Code as in effect from time to time in such other jurisdiction for purposes of the provisions hereof relating to such perfection, effect of perfection or non-perfection or priority.

B. UNIFORM COMMERCIAL CODE SECURITY AGREEMENT. This Instrument is also a security agreement under the Uniform Commercial Code for the Fixtures, and Borrower, as debtor, hereby grants to MERS and/or Lender, as secured party, a security interest in the Fixtures. Borrower hereby authorizes Lender to prepare and file fixture filing financing statements and amendments thereto in such form as Lender may require to perfect or continue the perfection of this security interest and Borrower agrees, if Lender so requests, to execute and deliver to Lender such fixture filing financing statements and amendments. Without the prior written consent of Lender, Borrower shall not create or permit to exist any other lien or security interest in any of the Fixtures. Unless Borrower gives notice to Lender within 30 days after the occurrence of any of the following, and executes and delivers to Lender modifications or supplements of this Instrument as Lender may require, Borrower shall not (a) change its name, identity, structure or jurisdiction of organization; or (b) change the location of its place of business (or chief executive office if more than one place of business). If an Event of Default has occurred which, if it is amenable to cure, has not been timely cured, Lender shall have the remedies of a secured party under the Uniform Commercial Code, in addition to all remedies provided by this Instrument or existing under applicable law. In exercising any remedies, Lender may exercise its remedies against the Fixtures separately or together, and in any order, without in any way affecting the availability of Lender's other remedies. This Instrument constitutes a financing statement with respect to any part of the Mortgaged Property that is or may become a Fixture, if permitted by applicable law.

C. ASSIGNMENT OF RENTS; APPOINTMENT OF RECEIVER; LENDER IN POSSESSION.

C.1. As part of the consideration for the Indebtedness, Borrower absolutely and unconditionally assigns and transfers to Lender all Rents. It is the intention of Borrower to establish a present, absolute and irrevocable transfer and assignment to Lender of all Rents and to authorize and empower Lender to collect and receive all Rents without the necessity of further action on the part of Borrower. Promptly upon request by Lender, Borrower agrees to execute and deliver such further assignments as Lender may from time to time require. Borrower and Lender intend this assignment of Rents to be immediately effective and to constitute an absolute present assignment and not an assignment for additional security only. For purposes of giving effect to this absolute assignment of Rents, and for no other purpose, Rents shall not be deemed to be a part of the "Mortgaged Property" as that term is defined in section A above. However, if this present, absolute and unconditional assignment of Rents is not enforceable by its terms under the laws of the Property Jurisdiction, then the Rents shall be included as a part of the Mortgaged Property and it is the intention of Borrower that in this circumstance this Instrument create and perfect a lien on Rents in favor of MERS and/or Lender, which lien shall be effective as of the date of this Instrument.

C.2. After the occurrence of an Event of Default, Borrower authorizes Lender to collect, sue for and compromise Rents and directs each tenant of the Mortgaged Property to pay all Rents to, or as directed by, Lender. However, until the occurrence of an Event of Default, Lender hereby grants to Borrower a revocable license to collect and receive all Rents, to hold all Rents in trust for the benefit of Lender and to apply all Rents to pay the installments of interest and principal then due and payable under the Note and the other amounts then due and payable under the other Loan Documents, including Imposition Deposits, and to pay the current costs and expenses of managing, operating and maintaining the Mortgaged Property, including utilities, Taxes and insurance premiums (to the extent not included in Imposition Deposits), tenant improvements and other capital expenditures. So long as no Event of Default has occurred which, if it is amenable to cure, has not been timely cured, the Rents remaining after application pursuant to the preceding sentence may be retained by Borrower free and clear of, and released from, Lender's rights with respect to Rents under this Instrument. From and after the occurrence of an Event of Default, and without the necessity of Lender entering upon and taking and maintaining control of the Mortgaged Property directly, or by a receiver, Borrower's license to collect Rents shall automatically terminate and Lender shall without notice be entitled to all Rents as they become due and payable, including Rents then due and unpaid. Borrower shall pay to

Lender upon demand all Rents to which Lender is entitled. At any time on or after the date of Lender's demand for Rents, Lender may give, and Borrower hereby irrevocably authorizes Lender to give, notice to all tenants of the Mortgaged Property instructing them to pay all Rents to Lender, no tenant shall be obligated to inquire further as to the occurrence or continuance of an Event of Default, and no tenant shall be obligated to pay to Borrower any amounts which are actually paid to Lender in response to such a notice. Any such notice by Lender shall be delivered to each tenant personally, by mail or by delivering such demand to each rental unit. Borrower shall not interfere with and shall cooperate with Lender's collection of such Rents.

C.3. Borrower states that Borrower has not executed any prior assignment of Rents (other than an assignment of Rents securing indebtedness that will be paid off and discharged with the proceeds of the Loan), that Borrower has not performed, and Borrower covenants and agrees that it will not perform, any acts and has not executed, and shall not execute, any instrument which would prevent Lender from exercising its rights under this section C, and that at the time of execution of this Instrument there has been no anticipation or prepayment of any Rents for more than two (2) months prior to the due dates of such Rents. Borrower shall not collect or accept payment of any Rents more than two (2) months prior to the due dates of such Rents.

D. ASSIGNMENT OF LEASES; LEASES AFFECTING THE MORTGAGED PROPERTY.

D.1. As part of the consideration for the Indebtedness, Borrower absolutely and unconditionally assigns and transfers to Lender all of Borrower's right, title and interest in, to and under the Leases, including Borrower's right, power and authority to modify the terms of any such Lease, or extend or terminate any such Lease. It is the intention of Borrower to establish a present, absolute and irrevocable transfer and assignment to Lender of all of Borrower's right, title and interest in, to and under the Leases. Borrower and Lender intend this assignment of the Leases to be immediately effective and to constitute an absolute present assignment and not an assignment for additional security only. For purposes of giving effect to this absolute assignment of the Leases, and for no other purpose, the Leases shall not be deemed to be a part of the "Mortgaged Property" as that term is defined in section A above. However, if this present, absolute and unconditional assignment of the Leases is not enforceable by its terms under the laws of the Property Jurisdiction, then the Leases shall be included as a part of the Mortgaged Property and it is the intention of Borrower that in this circumstance this Instrument create and perfect a lien on the Leases in favor of MERS and/or Lender, which lien shall be effective as of the date of this Instrument.

D.2. Until Lender gives notice to Borrower of Lender's exercise of its rights under this section D, Borrower shall have all rights, power and authority granted to Borrower under any Lease (except as otherwise limited by this section D or any other provision of this Instrument), including the right, power and authority to modify the terms of any Lease or extend or terminate any Lease. Upon the occurrence of an Event of Default, the permission given to Borrower pursuant to the preceding sentence to exercise all rights, power and authority under Leases shall automatically terminate. Borrower shall comply with and observe Borrower's obligations under all Leases, including Borrower's obligations pertaining to the maintenance and disposition of tenant security deposits.

D.3. Borrower acknowledges and agrees that the exercise by Lender, either directly or by a receiver, of any of the rights conferred under this section D shall not be construed to make Lender a mortgagee-in-possession of the Mortgaged Property so long as Lender has not itself entered into actual possession of the Land and the Improvements. The acceptance by Lender of the assignment of the Leases pursuant to section D.1 above shall not at any time or in any event obligate Lender to take any action under this Instrument or to expend any money or to incur any expenses. Lender shall not be liable in any way for any injury or damage to person or property sustained by any Person in or about the Mortgaged Property. Prior to Lender's actual entry into and taking possession of the Mortgaged Property, Lender shall not (a) be obligated to perform any of the terms, covenants and conditions contained in any Lease (or otherwise have any obligation with respect to any Lease); (b) be obligated to appear in or defend any action or proceeding relating to the Lease or the Mortgaged Property; or (c) be responsible for the operation, control, care, management or repair of the Mortgaged Property or any portion of the Mortgaged

Property. The execution of this Instrument by Borrower shall constitute conclusive evidence that all responsibility for the operation, control, care, management and repair of the Mortgaged Property is and shall be that of Borrower, prior to such actual entry and taking of possession.

D.4. Upon delivery of notice by Lender to Borrower of Lender's exercise of Lender's rights under this section D at any time after the occurrence of an Event of Default, and without the necessity of Lender entering upon and taking and maintaining control of the Mortgaged Property directly, by a receiver, or by any other manner or proceeding permitted by the laws of the Property Jurisdiction, Lender immediately shall have all rights, powers and authority granted to Borrower under any Lease, including the right, power and authority to modify the terms of any such Lease, or extend or terminate any such Lease.

D.5. Borrower shall, promptly upon Lender's request, deliver to Lender an executed copy of each Lease then in effect. All Leases shall be on forms approved by Lender, shall be for initial terms of at least six months and not more than two years, and shall not include options to purchase.

E. PAYMENT OF INDEBTEDNESS; PERFORMANCE UNDER LOAN DOCUMENTS; PREPAYMENT PREMIUM. Borrower shall pay the Indebtedness when due in accordance with the terms of the Note and the other Loan Documents and shall perform, observe and comply with all other provisions of the Note and the other Loan Documents. Borrower shall pay a prepayment premium in connection with certain prepayments of the Indebtedness, including a payment made after Lender's exercise of any right of acceleration of the Indebtedness, as provided in the Note.

F. FULL RECOURSE PERSONAL LIABILITY. Borrower shall have full recourse personal liability under the Note, this Instrument and all other Loan Documents for the repayment of the Indebtedness and for the performance of any and all other obligations of Borrower under the Note, this Instrument and all other Loan Documents.

G. DEPOSITS FOR TAXES, INSURANCE AND OTHER CHARGES.

G.1. Unless this requirement is waived in writing by Lender, or as otherwise provided in this section G, Borrower shall deposit with Lender on the day monthly installments of principal or interest, or both, are due under the Note (or on another day designated in writing by Lender), until the Indebtedness is paid in full, an additional amount estimated by Lender to be sufficient to accumulate with Lender the entire sum required to pay, when due, the items marked "COLLECT" below, plus, at Lender's discretion, a contingency reserve of up to one-sixth of such estimate. Lender will not initially require Borrower to make Imposition Deposits with respect to any items marked "DEFERRED" or "NOT APPLICABLE" below.

