This Security Instrument constitutes a security agreement and a financing statement under the UCC. This Security Instrument also constitutes a financing statement pursuant to the terms of the UCC with respect to any part of the Mortgaged Property that is or may become a Fixture under applicable law, and will be recorded as a “fixture filing” in accordance with the UCC. Mortgagor hereby authorizes Mortgagee to file financing statements, continuation statements and financing statement amendments in such form as Mortgagee may require to perfect or continue the perfection of this security interest without the signature of Mortgagor. If an Event of Default has occurred and is continuing, Mortgagee shall have the remedies of a secured party under the UCC or otherwise provided at law or in equity, in addition to all remedies provided by this Security Instrument and in any Loan Document. Mortgagee may exercise any or all of its remedies against the UCC Collateral separately or together, and in any order, without in any way affecting the availability or validity of Mortgagee’s other remedies. For purposes of the UCC, the debtor is Mortgagor and the secured party is Mortgagee. The name and address of the debtor and secured party are set forth on Page 1 of this Security Instrument, and are the addresses from which information on the security interest may be obtained.

(b) Mortgagor represents and warrants that as of the date hereof: (1) Mortgagor maintains its chief executive office at the location set forth on Page 1 of this Security Instrument, and Mortgagor will notify Mortgagee in writing of any change in its chief executive office within five (5) Business Days of such change; (2) Mortgagor is the record owner of the Mortgaged Property; (3) Mortgagor’s state of incorporation, organization, or formation, if applicable, is as set forth on Page 1 of this Security Instrument; (4) Mortgagor’s exact legal name is as set forth on Page 1 of this Security Instrument; (5) Mortgagor is the owner of the UCC Collateral subject to no liens, charges or encumbrances other than the lien hereof and Permitted Encumbrances; and (6) except as expressly provided in the Credit Agreement, the UCC Collateral will not be removed from the Mortgaged Property without the consent of Mortgagee.

(c) All property of every kind acquired by Mortgagor after the date of this Security Instrument which by the terms of this Security Instrument shall be subject to the lien and the security interest created hereby, shall immediately upon the acquisition thereof by Mortgagor and without further conveyance or assignment become subject to the lien and security interest created

by this Security Instrument. Nevertheless, Mortgagor shall execute, acknowledge, deliver and record or file, as appropriate, all and every such further deeds of trust, mortgages, deeds to secure debt, security agreements, financing statements, assignments and assurances as Mortgagee shall require for accomplishing the purposes of this Security Instrument and to comply with the rerecording requirements of the UCC.

3. Assignment of Leases and Rents; Appointment of Receiver; Mortgagee in Possession.

(a) As part of the consideration for the Obligations, Mortgagor absolutely and unconditionally assigns and transfers to Mortgagee all Leases and Rents. It is the intention of Mortgagor to establish present, absolute and irrevocable transfers and assignments to Mortgagee of all Leases and Rents and to authorize and empower Mortgagee to collect and receive all Rents without the necessity of further action on the part of Mortgagor. Mortgagor and Mortgagee intend the assignments of Leases and Rents to be effective immediately and to constitute absolute present assignments, and not assignments for additional security only. Only for purposes of giving effect to these absolute assignments of Leases and Rents, and for no other purpose, the Leases and Rents shall not be deemed to be a part of the Mortgaged Property. However, if these present, absolute and unconditional assignments of Leases and Rents are not enforceable by their terms under the laws of the Property Jurisdiction, then each of the Leases and Rents shall be included as part of the Mortgaged Property, and it is the intention of Mortgagor, in such circumstance, that this Security Instrument create and perfect a lien on each of the Leases and Rents in favor of Mortgagee, which liens shall be effective as of the date of this Security Instrument.

(b) Until an Event of Default has occurred and is continuing, but subject to the limitations set forth in the Loan Documents, Mortgagor shall have a revocable license to exercise all rights, power and authority granted to Mortgagor under the Leases (including the right, power and authority to modify the terms of any Lease, extend or terminate any Lease, or enter into new Leases, subject to the limitations set forth in the Loan Documents), and to collect and receive all Rents, to hold all Rents in trust for the benefit of Mortgagee, and to apply all Rents to pay the Obligations and the other amounts then due and payable under the other Loan Documents, and to pay the current costs and expenses of managing, operating and maintaining the Mortgaged Property. So long as no Event of Default has occurred and is continuing (and no event which, with the giving of notice or the passage of time, or both, would constitute an Event of Default has occurred and is continuing), the Rents remaining after application pursuant to the preceding sentence may be retained and distributed by Mortgagor free and clear of, and released from, Mortgagee's rights with respect to Rents under this Security Instrument.

