 3.

Lender may, at any time, collect and hold Funds in an amount (a) sufficient to permit Lender to apply the Funds at the time specified under RESPA, and (b) not to exceed the maximum amount a lender can require under RESPA. Lender shall estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with Applicable Law.

The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentality, or entity (including Lender, if Lender is an institution whose deposits are so insured) or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow Items no later than the time specified under RESPA. Lender shall not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and Applicable Law permits Lender to make such a charge. Unless an agreement is made in writing or Applicable Law requires interest to be paid on the Funds, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender can agree in writing, however, that interest shall be paid on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds as required by RESPA.

If there is a surplus of Funds held in escrow, as defined under RESPA, Lender shall account to Borrower for the excess funds in accordance with RESPA. If there is a shortage of Funds held in escrow, as defined under RESPA,

LOAN #: 10011805128291

Lender shall notify Borrower as required by RESPA, and Borrower shall pay to Lender the amount necessary to make up the shortage in accordance with RESPA, but in no more than 12 monthly payments. If there is a deficiency of Funds held in escrow, as defined under RESPA, Lender shall notify Borrower as required by RESPA, and Borrower shall pay to Lender the amount necessary to make up the deficiency in accordance with RESPA, but in no more than 12 monthly payments.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender.

4. Charges; Liens. Borrower shall pay all taxes, assessments, charges, fines, and impositions attributable to the Property which can attain priority over this Security Instrument, leasehold payments or ground rents on the Property, if any, and Community Association Dues, Fees, and Assessments, if any. To the extent that these items are Escrow Items, Borrower shall pay them in the manner provided in Section 3.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender, but only so long as Borrower is performing such agreement; (b) contests the lien in good faith by, or defends against enforcement of the lien in, legal proceedings which in Lender's opinion operate to prevent the enforcement of the lien while those proceedings are pending, but only until such proceedings are concluded; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which can attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien: Within 10 days of the date on which that notice is given, Borrower shall satisfy the lien or take one or more of the actions set forth above in this Section 4.

5. Property Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage," and any other hazards including, but not limited to, earthquakes and floods, for which Lender requires insurance. This insurance shall be maintained in the amounts (including deductible levels) and for the periods that Lender requires. What Lender requires pursuant to the preceding sentences can change during the term of the Loan. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's right to disapprove Borrower's choice, which right shall not be exercised unreasonably. Lender may require Borrower to pay, in connection with this Loan, either: (a) a one-time charge for flood zone determination, certification and tracking services; or (b) a one-time charge for flood zone determination and certification services and subsequent charges each time remappings or similar changes occur which reasonably might affect such determination or certification. Borrower shall also be responsible for the payment of any fees imposed by the Federal Emergency Management Agency in connection with the review of any flood zone determination resulting from an objection by Borrower.

If Borrower fails to maintain any of the coverages described above, Lender may obtain insurance coverage, at Lender's option and Borrower's expense. Lender is under no obligation to purchase any particular type or amount of coverage. Therefore, such coverage shall cover Lender, but might or might not protect Borrower, Borrower's equity in the Property, or the contents of the Property, against any risk, hazard or liability and might provide greater or lesser coverage than was previously in effect. Borrower acknowledges that the cost of the insurance coverage so obtained might significantly exceed the cost of insurance that Borrower could have obtained. Any amounts disbursed by Lender under this Section 5 shall become additional debt of Borrower secured by this Security Instrument. These amounts shall bear interest at the Note rate from the date of disbursement and shall be payable, with such interest, upon notice from Lender to Borrower requesting payment.

All insurance policies required by Lender and renewals of such policies shall be subject to Lender's right to disapprove such policies, shall include a standard mortgage clause, and shall name Lender as mortgagee and/or as additional loss payee. Lender shall have the right to hold the policies and renewal certificates. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. If Borrower obtains any form of insurance coverage, not otherwise required by Lender, for damage to, or destruction of, the Property, such policy shall include a standard mortgage clause and shall name Lender as mortgagee and/or as an additional loss payee.