- [COLLECT] Property Insurance premiums or other insurance premiums required by Lender under section S below
- [COLLECT] Taxes
- [DEFERRED] water and sewer charges (that could become a lien on the Mortgaged Property)
- [DEFERRED] assessments or other charges (that could become a lien on the Mortgaged Property)

The amounts deposited under the preceding sentence are collectively referred to in this Instrument as the "**Imposition Deposits**". The obligations of Borrower for which the Imposition Deposits are required are collectively referred to in this Instrument as "**Impositions**". The amount of the Imposition Deposits shall be sufficient to enable Lender to pay each Imposition before the last date upon which such payment may be made without any penalty or interest charge being added. Lender shall maintain records indicating how much of the monthly Imposition Deposits and how much of the aggregate Imposition Deposits held by Lender are held for the purpose of paying Taxes, insurance premiums and each other Imposition.

G.2. Imposition Deposits shall be held by Lender or in a bank, credit union or other financial institution designated by Lender. Lender shall apply the Imposition Deposits to pay Impositions so long as no Event of Default has occurred which, if it is amenable to cure, has not been timely cured. Unless applicable law requires, Lender shall not be required to pay Borrower any interest, earnings or profits on the Imposition Deposits. As additional security for all of Borrower's obligations under this Instrument and the other Loan Documents, Borrower hereby pledges and grants to Lender a security interest in the Imposition Deposits and all proceeds of, and all interest and dividends on, the Imposition Deposits. Any amounts deposited with Lender under this section G shall not be trust funds, nor shall they operate to reduce the Indebtedness, unless applied by Lender for that purpose under section G.5 below.

G.3. If Lender receives a bill or invoice for an Imposition, Lender shall pay the Imposition from the Imposition Deposits held by Lender. Lender shall have no obligation to pay any Imposition to the extent it exceeds Imposition Deposits then held by Lender. Lender may pay an Imposition according to any bill, statement or estimate from the appropriate public office or insurance company without inquiring into the accuracy of the bill, statement or estimate or into the validity of the Imposition.

G.4. If at any time the amount of the Imposition Deposits held by Lender for payment of a specific Imposition exceeds the amount reasonably deemed necessary by Lender, plus at Lender's discretion, a contingency reserve of up to one-sixth of such estimate, the excess shall be credited against future installments of Imposition Deposits. If at any time the amount of the Imposition Deposits held by Lender for payment of a specific Imposition is less than the amount reasonably estimated by Lender to be necessary, plus, at Lender's discretion, a contingency reserve of up to one-sixth of such estimate, Borrower shall pay to Lender the amount of the deficiency within 15 days after notice from Lender.

G.5. If an Event of Default has occurred which, if it is amenable to cure, has not been timely cured, Lender may apply any Imposition Deposits, in any amounts and in any order as Lender determines, in Lender's discretion, to pay any Impositions or as a credit against the Indebtedness. Upon payment in full of the Indebtedness, Lender shall refund to Borrower any Imposition Deposits held by Lender.

G.6. If Lender does not collect an Imposition Deposit with respect to an Imposition either marked "DEFERRED" in section G.1 above or pursuant to a separate written waiver by Lender, then at least thirty (30) days before the date each such Imposition is due, or on the date this Instrument requires each such Imposition to be paid, Borrower must provide Lender with proof of payment of each such Imposition for which Lender does not require collection of Imposition Deposits. Lender may revoke its deferral or waiver and require Borrower to deposit with Lender any or all of the Imposition Deposits listed in section G.1 above, regardless of whether any such item is marked "DEFERRED" in such section, upon notice to Borrower, (a) if Borrower does not timely pay any of the Impositions as required by this Instrument, (b) if Borrower fails to provide timely proof to Lender of such payment as required by this Instrument, or (c) at any time from and after the occurrence of an Event of Default. In the event of a Transfer prohibited by or requiring Lender's approval under section U below, Lender's waiver or deferral of the collection of any Imposition Deposit in this section G may be modified or rendered void by Lender at Lender's sole option and discretion by notice to Borrower and the transferee(s) as a condition of Lender's approval of such Transfer.

H. COLLATERAL AGREEMENTS. Borrower shall deposit with Lender such amounts as may be required by any Collateral Agreement and shall perform all other obligations of Borrower under each Collateral Agreement.

I. APPLICATION OF PAYMENTS. If at any time Lender receives, from Borrower or otherwise, any amount applicable to the Indebtedness which is less than all amounts due and payable at such time, then Lender may apply that payment to amounts then due and payable in any manner and in any order determined by Lender, in Lender's discretion. Neither Lender's acceptance of an amount which is less than all amounts then due and payable nor Lender's application of such payment in the manner authorized shall constitute or be deemed to constitute either a waiver of the unpaid amounts or an accord and satisfaction. Notwithstanding the application of any such amount to the Indebtedness, Borrower's obligations under this Instrument and the Note shall remain unchanged.

J. COMPLIANCE WITH LAWS AND ORGANIZATIONAL DOCUMENTS.

J.1. Borrower shall comply with all laws, ordinances, regulations and requirements of any Governmental Authority and all recorded lawful covenants and agreements relating to or affecting the Mortgaged Property, including all laws, ordinances, regulations, requirements and covenants pertaining to health and safety, construction of improvements on the Mortgaged Property, fair housing, zoning and land use, and Leases. Borrower also shall comply with all applicable laws that pertain to the maintenance and disposition of tenant security deposits.

J.2. Borrower shall at all times maintain records sufficient to demonstrate compliance with the provisions of this section J.

J.3. Borrower shall take appropriate measures to prevent, and shall not engage in or knowingly permit, any illegal activities at the Mortgaged Property that could endanger tenants or visitors, result in damage to the Mortgaged Property, result in forfeiture of the Mortgaged Property, or otherwise materially impair the lien created by this Instrument or MERS and/or Lender's interest in the Mortgaged Property. Borrower states that no portion of the Mortgaged Property has been or will be purchased with the proceeds of any illegal activity.

J.4. Borrower shall at all times comply with all laws, regulations and requirements of any Governmental Authority relating to Borrower's formation, continued existence and good standing in the Property Jurisdiction.

J.5. If Borrower is not a natural person: (a) Borrower, and any Sub-Entity, shall maintain its existence as long as any portion of the Indebtedness remains unpaid; and (b) Borrower shall give written notice to Lender within ten (10) days after any dissolution or event triggering dissolution of Borrower or any Sub-Entity (which shall constitute an Event of Default under clause (a) of this sentence). As used in this section J, "Sub-Entity" shall include any managing or controlling entities, including any of the following that is not a natural person: (i) any manager or member of a limited liability company and any Sub-Entity thereof, (ii) any general partner of a general or limited partnership or limited liability partnership and any Sub-Entity thereof. To the extent not in conflict with the provisions of this Instrument and the other Loan Documents, Borrower shall at all times comply with its organizational documents, including but not limited to its partnership agreement (if Borrower is a partnership), its by-laws (if Borrower is a corporation or housing cooperative corporation or association) or its operating agreement (if Borrower is a limited liability company, joint venture or tenancy-in-common). If Borrower is not a natural person, then: (a) Borrower shall at all times comply with all laws, regulations and requirements of any Governmental Authority relating to Borrower's formation, continued existence and good standing in the state or commonwealth of Borrower's formation; (b) if the state or commonwealth of Borrower's formation is not the Property Jurisdiction, Borrower shall register or qualify as a foreign entity in the Property Jurisdiction and maintain such registration or qualification in good standing; (c) Borrower shall promptly provide Lender with copies of any amendments or supplements to Borrower's and any Sub-Entity's organizational documents; and (d) within ten (10) days after request by Lender Borrower shall furnish evidence satisfactory to Lender that Borrower and any Sub-Entity is/are in good standing in its/their state(s) or commonwealth(s) of organization, and, if different, the Property Jurisdiction.

K. USE OF PROPERTY. Unless required by applicable law, Borrower shall not (1) except for any change in use approved by Lender, allow changes in the use for which all or any part of the Mortgaged Property was being used at the time this Instrument was executed, (2) convert any individual dwelling unit or common area to commercial use, (3) convert, in whole or in part, any non-residential income producing units to non-income producing units, (4) initiate or acquiesce in a change in the zoning classification of the Mortgaged Property, or (5) establish any condominium or cooperative regime with respect to the Mortgaged Property. Borrower acknowledges that Lender has not agreed to grant any partial releases or reconveyances of any portion of the Mortgaged Property, and that the release and reconveyance of the lien of this Instrument shall only be granted by Lender upon full repayment of the Indebtedness.

L. PROTECTION OF LENDER'S SECURITY.

L.1. If Borrower fails to perform any of its obligations under this Instrument or any other Loan Document, or if any action or proceeding is commenced which purports to affect the Mortgaged Property, MERS and/or Lender's security or MERS and/or Lender's rights under this Instrument, including eminent domain, insolvency, code enforcement, civil or criminal forfeiture, enforcement of Hazardous Materials Laws, fraudulent conveyance or reorganizations or proceedings involving a bankrupt or decedent, then Lender at Lender's option may make such appearances, disburse such sums and take such actions as Lender reasonably deems necessary to perform such obligations of Borrower and to protect Lender's interest, including (a) payment of fees and out-of-pocket expenses of attorneys, accountants, inspectors and consultants, (b) entry upon the Mortgaged Property to make repairs or secure the Mortgaged Property, (c) procurement of the insurance required by section S below, (d) payment of amounts which Borrower has failed to pay under sections O and Q below, and (e) advances made by Lender to pay, satisfy or discharge any obligation of Borrower for the payment of money that is secured by a pre-existing mortgage, deed of trust or other lien encumbering the Mortgaged Property (a "Prior Lien").

L.2. Any amounts disbursed by Lender under this section L, or under any other provision of this Instrument that treats such disbursement as being made under this section L, shall be added to, and become part of, the principal component of the Indebtedness, shall be immediately due and payable and shall bear interest from the date of disbursement until paid at the "Default Rate", as defined in the Note.

L.3. Nothing in this section L shall require Lender to incur any expense or take any action.

M. INSPECTION. Lender, its agents, representatives and designees may make or cause to be made entries upon and inspections of the Mortgaged Property (including environmental inspections and tests) during normal business hours, or at any other reasonable time. Borrower shall within five (5) days after written request by Lender provide the name, phone number, address and email address of a contact person for Borrower or for a property management company managing the Mortgaged Property to arrange such inspection. Such contact person shall meet Lender's inspector(s) at the Mortgaged Property at the time specified by Lender and shall provide Lender's inspector(s) with access to all areas of the Mortgaged Property as Lender's inspector(s) may require to complete such inspection. At any time when an Event of Default has occurred which, if it is amenable to cure, has not been timely cured, the cost of such inspections shall be paid by Borrower upon written demand by Lender and if not paid within thirty (30) days after such written demand, and, until paid, shall be added to and constitute a part of the Indebtedness as provided in section L above.

