JUDGE OF PROBATE

**LAST WILL AND TESTAMENT
OF
SPENCER COLLINS**

**STATE OF ALABAMA)
JEFFERSON COUNTY)**

I, SPENCER COLLINS, a resident of the State of Alabama, Jefferson County, being of sound mind and disposing memory, do hereby make, publish and declare this instrument as and for my Last Will and Testament and hereby expressly revoke any and all Wills, Codicils and other testamentary dispositions heretofore made by me.

**ITEM I
DEBTS**

I direct that all my debts and funeral expenses be paid as soon after my death as may be practicable. In the event there is any indebtedness owing by me, whether secured or unsecured, which has not matured at the time of my death, I authorize my Executor to pay such indebtedness either in full or according to the terms and tenor of any instrument evidencing such indebtedness as my Executor may deem best advisable under the then existing circumstances. All estate, inheritance, and other death taxes (including interest and penalties, if any, but excluding any generation-skipping tax), together with the expenses of my last illness and all administration expenses including an appropriate marker for my grave, payable in any jurisdiction by reason of my death (including those taxes and expenses payable with respect to assets which do not pass under this Will) shall be paid out of and charged generally against the principal of my residuary estate. Any generation-skipping

20220324000119880

tax resulting from a transfer occurring under this Will shall be charged to the property constituting the transfer in the manner provided by applicable law.

ITEM II

RESIDUARY ESTATE

All of the rest, residue and remainder of my estate, of whatever kind and character and wheresoever situated, I hereby give, bequeath and devise to my wife, CARLENE COLLINS, absolutely. If my wife, CARLENE COLLINS, shall predecease me, I give, bequeath and devise my residuary estate to my brother, BILLY COLLINS, absolutely.

ITEM III

APPOINTMENT OF EXECUTOR

(a) I hereby nominate and appoint my wife, CARLENE COLLINS, as Executor of this my Last Will and Testament. In the event my wife, CARLENE COLLINS, shall fail to qualify, die, resign, become incompetent or otherwise fail or cease to serve as Executor, then and in any of such events, I hereby nominate and appoint BILLY COLLINS to serve as successor Executor hereunder.

(b) The Executor named herein or appointed hereunder shall not be required to give bond or to file an inventory or accounting in any court or render any report in court upon final settlement of his or her acts as Executor, although they shall make out and keep an inventory and maintain records of all transactions relating hereto and shall exhibit the same to any party in interest at any reasonable time.

ITEM IV

EXECUTOR POWERS

(a) Without limitation of the powers conferred by statute or general rules of law, my Executor shall have the following powers and authorities in addition to others now or hereafter conferred by law with respect to any property contained in my estate:

20220324000119880

- (1) To make joint investments for such shares; to make any division or distribution in kind or partly in kind and partly in money; and to determine the value of any property so allotted, divided or distributed;
- (2) To hold and continue to hold as an investment the property received hereunder, and any additional property which may be received by the Executor so long as the Executor deems proper, and to invest and reinvest in any securities or property, whether or not income producing, deemed by the Executor to be for the best interests of my estate, without being limited to trust or chancery investments or so-called "legal investments" provided by law, and notwithstanding that the same may constitute general or limited partnership interests, leaseholds, royalty interests, patents, interests in mines, oil or gas wells, or timber lands or other wasting assets, and without any responsibility for any depreciation or loss by or on account of such investments, and without regard for normal requirements of diversification;
- (3) To rent or lease any property of my estate for such time (including any lease for a period extending beyond the term of my estate) not exceeding Ninety-nine (99) years, and upon such terms and for such rental or price as in the Executor's discretion and judgment may seem just and proper and for the best interest of my estate;
- (4) To sell, transfer, assign and convey any of the property of my estate or any interest therein, in a public or private sale or transaction, for such price or prices and upon such terms and conditions as in the Executor's discretion and judgment may be deemed for the best interest of my estate and to execute and deliver any deeds or conveyances (with or without warranty), receipts, releases, contracts, or other instruments necessary in connection therewith;
- (5) To make all repairs and improvements at any time deemed necessary and proper to and upon real estate, which in the Executor's discretion and judgment may be deemed advisable and proper and for the best interests of my estate, and to determine the extent to which the cost of such repairs and improvements shall be apportioned as between principal and income;
- (6) To deduct, retain, expend, and pay out of any money belonging to the estate any and all necessary and proper expenses in connection with the operation and conduct of the estate, and to pay all taxes, insurance premiums, and other legal assessments, debts, claims, or charges which at any time may be due and owing by, or which may exist against, the estate;
- (7) To vote upon all securities belonging to the estate, and to become a party to any stockholders' agreements deemed advisable by the Executor in connection with such securities including securities of the Executor;
- (8) To consent to the reorganization, consolidation, merger, liquidation, readjustment of, or other change in any corporation, company or association, or to the sale, mortgage, or lease of the property thereof or any part thereof, any of the securities or other property of which may at the time be held by the Executor hereunder, and to do any act or exercise any power with reference thereto that may be legally exercised by any persons owning similar property in the Executor's own right, including the exercise of conversion, subscription, purchase, or other options, the deposit, surrender or exchange of securities, the entrance into voting trusts, and the making of agreements or subscriptions which the Executor may deem necessary or advisable in connection therewith, all without applying to any court for permission so to do, and to hold and redeem or sell or otherwise dispose of any securities or other property which the Executor may so acquire;