In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower. Unless Lender and Borrower otherwise agree in writing, any insurance proceeds, whether or not the underlying insurance was required by Lender, shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such insurance proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such insurance proceeds, Lender shall not be required to pay Borrower any interest or earnings on such proceeds. Fees for public adjusters, or other third parties, retained by Borrower shall not be paid out of the insurance proceeds and shall be the sole obligation of Borrower. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower. Such insurance proceeds shall be applied in the order provided for in Section 2.

If Borrower abandons the Property, Lender may file, negotiate and settle any available insurance claim and related matters. If Borrower does not respond within 30 days to a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may negotiate and settle the claim. The 30-day period will begin when the notice is given. In either event, or if Lender acquires the Property under Section 24 or otherwise, Borrower hereby assigns to Lender (a) Borrower's rights to any insurance proceeds in an amount not to exceed the amounts unpaid under the Note or this Security Instrument, and (b) any other of Borrower's rights (other than the right to any refund of unearned premiums paid by Borrower) under all insurance policies covering the Property, insofar as such rights are applicable to the coverage of the Property. Lender may use the insurance proceeds either to repair or restore the Property or to pay amounts unpaid under the Note or this Security Instrument, whether or not then due.

6. Occupancy. Borrower shall occupy, establish, and use the Property as Borrower's principal residence within 60 days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender determines that this requirement shall cause undue hardship for the Borrower or unless extenuating circumstances exist which are beyond Borrower's control.

7. Preservation, Maintenance and Protection of the Property; Inspections. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate or commit waste on the Property. Borrower shall maintain the Property in order to prevent the Property from deteriorating or decreasing in value due to its condition. Unless it is determined pursuant to Section 5 that repair or restoration is not economically feasible, Borrower shall promptly repair the Property if damaged to avoid further deterioration or damage. If insurance or condemnation proceeds are paid in connection with damage to the Property, Borrower shall be responsible for repairing or restoring the Property only if Lender has released proceeds for such purposes. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. If the insurance or condemnation proceeds are not sufficient to repair or restore the Property, Borrower is not relieved of Borrower's obligation for the completion of such repair or restoration.

If condemnation proceeds are paid in connection with the taking of the property, Lender shall apply such proceeds to the reduction of the indebtedness under the Note and this Security Instrument, first to any delinquent amounts, and then to payment of principal. Any application of the proceeds to the principal shall not extend or postpone the due date of the monthly payments or change the amount of such payments.

Lender or its agent may make reasonable entries upon and inspections of the Property. If it has reasonable cause, Lender may inspect the interior of the improvements on the Property. Lender shall give Borrower notice at the time of or prior to such an interior inspection specifying such reasonable cause.

8. Borrower's Loan Application. Borrower shall be in default if, during the Loan application process, Borrower or any persons or entities acting at the direction of Borrower or with Borrower's knowledge or consent gave materially false, misleading, or inaccurate information or statements to Lender (or failed to provide Lender with material information) in connection with the Loan. Material representations include, but are not limited to, representations concerning Borrower's occupancy of the Property as Borrower's principal residence.

9. Protection of Lender's Interest in the Property and Rights Under this Security Instrument. If (a) Borrower fails to perform the covenants and agreements contained in this Security Instrument, (b) there is a legal proceeding that might significantly affect Lender's interest in the Property and/or rights under this Security Instrument (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture, for enforcement of a lien which may attain priority over this Security Instrument or to enforce laws or regulations), or (c) Borrower has abandoned the Property, then Lender may do and pay for whatever is reasonable or appropriate to protect Lender's interest in the Property and rights under this Security Instrument, including protecting and/or assessing the value of the Property, and securing and/or repairing the Property. Lender's actions can include, but are not limited to: (a) paying any sums secured by a lien which has priority over this Security Instrument; (b) appearing in court; and (c) paying reasonable attorneys' fees to protect its interest in the Property and/or rights under this Security Instrument, including its secured position in a bankruptcy proceeding. Securing the Property includes, but is not limited to, entering the Property to make repairs, change locks, replace or board up doors and windows, drain water from pipes, eliminate building or other code violations or dangerous conditions, and have utilities turned on or off. Although Lender may take action under this Section 9, Lender does not have to do so and is not under any duty or obligation to do so. It is agreed that Lender incurs no liability for not taking any or all actions authorized under this Section 9.

