ASSUMPTION OF EASEMENT AGREEMENT

This Assignment and Assumption of Easement Agreement (this "**Assignment**") is made and entered into as of the 25 day of ^{October} September, 2019, but effective as of the 31st day of October, 2019 (the "**Effective Date**") by and between **TriStar Investors LLC**, a Delaware limited liability company, as successor-in-interest to Arcturus Land Enterprises, LLC (the "**Assignor**"), and **American Towers LLC**, a Delaware limited liability company (the "**Assignee**"). Assignor and Assignee are sometimes referred to herein individually as a "**Party**" and collectively referred to herein as the "**Parties**".

WHEREAS, Assignor and Assignee are parties to that certain Site Exchange Agreement dated November 7, 2016, as amended by that certain Amended and Restated Site Exchange Agreement dated as of March 6, 2017 (as the same may have been further amended from time to time, collectively, the "**Exchange Agreement**"), pursuant to, and upon the terms of which, Assignor and Assignee have agreed to assign, transfer and convey all of their respective right, title and interest in and to certain assets,

including, without limitation, real property interests, to each other, and to transfer certain obligations related thereto, all as more particularly described in the Exchange Agreement; and

WHEREAS, Assignor and Benjamin Norris House, Sr. a/k/a Benjamin Norris House and Jamie S. House, husband and wife (collectively, the "**Grantor**") entered into that certain Easement Agreement dated February 9, 2011, and recorded on February 15, 2011 with the records of Shelby County, Alabama as Document Number 20110215000053490 (as the same may have been amended, modified or assigned from time to time, collectively, the "**Easement Agreement**"), pursuant to which Grantor granted and conveyed to Assignor an easement in, to, under and over a certain portion of real property owned by the Grantor (the real property owned by the Grantor, the "**Property**", which Property is more particularly described in Exhibit A attached hereto and by this reference incorporated herein; such portion of the Property subject to the Easement Agreement, the "**Easement Area**", which Easement Area is more particularly described in Exhibit B attached hereto and by this reference incorporated herein); and

WHEREAS, Assignor is also party to that certain Letter Agreement dated January 10, 2011, and executed January 24, 2011, by and between Assignor and Grantor (as the same may have been amended, modified or assigned from time to time, collectively the "**Letter Agreement**"; and together with the Easement Agreement, the "**Easement Documents**"); and

WHEREAS, the Parties hereby desire to effect such assignments, transfers and assumptions;

NOW, THEREFORE, in consideration of the representations, warranties, covenants and agreements contained in the Exchange Agreement, the Parties hereto hereby agree as follows:

1. **Capitalized Terms.** Capitalized terms used but not defined herein shall have the meaning given to such terms in the Exchange Agreement.
2. **Assignment and Transfer of Easement Documents.** As of the Effective Date, Assignor hereby assigns and transfers unto Assignee, and Assignee hereby accepts from the Assignor, all of the right, title and interest of Assignor in, to and under the Easement Documents, upon the terms and subject to the conditions of the Exchange Agreement and the Easement Documents, respectively. Notwithstanding anything in this Assignment to the contrary, but without limiting any of the Parties' duties and obligations arising under this Assignment, this Assignment shall not constitute an assignment or transfer hereby of any right, title and interest of Assignor in, to and under an Easement Document if an attempted assignment or transfer, without the authorization of a third party thereto, would constitute a breach or violation of such Easement Document, or in any way adversely affect the rights of Assignee thereunder, but only to the extent such authorization has not been obtained. If any authorization described in the preceding sentence is not obtained, or if any attempt at an assignment, transfer or other conveyance thereof would be ineffective or would affect the rights of the Assignor thereunder so that, after the applicable Closing Date, the Assignee would not in fact receive all such rights or obtain the benefits and rights contemplated by this Assignment and the Exchange Agreement, then the

Assignee may elect to pursue certain options, as more particularly described in Section 2(c) of the Exchange Agreement.

3. **Assumption of Easement Documents.** As of the Effective Date, Assignor hereby assigns and transfers to Assignee, and Assignee assumes and agrees to keep, observe and perform all of the terms, covenants, agreements, conditions and obligations (other than Pre-Closing Liabilities), pursuant to the Easement Documents. The Assignee assumes and agrees to keep, observe and perform those terms, covenants, agreements, conditions and obligations (other than Pre-Closing Liabilities), with the same force and effect as if the Assignee instead of Assignor (or any predecessor of the Assignor) had originally signed the Easement Documents.
4. **Terms of Exchange Agreement Control.** The provisions of this Assignment are subject, in all respects, to the terms and conditions of the Exchange Agreement, including, without limitation, all of the covenants, agreements, representations, and warranties contained therein, which shall survive the execution and delivery of this Assignment to the extent provided in the Exchange Agreement. Neither the making nor the acceptance of this Assignment shall in any way supersede, modify, replace, amend, change, rescind, waive, exceed, expand, enlarge, or in any way affect the terms and conditions of the Exchange Agreement. In the event of any conflict or inconsistency between the terms and conditions of this Assignment and the terms and conditions of the Exchange Agreement, the terms and conditions of the Exchange Agreement shall control.
5. **Amendments.** This Assignment may not be amended, modified or terminated except by an instrument in writing executed by the parties to this Assignment.
6. **Interpretation and Construction.** This Assignment shall be subject to the provisions set forth in Sections 30(g) and 30(h) of the Exchange Agreement, except to the extent that any contrary or different terms are set forth herein.
7. **Successors and Assigns.** This Assignment shall inure to the benefit of and be binding upon Assignor, Assignee, and their respective successors and assigns. Except as permitted under Section 30(d) of the Exchange Agreement, no Party may transfer or assign this Assignment or any of its rights hereunder, without the prior written consent of the other Party. Notwithstanding the foregoing, a Party may assign this Assignment to an Affiliate or to a party acquiring such Party or all or substantially all of the assets of such Party, provided, however, that the terms of any such acquisition may not impair, in any substantive way, either Party's ability to perform this Assignment.