N. BOOKS AND RECORDS; FINANCIAL REPORTING.

N.1. Borrower shall keep and maintain at all times, and upon Lender's request shall deliver to Lender or otherwise make available at the Mortgaged Property or other location agreed upon by the parties, complete and accurate books of account and records, copies of all written contracts, Leases and other instruments which affect the Mortgaged Property (collectively, "Records"). Unless Lender specifies another date in writing, Borrower shall deliver such Records to Lender within three (3) calendar days of Lender's request, or the next business day thereafter if such delivery falls on a weekend or holiday. Delivery of Records can be made electronically unless otherwise requested by Lender. Borrower shall bear the cost of delivery of Records, if any, which shall be no more frequent than once every twelve (12) months.

N.2. In the event Borrower or any Guarantor fails to maintain and/or deliver Records as required by section N.1 above, then such failure shall constitute an Event of Default and, in addition to any other remedies which may be available to Lender as a result of such Event of Default, Borrower shall pay a late charge equal to two percent (2%) of the monthly payment amount for each late submission of Records requested by Lender to compensate Lender or its servicer for the additional administrative expense caused by such failure or delay whether or not Borrower is entitled to any notice and opportunity to cure such failure prior to the exercise of any of the remedies. Such late charge shall be charged each month that any Records remain delinquent. The late charge shall be

immediately payable from Borrower upon demand by Lender and, until paid, shall be added to and constitute a part of the Indebtedness as provided in section L above. In no event shall such late charge constitute a cure of Borrower's or any Guarantor's default in failing to provide Records requested by Lender, nor limit Lender's remedies as a result of such default. In addition to such late charge and any other remedies which may be available to Lender as a result of such Event of Default, Lender shall have the right: (i) to increase the interest rate under the Note to the Default Rate provided for in the Note as long as such failure to provide Records continues, and (ii) to have Borrower's or any Guarantor's books and records audited, at Borrower's expense, by independent certified public accountants selected by Lender in order to obtain such Records, and all related costs and expenses of Lender shall become immediately due and payable and shall become an additional part of the Indebtedness as provided in section L above.

N.3. If an Event of Default has occurred which, if it is amenable to cure, has not been timely cured, Borrower shall deliver to Lender upon written demand all books and records relating to the Mortgaged Property or its operation.

N.4. Borrower authorizes Lender to obtain a credit report on Borrower at any time.

O. TAXES; OPERATING EXPENSES.

O.1. Subject to the provisions of sections O.3 and O.4 below, Borrower shall pay, or cause to be paid, all Taxes when due and before the addition of any interest, fine, penalty or cost for nonpayment.

O.2. Subject to the provisions of section O.3 below, Borrower shall pay the expenses of operating, managing, maintaining and repairing the Mortgaged Property (including insurance premiums, utilities, repairs and replacements) before the last date upon which each such payment may be made without any penalty or interest charge being added.

O.3. As long as no Event of Default exists and Borrower has timely delivered to Lender any bills or premium notices that it has received, Borrower shall not be obligated to pay Taxes, insurance premiums or any other individual Imposition to the extent that sufficient Imposition Deposits are held by Lender for the purpose of paying that specific Imposition. If an Event of Default exists, Lender may exercise any rights Lender may have with respect to Imposition Deposits without regard to whether Impositions are then due and payable. Lender shall have no liability to Borrower for failing to pay any Impositions to the extent that any Event of Default has occurred (which, if it is amenable to cure, has not been timely cured), insufficient Imposition Deposits are held by Lender at the time an Imposition becomes due and payable or Borrower has failed to provide Lender with bills and premium notices as provided above.

O.4. Borrower, at its own expense, may contest by appropriate legal proceedings, conducted diligently and in good faith, the amount or validity of any Imposition other than insurance premiums, if (a) Borrower notifies Lender of the commencement or expected commencement of such proceedings, (b) the Mortgaged Property is not in danger of being sold or forfeited, (c) Borrower deposits with Lender reserves sufficient to pay the contested Imposition, if requested by Lender, and (d) Borrower furnishes whatever additional security is required in the proceedings or is reasonably requested by Lender, which may include the delivery to Lender of the reserves established by Borrower to pay the contested Imposition.

O.5. Borrower shall promptly deliver to Lender a copy of all notices of, and invoices for, Impositions, and if Borrower pays any Imposition directly, Borrower shall promptly furnish to Lender receipts evidencing such payments in accordance with section G.6 above.

P. LIENS; ENCUMBRANCES. Borrower acknowledges that the grant, creation or existence of any mortgage, deed of trust, deed to secure debt, security interest or other lien or encumbrance (a "Lien") on the Mortgaged Property (other than the lien of this Instrument and the liens and encumbrances reflected on the Schedule of Title Exceptions) or on certain ownership interests in Borrower, whether voluntary, involuntary or by operation of law, and whether

or not such Lien has priority over the lien of this Instrument, is a "Transfer" which constitutes an Event of Default under section U of this Instrument.

Q. PRESERVATION, MANAGEMENT AND MAINTENANCE OF MORTGAGED PROPERTY. Borrower (1) shall not commit waste or permit impairment or deterioration of the Mortgaged Property, (2) shall not abandon the Mortgaged Property, (3) shall restore or repair promptly, in a good and workmanlike manner, any damaged part of the Mortgaged Property to the equivalent of its original condition, or such other condition as Lender may approve in writing, whether or not insurance proceeds or condemnation awards are available to cover any costs of such restoration or repair, (4) shall keep the Mortgaged Property in good repair, including the replacement of Fixtures with items of equal or better function and quality, (5) shall provide for professional management of the Mortgaged Property by a residential rental property manager satisfactory to Lender under a contract approved by Lender in writing, and (6) shall give notice to Lender of and, unless otherwise directed in writing by Lender, shall appear in and defend any action or proceeding purporting to affect the Mortgaged Property, MERS and/or Lender's security or MERS and/or Lender's rights under this Instrument. Borrower shall not (and shall not permit any tenant or other Person to) remove, demolish or alter the Mortgaged Property or any part of the Mortgaged Property except in connection with the replacement of Fixtures.

R. ENVIRONMENTAL HAZARDS.

R.1. Except for matters covered by a written plan of operations and maintenance approved in writing by Lender (an "O&M Plan") or matters described in section R.2 below, Borrower shall not cause or permit any of the following:

- (a) the presence, use, generation, release, treatment, processing, storage (including storage in above ground and underground storage tanks), handling, or disposal of any Hazardous Materials on or under the Mortgaged Property or any other property of Borrower that is adjacent to the Mortgaged Property;
- (b) the transportation of any Hazardous Materials to, from, or across the Mortgaged Property;
- (c) any occurrence or condition (including soil and groundwater conditions) on the Mortgaged Property or any other property of Borrower that is adjacent to the Mortgaged Property, which occurrence or condition is or may be in violation of Hazardous Materials Laws; or
- (d) any violation of or noncompliance with the terms of any Environmental Permit with respect to the Mortgaged Property or any property of Borrower that is adjacent to the Mortgaged Property.

The matters described in clauses (a) through (d) above are referred to collectively in this section R as "Prohibited Activities or Conditions".

R.2. Prohibited Activities and Conditions shall not include the safe and lawful use and storage of quantities of (a) pre-packaged supplies, cleaning materials and petroleum products customarily used in the operation and maintenance of comparable properties, (b) cleaning materials, personal grooming items and other items sold in pre-packaged containers for consumer use and used by tenants and occupants of residential dwelling units in the Mortgaged Property; and (c) petroleum products used in the operation and maintenance of motor vehicles from time to time located on the Mortgaged Property's parking areas, so long as all of the foregoing are used, stored, handled, transported and disposed of in compliance with Hazardous Materials Laws.

R.3. Borrower shall take all commercially reasonable actions (including the inclusion of appropriate provisions in any Leases executed after the date of this Instrument) to prevent its employees, agents, and contractors, and all tenants and other occupants from causing or permitting any Prohibited Activities or Conditions. Borrower shall not lease or allow the sublease or use of all or any portion of the Mortgaged Property to any tenant or subtenant for nonresidential use by any user that, in the ordinary course of its business, would cause or permit any Prohibited Activity or Condition.

R.4. If an O&M Plan has been established with respect to Hazardous Materials, Borrower shall comply in a timely manner with, and cause all employees, agents, and contractors of Borrower and any other Persons present on the Mortgaged Property to comply with the O&M Plan. All costs of performance of Borrower's obligations under any O&M Plan shall be paid by Borrower, and Lender's out-of-pocket costs incurred in connection with the monitoring and review of the O&M Plan and Borrower's performance shall be paid by Borrower upon demand by Lender. Any such out-of-pocket costs of Lender which Borrower fails to pay promptly shall become an additional part of the Indebtedness as provided in section L above.

R.5. Borrower states that, except as previously disclosed by Borrower to Lender in writing:

- (a) Borrower has not at any time engaged in, caused or permitted any Prohibited Activities or Conditions;
- (b) to the best of Borrower's knowledge after reasonable and diligent inquiry, no Prohibited Activities or Conditions exist or have existed;
- (c) except to the extent previously disclosed by Borrower to Lender in writing, the Mortgaged Property does not now contain any underground storage tanks, and, to the best of Borrower's knowledge after reasonable and diligent inquiry, the Mortgaged Property has not contained any underground storage tanks in the past. If there is an underground storage tank located on the Mortgaged Property which has been previously disclosed by Borrower to Lender in writing, that tank complies with all requirements of Hazardous Materials Laws;
- (d) Borrower has complied with all Hazardous Materials Laws, including all requirements for notification regarding releases of Hazardous Materials. Without limiting the generality of the foregoing, Borrower has obtained all Environmental Permits required for the operation of the Mortgaged Property in accordance with Hazardous Materials Laws now in effect and all such Environmental Permits are in full force and effect;
- (e) no event has occurred with respect to the Mortgaged Property that constitutes, or with the passing of time or the giving of notice would constitute, noncompliance with the terms of any Environmental Permit;
- (f) there are no actions, suits, claims or proceedings pending or, to the best of Borrower's knowledge after reasonable and diligent inquiry, threatened that involve the Mortgaged Property and allege, arise out of, or relate to any Prohibited Activity or Condition;
- (g) Borrower has not received any complaint, order, notice of violation or other communication from any Governmental Authority with regard to air emissions, water discharges, noise emissions or Hazardous Materials, or any other environmental, health or safety matters affecting the Mortgaged Property or any other property of Borrower that is adjacent to the Mortgaged Property;
- (h) there are no liens arising under or pursuant to any Hazardous Materials Laws affecting the Mortgaged Property and there are no facts, circumstances, or conditions that could reasonably be expected to restrict, encumber, or result in the imposition of special conditions under any Hazardous Materials Law with respect to the ownership, occupancy development, use, or transferability of the Mortgaged Property;
- (i) there has been no written environmental audit, investigation, assessment, review, sampling or analysis conducted by Borrower of the Mortgaged Property which in any such case has not been delivered to Lender prior to the date hereof; and
- (j) at the time of acquiring the Mortgaged Property, Borrower undertook all appropriate inquiry into the previous ownership and uses of the Mortgaged Property consistent with good commercial or customary practice and no evidence or indication came to light which would suggest that the Mortgaged Property has been or is now being used for any Prohibited Activities or Conditions.