Any amounts disbursed by Lender under this Section 9 shall become additional debt of Borrower secured by this Security Instrument. These amounts shall bear interest at the Note rate from the date of disbursement and shall be payable, with such interest, upon notice from Lender to Borrower requesting payment.

If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. Borrower shall not surrender the leasehold estate and interests herein conveyed or terminate or cancel the ground lease. Borrower shall not, without the express written consent of Lender, alter or amend the ground lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

10. Assignment of Miscellaneous Proceeds; Forfeiture. All Miscellaneous Proceeds are hereby assigned to and shall be paid to Lender.

If the Property is damaged, such Miscellaneous Proceeds shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such Miscellaneous Proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may pay for the repairs and restoration in a single disbursement or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such Miscellaneous Proceeds, Lender shall not be required to pay Borrower any interest or earnings on such Miscellaneous Proceeds. If the restoration or repair is not economically feasible or Lender's security would be lessened, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower. Such Miscellaneous Proceeds shall be applied in the order provided for in Section 2.

In the event of a total taking, destruction, or loss in value of the Property, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the partial taking, destruction, or loss in value, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the Miscellaneous Proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the partial taking, destruction, or loss in value divided by (b) the fair market value of the Property immediately before the partial taking, destruction, or loss in value. Any balance shall be paid to Borrower.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is less than the amount of the sums secured immediately

LOAN #: 10011805128291

before the partial taking, destruction, or loss in value, unless Borrower and Lender otherwise agree in writing, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the Opposing Party (as defined in the next sentence) offers to make an award to settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the Miscellaneous Proceeds either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due. "Opposing Party" means the third party that owes Borrower Miscellaneous Proceeds or the party against whom Borrower has a right of action in regard to Miscellaneous Proceeds.

Borrower shall be in default if any action or proceeding, whether civil or criminal, is begun that, in Lender's judgment, could result in forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security Instrument. Borrower can cure such a default and, if acceleration has occurred, reinstate as provided in Section 18, by causing the action or proceeding to be dismissed with a ruling that, in Lender's judgment, precludes forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security Instrument. The proceeds of any award or claim for damages that are attributable to the impairment of Lender's interest in the Property are hereby assigned and shall be paid to Lender.

All Miscellaneous Proceeds that are not applied to restoration or repair of the Property shall be applied in the order provided for in Section 2.

11. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to Borrower or any Successor in Interest of Borrower shall not operate to release the liability of Borrower or any Successors in Interest of Borrower. Lender shall not be required to commence proceedings against any Successor in Interest of Borrower or to refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or any Successors in Interest of Borrower. Any forbearance by Lender in exercising any right or remedy including, without limitation, Lender's acceptance of payments from third persons, entities or Successors in Interest of Borrower or in amounts less than the amount then due, shall not be a waiver of or preclude the exercise of any right or remedy.

12. Joint and Several Liability; Co-signers; Successors and Assigns Bound. Borrower covenants and agrees that Borrower's obligations and liability shall be joint and several. However, any Borrower who co-signs this Security Instrument but does not execute the Note (a "co-signer"): (a) is co-signing this Security Instrument only to mortgage, grant and convey the co-signer's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower can agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without the co-signer's consent.

Subject to the provisions of Section 17, any Successor in Interest of Borrower who assumes Borrower's obligations under this Security Instrument in writing, and is approved by Lender, shall obtain all of Borrower's rights and benefits under this Security Instrument. Borrower shall not be released from Borrower's obligations and liability under this Security Instrument unless Lender agrees to such release in writing. The covenants and agreements of this Security Instrument shall bind (except as provided in Section 19) and benefit the successors and assigns of Lender.

