Footnote "A": The FCPA requires that cash contributions made to a candidate from a single source of more than \$100 be itemized. However, a candidate may elect to itemize contributions from contributors that have not met this threshold. This contributor has not contributions exceeding \$100, however the candidate has elected to include their name in the itemized list for transparency and accountability. If additional subsequent donations from the same contributor bring the total contributed to this campaign to more than \$100, the contributor's address will be listed in subsequent campaign finance reports once the contribution threshold is met.