If any of Borrower's statements of fact in this section R.5 are inaccurate on the date of this Instrument or become inaccurate prior to repayment of the Indebtedness, then (i) such inaccuracy shall be an Event of Default, and (ii)

without limiting any other remedies of Lender, Lender may bring a claim against Borrower for misrepresentation, a claim for breach of warranty, or both.

R.6. Borrower shall promptly notify Lender in writing upon the occurrence of any of the following events:

- (a) Borrower's discovery of any Prohibited Activity or Condition;
- (b) Borrower's receipt of or knowledge of any complaint, order, notice of violation or other communication from any Governmental Authority or other Person with regard to present or future alleged Prohibited Activities or Conditions or any other environmental, health or safety matters affecting the Mortgaged Property or any other property of Borrower that is adjacent to the Mortgaged Property; and
- (c) any statement of fact in this section R becomes untrue after the date of this Agreement.

Any such notice given by Borrower shall not relieve Borrower of, or result in a waiver of, any obligation under this Instrument, the Note, or any other Loan Document.

R.7. Borrower shall pay promptly the costs of any environmental inspections, tests or audits ("**Environmental Inspections**") required by Lender in connection with any foreclosure or deed in lieu of foreclosure, or as a condition of Lender's consent to any Transfer under section U below, or required by Lender following a reasonable determination by Lender that Prohibited Activities or Conditions may exist. Any such costs incurred by Lender (including the fees and out-of-pocket costs of attorneys and technical consultants whether incurred in connection with any judicial or administrative process or otherwise) which Borrower fails to pay promptly shall become an additional part of the Indebtedness as provided in section L. The results of all Environmental Inspections made by Lender shall at all times remain the property of Lender and Lender shall have no obligation to disclose or otherwise make available to Borrower or any other party such results or any other information obtained by Lender in connection with its Environmental Inspections. Lender hereby reserves the right, and Borrower hereby expressly authorizes Lender, to make available to any party, including any prospective bidder at a foreclosure sale of the Mortgaged Property, the results of any Environmental Inspections made by Lender with respect to the Mortgaged Property. Borrower consents to Lender notifying any party (either as part of a notice of sale or otherwise) of the results of any of Lender's Environmental Inspections. Borrower acknowledges that Lender cannot control or otherwise assure the truthfulness or accuracy of the results of any of its Environmental Inspections and that the release of such results to prospective bidders at a foreclosure sale of the Mortgaged Property may have a material and adverse effect upon the amount which a party may bid at such sale. Borrower agrees that Lender shall have no liability whatsoever as a result of delivering the results of any of its Environmental Inspections to any third party, and Borrower hereby releases and forever discharges Lender from any and all claims, damages, or causes of action, arising out of, connected with or incidental to the results of, the delivery of any of Lender's Environmental Inspections.

R.8. If any investigation, site monitoring, containment, clean-up, restoration or other remedial work ("**Remedial Work**") is necessary to comply with any Hazardous Materials Law or order of any Governmental Authority that has or acquires jurisdiction over the Mortgaged Property or the use, operation or improvement of the Mortgaged Property under any Hazardous Materials Law, Borrower shall, by the earlier of (a) the applicable deadline required by Hazardous Materials Law or (b) 30 days after notice from Lender demanding such action, begin performing the Remedial Work, and thereafter diligently prosecute it to completion, and shall in any event complete the work by the time required by applicable Hazardous Materials Law. If Borrower fails to begin on a timely basis or diligently prosecute any required Remedial Work, Lender may, at its option, cause the Remedial Work to be completed, in which case Borrower shall reimburse Lender on demand for the cost of doing so. Any reimbursement due from Borrower to Lender shall become part of the Indebtedness as provided in section L above.

R.9. Borrower shall cooperate with any inquiry by any Governmental Authority and shall comply with any governmental or judicial order which arises from any alleged Prohibited Activity or Condition.

R.10. Borrower shall indemnify, hold harmless and defend (a) Lender, (b) any prior owner or holder of the Note, (c) the Loan Servicer, (d) any prior Loan Servicer, (e) the officers, directors, shareholders, partners, employees and trustees of any of the foregoing, and (f) the heirs, legal representatives, successors and assigns of each of the foregoing (collectively, the "**Indemnitees**") from and against all proceedings, claims, damages, liabilities, obligations, demands, causes of action, losses, fines, penalties and costs (whether initiated or sought by Governmental Authorities or private parties), including fees and out of pocket expenses of attorneys and expert witnesses, investigatory fees, and remediation costs, whether incurred in connection with any judicial or administrative process or otherwise, arising directly or indirectly from any of the following:

- (i) any breach of any statement of fact of Borrower in this section R;
- (ii) any failure by Borrower to perform any of its obligations under this section R;
- (iii) the existence or alleged existence of any Prohibited Activity or Condition;
- (iv) the presence or alleged presence of Hazardous Materials on or under the Mortgaged Property or any property of Borrower that is adjacent to the Mortgaged Property;
- (v) the actual or alleged violation of any Hazardous Materials Law; and
- (vi) any personal injury (including wrongful death) or property damage (real or personal) arising out of or related to any Hazardous Materials.

R.11. Counsel selected by Borrower to defend Indemnitees shall be subject to the approval of those Indemnitees. However, any Indemnitee may elect to defend any claim or legal or administrative proceeding at Borrower's expense.

R.12. Borrower shall not, without the prior written consent of those Indemnitees who are named as parties to a claim or legal or administrative proceeding (a "**Claim**"), settle or compromise the Claim if the settlement (a) results in the entry of any judgment that does not include as an unconditional term the delivery by the claimant or plaintiff to Lender of a written release of those Indemnitees, satisfactory in form and substance to Lender; or (b) may materially and adversely affect Lender, as determined by Lender in its discretion.

R.13. Borrower's obligation to indemnify the Indemnitees shall not be limited or impaired by any of the following, or by any failure of Borrower or any Guarantor to receive notice of or consideration for any of the following:

- (a) any amendment or modification of any Loan Document;
- (b) any extensions of time for performance required by any Loan Document;
- (c) any provision in any of the Loan Documents limiting Lender's recourse to property securing the Indebtedness, or limiting the personal liability of Borrower or any other party for payment of all or any part of the Indebtedness;
- (d) the accuracy or inaccuracy of any statements of fact made by Borrower under this Instrument or any other Loan Document;
- (e) the release of Borrower or any other Person, by Lender or by operation of law, from performance of any obligation under any Loan Document;
- (f) the release or substitution in whole or in part of any security for the Indebtedness; and
- (g) Lender's failure to properly perfect any lien or security interest given as security for the Indebtedness.

R.14. Borrower shall, at its own cost and expense, do all of the following:

- (a) pay or satisfy any judgment or decree that may be entered against any Indemnitee or Indemnitees in any legal or administrative proceeding incident to any matters against which Indemnitees are entitled to be indemnified under this section R;

(b) reimburse Indemnitees for any expenses paid or incurred in connection with any matters against which Indemnitees are entitled to be indemnified under this section R; and

(c) reimburse Indemnitees for any and all expenses, including fees and out of pocket expenses of attorneys and expert witnesses, paid or incurred in connection with the enforcement by Indemnitees of their rights under this section R, or in monitoring and participating in any legal or administrative proceeding.

R.15. In any circumstances in which the indemnity under this section R applies, Lender may employ its own legal counsel and consultants to prosecute, defend or negotiate any claim or legal or administrative proceeding and Lender, with the prior written consent of Borrower (which shall not be unreasonably withheld, delayed or conditioned) may settle or compromise any action or legal or administrative proceeding. Borrower shall reimburse Lender upon demand for all costs and expenses incurred by Lender, including all costs of settlements entered into in good faith, and the fees and out of pocket expenses of such attorneys and consultants.

R.16. The provisions of this section R shall be in addition to any and all other obligations and liabilities that Borrower may have under applicable law or under other Loan Documents, and each Indemnitee shall be entitled to indemnification under this section R without regard to whether Lender or that Indemnitee has exercised any rights against the Mortgaged Property or any other security, pursued any rights against any Guarantor, or pursued any other rights available under the Loan Documents or applicable law. If Borrower consists of more than one Person, the obligation of those Persons to indemnify the Indemnitees under this section R shall be joint and several. The obligation of Borrower to indemnify the Indemnitees under this section R shall survive any repayment or discharge of the Indebtedness, any foreclosure proceeding, any foreclosure sale, any delivery of any deed in lieu of foreclosure, and any release of record of the lien of this Instrument.

S. PROPERTY AND LIABILITY INSURANCE.

S.1. Borrower shall keep the Improvements insured at all times against such hazards as Lender may from time to time require, which insurance shall include but not be limited to coverage against loss by fire, windstorm and allied perils, general boiler and machinery coverage, and business income coverage. Lender's insurance requirements may change from time to time throughout the term of the Indebtedness. If Lender so requires, such insurance shall also include sinkhole insurance, mine subsidence insurance, earthquake insurance, and, if the Mortgaged Property does not conform to applicable zoning or land use laws, building ordinance or law coverage. In the event any updated reports or other documentation are reasonably required by Lender in order to determine whether such additional insurance is necessary or prudent, Borrower shall pay for all such documentation at its sole cost and expense. If any of the Improvements is located in an area that is either (a) identified by the Federal Emergency Management Agency (or any successor to that agency) ("**FEMA**") as an area having special flood hazards or (b) designated by FEMA as Zone D, and if flood insurance is available in that area, Borrower shall insure such Improvements against loss by flood. If Lender so requires, such insurance shall also include business income/rental value insurance for all relevant perils to be covered in the amount required by Lender, but in no case less than the effective gross income attributable to the Mortgaged Property for the preceding 12 months, as determined by Lender in Lender's discretion. All insurance required pursuant to this section S shall be referred to as "**Property Insurance**". All policies of Property Insurance must include a non-contributing, non-reporting mortgagee clause in favor of, and in a form approved by, Lender, and shall provide that the insurer will notify Lender in writing of cancelation of policies at least 10 days before the cancelation of the policy by the insurer for nonpayment of the premium or nonrenewal and at least 30 days before cancelation by the insurer for any other reason.