(c) If an Event of Default has occurred and is continuing, without the necessity of Mortgagee entering upon and taking and maintaining control of the Mortgaged Property directly, by a receiver, or by any other manner or proceeding permitted by the laws of the Property Jurisdiction, the revocable license granted to Mortgagor pursuant to Section 3(b) shall automatically terminate, and Mortgagee shall immediately have all rights, powers and authority granted to Mortgagor under any Lease (including the right, power and authority to modify the

terms of any such Lease, or extend or terminate any such Lease) and, without notice, Mortgagee shall be entitled to all Rents as they become due and payable, including Rents then due and unpaid. During the continuance of an Event of Default, Mortgagor authorizes Mortgagee to collect, sue for and compromise Rents and directs each tenant of the Mortgaged Property to pay all Rents to, or as directed by, Mortgagee, and Mortgagor shall, upon Mortgagor's receipt of any Rents from any sources, pay the total amount of such receipts to Mortgagee. Although the foregoing rights of Mortgagee are self-effecting, at any time during the continuance of an Event of Default, Mortgagee may make demand for all Rents, and Mortgagee may give, and Mortgagor hereby irrevocably authorizes Mortgagee to give, notice to all tenants of the Mortgaged Property instructing them to pay all Rents to Mortgagee. No tenant shall be obligated to inquire further as to the occurrence or continuance of an Event of Default, and no tenant shall be obligated to pay to Mortgagor any amounts that are actually paid to Mortgagee in response to such a notice.

(d) If an Event of Default has occurred and is continuing, Mortgagee may, regardless of the adequacy of Mortgagee's security or the solvency of Mortgagor, and even in the absence of waste, enter upon, take and maintain full control of the Mortgaged Property, and may exclude Mortgagor and its agents and employees therefrom, in order to perform all acts that Mortgagee, in its discretion, determines to be necessary or desirable for the operation and maintenance of the Mortgaged Property, including the execution, cancellation or modification of Leases, the collection of all Rents, the making of repairs to the Mortgaged Property and the execution or termination of contracts providing for the management, operation or maintenance of the Mortgaged Property, for the purposes of enforcing this assignment of Rents, protecting the Mortgaged Property or the security of this Security Instrument and the Loan, or for such other purposes as Mortgagee in its discretion may deem necessary or desirable.

(e) Notwithstanding any other right provided Mortgagee under this Security Instrument or any other Loan Document, if an Event of Default has occurred and is continuing, and regardless of the adequacy of Mortgagee's security or Mortgagor's solvency, and without the necessity of giving prior notice (oral or written) to Mortgagor, Mortgagee may apply to any court having jurisdiction for the appointment of a receiver for the Mortgaged Property to take any or all of the actions set forth in Section 3. If Mortgagee elects to seek the appointment of a receiver for the Mortgaged Property at any time after an Event of Default has occurred and is continuing, Mortgagor, by its execution of this Security Instrument, expressly consents to the appointment of such receiver, including the appointment of a receiver *ex parte*, if permitted by applicable law. Mortgagor consents to shortened time consideration of a motion to appoint a receiver. Mortgagee or the receiver, as applicable, shall be entitled to receive a reasonable fee for managing the Mortgaged Property and such fee shall become an additional part of the Obligations. Immediately upon appointment of a receiver or Mortgagee's entry upon and taking possession and control of the Mortgaged Property, possession of the Mortgaged Property and all documents, records (including records on electronic or magnetic media), accounts, surveys, plans, and specifications relating to the Mortgaged Property, and all security deposits and prepaid Rents, shall be surrendered to Mortgagee or the receiver, as applicable. If Mortgagee or receiver takes possession and control of the Mortgaged Property, Mortgagee or receiver may exclude Mortgagor and its representatives from the Mortgaged Property.