13. Loan Charges. Lender may charge Borrower fees for services performed in connection with Borrower's default, for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument, including, but not limited to, attorneys' fees, property inspection and valuation fees. Lender may collect fees and charges authorized by the Secretary. Lender may not charge fees that are expressly prohibited by this Security Instrument, or by Applicable Law.

If the Loan is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the Loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment with no changes in the due date or in the monthly payment amount unless the Note holder agrees in writing to those changes. Borrower's acceptance of any such refund made by direct payment to Borrower will constitute a waiver of any right of action Borrower might have arising out of such overcharge.

14. Notices. All notices given by Borrower or Lender in connection with this Security Instrument must be in writing. Any notice to Borrower in connection with this Security Instrument shall be deemed to have been given to Borrower when mailed by first class mail or when actually delivered to Borrower's notice address if sent by other means. Notice to any one Borrower shall constitute notice to all Borrowers unless Applicable Law expressly requires otherwise. The notice address shall be the Property Address unless Borrower has designated a substitute notice address by notice to Lender. Borrower shall promptly notify Lender of Borrower's change of address. If Lender specifies a procedure for reporting Borrower's change of address, then Borrower shall only report a change of address through that specified procedure. There may be only one designated notice address under this Security Instrument at any one time. Any notice to Lender shall be given by delivering it or by mailing it by first class mail to Lender's address stated herein unless Lender has designated another address by notice to Borrower. Any notice in connection with this Security Instrument shall not be deemed to have been given to Lender until actually received by Lender. If any notice required by this Security Instrument is also required under Applicable Law, the Applicable Law requirement will satisfy the corresponding requirement under this Security Instrument.

15. Governing Law; Severability; Rules of Construction. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. All rights and obligations contained in this Security Instrument are subject to any requirements and limitations of Applicable Law. Applicable Law might explicitly or implicitly allow the parties to agree by contract or it might be silent, but such silence shall not be construed as a prohibition against agreement by contract. In the event that any provision or clause of this Security Instrument or the Note conflicts with Applicable Law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision.

As used in this Security Instrument: (a) words of the masculine gender shall mean and include corresponding neuter words or words of the feminine gender; (b) words in the singular shall mean and include the plural and vice versa; and (c) the word "may" gives sole discretion without any obligation to take any action.

16. Borrower's Copy. Borrower shall be given one copy of the Note and of this Security Instrument.

17. Transfer of the Property or a Beneficial Interest in Borrower. As used in this Section 17, "Interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escrow agreement, the intent of which is the transfer of title by Borrower at a future date to a purchaser.

If all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 14 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

18. Borrower's Right to Reinstate After Acceleration. If Borrower meets certain conditions, Borrower shall have the right to reinstatement of a mortgage. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees, property inspection and valuation fees, and other fees incurred for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument; and (d) takes such action as Lender may reasonably require to assure that Lender's interest in the Property and rights under this Security Instrument, and Borrower's obligation to pay the sums secured by this Security Instrument, shall continue unchanged. However, Lender is not required to reinstate if: (i) Lender has accepted reinstatement after the commencement of foreclosure proceedings within two years immediately preceding the commencement of a current foreclosure proceedings; (ii) reinstatement will preclude foreclosure on different grounds in the future, or (iii) reinstatement will adversely affect the priority of the lien created by this Security Instrument. Lender may require that Borrower pay such reinstatement sums and expenses in one or more of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal agency, instrumentality or entity; or (d) Electronic Funds Transfer. Upon reinstatement by Borrower, this Security Instrument and obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under Section 17.