S.2. All premiums on insurance policies required under this section S shall be paid in the manner provided in section G above, unless Lender has designated in writing another method of payment. All such policies shall also be in a form approved by Lender. Borrower shall deliver to Lender a legible copy of each insurance policy (or duplicate original) and Borrower shall promptly deliver to Lender a copy of all renewal and other notices received by Borrower with respect to the policies and all receipts for paid premiums. At least 30 days prior to the expiration date of a

policy, Borrower shall deliver to Lender a legible copy of each renewal policy (or a duplicate original) in a form satisfactory to Lender.

S.3. Borrower shall maintain at all times general liability insurance, which must contain a standard additional insured provision, in favor of, and in a form approved by, Lender. Lender reserves the right to require Borrower to carry such other insurance coverage as Lender deems reasonably necessary including, but not limited to, commercial liability, workers' compensation, errors and omissions, and fidelity insurance.

S.4. All insurance policies and renewals of insurance policies required by this section S shall be in such amounts and for such periods as Lender may from time to time require, shall be in such form and contain such endorsements as Lender may from time to time require, and shall be issued by insurance companies satisfactory to Lender.

S.5. Borrower shall comply with all insurance requirements and shall not permit any condition to exist on the Mortgaged Property that would invalidate any part of any insurance coverage that this Instrument requires Borrower to maintain.

S.6. In the event of loss, Borrower shall give immediate written notice to the insurance carrier and to Lender. Borrower hereby authorizes and appoints Lender as attorney-in-fact for Borrower to make proof of loss, to adjust and compromise any claims under policies of property damage insurance, to appear in and prosecute any action arising from such property damage insurance policies, to collect and receive the proceeds of property damage insurance, and to deduct from such proceeds Lender's expenses incurred in the collection of such proceeds. This power of attorney is coupled with an interest and therefore is irrevocable. However, nothing contained in this section S shall require Lender to incur any expense or take any action. Lender may, at Lender's option, (a) hold the balance of such proceeds to be used to reimburse Borrower for the cost of restoring and repairing the Mortgaged Property to the equivalent of its original condition or to a condition approved by Lender (the "**Restoration**"), or (b) apply the balance of such proceeds to the payment of the Indebtedness, whether or not then due. To the extent Lender determines to apply insurance proceeds to Restoration, Lender shall do so in accordance with Lender's then-current policies relating to the restoration of casualty damage on similar properties.

S.7. Lender shall not exercise its option to apply insurance proceeds to the payment of the Indebtedness if all of the following conditions are met: (a) no Potential Default exists and no Event of Default has occurred which, if it is amenable to cure, has not been timely cured; (b) Lender determines, in its discretion, that Borrower has sufficient funds to complete the Restoration; (c) Lender determines, in its discretion, that the rental income from the Mortgaged Property after completion of the Restoration will be sufficient to meet all operating costs and other expenses, Imposition Deposits, deposits to reserves and loan repayment obligations relating to the Mortgaged Property; and (d) Lender determines, in its discretion, that the Restoration will be completed before the earlier of (i) one year before the maturity date of the Note or (ii) one year after the date of the loss or casualty.

S.8. If the Mortgaged Property is sold at a foreclosure sale or Lender acquires title to the Mortgaged Property, Lender shall automatically succeed to all rights of Borrower in and to any insurance policies and unearned insurance premiums and in and to the proceeds resulting from any damage to the Mortgaged Property prior to such sale or acquisition.

T. CONDEMNATION.

T.1. Borrower shall promptly notify Lender of any action or proceeding relating to any condemnation or other taking, or conveyance in lieu thereof, of all or any part of the Mortgaged Property, whether direct or indirect (a "**Condemnation**"). Borrower shall appear in and prosecute or defend any action or proceeding relating to any Condemnation unless otherwise directed by Lender in writing. Borrower authorizes and appoints Lender as attorney in fact for Borrower to commence, appear in and prosecute, in Lender's or Borrower's name, any action or proceeding relating to any Condemnation and to settle or compromise any claim in connection with any Condemnation. This power of attorney is coupled with an interest and therefore is irrevocable. However, nothing

contained in this section T shall require Lender to incur any expense or take any action. Borrower hereby transfers and assigns to Lender all right, title and interest of Borrower in and to any award or payment with respect to (a) any Condemnation, or any conveyance in lieu of Condemnation, and (b) any damage to the Mortgaged Property caused by governmental action that does not result in a Condemnation.

T.2. Lender may apply such awards or proceeds, after the deduction of Lender's expenses incurred in the collection of such amounts, at Lender's option, to the restoration or repair of the Mortgaged Property or to the payment of the Indebtedness, with the balance, if any, to Borrower. Unless Lender otherwise agrees in writing, any application of any awards or proceeds to the Indebtedness shall not extend or postpone the due date of any monthly installments referred to in the Note, section G of this Instrument or any Collateral Agreement, or change the amount of such installments. Borrower agrees to execute such further evidence of assignment of any awards or proceeds as Lender may require.

U. TRANSFERS OF THE MORTGAGED PROPERTY OR INTERESTS IN BORROWER [NO RIGHT TO TRANSFER].

U.1. "Transfer" means (a) a sale, assignment, transfer or other disposition (whether voluntary, involuntary or by operation of law); (b) the granting, creating or attachment of a lien, encumbrance or security interest (whether voluntary, involuntary or by operation of law); (c) the issuance or other creation of an ownership interest in a legal entity, including a partnership interest, interest in a limited liability company or corporate stock; (d) the withdrawal, retirement, removal or involuntary resignation of a partner in a partnership or a member or manager in a limited liability company; or (e) the merger, dissolution, liquidation, or consolidation of a legal entity or the reconstitution of one type of legal entity into another type of legal entity. For purposes of defining the term "Transfer," the term "partnership" shall mean a general partnership, a limited partnership, a joint venture and a limited liability partnership, and the term "partner" shall mean a general partner, a limited partner and a joint venturer.

U.2. "Transfer" does not include: (a) a conveyance of the Mortgaged Property at a judicial or non-judicial foreclosure sale under this Instrument, (b) the Mortgaged Property becoming part of a bankruptcy estate by operation of law under the Bankruptcy Code, or (c) a lien against the Mortgaged Property for local taxes and/or assessments not then due and payable.

U.3. The occurrence of any of the following events shall not constitute an Event of Default under this Instrument, notwithstanding any provision of this section U to the contrary:

(a) a Transfer to which Lender has consented;

(b) [intentionally omitted];

(c) the grant of a leasehold interest in an individual dwelling unit, so long as such leasehold interest (i) is for a term of two years or less, (ii) does not contain an option to purchase or other current or future ownership right in the Mortgaged Property, and (iii) is otherwise in accordance with the terms of this Instrument;

(d) a Transfer of obsolete or worn out Fixtures that are contemporaneously replaced by items of equal or better function and quality, which are free of liens, encumbrances and security interests other than those created by the Loan Documents or consented to by Lender; and

(e) the creation of a mechanic's, materialman's, or judgment lien against the Mortgaged Property which is released of record or otherwise remedied to Lender's satisfaction within 60 days of the date of creation.

U.4. The occurrence of any of the following Transfers shall not constitute an Event of Default under this Instrument, provided that Borrower has notified Lender in writing within 30 days following the occurrence of any of the following, and such Transfer does not constitute an Event of Default under any other Section of this Instrument:

(a) a change of Borrower's name, provided that, as applicable, a fixture filing financing statement and/or amendments sufficient to continue the perfection of Lender's security interest have been properly recorded and copies have been delivered to Lender;

(b) a change of the form of Borrower not involving a transfer of Borrower's assets and not resulting in any change in liability of any Initial Owner, provided that, as applicable: (i) a fixture filing financing statement and/or amendments sufficient to continue the perfection of Lender's security interest have been properly recorded and copies have been delivered to Lender, (ii) Lender has been provided, in advance, for Lender's review and approval, all proposed filings, amendments and other documents pertaining to such change in form, and (iii) Borrower shall pay for attorneys' fees, and other out of pocket costs of Lender for the review of such documents and any filings, including any title endorsement costs if Lender in its discretion requires an endorsement or endorsements to Lender's title policy;

(c) the merger of Borrower with another entity when Borrower is the surviving entity;

(d) a Transfer that occurs by devise, descent, or by operation of law upon the death of a natural person; and

(e) the grant of an easement, if before the grant Lender determines that the easement will not materially affect the operation or value of the Mortgaged Property or Lender's interest in the Mortgaged Property, and Borrower pays to Lender, upon demand, all costs and expenses, including Attorneys' Fees and Costs, incurred by Lender in connection with reviewing Borrower's request.

U.5. The occurrence of any of the following events shall constitute an Event of Default under this Instrument:

(a) a Transfer of all or any part of the Mortgaged Property or any interest in the Mortgaged Property (including without limitation the creation or existence of any Lien as provided in section P of this Instrument);

(b) if Borrower is a limited partnership, a Transfer of (i) any general partnership interest, or (ii) limited partnership interests in Borrower that would cause the Initial Owners of Borrower to own less than a Controlling Interest of all limited partnership interests in Borrower;

(c) if Borrower is a general partnership or a joint venture, a Transfer of any general partnership or joint venture interest in Borrower;

(d) if Borrower is a limited liability company, (i) a Transfer of any membership interest in Borrower which would cause the Initial Owners to own less than a Controlling Interest of all the membership interests in Borrower, (ii) a Transfer of any membership or other interest of a manager in Borrower that results in a change of manager, or (iii) a change of a nonmember manager;

(e) if Borrower is a corporation, (i) the Transfer of any voting stock in Borrower which would cause the Initial Owners to own less than a Controlling Interest of any class of voting stock in Borrower or (ii) if the outstanding voting stock in Borrower is held by 100 or more shareholders, one or more transfers by a single transferor within a 12-month period affecting an aggregate of 5% or more of that stock;

(f) if Borrower is a trust, (i) a Transfer of any beneficial interest in Borrower which would cause the Initial Owners to own less than a Controlling Interest of all the beneficial interests in Borrower, (ii) the termination or revocation of the trust, or (iii) the removal, appointment or substitution of a trustee of Borrower; and

(g) a Transfer of any interest in a Controlling Entity which, if such Controlling Entity were Borrower, would result in an Event of Default under any of sections U.5(a) through U.5(f).