(f) The acceptance by Mortgagee of the assignments of the Leases and Rents pursuant to this Section 3 shall not at any time or in any event obligate Mortgagee to take any action under any Loan Document or to expend any money or to incur any expense. Mortgagee shall not be liable in any way for any injury or damage to person or property sustained by any Person in, on or about the Mortgaged Property. Prior to Mortgagee's actual entry upon and taking possession and control of the Land and Improvements, Mortgagee shall not be:

(1) obligated to perform any of the terms, covenants and conditions contained in any Lease (or otherwise have any obligation with respect to any Lease);

(2) obligated to appear in or defend any action or proceeding relating to any Lease or the Mortgaged Property; or

(3) responsible for the operation, control, care, management or repair of the Mortgaged Property or any portion of the Mortgaged Property.

The execution of this Security Instrument shall constitute conclusive evidence that all responsibility for the operation, control, care, management and repair of the Mortgaged Property is and shall be that of Mortgagor, prior to such actual entry and taking possession and control by Mortgagee of the Land and Improvements.

(g) Mortgagee shall be liable to account only to Mortgagor and only for Rents actually received by Mortgagee. Mortgagee shall not be liable to Mortgagor, anyone claiming under or through Mortgagor or anyone having an interest in the Mortgaged Property by reason of any act or omission of Mortgagee under this Section 3, and Mortgagor hereby releases and discharges Mortgagee from any such liability to the fullest extent permitted by law. If the Rents are not sufficient to meet the costs of taking control of and managing the Mortgaged Property and collecting the Rents, any funds expended by Mortgagee for such purposes shall be added to, and become a part of, the principal balance of the Obligations, be immediately due and payable, and bear interest at the Default Interest Rate from the date of disbursement until fully paid. Any entering upon and taking control of the Mortgaged Property by Mortgagee or the receiver, and any application of Rents as provided in this Security Instrument, shall not cure or waive any Event of Default or invalidate any other right or remedy of Mortgagee under applicable law or provided for in this Security Instrument or any Loan Document.

4. Protection of Mortgagee's Security.

If Mortgagor fails to perform any of its obligations under this Security Instrument or any other Loan Document, or any action or proceeding is commenced that purports to affect the Mortgaged Property, Mortgagee's security, rights or interests under this Security Instrument or any Loan Document (including eminent domain, insolvency, code enforcement, civil or criminal forfeiture, enforcement of environmental laws, fraudulent conveyance or reorganizations or proceedings involving a debtor or decedent), Mortgagee may, at its option, make such appearances, disburse or pay such sums and take such actions, whether before or after an Event of Default or whether directly or to any receiver for the Mortgaged Property, as Mortgagee reasonably deems

necessary to perform such obligations of Mortgagor and to protect the Mortgaged Property or Mortgagee's security, rights or interests in the Mortgaged Property or the Loan, including:

- (a) paying fees and out-of-pocket expenses of attorneys, accountants, inspectors and consultants;
- (b) entering upon the Mortgaged Property to make repairs or secure the Mortgaged Property;
- (c) obtaining (or force-placing) the insurance required by the Loan Documents; and
- (d) paying any amounts required under any of the Loan Documents that Mortgagor has failed to pay.

Any amounts so disbursed or paid by Mortgagee shall be added to, and become part of, the principal balance of the Obligations, be immediately due and payable and bear interest at the Default Interest Rate from the date of disbursement until fully paid. The provisions of this Section 4 shall not be deemed to obligate or require Mortgagee to incur any expense or take any action.

5. Default; Acceleration; Remedies.

(a) If an Event of Default has occurred and is continuing, Mortgagee, at its option, may declare the Obligations to be immediately due and payable without further demand, and may either with or without entry or taking possession as herein provided or otherwise, proceed by suit or suits at law or in equity or any other appropriate proceeding or remedy (1) to enforce payment of the Loan; (2) to foreclose this Security Instrument judicially or non-judicially by the power of sale granted herein; (3) to enforce or exercise any right under any Loan Document; and (4) to pursue any one (1) or more other remedies provided in this Security Instrument or in any other Loan Document or otherwise afforded by applicable law. Each right and remedy provided in this Security Instrument or any other Loan Document is distinct from all other rights or remedies under this Security Instrument or any other Loan Document or otherwise afforded by applicable law, and each shall be cumulative and may be exercised concurrently, independently, or successively, in any order.