19. Sale of Note; Change of Loan Servicer; Notice of Grievance. The Note or a partial interest in the Note (together with this Security Instrument) can be sold one or more times without prior notice to Borrower. A sale might result in a change in the entity (known as the "Loan Servicer") that collects Periodic Payments due under the Note and this Security Instrument and performs other mortgage loan servicing obligations under the Note, this Security Instrument, and Applicable Law. There also might be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change which will state the name and address of the new Loan Servicer, the address to which payments should be made and any other information RESPA requires in connection with a notice of transfer of servicing. If the Note is sold and thereafter the Loan is serviced by a Loan Servicer other than the purchaser of the Note, the mortgage loan servicing obligations to Borrower will remain with the Loan Servicer or be transferred to a successor Loan Servicer and are not assumed by the Note purchaser unless otherwise provided by the Note purchaser.

20. Borrower Not Third-Party Beneficiary to Contract of Insurance. Mortgage Insurance reimburses Lender (or any entity that purchases the Note) for certain losses it may incur if Borrower does not repay the Loan as agreed. Borrower acknowledges and agrees that the Borrower is not a third party beneficiary to the contract of insurance between the Secretary and Lender, nor is Borrower entitled to enforce any agreement between Lender and the Secretary, unless explicitly authorized to do so by Applicable Law.

21. Hazardous Substances. As used in this Section 21: (a) "Hazardous Substances" are those substances defined as toxic or hazardous substances, pollutants, or wastes by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials; (b) "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection; (c) "Environmental Cleanup" includes any response action, remedial action, or removal action, as defined in Environmental Law; and (d) an "Environmental Condition" means a condition that can cause, contribute to, or otherwise trigger an Environmental Cleanup.

Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances, or threaten to release any Hazardous Substances, on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property (a) that is in violation of any Environmental Law, (b) which creates an Environmental Condition, or (c) which, due to the presence, use, or release of a Hazardous Substance, creates a condition that adversely affects the value of the Property. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property (including, but not limited to, hazardous substances in consumer products).

Borrower shall promptly give Lender written notice of (a) any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge, (b) any Environmental Condition, including but not limited to, any spilling, leaking, discharge, release or threat of release of any Hazardous Substance, and (c) any condition caused by the presence, use or release of a Hazardous Substance which adversely affects the value of the Property. If Borrower learns, or is notified by any governmental or regulatory authority, or any private party, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law. Nothing herein shall create any obligation on Lender for an Environmental Cleanup.

22. Grounds for Acceleration of Debt.

(a) **Default.** Lender may, except as limited by regulations issued by the Secretary, in the case of payment defaults, require immediate payment in full of all sums secured by this Security Instrument if:

- (i) Borrower defaults by failing to pay in full any monthly payment required by this Security Instrument prior to or on the due date of the next monthly payment, or
- (ii) Borrower defaults by failing, for a period of thirty days, to perform any other obligations contained in this Security Instrument.

(b) **Sale Without Credit Approval.** Lender shall, if permitted by applicable law (including Section 341(d) of the Garn-St. Germain Depository Institutions Act of 1982, 12 U.S.C. 1701j-3(d)) and with the prior approval of the Secretary, require immediate payment in full of all sums secured by this Security Instrument if:

- (i) All or part of the Property, or a beneficial interest in a trust owning all or part of the Property, is sold or otherwise transferred (other than by devise or descent), and
- (ii) The Property is not occupied by the purchaser or grantee as his or her principal residence, or the purchaser or grantee does so occupy the Property but his or her credit has not been approved in accordance with the requirements of the Secretary.

(c) **No Waiver.** If circumstances occur that would permit Lender to require immediate payment in full, but Lender does not require such payments, Lender does not waive its rights with respect to subsequent events.

(d) **Regulations of HUD Secretary.** In many circumstances regulations issued by the Secretary will limit Lender's rights, in the case of payment defaults, to require immediate payment in full and foreclose if not paid. This Security Instrument does not authorize acceleration or foreclosure if not permitted by regulations of the Secretary.