Lender shall not be required to demonstrate any actual impairment of its security or any increased risk of default in order to exercise any of its remedies with respect to an Event of Default under this section U.

V. EVENTS OF DEFAULT. The occurrence of any one or more of the following shall constitute an Event of Default under this Instrument:

V.1. any failure by Borrower to pay or deposit when due any amount required by the Note, this Instrument or any other Loan Document;

V.2. any failure by Borrower to maintain the insurance coverage required by section S above or to provide any financial information or documents required by section N above;

V.3. [Intentionally Omitted];

V.4. fraud or material misrepresentation or material omission by Borrower, any of its officers, directors, trustees, general partners or managers or any Guarantor in connection with (i) the application for or creation of the Indebtedness, (ii) any financial statement, rent roll, or other report or information provided to Lender during the term of the Indebtedness, or (iii) any request for Lender's consent to any proposed action, including a request for disbursement of funds under any Collateral Agreement;

V.5. any event or condition that under the terms of this Instrument is specifically stated to constitute an Event of Default, including, without limitation, any Event of Default under section U above;

V.6. the commencement of a forfeiture action or proceeding, whether civil or criminal, which, in Lender's reasonable judgment, could result in a forfeiture of the Mortgaged Property or otherwise materially impair the lien created by this Instrument or Lender's interest in the Mortgaged Property;

V.7. any failure by Borrower to perform any of its obligations under this Instrument (other than those specified in sections V.1 through V.6 above) as and when required, which continues for a period of 30 days after notice of such failure by Lender to Borrower. However, no such notice or grace period shall apply in the case of any such failure which could, in Lender's judgment, absent immediate exercise by Lender of a right or remedy under this Instrument, result in harm to Lender, impairment of the Note or this Instrument or any other security given under any other Loan Document;

V.8. any failure by Borrower or any Guarantor to perform any of its obligations as and when required under any Loan Document other than this Instrument which continues beyond the applicable cure period, if any, specified in that Loan Document;

V.9. any event or condition occurs that results in any other indebtedness (i.e. indebtedness other than the Indebtedness secured by this Instrument) owing by Borrower or any Borrower Affiliate (as defined below) to Lender becoming due prior to its scheduled maturity or that enables or permits (after the lapse of any applicable cure period) Lender or any trustee or agent on its behalf to cause such indebtedness to become due prior to its scheduled maturity ("**Borrower Affiliate**" means (i) any entity owned or controlled by Borrower, (ii) any entity commonly owned or controlled by the members or owners of Borrower, (iii) any Guarantor and (iv) any entity owned or controlled by one or more Guarantors);

V.10. any exercise by the holder of any debt instrument secured by a mortgage, deed of trust or deed to secure debt on the Mortgaged Property of a right to declare all amounts due under that debt instrument immediately due and payable;

V.11. should any statement of fact contained in this Instrument, the Borrower Certificate, any other Loan Document, or any other document submitted by Borrower to Lender be or become false or misleading in any material respect;

V.12. if the Mortgaged Property is subject to any covenants, conditions and/or restrictions, land use restriction agreements or similar agreements, Borrower fails to perform any of its obligations under any such agreement as and when required, and such failure continues beyond any applicable cure period;

V.13. Borrower or any Guarantor makes a general assignment for the benefit of creditors, voluntarily files for bankruptcy protection under the Bankruptcy Code or voluntarily becomes subject to any reorganization, receivership, insolvency proceeding or other similar proceeding pursuant to any other federal or state law affecting debtor and creditor rights, or an involuntary case is commenced against Borrower or any Guarantor by any creditor (other than Lender) of Borrower or any Guarantor pursuant to the Bankruptcy Code or other federal or state law

affecting debtor and creditor rights to which Borrower or any Guarantor voluntarily becomes subject, and is not dismissed or discharged within 60 days after filing; and

V.14. Borrower, any member, manager, officer, shareholder, general partner or trustee of Borrower, any Guarantor or any member, manager, officer, shareholder, general partner or trustee of any Guarantor, purports to revoke or dispute the validity of, or Borrower's or any Guarantor's liability under, any of the Loan Documents or any Guaranty.

W. REMEDIES CUMULATIVE. Each right and remedy provided in this Instrument is distinct from all other rights or remedies under this Instrument or any other Loan Document or afforded by applicable law, and each shall be cumulative and may be exercised concurrently, independently, or successively, in any order.

X. FORBEARANCE.

X.1. Lender may (but shall not be obligated to) agree with Borrower, from time to time, and without giving notice to, or obtaining the consent of, or having any effect upon the obligations of, any Guarantor or any other third party obligor, to take any of the following actions: extend the time for payment of all or any part of the Indebtedness; reduce the payments due under this Instrument, the Note, or any other Loan Document; release anyone liable for the payment of any amounts under this Instrument, the Note, or any other Loan Document; accept a renewal of the Note; modify the terms and time of payment of the Indebtedness; join in any extension or subordination agreement; release any Mortgaged Property; take or release other or additional security; modify the rate of interest or period of amortization of the Note or change the amount of the monthly installments payable under the Note; and otherwise modify this Instrument, the Note, or any other Loan Document.

X.2. Any forbearance by Lender in exercising any right or remedy under the Note, this Instrument, or any other Loan Document or otherwise afforded by applicable law, shall not be a waiver of or preclude the exercise of any right or remedy. The acceptance by Lender of payment of all or any part of the Indebtedness after the due date of such payment, or in an amount which is less than the required payment, shall not be a waiver of Lender's right to require prompt payment when due of all other payments on account of the Indebtedness or to exercise any remedies for any failure to make prompt payment. Enforcement by Lender of any security for the Indebtedness shall not constitute an election by Lender of remedies so as to preclude the exercise of any other right available to Lender. Lender's receipt of any awards or proceeds under sections S and T above shall not operate to cure or waive any Event of Default.

Y. LOAN CHARGES. If any applicable law limiting the amount of interest or other charges permitted to be collected from Borrower is interpreted so that any charge provided for in any Loan Document, whether considered separately or together with other charges levied in connection with any other Loan Document, violates that law, and Borrower is entitled to the benefit of that law, that charge is hereby reduced to the extent necessary to eliminate that violation. The amounts, if any, previously paid to Lender in excess of the permitted amounts shall be applied by Lender to reduce the principal of the Indebtedness. For the purpose of determining whether any applicable law limiting the amount of interest or other charges permitted to be collected from Borrower has been violated, all Indebtedness which constitutes interest, as well as all other charges levied in connection with the Indebtedness which constitute interest, shall be deemed to be allocated and spread over the stated term of the Note. Unless otherwise required by applicable law, such allocation and spreading shall be effected in such a manner that the rate of interest so computed is uniform throughout the stated term of the Note.

Z. WAIVER OF STATUTE OF LIMITATIONS, OFFSETS, AND COUNTERCLAIMS. Borrower hereby waives the right to assert any statute of limitations as a bar to the enforcement of the lien of this Instrument or to any action brought to enforce any Loan Document. Borrower hereby waives the right to assert a counterclaim, other than a compulsory counterclaim, in any action or proceeding brought against it by Lender or otherwise to offset any obligations to make the payments required by the Loan Documents. No failure by Lender to perform any of its obligations under this

Instrument will be a valid defense to, or result in any offset against, any payments that Borrower is obligated to make under any of the Loan Documents.

AA. WAIVER OF MARSHALING. Notwithstanding the existence of any other security interests in the Mortgaged Property held by Lender or by any other party, Lender shall have the right to determine the order in which any or all of the Mortgaged Property shall be subjected to the remedies provided in this Instrument, the Note, any other Loan Document or applicable law. Lender shall have the right to determine the order in which any or all portions of the Indebtedness are satisfied from the proceeds realized upon the exercise of such remedies. Borrower and any party who now or in the future acquires a security interest in the Mortgaged Property and who has actual or constructive notice of this Instrument waives any and all right to require the marshaling of assets or to require that any of the Mortgaged Property be sold in the inverse order of alienation or that any of the Mortgaged Property be sold in parcels or as an entirety in connection with the exercise of any of the remedies permitted by applicable law or provided in this Instrument.

BB. FURTHER ASSURANCES. Borrower shall execute, acknowledge, and deliver, at its sole cost and expense, all further acts, deeds, conveyances, assignments, estoppel certificates, financing statements, transfers and assurances as Lender may require from time to time in order to better assure, grant, and convey to Lender the rights intended to be granted, now or in the future, to Lender under this Instrument and the Loan Documents.

CC. ESTOPPEL CERTIFICATE. Within ten (10) days after a request from Lender, Borrower shall deliver to Lender a written statement, signed and acknowledged by Borrower, certifying to Lender or any Person designated by Lender, as of the date of such statement, (1) that the Loan Documents are unmodified and in full force and effect (or, if there have been modifications, that the Loan Documents are in full force and effect as modified and setting forth such modifications); (2) the unpaid principal balance of the Note; (3) the date to which interest under the Note has been paid; (4) that Borrower is not in default in paying the Indebtedness or in performing or observing any of the covenants or agreements contained in this Instrument or any of the other Loan Documents (or, if Borrower is in default, describing such default in reasonable detail); (5) whether or not there are then existing any setoffs or defenses known to Borrower against the enforcement of any right or remedy of Lender under the Loan Documents; and (6) any additional facts requested by Lender.

DD. GOVERNING LAW; CONSENT TO JURISDICTION AND VENUE.

DD.1. This Instrument, and any Loan Document which does not itself expressly identify the law that is to apply to it, shall be governed by the laws of the jurisdiction in which the Land is located (the "Property Jurisdiction").

DD.2. Borrower agrees that any controversy arising under or in relation to the Note, this Instrument, or any other Loan Document may be litigated in the Property Jurisdiction. The state and federal courts and authorities with jurisdiction in the Property Jurisdiction shall have non-exclusive jurisdiction over all controversies which shall arise under or in relation to the Note, any security for the Indebtedness, or any other Loan Document. Borrower irrevocably consents to service, jurisdiction, and venue of such courts for any such litigation and waives any other venue or defense to venue to which it might be entitled by virtue of domicile, habitual residence, inconvenient forum or otherwise.

EE. NOTICE.