(b) Mortgagor acknowledges that the power of sale granted in this Security Instrument may be exercised or directed by Mortgagee without prior judicial hearing. In the event Mortgagee invokes the power of sale:

(1) Mortgagee shall mail a copy of a notice of sale to Mortgagor in the manner provided in Section 8. Whether or not possession of the Mortgaged Property is taken, Mortgagee may sell the Mortgaged Property or any part thereof pursuant to the power of sale which is hereby given to Mortgagee, at public outcry, to the highest bidder for cash, at the front or main door of the courthouse of the county in which the Mortgaged Property to be sold is located, either in person or by auctioneer, after first giving notice by

publication once a week for three (3) successive weeks of the time, place and terms of such sale, together with a description of the property to be sold, in some newspaper published in said county. If there is property to be sold in more than one (1) county, publication shall be made in all counties where the land to be sold is located, but if no newspaper is published in any such county, the notice shall be published in a newspaper published in an adjoining county for three (3) successive weeks. The sale shall be held between the hours of 11:00 a.m. and 4:00 p.m. on the day designated in the notice for the exercise of the power of sale hereunder. Mortgagee may postpone sale of all or any part of the Mortgaged Property by public announcement at the time and place of any previously scheduled sale and by re-publication in the same manner provided above of notice announcing the new sale date. Mortgagee may bid at any sale held under this Security Instrument and may purchase the Mortgaged Property, or any part thereof, if Mortgagee is the highest bidder therefor. The purchaser at any such sale shall be under no obligation to see to the proper application of the purchase money;

(2) except as set forth above, Mortgagee shall have the authority to determine the terms of the sale, subject to applicable law. Mortgagor hereby waives any requirements of a separate sale, and all or any part of the Mortgaged Property may be offered for sale, at one (1) or more sales, in lots or in parcels or "in masse" and in such order as Mortgagee may determine;

(3) Mortgagee or any Person conducting the sale for Mortgagee is authorized to execute to the purchaser at said sale a deed or such other appropriate conveyance document to the Mortgaged Property so purchased conveying the Mortgaged Property so sold without any covenant or warranty, express or implied, and shall deliver the same to said purchaser within a reasonable time after the sale. The recitals in such deed or document shall be prima facie evidence of the truth of the statements made in those recitals; and

(4) the outstanding principal amount of the Loan and the other Obligations, if not previously due, shall be and become immediately due and payable without demand or notice of any kind. If the Mortgaged Property is sold for an amount less than the amount outstanding under the Obligations, the deficiency shall be determined by the purchase price at the sale or sales. Mortgagor waives all rights, claims, and defenses with respect to Mortgagee's ability to obtain a deficiency judgment.

(c) Mortgagor acknowledges and agrees that the proceeds of any sale shall be applied in accordance with Section 10.3 of the Credit Agreement, unless otherwise required by applicable law.

(d) In connection with the exercise of Mortgagee's rights and remedies under this Security Instrument and any other Loan Document, there shall be allowed and included as Obligations: (1) all expenditures and expenses authorized by applicable law and all other expenditures and expenses which may be paid or incurred by or on behalf of Mortgagee for

reasonable legal fees, appraisal fees, outlays for documentary and expert evidence, stenographic charges and publication costs; (2) all expenses of any environmental site assessments, environmental audits, environmental remediation costs, appraisals, surveys, engineering studies, wetlands delineations, flood plain studies, and any other similar testing or investigation deemed necessary or advisable by Mortgagee incurred in preparation for, contemplation of or in connection with the exercise of Mortgagee's rights and remedies under the Loan Documents; and (3) costs (which may be reasonably estimated as to items to be expended in connection with the exercise of Mortgagee's rights and remedies under the Loan Documents) of procuring all abstracts of title, title searches and examinations, title insurance policies, and similar data and assurance with respect to title as Mortgagee may deem reasonably necessary either to prosecute any suit or to evidence the true conditions of the title to or the value of the Mortgaged Property to bidders at any sale which may be held in connection with the exercise of Mortgagee's rights and remedies under the Loan Documents. All expenditures and expenses of the nature mentioned in this Section 5, and such other expenses and fees as may be incurred in the protection of the Mortgaged Property and rents and income therefrom and the maintenance of the lien of this Security Instrument, including the fees of any attorney employed by Mortgagee in any litigation or proceedings affecting this Security Instrument, the Notes, the other Loan Documents, or the Mortgaged Property, including bankruptcy proceedings, any Foreclosure Event, or in preparation of the commencement or defense of any proceedings or threatened suit or proceeding, or otherwise in dealing specifically therewith, shall be so much additional Obligations and shall be immediately due and payable by Mortgagor, with interest thereon at the Default Interest Rate until paid.