(e) **Mortgage Not Insured.** Borrower agrees that if this Security Instrument and the Note are not determined to be eligible for insurance under the National Housing Act within 60 days from the date hereof, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. A written statement of any authorized agent of the Secretary dated subsequent to 60 days from the date hereof, declining to insure this Security Instrument and the Note, shall be deemed conclusive proof of such ineligibility. Notwithstanding the foregoing, this option may not be exercised by Lender when the unavailability of insurance is solely due to Lender's failure to remit a mortgage insurance premium to the Secretary.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

23. Assignment of Rents. Borrower unconditionally assigns and transfers to Lender all the rents and revenues of the Property. Borrower authorizes Lender or Lender's agents to collect the rents and revenues and hereby directs each tenant of the Property to pay the rents to Lender or Lender's agents. However, prior to Lender's notice to Borrower of Borrower's breach of any covenant or agreement in the Security Instrument, Borrower shall collect and receive all rents and revenues of the Property as trustee for the benefit of Lender and Borrower. This assignment of rents constitutes an absolute assignment and not an assignment for additional security only.

If Lender gives notice of breach to Borrower: (a) all rents received by Borrower shall be held by Borrower as trustee for benefit of Lender only, to be applied to the sums secured by the Security Instrument; (b) Lender shall be entitled to collect and receive all of the rents of the Property; and (c) each tenant of the Property shall pay all rents due and unpaid to Lender or Lender's agent on Lender's written demand to the tenant.

Borrower has not executed any prior assignment of the rents and has not and will not perform any act that would prevent Lender from exercising its rights under this Section 23.

Lender shall not be required to enter upon, take control of or maintain the Property before or after giving notice of breach to Borrower. However, Lender or a judicially appointed receiver may do so at any time there is a breach. Any application of rents shall not cure or waive any default or invalidate any other right or remedy of Lender. This assignment of rents of the Property shall terminate when the debt secured by the Security Instrument is paid in full.

24. Acceleration; Remedies. Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under Section 17 unless Applicable Law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to bring a court action to assert the non-existence of a default or any other defense of Borrower to acceleration and sale. If the default is not cured on or before the date specified in the notice, Lender at its option may require immediate payment in full of all sums secured by this Security Instrument without further demand and may invoke the power of sale and any other remedies permitted by Applicable Law. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this Section 24, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

If Lender invokes the power of sale, Lender shall give a copy of a notice to Borrower in the manner provided in Section 14. Lender shall publish the notice of sale once a week for three consecutive weeks in a newspaper published in Shelby County, Alabama, and thereupon shall sell the Property to the highest bidder at public auction at the front door of the County Courthouse of this County. Lender shall deliver to the purchaser Lender's deed conveying the Property. Lender or its designee may purchase the Property at any sale. Borrower covenants and agrees that the proceeds of the sale shall be applied in the following order: (a) to all expenses of the sale, including, but not limited to, reasonable attorneys' fees; (b) to all sums secured by this Security Instrument; and (c) any excess to the person or persons legally entitled to it.

If the Lender's interest in this Security Instrument is held by the Secretary and the Secretary requires immediate payment in full under Section 22, the Secretary may invoke the nonjudicial power of sale provided in the Single Family Mortgage Foreclosure Act of 1994 ("Act") (12 U.S.C. 3751 et seq.) by requesting a foreclosure commissioner designated under the Act to commence foreclosure and to sell the Property as provided in the

Act. Nothing in the preceding sentence shall deprive the Secretary of any rights otherwise available to a Lender under this Section 24 or applicable law.

25. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument. Borrower shall pay any recordation costs. Lender may charge Borrower a fee for releasing this Security Instrument, but only if the fee is paid to a third party for services rendered and the charging of the fee is permitted under Applicable Law.

26. Waivers. Borrower waives all rights of homestead exemption in the Property and relinquishes all rights of curtesy and dower in the Property.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Security Instrument and in any Rider executed by Borrower and recorded with it. Provisions pertaining to releases are contained in the Rehabilitation Loan Rider, which is attached to this document and made a part hereof.

