
AGREEMENT AND ADDENDUM TO CONTRACT

PROPERTY ADDRESS: 5925 Cahaba Valley Road, Birmingham, Alabama 35242

PURCHASER: Kathleen Eiring

SELLERS: Jeffrey Harris Flannery, Jr. and Ellen Shinnick Flannery

The undersigned Purchaser and Sellers (collectively "Parties") are parties to a real estate sales contract ("Contract") dated October 1, 2020 for the property described as follows; (hereafter "Property"):

see Exhibit "A" attached hereto

The Parties agree to amend the sales contract to include the following terms and conditions:

RECITALS

1. The Property is burdened by an Easement Agreement ("Easement") dated September 10, 2008 which is recorded in Instrument No. 20081031000423930 and attached hereto as Exhibit "B;"
2. The Easement Agreement, and ingress and egress it provides, is for the benefit of neighboring property owners James M. Kirkwood and Ann K. Kirkwood and Francis D. Kirkwood;
3. Under the terms of the Easement, the owner of the Property in 2008 (Mountainview, LLC) when the Easement was created "agreed to construct and install roads for ingress and egress" and stated that said owner "will pay all cost and expenses related to paving of said road;"
4. Mountainview, LLC subsequently conveyed the Property without paving a road;
5. Jeffrey Harris Flannery, Jr. and Ellen Shinnick Flannery ("Sellers") acquired the Property on March 2, 2020. At that time (and as of now) a road has not been paved but ingress and egress have been provided per the Easement by a dirt road;
6. At closing on March 2, 2020, the Sellers herein received a \$20,000 credit from their sellers (the owners of the Property at that time) to be used toward paving a road after the Sellers completed building a home on the unimproved Property;
7. Rather than building a new home, Sellers have instead decided to sell the Property and have entered into the Contract with Purchaser herein;
8. This Addendum supplements the Contract and specifically addresses the Parties' obligations regarding the Easement.

TERMS

1. At closing between the Parties scheduled for October 23, 2020, Sellers agree to deposit \$22,000 of their sales proceeds into the Trust Account (not interest bearing) of David P. Condon, P.C. ("Closing Agent") as a paving credit for the benefit of Purchaser;
2. Purchaser has received an estimate of \$22,000.00 to extend the existing pavement of the road a distance of approximately 1,100 feet from the end of the current pavement on Oak Alley to at least past the driveway of 5931 Cahaba Valley Road ("Kirkwood Residence");
3. Sellers' sole obligation relating to the Easement and any payment obligations shall be to deposit \$22,000 into the Trust Account of Closing Agent. Sellers will not be refunded any portion of this \$22,000 if the paving costs less nor will Sellers be responsible for any additional payment if the paving costs more;
4. Purchaser intends to move to the Property in approximately 3 years and after building a new home on the Property;
5. Upon completion of construction of this new home and no later than 3 years after October 23, 2020 even if construction of a new home is not complete, Purchaser shall extend the existing pavement in a like manner and quality for a distance of approximately 1,100 feet to the points referenced in Paragraph 2 above. If Purchaser instead decides to sell the Property, Purchaser must complete the paving required herein before closing upon the sale. Upon completion of and verification of the paving, Purchaser shall notify Closing Agent that said paving has been completed at which time Closing Agent shall release all \$22,000 held in escrow to Purchaser. Purchaser shall be solely responsible for the coordination and payment of all paving as required by this Addendum;
6. Until the driveway is paved, Purchaser shall supply three tri-axle loads of gravel each year to be used to maintain the driveway which is currently there at Purchaser's expenses. The Kirkwoods will then be responsible for the grading and spreading of the gravel;
7. Once the driveway is paved, all homeowners who have access to the driveway pursuant to the Easement shall be equally responsible for the expense in maintaining the driveway;

8. James M. Kirkwood and ^{2/16}Ann K. Kirkwood sign this Addendum solely to express their awareness of and consent to this Agreement.

Executed this 23 day of October, 2020.

Exhibit "A"
Property Description

Lot 1, according to the Survey of Graves Subdivision, as recorded in Map Book 40, Page 83, in the Probate Office of Shelby County, Alabama.

Being more particularly described by deed in Inst. No. 20081030000422780 as follows:

Lot 1 of Graves Subdivision (a proposed subdivision) situated in the East one half of Section 13, Township 19 South, Range 2 West, Shelby County, Alabama being more particularly described as follows:

Begin at an iron pin found locally accepted to be the Northeast corner of the Northwest quarter of the Northeast quarter of said Section 13; thence run South 00 degrees 29 minutes 03 seconds East along the East line of said quarter quarter Section for a distance of 30.03 feet to an iron pin set; thence run South 88 degrees 03 minutes 37 seconds East for a distance of 378.75 feet to an iron pin set; thence run South 00 degrees 08 minutes 04 seconds East for a distance of 169.92 feet to an iron pin set; thence run South 87 degrees 57 minutes 51 seconds East for a distance of 120.00 feet to an iron pin set; thence run South 45 degrees 54 minutes 10 seconds East for a distance of 700.19 feet to an iron pin set; thence run South 44 degrees 35 minutes 30 seconds West for a distance of 175.27 feet to an iron pin set; thence run South 40 degrees 50 minutes 40 seconds West for a distance of 315.96 feet to an iron pin set; thence run South 43 degrees 14 minutes 46 seconds West for a distance of 127.95 feet to an iron pin set; thence run North 45 degrees 29 minutes 03 seconds West for a distance of 658.95 feet to an iron pin set; thence run South 44 degrees 30 minutes 57 seconds West for a distance of 150.53 feet to an iron pin set; thence run South 60 degrees 06 minutes 02 seconds West for a distance of 604.34 feet to an iron pin set; thence run South 47 degrees 27 minutes 38 seconds West for a distance of 100.14 feet to a point; thence run South 37 degrees 44 minutes 23 seconds West for a distance of 95.56 feet to an iron pin set; thence run South 53 degrees 55 minutes 03 seconds West for a distance of 78.63 feet to an iron pin set; thence run South 57 degrees 13 minutes 45 seconds West for a distance of 96.67 feet to an iron pin set; thence run South 43 degrees 35 minutes 12 seconds West for a distance of 210.23 feet to an iron pin set; thence run North 87 degrees 08 minutes 22 seconds West for a distance of 226.92 feet to an iron pin set on the Southeast right of way line of Alabama Highway No. 119; thence run North 30 degrees 08 minutes 53 seconds East along said Southeast right of way line for a distance of 1159.91 feet to an iron pin set on a curve to the right having a central angle of 10 degrees 07 minutes 43 seconds a radius of 3033.33 feet and a chord bearing of North 35 degrees 12 minutes 45 seconds East; thence run in a Northeasterly direction along the arc of said curve and also along said Southeast right of way line for a distance of 536.23 feet to an iron pin set; thence run North 40 degrees 07 minutes 48 seconds East along said Southeast right of way line for a distance of 76.24 feet to an iron pin found on the North line of said quarter quarter section; thence run South 87 degrees 55 minutes 21 seconds East for a distance of 223.05 feet to the point of beginning.

Exhibit "B"

20201102000495060 11/02/2020 02:43:48 PM AGREEMENT

**6/16
EASEMENT AGREEMENT**

THIS AGREEMENT made and entered into this 10th day of September, 2008, by and between James M. Kirkwood and Ann K. Kirkwood, husband and wife (hereinafter referred to as "the Kirkwoods"); Mountainview LLC (hereinafter referred to as "Mountainview"); and Francis David Kirkwood (hereinafter referred to as "Frank Kirkwood") as follows:

WITNESSETH:

Whereas, the Kirkwoods are the fee owners of the property described in Exhibit "A" attached hereto and made a part hereof; and

Whereas, Mountainview is the fee owner of the property described in Exhibit "B" attached hereto and made a part hereof; and

Whereas, Frank Kirkwood is the fee owner of the property described in Exhibit "C" attached hereto and made a part hereof; and

Whereas, Mountainview have agreed to grant to the Kirkwoods and Frank Kirkwood an easement and right-of-way across a portion, but only a portion, of the property described in Exhibit "B" for the limited purpose of ingress and egress to the Kirkwood's property described in Exhibit "A" and Frank Kirkwood's property described in Exhibit "C"; said portion of the property described in Exhibit "B" being more particularly described and depicted on Exhibit "D" attached hereto and incorporated herein; and

Whereas, Frank Kirkwood has agreed to grant to Mountainview and the Kirkwoods an easement and right-of-way across a portion, but only a portion, of the property described in Exhibit "C" for the limited purpose of ingress and egress to Mountainview's property described in Exhibit "D" and the Kirkwoods' property described in Exhibit "A"; said portion of the property described in Exhibit "C" being more particularly described and depicted on Exhibit "E" attached hereto and incorporated herein; and

Whereas, Mountainview have agreed to grant to the Kirkwoods an easement and right-of-way across a portion, but only a portion, of the property described in Exhibit "B" for the limited purpose of ingress and egress to the Kirkwoods' property described in Exhibit "A" said portion of the property described in Exhibit "B" being more particularly described and depicted on Exhibit "F" attached hereto and incorporated herein.

NOW, THEREFORE, in consideration of the premises and of the mutual covenants and conditions herein set forth, it is agreed by the parties as follows:

1. The easements described in Exhibits "D", "E", and "F" (collectively referred herein as "Collective Easements") are easements for the free and uninterrupted passage of motor vehicles over and across the two parcels of property described and depicted on the Collective Easements attached hereto. It is understood and agreed, however, that the Collective Easements and means of ingress and egress shall be and shall remain private and specifically shall not be public driveways or roadways.