(e) Any action taken by Mortgagee pursuant to the provisions of this Section 5 shall comply with the laws of the Property Jurisdiction. Such applicable laws shall take precedence over the provisions of this Section 5, but shall not invalidate or render unenforceable any other provision of any Loan Document that can be construed in a manner consistent with any applicable law. If any provision of this Security Instrument shall grant to Mortgagee (including Mortgagee acting as a mortgagee-in-possession), or a receiver appointed pursuant to the provisions of this Security Instrument any powers, rights or remedies prior to, upon, during the continuance of or following an Event of Default that are more limited than the powers, rights, or remedies that would otherwise be vested in such party under any applicable law in the absence of said provision, such party shall be vested with the powers, rights, and remedies granted in such applicable law to the full extent permitted by law.

6. Waiver of Statute of Limitations and Marshaling.

Mortgagor hereby waives the right to assert any statute of limitations as a bar to the enforcement of the lien of this Security Instrument or to any action brought to enforce any Loan Document. Notwithstanding the existence of any other security interests in the Mortgaged Property held by Mortgagee or by any other party, Mortgagee shall have the right to determine the order in which any or all of the Mortgaged Property shall be subjected to the remedies provided in this Security Instrument and/or any other Loan Document or by applicable law. Mortgagee shall have the right to determine the order in which any or all portions of the Obligations are satisfied from the proceeds realized upon the exercise of such remedies. Mortgagor, for itself and all who

may claim by, through or under it, and any party who now or in the future acquires a security interest in the Mortgaged Property and who has actual or constructive notice of this Security Instrument, waives any and all right to require the marshaling of assets or to require that any of the Mortgaged Property be sold in the inverse order of alienation or that any of the Mortgaged Property be sold in parcels (at the same time or different times) in connection with the exercise of any of the remedies provided in this Security Instrument or any other Loan Document, or afforded by applicable law.

7. Waiver of Redemption; Rights of Tenants.

(a) Mortgagor hereby covenants and agrees that it will not at any time apply for, insist upon, plead, avail itself, or in any manner claim or take any advantage of, any appraisement, stay, exemption or extension law or any so-called "Moratorium Law" now or at any time hereafter enacted or in force in order to prevent or hinder the enforcement or foreclosure of this Security Instrument. Without limiting the foregoing:

(1) Mortgagor, for itself and all Persons who may claim by, through or under Mortgagor, hereby expressly waives any so-called "Moratorium Law" and any and all rights of reinstatement and redemption, if any, under any order or decree of foreclosure of this Security Instrument, it being the intent hereof that any and all such "Moratorium Laws", and all rights of reinstatement and redemption of Mortgagor and of all other Persons claiming by, through or under Mortgagor are and shall be deemed to be hereby waived to the fullest extent permitted by the laws of the Property Jurisdiction;

(2) Mortgagor shall not invoke or utilize any such law or laws or otherwise hinder, delay or impede the execution of any right, power remedy herein or otherwise granted or delegated to Mortgagee but will suffer and permit the execution of every such right, power and remedy as though no such law or laws had been made or enacted; and

(3) if Mortgagor is a trust or business entity, Mortgagor represents that the provisions of this Section 7 (including the waiver of reinstatement and redemption rights) were made at the express direction of Mortgagor's beneficiaries and the Persons having the power of direction over Mortgagor, and are made on behalf of the trust estate of Mortgagor and all beneficiaries of Mortgagor, as well as all other Persons mentioned above.

(b) Mortgagee shall have the right to foreclose subject to the rights of any tenant or tenants of the Mortgaged Property having an interest in the Mortgaged Property prior to that of Mortgagee. The failure to join any such tenant or tenants of the Mortgaged Property as party defendant or defendants in any such civil action or the failure of any decree of foreclosure and sale to foreclose their rights shall not be asserted by Mortgagor as a defense in any civil action instituted to collect the Obligations, or any part thereof or any deficiency remaining unpaid after foreclosure and sale of the Mortgaged Property, any statute or rule of law at any time existing to the contrary notwithstanding.