REHABILITATION LOAN AGREEMENT

This Agreement, including the provisions below is made this 26th day of November, 2018, between the Borrower(s) John Kenneth Baggett

and the Mortgagee Hometown Lenders Inc. a Corporation

to establish the conditions under which the Mortgagee will advance the proceeds of a loan to be used to purchase and rehabilitate or refinance and rehabilitate the property described below. The property is located in the County of Shelby State of Alabama and is described as:

SEE LEGAL DESCRIPTION ATTACHED HERETO AND MADE A PART HEREOF AS "EXHIBIT A".

1. The loan will be in the principal sum of **TWO HUNDRED NINETEEN THOUSAND FOUR HUNDRED TWO AND NO/100** Dollars (**\$219,402.00**) to be advanced by the Mortgagee to the Borrower as provided in this Agreement and will be secured by a mortgage or deed of trust ("Mortgage"), which will be a first lien on the property.
2. Payments required under the mortgage or deed of trust must be made by the Borrower on the date specified, even though the proposed rehabilitation or improvement may not be completed, or the property may not be suitable for occupancy, on the anticipated date.
3. The Mortgagee intends to request the Assistant Secretary for Housing – Federal Housing Commissioner or the Secretary's Designee ("Commissioner") –to insure the mortgage under the provisions of Section 203(k) of the National Housing Act; therefore, Borrower agrees to conform to, and to cause improvements to be constructed in conformance with, all requirements of the Commissioner.
4. The Mortgagee will place the portion of the principal amount of the mortgage allocated to the total rehabilitation cost (**\$67,638.90**), plus any reserves put up by the Borrower or others in cash, in a secured interest bearing account, trust or escrow for the benefit of the Borrower (hereafter called "Rehabilitation Escrow Account"). Mortgagee shall release Rehabilitation Escrow Account funds by check, payable to the Borrower and/or the contractor, upon satisfactory completion of the rehabilitation in accordance with the Work Write-Up or Work Plan, as evidenced by a compliance inspection or other authorized method, and when the repairs and improvements meet all federal, state and local laws, codes and ordinances, including required permits and inspections.

The Mortgagee or Commissioner may determine that additional compliance inspections are required throughout the rehabilitation period to ensure that the work is progressing in a satisfactory manner. Release of funds is not authorized on this type of inspection, and the Borrower is responsible for paying the inspection fee. The Mortgagee may require a property inspection if there have been no draw requests for more than 30 consecutive days.
5. If a Mortgage Payment Reserve is included in the Rehabilitation Escrow Account, the Mortgagee must make monthly mortgage payments directly from the Rehabilitation Escrow Account, provided the dwelling, or individual units for which the Mortgage Payment Reserve is established, cannot be occupied and the Final Release Notice has not been issued. Once the property, or individual unit, if applicable, is able to be occupied, application of the Mortgage Payment Reserves will cease. Mortgage Payment Reserves remaining in the Rehabilitation Escrow Account after the property is able to be occupied must be used to reduce the mortgage principal.

LOAN #: 10011805128291

6. The interest accumulated in the Rehabilitation Escrow Account will be distributed as required by the 203(k) Borrower's Acknowledgement, form HUD 92700-A.
7. The principal amount of the loan specified in paragraph 1 may contain a Contingency Reserve. The Contingency Reserve may be used to make other improvements to the property after it is determined that it is unlikely that any health or safety deficiency will be discovered. The Borrower or Consultant, if there is one, must submit form HUD-92577 to the Mortgagee detailing the additional improvements being requested. The Mortgagee will inform the Borrower in writing of the approval or rejection of the request within five business days.

If the Contingency Reserve is financed, any unused Contingency Reserve funds must be applied to reduce the mortgage principal. Such prepayment will not extend or postpone the due date of any monthly installment due under the Note and will not change the amount of such installments.

