1. Rule of Construction. For the purposes of this Agreement, except as otherwise expressly provided herein to the contrary or unless the context otherwise requires:

(i) The terms "include", "including", and similar terms shall be construed as if followed by the phrase "without being limited to";

(ii) The terms "herein", "hereof" and "hereunder" and other words of similar import refer to this Agreement as a whole and not to any particular Paragraph or other subdivision or Exhibit;

(iii) All Recitals set forth in, and all Exhibits to, this Agreement are hereby incorporated in this Agreement by reference; and

(iv) All references in this Agreement to Grantor and Grantee shall specifically include the respective successors and assigns of Grantor and Grantee.

2. Grant of Easement. Subject to the terms and provisions set forth in Paragraph 3 below, Grantor does hereby grant to Grantee, for no additional fee or charge other than that described herein for creating adequate consideration, a thirty (30) foot wide non-exclusive permanent access easement over and across certain real property owned by the Grantor located in _____ County, Alabama which is more particularly described on Exhibit "A" attached hereto and incorporated herein by reference (the "Easement Property") for purposes of providing utilities, ingress, egress and access to and from the Grantee Property. Grantor also reserves the right to replace the easement conveyed herein with another easement at a reasonable location, provided said replacement easement shall be of a similar quality as the one replaced. The route shall not be moved until the alternate route is in substantially the same condition as the original route. Any expense or cost relating to the moving or altering the route shall be paid by the Grantor.

Further, Grantee shall make no alterations to the Easement Property that will result in damage to Grantor's timber operations, as determined in Grantor's sole and absolute discretion.

(c) Notwithstanding anything provided herein to the contrary, Grantee may improve the condition of the Easement Property, but Grantee agrees that in the event the easement is paved or modified from its current condition, Grantor will not be responsible for any damage or destruction caused by Grantor, its agents, contractors, employees or assigns to any improvements beyond the current condition as a passable unpaved woods road. Further, Grantor shall also not be responsible for damages to utilities installed by Grantee, to the extent such damages are caused by normal timber transportation, managing or harvesting operations. Any gates installed on the Grantor's property by Grantee must be approved by Grantor.

4. Insurance and Indemnity from Grantee. Grantee, his heirs and assigns, does hereby indemnify, agree to defend and hold Grantor, its successors and assigns, harmless from and against any and all claims, demands, damages, costs, liabilities and expenses, including reasonable attorneys' fees and expenses, which Grantor or any of its successors and assigns may suffer, pay or incur as a result of any negligent acts or omissions or willful or intentional acts or omissions of Grantee or any of his agents, contractors or invitees.