EE.1. All notices, demands and other communications ("notice") under or concerning this Instrument shall be in writing. Each notice shall be addressed to the intended recipient at its address set forth in Recital I of this Instrument, and shall be deemed given on the earliest to occur of (a) the date when the notice is received by the addressee; (b) the first Business Day after the notice is delivered to a recognized overnight courier service, with arrangements made for payment of charges for next Business Day delivery; or (c) the third Business Day after the notice is deposited in the United States mail with postage prepaid, certified mail, return receipt requested. As used in this section EE, the term "Business Day" means any day other than a Saturday, a Sunday or any other day on which

Lender is not open for business. Borrower acknowledges that any notice Borrower provides to Lender must also be provided to MERS until MERS' nominee interest is terminated. Any notice provided by Borrower in connection with this Instrument will not be deemed to have been given to MERS until actually received by MERS.

EE.2. Any party to this Instrument may change the address to which notices intended for it are to be directed by means of notice given to the other party in accordance with this section EE. Each party agrees that it will not refuse or reject delivery of any notice given in accordance with this section EE, that it will acknowledge, in writing, the receipt of any notice upon request by the other party and that any notice rejected or refused by it shall be deemed for purposes of this section EE to have been received by the rejecting party on the date so refused or rejected, as conclusively established by the records of the U.S. Postal Service or the courier service.

EE.3. Any notice under the Note and any other Loan Document which does not specify how notices are to be given shall be given in accordance with this section EE.

FF. SALE OF NOTE; CHANGE IN SERVICER; LOAN SERVICING. The Note or a partial interest in the Note (together with this Instrument and the other Loan Documents) may be sold one or more times without prior notice to Borrower. A sale may result in a change of the Loan Servicer. There also may be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given notice of the change. All actions regarding the servicing of the Loan, including the collection of payments, the giving and receipt of notice, inspections of the Mortgaged Property, inspections of books and records, and the granting of consents and approvals, may be taken by the Loan Servicer unless Borrower receives notice to the contrary. If Borrower receives conflicting notices regarding the identity of the Loan Servicer or any other subject, any such notice from Lender shall govern.

GG. [INTENTIONALLY OMITTED]

HH. SUCCESSORS AND ASSIGNS BOUND. This Instrument shall bind, and the rights granted by this Instrument shall inure to, the respective successors and assigns of Lender and Borrower. However, a Transfer not permitted by section U shall constitute an Event of Default.

II. JOINT AND SEVERAL LIABILITY. If more than one Person signs this Instrument as Borrower, the obligations of such Persons under this Instrument, the Note and other Loan Documents shall be joint and several. Each Person comprising Borrower agrees, and shall be estopped to deny, that (1) each Borrower is jointly and severally liable for all obligations of Borrower under the Loan Documents and not merely for an allocated portion thereof, and (2) this Instrument is intended to grant to Lender a mortgage lien and security interest in and to the entire Mortgaged Property and the proceeds thereof, and not merely a lien and security interest in and to a tenant-in-common or other co-tenancy interest.

JJ. RELATIONSHIP OF PARTIES; NO THIRD PARTY BENEFICIARY.

JJ.1. The relationship between Lender and Borrower shall be solely that of creditor and debtor, respectively, and nothing contained in this Instrument shall create any other relationship between Lender and Borrower.

JJ.2. No creditor of any party to this Instrument and no other Person shall be a third party beneficiary of this Instrument or any other Loan Document. Without limiting the generality of the preceding sentence, (a) any arrangement (a "**Servicing Arrangement**") between Lender and any Loan Servicer for loss sharing or interim advancement of funds shall constitute a contractual obligation of such Loan Servicer that is independent of the obligation of Borrower for the payment of the Indebtedness, (b) Borrower shall not be a third party beneficiary of any Servicing Arrangement, and (c) no payment by the Loan Servicer under any Servicing Arrangement will reduce the amount of the Indebtedness.

KK. SEVERABILITY; ENTIRE AGREEMENT; AMENDMENTS. The parties intend that the provisions of this Instrument and all other Loan Documents shall be legally severable. If any term or provision of this Instrument, or any other

Loan Document, to any extent, be determined by a court of competent jurisdiction to be invalid or unenforceable, the remainder of this Instrument or of such other Loan Document shall not be affected thereby, and each term and provision shall be valid and be enforceable to the fullest extent permitted by law. This Instrument contains the entire agreement among the parties as to the rights granted and the obligations assumed in this Instrument. This Instrument may not be amended or modified except by a writing signed by the party against whom enforcement is sought.

LL. CONSTRUCTION. The captions and headings of the Sections of this Instrument are for convenience only and shall be disregarded in construing this Instrument. Any reference in this Instrument to an "Exhibit" or a "Section" shall, unless otherwise explicitly provided, be construed as referring, respectively, to an Exhibit attached to this Instrument or to a Section of this Instrument. All Exhibits attached to or referred to in this Instrument are incorporated by reference into this Instrument. Any reference in this Instrument to a statute or regulation shall be construed as referring to that statute or regulation as amended from time to time. Use of the singular in this Instrument includes the plural and use of the plural includes the singular. As used in this Instrument, the term "including" means "including, but not limited to" and the term "includes" means "includes without limitation." The use of one gender includes the other gender, as the context may require. Unless the context requires otherwise, (1) any definition of or reference to any agreement, instrument or other document in this Instrument shall be construed as referring to such agreement, instrument or other document as from time to time amended, supplemented or otherwise modified (subject to any restrictions on such amendments, supplements or modifications set forth in this Instrument or any other Loan Document), and (2) any reference in this Instrument to any Person shall be construed to include such Person's successors and assigns.

MM. DISCLOSURE OF INFORMATION. Lender may furnish information regarding Borrower or the Mortgaged Property to third parties with an existing or prospective interest in the servicing, enforcement, evaluation, performance, purchase or securitization of the Indebtedness, including but not limited to trustees, master servicers, special servicers, rating agencies, and organizations maintaining databases on the underwriting and performance of similar mortgage loans, as well as governmental regulatory agencies having regulatory authority over Lender. Borrower irrevocably waives any and all rights it may have under applicable law to prohibit such disclosure, including but not limited to any right of privacy.

NN. NO CHANGE IN FACTS OR CIRCUMSTANCES. All information in the application for the loan submitted to Lender (the "Loan Application") and in all financial statements, rent rolls, reports, certificates and other documents submitted in connection with the Loan Application are complete and accurate in all material respects. There has been no material adverse change in any fact or circumstance that would make any such information incomplete or inaccurate.

OO. SUBROGATION. If, and to the extent that, the proceeds of the Loan, or subsequent advances under section L above, are used to pay, satisfy or discharge a Prior Lien, such Loan proceeds or advances shall be deemed to have been advanced by Lender at Borrower's request, and Lender shall automatically, and without further action on its part, be subrogated to the rights, including lien priority, of the owner or holder of the obligation secured by the Prior Lien, whether or not the Prior Lien is released.

PP. BUSINESS PURPOSE. Borrower acknowledges and agrees that the Loan is for business purposes and not for personal, family or household purposes.

QQ. ACCELERATION; REMEDIES.

QQ.1. At any time during the existence of an Event of Default, Lender, at Lender's option, may declare the Indebtedness to be immediately due and payable without further demand, and may invoke the power of sale and any one or more other remedies permitted by applicable law or provided in this Instrument or in any other Loan Document. Borrower acknowledges that the power of sale granted in this Instrument may be exercised by Lender

without prior judicial hearing. Lender shall be entitled to collect all costs and expenses incurred in pursuing such remedies, including Attorneys' Fees and Costs, and costs of documentary evidence, abstracts and title reports.

QQ.2. If Lender invokes the power of sale, Lender shall mail a copy of a notice of sale to Borrower in the manner provided in section EE above. Lender shall give notice by publication once a week for three consecutive weeks of the time, place and terms of such sale, together with a description of the Mortgaged Property to be sold, in a newspaper published in the county or counties in which the Land to be sold is located, and thereupon shall sell the Mortgaged Property (or such part or parts thereof as the Lender may from time to time elect to sell) to the highest bidder at public auction at the front door of the County Courthouse of the county in which the Land to be sold, or a substantial and material part thereof is located. The sale will be held between the hours of 11:00 a.m. and 4:00 p.m. on the day designated for the exercise of the power of sale hereunder. Lender may sell the Mortgaged Property in one or more parcels and in such order as Lender may determine. Lender may postpone sale of all or any parcel of the Mortgaged Property by public announcement at the time and place of any previously scheduled sale and by re-publication of notice announcing the new sale date. Lender or Lender's designee may purchase the Mortgaged Property at any sale.

QQ.3. Lender shall deliver to the purchaser Lender's deed conveying the Mortgaged Property so sold without any covenant or warranty, express or implied. The recitals in Lender's deed shall be prima facie evidence of the truth of the statements made in those recitals. Borrower covenants and agrees that the proceeds of any sale shall be applied in the following order or as otherwise prescribed by law: (a) to all costs and expenses of the sale, including Attorneys' Fees and Costs; (b) to the Indebtedness in such order as Lender, in Lender's discretion, directs; and (c) the excess, if any, to the Person or Persons legally entitled to it, after deducting therefrom the costs of ascertaining their identity.

RR. FIXTURE FILING. This Instrument is also a fixture filing under the Uniform Commercial Code of Alabama.

SS. DEFEASANCE. Upon payment of the Indebtedness, this Instrument shall become null and void upon the filing by the Lender of a written instrument of termination. Borrower shall pay Lender's reasonable costs incurred in releasing this Instrument.

TT. WAIVER OF EXEMPTIONS. Borrower waives all rights of exemptions as to personal property. If Borrower is an individual, Borrower states that the Mortgaged Property is not the homestead of Borrower or Borrower's spouse.

UU. INTERPRETATION. It is the intention of Borrower and Lender that if any provision of this Instrument or any other Loan Document is capable of two (2) constructions, one of which would render the provision void, and the other of which would render the provision valid, then the provision shall have the meaning which renders it valid. Borrower acknowledges that Lender has attempted in good faith to assure that this Instrument, the Note and all other Loan Documents are in compliance with applicable laws of the Property Jurisdiction and federal laws. Nevertheless, in the event that any provision of this Instrument, the Note or any other Loan Document is not in compliance with any such laws, then the non-complying provision shall be deemed to be deleted or modified to the extent necessary to assure legal compliance. Similarly, in the event any language or disclosure required by applicable laws of the Property Jurisdiction is not contained in the Loan Documents, then the Loan Documents shall be deemed to have been supplemented to add such language or disclosure, or, at Lender's option, Lender may provide such additional language or disclosure. In either event, such legal requirement shall thereby be satisfied and such noncompliance shall be deemed to have been cured for all purposes. Within ten (10) days after written request by Lender, Borrower agrees to execute such documentation as Lender may require to cure any legal compliance issues or deficiencies in the Loan Documents.