If the Contingency Reserve is established with the Borrower's own funds, the Borrower may receive a refund of any unused Contingency Reserve funds or may request the unused funds be applied to reduce the principal balance.
8. The Borrower will complete all improvements on the property in accordance with the Work Write-Up or Work Plan, including architectural exhibits, as accepted by the Mortgagee.
9. Changes in the architectural exhibits must be requested by the Borrower, either by a letter describing the changes or by submission of form HUD-92577, prior to the start of any work associated with the requested changes. The Mortgagee must issue an approval in writing before work can begin on the changes. Work must be 100% complete on each change order item before release of funds from the Rehabilitation Escrow Account.
10. Borrower will cause all improvements to be made in a workmanlike manner and in accordance with all applicable statutes and regulations. All licenses, permits and privileges required by local governmental authorities to rehabilitate the property will be obtained by the Borrower or contractor.
11. Representatives of the Mortgagee and of the Commissioner will have the right to enter upon the property at all times during the period of construction to determine whether the work conforms with this Agreement and to determine the amount of funds in the Rehabilitation Escrow Account to be released by the Mortgagee.
12. Borrower will furnish such records, contracts, bills and other documents relating to the property and the improvements as the Mortgagee or the Commissioner may require.
13. For a Borrower performing his/her own work under a Rehabilitation Self-Help Agreement, the Rehabilitation Escrow Account will include funds for labor and materials costs for each work item to be completed by the Borrower. The Borrower will be reimbursed for the actual cost of materials only. The Borrower cannot be reimbursed for labor. The funds resulting from the difference between the estimated and actual costs of materials, as well as the funds escrowed for labor costs, will remain in the Rehabilitation Escrow Account until all of the work is complete and may then be used for additional improvements to the property. No cash may be paid to the Borrower. Any funds for self-help items remaining in the Rehabilitation Escrow Account after completion of the rehabilitation must be used to reduce the principal balance.
14. Without prior, written consent of the Mortgagee, no materials, equipment, fixtures or any part of the improvements financed with this loan will be purchased or installed subject to conditional sales contracts, security agreements, lease agreements or other arrangements whereby title is retained or the right is reserved or accrues to anyone to remove or repossess any item, or to consider it as personal property.
15. The Borrower will cause either this instrument or the construction contract under which improvements are to be made to be filed in the public records, if the effect of recording will be to relieve the mortgaged property from mechanics' and materialmen's liens. The Mortgagee must obtain Lien Waivers, or equivalent, at the time of any disbursement of funds to ensure the validity of the first lien on the property. If all work items to be performed by a contractor have not been completed at the time of draw request, the Mortgagee must obtain a partial conditional Lien Waiver for the work items that have been completed for each draw request. Upon completion of the project, the Mortgagee will obtain a release of any and all liens arising out of the contract or submission of receipts or other evidence of payment covering all contractors, subcontractors or suppliers who could file a legal claim.
16. Borrower must cause work to begin within 30 days following the date of this Agreement. Work must be performed with reasonable diligence; therefore, work is never to cease for more than 30 consecutive days. Should Borrower fail to comply with these terms, the Mortgagee may refuse to make any further disbursements under this Agreement, and any funds remaining in the Rehabilitation Escrow Account must be used to reduce the mortgage principal.
17. In the event any Stop Notices, Notices to Withhold, Mechanic's Liens, or claims of lien are filed against the property, the Mortgagee, after five (5) days' notice to the Borrower of its intention to do so, may pay any and all of the liens or claims, or may contest the validity of any claim, paying all costs and expenses of contesting the same.
18. Failure of the Borrower to perform under the terms of this Rehabilitation Loan Agreement will make the loan amount, at the option of the Mortgagee, due and payable.
19. The Borrower understands that the mortgage payments (PITI) that were financed at closing are estimates and the Borrower will be responsible for paying the full amount of the mortgage payment, each and every month due, if a shortage occurs.

LOAN #: 10011805128291

20. The accepted Work Write-Up or Work Plan and architectural exhibits, if any, are incorporated in this Agreement.

21. Borrower must have the work completed within **SIX** months following the date of this Agreement.

22. Date work must be completed: **May 26, 2019**