8. Notice.

(a) All notices under this Security Instrument shall be:

(1) in writing, and shall be delivered in accordance with the terms of the Credit Agreement;

(2) addressed to the intended recipient at its respective address set forth on Page 1 of this Security Instrument; and

(3) deemed given in accordance with the terms of the Credit Agreement.

(b) Any party to this Security Instrument may change the address to which notices intended for it are to be directed by means of notice given to the other party in accordance with this Section 8.

(c) Any required notice under this Security Instrument which does not specify how notices are to be given shall be given in accordance with this Section 8.

9. Mortgagee-in-Possession.

Mortgagor acknowledges and agrees that the exercise by Mortgagee of any of the rights conferred in this Security Instrument shall not be construed to make Mortgagee a mortgagee-in-possession of the Mortgaged Property so long as Mortgagee has not itself entered into actual possession of the Land and Improvements.

10. Release.

Upon payment in full of the Obligations, Mortgagee shall cause the release of this Security Instrument and Mortgagor shall pay Mortgagee's costs incurred in connection with such release. Furthermore, partial releases of this Security Instrument shall be available in accordance with the terms of the Credit Agreement.

11. Special Provisions.

In the event of any inconsistencies between the terms and conditions of this Section 11 and the other terms and conditions of this Security Instrument, the terms and conditions of this Section 11 shall control and be binding.

(a) Mortgagor waives all rights of exemption as to personal property. If Mortgagor is an individual, Mortgagor represents and warrants to Mortgagee that the Mortgaged Property is not the homestead of Mortgagor or Mortgagor's spouse.

(b) This Security Instrument secures future advances, provided nothing contained herein will obligate Mortgagee to make any advances to or otherwise extend credit to or for the benefit of Mortgagor or any other Person, except to the extent provided in the Credit Agreement.

The terms and conditions under which any advances to or other extensions of credit to or for the benefit of Mortgagor or any other Person may be made by Mortgagee are set forth in the Credit Agreement; and those terms and conditions may permit the maximum amount available under some or all of the obligations to be borrowed and repaid by full or partial payments and from time to time re-borrowed, repaid and re-borrowed (i.e., decrease or increase from time to time). No written instrument or notation will be required to evidence or secure any future advances and obligations hereunder.

(c) All future advances and other future obligations of Mortgagor to Mortgagee are secured by this Security instrument as if made on the date of this Security Instrument.

(d) This Security Instrument secures future advances to be used for construction of Improvements on the Land pursuant to the Credit Agreement. Accordingly, this Security Instrument is a "construction mortgage" as defined in the UCC of the Property Jurisdiction.

12. Governing Law; Consent to Jurisdiction.

This Security Instrument shall be governed by the laws of the Property Jurisdiction. Mortgagor consents to the jurisdiction of any federal or state court within the State of Texas (provided, however, that any actions taken with respect to a foreclosure of the Mortgaged Property may be brought in a state or federal court of competent jurisdiction in the Property Jurisdiction) and also consents to service of process by any means authorized by Texas law, the law of the Property Jurisdiction or United States federal law.

13. Miscellaneous Provisions.

(a) This Security Instrument shall bind, and the rights granted by this Security Instrument shall benefit, the successors and assigns of Mortgagee. This Security Instrument shall bind, and the obligations granted by this Security Instrument shall inure to, any permitted successors and assigns of Mortgagor under the Credit Agreement. If more than one (1) person or entity signs this Security Instrument as Mortgagor, the obligations of such persons and entities shall be joint and several. The relationship between Mortgagee and Mortgagor shall be solely that of creditor and debtor, respectively, and nothing contained in this Security Instrument shall create any other relationship between Mortgagee and Mortgagor. No creditor of any party to this Security Instrument and no other person shall be a third party beneficiary of this Security Instrument or any other Loan Document.

(b) The invalidity or unenforceability of any provision of this Security Instrument or any other Loan Document shall not affect the validity or enforceability of any other provision of this Security Instrument or of any other Loan Document, all of which shall remain in full force and effect. This Security Instrument contains the complete and entire agreement among the parties as to the matters covered, rights granted and the obligations assumed in this Security Instrument. This Security Instrument may not be amended or modified except by written agreement signed by the parties hereto.

(c) The following rules of construction shall apply to this Security Instrument:

(1) The captions and headings of the sections of this Security Instrument are for convenience only and shall be disregarded in construing this Security Instrument.

