Grantor owns an undivided interest in the certain real property described on the attached Exhibit B-1 (the Servient Estate). The Easement is located on a portion of the Servient Estate. Grantor reserves the perpetual right to use the Easement for vehicular and pedestrian ingress and egress and for utilities and such right may be conveyed to any subsequent owner of any portion of the Servient Estate

There may be three access points on the Easement where roads can be constructed running off the Easement as shown on Exhibit B-2 attached hereto. Furthermore, in the future, the Easement and the now existing road from Highway 119 can be utilized by any owner of the Property conveyed in this deed, and their heirs, successors or assigns or any owner of the Servient Estate and their heirs, successors or assigns desiring to make improvements in the Easement to upgrade the now existing road and the cost will be borne by the party proposing the improvements. Collectively herein, any owner of the Property conveyed in this deed, and their heirs, successors or assigns or any owner of the Servient Estate and their heirs, successors or assigns are referred to as a Party or Parties.

- A. At the present time the existing gate will remain on the now existing road located approximately 60 ' off Highway 119 as shown on Exhibit B-2 and the Parties will agree to locking method for ease of access.
- B. Any of the Parties who have use of the Easement can make improvements to the now existing road at any time in order to handle residential traffic and the costs thereof shall be the responsibility of the Party making such improvements. All Parties shall share the maintenance of any such improvements in an amount equaling a fraction wherein the numerator is 1 and the denominator is the number of Parties.. Any cost associated with damage to the roadway caused by a Party to this agreement or persons using the road with permission by a Party, will be the responsibility of the Party who caused the damage to the road.
- C. It is anticipated in the future that the Easement might be used for upgrading the road to a public roadway and in this case the Party initiating the change will be responsible for the engineering and road costs. If a public road is constructed in the easement the work shall be completed within 90 days from the beginning of work in the Easement and shall not adversely interfere with the access to the property of any Party. Any public road improvements must be approved by the municipality and ALDOT.

- D. The Grantor or their heirs, successors and assign retain the right to organize an owners association for the Easement and the Easement may be deeded to the owners association subject to the rights of Grantees herein.