VV. FUTURE ADVANCES. In addition to the Indebtedness, this Instrument shall (to the extent allowed by applicable law) also secure payment of the principal, interest and other charges due on all other future loans or advances made by Lender to Borrower (or any successor in interest to Borrower as the owner of all or any part of the Mortgaged

Property) when the promissory note evidencing such loan or advance specifically states that it is secured by this Instrument ("Future Advances"), including all extensions, renewals and modifications of any such Future Advances.

WW. AGREEMENT TO PROVIDE ADDITIONAL DOCUMENTS. Borrower agrees to execute and acknowledge such additional documents as may be necessary or desirable in order to carry out the intent and purpose of this Instrument and the other Loan Documents, to confirm or establish the lien hereof, or to correct any clerical errors or legal deficiencies. Without limiting the foregoing, Borrower agrees to execute a replacement Note in the event the Note is lost or destroyed and to execute an amended or corrected and restated substitute Note to correct any clerical or other errors which may be discovered in the original Note. Failure of Borrower to comply with any request by Lender pursuant to this section or under section BB above within ten (10) days after written request by Lender shall constitute an Event of Default.

XX. EXECUTION IN COUNTERPARTS. This Instrument may be executed in multiple counterparts, and the separate signature pages and notary acknowledgments may then be combined into a single original document for recordation.

YY. MERS PROVISIONS.

YY.1. NOMINEE OF CAPACITY OF MERS. MERS serves as mortgagee of record and secured party solely as nominee, in an administrative capacity, for Lender and its successors and assigns and only holds legal title to the interests granted, assigned, and transferred herein. All payments or deposits with respect to the Indebtedness shall be made to Lender, all advances under the Loan Documents shall be made by Lender, and all consents, approvals, or other determinations required or permitted of Lender herein shall be made by Lender. MERS shall at all times comply with the instructions of Lender and its successors and assigns. If necessary to comply with law or custom, MERS (for the benefit of Lender and its successors and assigns) may be directed by Lender to exercise any or all of those interests, including without limitation, the right to foreclose and sell the Mortgaged Property, and take any action required of Lender, including without limitation, a release, discharge or reconveyance of this Instrument. Subject to the foregoing, all references herein to "Lender" shall include Lender and its successors and assigns.

YY.2. RELATIONSHIP. The relationship of Borrower and Lender under this Instrument and the other Loan Documents is, and shall at all times remain, solely that of borrower and lender (the role of MERS hereunder being solely that of nominee as set forth in subsection (a) above and not that of a lender); and Mortgagee neither undertakes nor assumes any responsibility or duty to Borrower or to any third party with respect to the Mortgaged Property. Notwithstanding any other provisions of this Instrument and the other Loan Documents: (i) Mortgagee is not, and shall not be construed to be, a partner, joint venturer, member, alter ego, manager, controlling person or other business associate or participant of any kind of Borrower, and Mortgagee does not intend to ever assume such status; and (ii) Mortgagee shall not be deemed responsible for or a participant in any acts, omissions or decisions of Borrower.

YY.3. NO LIABILITY. Mortgagee shall not be directly or indirectly liable or responsible for any loss, claim, cause of action, liability, indebtedness, damage or injury of any kind or character to any person or property arising from any construction on, or occupancy or use of the Mortgaged Property, whether caused by or arising from: (i) any defect in any building, structure, grading, fill, landscaping or other improvements thereon or in any on-site or off-site improvement or other facility therein or thereon; (ii) any act or omission of Borrower or any of Borrower's agents, employees, independent contractors, licensees or invitees; (iii) any accident in or on the Mortgaged Property or any fire, flood or other casualty or hazard thereon; (iv) the failure of Borrower or any of Borrower's licensees, employees, invitees, agents, independent contractors or other representatives to maintain the Mortgaged Property in a safe condition; or (v) any nuisance made or suffered on any part of the Mortgaged Property.

ZZ. NON-OWNER OCCUPIED PROPERTY. Throughout the term of the Loan, Borrower shall not occupy any portion of the Mortgaged Property in any manner. If Borrower is an entity other than a natural person, any persons with a

direct or indirect ownership interest in Borrower shall not occupy any portion of the Mortgaged Property in any manner throughout the term of the Loan.

AAA. DOCUMENT IMAGING. Lender shall be entitled, in its sole discretion, to image or make copies of all or any selection of the agreements, instruments, documents, items and records governing, arising from or relating to any of Borrower's loans, including, without limitation, this Instrument and the other Loan Documents, and Lender may destroy or archive the paper originals. Borrower waives (1) any right to insist or require that Lender produce paper originals, (2) agrees that such images shall be accorded the same force and effect as the paper originals, (3) agrees that Lender is entitled to use such images in lieu of destroyed or archived originals for any purpose, including as admissible evidence in any demand, presentment or other proceedings, and (4) further agrees that any executed facsimile (faxed), scanned, or other imaged copy of this Instrument or any other Loan Document shall be deemed to be of the same force and effect as the original manually executed document.

BBB. WAIVER OF TRIAL BY JURY. BORROWER, MERS AND LENDER EACH (A) COVENANTS AND AGREES NOT TO ELECT A TRIAL BY JURY WITH RESPECT TO ANY ISSUE ARISING OUT OF THIS INSTRUMENT OR THE RELATIONSHIP BETWEEN THE PARTIES AS BORROWER, MERS AND LENDER THAT IS TRIABLE OF RIGHT BY A JURY AND (B) WAIVES ANY RIGHT TO TRIAL BY JURY WITH RESPECT TO SUCH ISSUE TO THE EXTENT THAT ANY SUCH RIGHT EXISTS NOW OR IN THE FUTURE. THIS WAIVER OF RIGHT TO TRIAL BY JURY IS SEPARATELY GIVEN BY EACH PARTY, KNOWINGLY AND VOLUNTARILY WITH THE BENEFIT OF COMPETENT LEGAL COUNSEL.

CONSENT TO ONE FURTHER ENCUMBRANCE SHALL NOT BE DEEMED TO BE A WAIVER OF THE RIGHT TO REQUIRE SUCH CONSENT TO FUTURE OR SUCCESSIVE ENCUMBRANCES.

PLANNED UNIT DEVELOPMENT RIDER

THIS PLANNED UNIT DEVELOPMENT RIDER is dated as of **July 12, 2021**, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Assignment of Rents and Security Agreement (the "**Mortgage**") of the same date, given by the undersigned (the "**Borrower**") to secure Borrower's Promissory Note (the "**Note**") to **ATHAS CAPITAL GROUP, INC., a California corporation** (the "**Lender**"), of the same date and covering that certain real property described in the Mortgage and located at: **417 Polo Trace, Chelsea, AL 35043** (the "**Mortgaged Property**"). The Mortgaged Property includes, but is not limited to, a parcel of land improved with a dwelling, together with other such parcels and certain common areas and facilities, as described in a declaration or other document establishing a planned unit development and related covenants, conditions and restrictions affecting the Mortgaged Property (the "**Declaration**"). The Mortgaged Property is a part of a planned unit development known as **POLO CROSSINGS** (the "**PUD**"). The Mortgaged Property also includes Borrower's interest in the homeowners association or equivalent entity owning or managing the common areas and facilities of the PUD (the "**Owners Association**") and the uses, benefits and proceeds of Borrower's interest.

PUD COVENANTS. In addition to the covenants and agreements made in the Mortgage, Borrower and Lender further covenant and agree as follows:

A. **PUD Obligations.** Borrower shall perform all of Borrower's obligations under the PUD's Constituent Documents. The "Constituent Documents" are the: (1) Declaration; (2) articles of incorporation, trust instrument or any equivalent document which creates the Owners Association; and (3) any by-laws or other rules or regulations of the Owners Association. Borrower shall promptly pay, when due, all dues and assessments imposed pursuant to the Constituent Documents.

B. **Property Insurance.** So long as the Owners Association maintains, with a generally accepted insurance carrier, a "master" or "blanket" policy insuring the Mortgaged Property which is satisfactory to Lender and which provides insurance coverage in the amounts (including deductible levels), for the periods, and against loss by fire, hazards included within the term "extended coverage," and any other hazards, including, but not limited to, earthquakes and floods, for which Lender requires insurance, then: (1) Lender waives the provision in section G for the Imposition Deposits to Lender of the yearly premium installments for property insurance on the Mortgaged Property; and (2) Borrower's obligation under section S to maintain property insurance coverage on the Mortgaged Property is deemed satisfied to the extent that the required coverage is provided by the Owners Association policy. What Lender requires as a condition of this waiver can change during the term of the loan. Borrower shall give Lender prompt notice of any lapse in required property insurance coverage provided by the master or blanket policy. In the event of a distribution of property insurance proceeds in lieu of restoration or repair following a loss to the Mortgaged Property, or to common areas and facilities of the PUD, any proceeds payable to Borrower are hereby assigned and shall be paid to Lender. Lender shall apply the proceeds to the sums secured by the Mortgage, whether or not then due, with the excess, if any, paid to Borrower.

C. **Public Liability Insurance.** Borrower shall take such actions as may be reasonable to insure that the Owners Association maintains a public liability insurance policy acceptable in form, amount, and extent of coverage to Lender.

D. **Condemnation.** The proceeds of any award or claim for damages, direct or consequential, payable to Borrower in connection with any condemnation or other taking of all or any part of the Mortgaged Property or the common areas and facilities of the PUD, or for any conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender. Such proceeds shall be applied by Lender to the sums secured by the Mortgage as provided in section T.

E. **Lender's Prior Consent.** Borrower shall not, except after notice to Lender and with Lender's prior written consent, either partition or subdivide the Mortgaged Property or consent to: (1) the abandonment or termination of the PUD, except for abandonment or termination required by law in the case of substantial destruction by fire or

other casualty or in the case of a taking by condemnation or eminent domain; (2) any amendment to any provision of the "Constituent Documents" if the provision is for the express benefit of Lender; (3) termination of professional management and assumption of self-management of the Owners Association; or (4) any action which would have the effect of rendering the public liability insurance coverage maintained by the Owners Association unacceptable to Lender.

F. **Remedies.** If Borrower does not pay PUD dues and assessments when due, then Lender may pay them. Any amounts disbursed by Lender under this paragraph F shall become additional debt of Borrower secured by the Mortgage. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Planned Unit Development Rider.