(2) Any reference in this Security Instrument to an "Exhibit" or "Schedule" or a "Section" or an "Article" shall, unless otherwise explicitly provided, be construed as referring, respectively, to an exhibit or schedule attached to this Security Instrument or to a Section or Article of this Security Instrument.

(3) Any reference in this Security Instrument to a statute or regulation shall be construed as referring to that statute or regulation as amended from time to time.

(4) Use of the singular in this Security Instrument includes the plural and use of the plural includes the singular.

(5) As used in this Security Instrument, the term "including" means "including, but not limited to" or "including, without limitation," and is for example only, and not a limitation.

(6) Unless otherwise provided in this Security Instrument, if Mortgagee's approval, designation, determination, selection, estimate, action or decision is required, permitted or contemplated hereunder, such approval, designation, determination, selection, estimate, action or decision shall be made in Mortgagee's sole and absolute discretion.

(7) All references in this Security Instrument to a separate instrument or agreement shall include such instrument or agreement as the same may be amended or supplemented from time to time pursuant to the applicable provisions thereof.

(8) "Mortgagee may" shall mean at Mortgagee's discretion, but shall not be an obligation.

14. Time is of the Essence.

Mortgagor agrees that, with respect to each and every obligation and covenant contained in this Security Instrument and the other Loan Documents, time is of the essence.

15. Subrogation.

If any of the proceeds of the Loan are used to extinguish, extend, or renew any previous indebtedness against the Mortgaged Property, then Mortgagee, to the extent of such funds so used, shall be subrogated to all of the rights, claims, liens, titles, and interests existing against the Mortgaged Property previously held by, or in favor of, the holder of such indebtedness and such former rights, claims, liens, titles, and interests, if any, are not waived but rather continue in full

force and effect in favor of Mortgagee and shall merge with the lien and security interest created herein as cumulative security for the performance and discharge of the Obligations.

16. Wholly-Owned Subsidiary.

Mortgagor is a wholly-owned subsidiary of Borrower. The proceeds of the Loan provide a direct benefit to Mortgagor. Mortgagor is jointly and severally liable for the full payment and performance of the Obligations as a primary obligor. Mortgagor is executing this Security Instrument and the Credit Agreement as an inducement for Mortgagee to make the Loan. Mortgagor acknowledges that Mortgagee would not have made the proceeds of the Loan available but for Mortgagor's execution of this Security Instrument. Mortgagor hereby waives any right to require Mortgagee to proceed against Borrower, or any other Person, or to proceed against or exhaust any other security held by Mortgagee at any time, or to pursue any other remedy in Mortgagee's power, before exercising any right or remedy under this Security Instrument.

17. WAIVER OF TRIAL BY JURY.

TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, EACH OF MORTGAGOR AND MORTGAGEE (BY ITS ACCEPTANCE HEREOF) (A) COVENANTS AND AGREES NOT TO ELECT A TRIAL BY JURY WITH RESPECT TO ANY ISSUE ARISING OUT OF THIS SECURITY INSTRUMENT OR THE RELATIONSHIP BETWEEN THE PARTIES AS MORTGAGOR AND MORTGAGEE THAT IS TRIABLE OF RIGHT BY A JURY AND (B) WAIVES ANY RIGHT TO TRIAL BY JURY WITH RESPECT TO SUCH ISSUE TO THE EXTENT THAT ANY SUCH RIGHT EXISTS NOW OR IN THE FUTURE. THIS WAIVER OF RIGHT TO TRIAL BY JURY IS SEPARATELY GIVEN BY EACH OF MORTGAGOR AND MORTGAGEE, KNOWINGLY AND VOLUNTARILY WITH THE BENEFIT OF COMPETENT LEGAL COUNSEL.

18. Amendment and Restatement.

This Security Instrument amends, restates and supersedes the Prior Mortgages, all of which have been assigned to Mortgagee, by various assignors, pursuant to one or more assignment instruments, dated of even date herewith. Neither this Security Instrument nor the Notes extinguishes the indebtedness secured by the Prior Mortgages or discharges or releases or in any way adversely affects the lien or lien priorities of the Prior Mortgages. It is the parties' intent that (i) this Security Instrument shall have the same lien priority as the Prior Mortgages, and (ii) this Security Instrument shall be superior to the interest of any third-party acquired in the Mortgaged Property following the recording of the Prior Mortgages.