2. It is agreed Mountainview^{7/16} LLC will construct and install the roads for ingress and egress for the benefit of both Frank Kirkwood and the Kirkwoods over the Collective Easements. Mountainview LLC will pay all cost and expenses related to the installation and paving of said road, however, upon completion of the road over the Collective Easements, the maintenance agreements in Paragraphs 5, 6, and 7 will be enforceable.
3. The Kirkwoods, Mountainview, and Frank Kirkwood shall be permitted to construct and install curb cuts, curbs, guttering, driveways, driveway access, utilities, and storm drainage in each respective party's respected easement to service and give direct access to the grantee's property, each curb cut not to protrude beyond the boundaries of the applicable easement.
4. Nothing in this Agreement shall prohibit the Kirkwoods, Mountainview, or Frank Kirkwood from selling or otherwise disposing of or transferring their respective properties, provided however, that any and all conveyance of the property shall be subject to the Collective Easements conveyed herein and the other covenants granted by the parties in this Agreement.
5. Notwithstanding anything to the contrary set forth herein, the parties hereby reserve unto themselves, and their successors and assigns the right to install and maintain utilities and storm drainage within the Collective Easements so long as such utilities and storm drainage do not unreasonably interfere with grantee's intended uses. The parties represent, warrant and covenant with each other that they will conduct such installation and maintenance of said utilities and/or storm drainage in such a manner as to minimize the length and severity of the interruption of the other parties' use of the Collective Easements. The parties also represent, warrant and covenant that, during installation or maintenance of any utilities or storm drainage within the Collective Easements which may impair the other parties' access to their respective properties, they will use reasonable efforts to install or to cause to be installed temporary alternative driveways on and across the property the during the time the installations and/or maintenance of utilities or storm drainage is being conducted on any Collective Easements so as not to impair any party's access to their respective property.
6. In the event the installation or maintenance of utilities and/or storm drainage requires the removal of or results in any damage to the curb cuts, curbs, guttering, driveways, driveway access, utilities, or storm drainage constructed by any party within or upon the Collective Easements, the damaging party will be responsible for the cost and administration of repairing any damage to the curb cuts, curbs, guttering, driveways, driveway access, utilities, or storm drainage constructed by the damaged party within or upon the Collective Easements, including the selection and payment of contractors employed to perform such maintenance work and the collection of invoices for the maintenance and repair services. In the event the damaging party shall fail to perform or cause to be performed the repairs required in this Paragraph 5 within fourteen (14) days after written notice, the damaged party may undertake to repair the curb cuts, curbs, guttering, driveways, driveway access, utilities, and/or storm drainage damaged by the installation or maintenance of utilities and/or storm drainage, and charge the cost of such maintenance to the damaging party. If the damaging party fails to pay such costs within

thirty (30) days after written notice of costs, the damaged party shall have the right to file liens against the property owned by the damaging party in the amount of said costs, including reasonable attorneys fees and other legal expenses, plus interest as allowed by law.

7. The parties agree that the Collective Easements and the curb cuts, curbs, guttering, driveways, driveway access, utilities, and/or storm drainage installed by any party within or upon the Collective Easements shall be maintained in accordance with generally accepted engineering and construction specifications necessary to accommodate the uses and anticipated traffic. The party constructing installing said improvements ("the improving party") will be responsible for the cost and administration of maintaining the Collective Easements along with the curb cuts, curbs, guttering, driveways, driveway access, utilities, and/or storm drainage located within or upon the Collective Easements, including the selection and payment of contractors employed to perform such maintenance work and the collection of invoices for the maintenance and repair services. Said curb cuts, curbs, guttering, driveways, driveway access, utilities, and storm drainage shall be maintained in good, safe, and reasonable conditions by the improving party. Maintenance of the Collective Easements shall include the provision for proper water drainage, the provision for maintenance of asphalt and concrete due to normal wear and tear, and keeping the driveway clear of trash, debris, and obstructions. In the event the improving party shall fail to perform or cause to be performed the maintenance required in this Paragraph 6 within fourteen (14) days after written notice, a non-improving party may undertake to maintain the Collective Easements and the curb cuts, curbs, guttering, driveways, driveway access, utilities, and/or storm drainage located within or upon the Collective Easements, and charge the cost of such maintenance to the improving party. If the improving party fails to pay such costs within thirty (30) days after written notice of costs, a non-improving party shall have the right to file liens against the property owned by the improving party in the amount of said costs, including reasonable attorneys fees and other legal expenses, plus interest as allowed by law.
8. As a condition and covenant of the easements granted herein, the parties covenant and agree the none of the parties, their successors or assigns shall in any way be liable for any injury or damage whatsoever to persons or property which may result from any party's use of the driveways located in and on the Collective Easements, and/or lack of safety, latent or patent, of the driveways located upon the Collective Easements, and the parties each assumes all risk of personal injury and death of their respective tenants, customers, invitees, employees, suppliers, contractors, sub-contractors, builders, guests and licensees, and/or damage to their respective properties and their respective tenants, customers, invitees, employees, suppliers, contractors, sub-contractors, builders, guests and licensees from their use of the driveways located within or on the Collective Easements.
9. The covenants and agreements herein contained shall be covenants appurtenant to and running with the land and shall bind and inure to the benefit of all parties and their respective successors and assigns.
10. This agreement shall be governed by the laws of the State of Alabama.

IN WITNESS WHEREOF, James M. Kirkwood, Ann K. Kirkwood, Francis David Kirkwood and Mountainview LLC have set their hands and seals this ____ day of September, 2008.