20220324000119880

(9) To vote any corporate securities held hereunder in person, or by special, limited or general proxy, with or without power of substitution, or to refrain from voting;

(10) To engage in business with the property of the estate as sole proprietor, or as a general or limited partner, with all the powers customarily exercised by an individual so engaged in business, and to hold an undivided interest in any property as tenant in common or as tenant in partnership;

(11) To cause any security or other property which may at any time constitute a portion of my estate to be issued, held or registered in the Executor's individual name or in the name of a nominee or in such form that title will pass by delivery;

(12) To appoint, employ, remove and compensate such attorneys, accountants, agents, investment advisors, investment managers, investment counselors, financial consultants and representatives, individual or corporate, which the Executor deems necessary to appoint and/or employ; any individuals or corporations so appointed and/or employed are to be compensated and such compensation is to be treated as an expense of administration;

(13) To institute and defend any and all suits or legal proceedings relating to my estate in any court, and to employ counsel and to compromise or submit to arbitration all matters of dispute in which the estate may be involved, as in the judgment of the Executor may be necessary or proper; to compromise, settle, arbitrate or defend any claim or demand in favor of or against my estate; to enforce any bonds, mortgages, security agreements, or other obligations or liens held hereunder; and to enter upon such contracts and agreements and to make such compromises or settlements of debts, claims, or controversies as the Executor may deem necessary or advisable;

(14) To foreclose mortgages and to bid on any property under foreclosure or to acquire mortgaged property in any other manner and for such consideration as the Executor may determine;

(15) To allocate all deductions for depletion under Federal and State income tax statutes, in each tax year, among a group consisting of the Executor and those persons to whom income of my estate may in such tax years have been distributed, in such shares and proportions as the Executor may determine, to the extent permissible under the applicable statute. In the absence of a valid allocation so made, such deductions for any tax year shall be divided among the members of such group in proportion to the amounts distributed to or retained by each during such tax year; and the Executor shall not be required to maintain any reserve for depletion despite any statute or rule of law to the contrary, but the Executor may do so at the Executor's discretion;

(16) To open and maintain one or more bank, custodian or other accounts in any bank or trust company (including the Executor hereunder), and to deposit to the credit of such account or accounts all of the funds belonging to the estate which may at the time be in the possession of the Executor; from time to time to withdraw a portion or all of said funds so deposited by check signed by the Executor, and any such bank or trust company is hereby authorized to pay such checks and also to receive the same for deposit, to the credit of any holder thereof who so signed or endorsed; to delegate to any one or more of the Executor's proper agents the right to sign checks against the aforementioned account or accounts for the purposes of my estate, and any bank or trust company in which said account or accounts are maintained is hereby authorized and directed to pay such checks, provided, however,

20220324000119880

that prior thereto such delegation is evidenced by an appropriate instrument in writing deposited with the said bank or trust company by the Executor;

(17) In any contract or agreement made by the Executor on behalf of my estate, to stipulate and provide against personal liability; all rights created under and by virtue of such contracts or agreements shall belong to the estate and the obligations thereunder shall be the obligations of the estate;

(18) To make, execute and deliver deeds, leases, mortgages, conveyances, options, receipts, releases, satisfactions and other quitclaims or disclaimers of liability, contracts, voting trusts, stock purchase agreements, buy-sell agreements, stock redemption agreements, or other instruments, sealed or unsealed, to any person or corporation with respect to the property of any of my estate, or with reference to any matter involved in the administration thereof, or for the accomplishment of any of the powers vested in the Executor, all of the foregoing upon such terms, provisions and conditions existing within or beyond the duration of my estate, as to the Executor shall seem reasonable; to create reserves for depreciation, depletion or such other purposes to the extent the Executor deems necessary or desirable;

(19) To incur and pay the ordinary and necessary expenses of administration, including (but not limited to accountants' fees, investment counsel fees, agents' fees, custodian fees and the like);

(20) Except as otherwise expressly provided in this instrument, to determine as the Executor may deem just and equitable the manner of ascertainment of income and principal and the apportionment between income and principal of all receipts and disbursements;

(21) To transfer the situs of the estate to such other place as in the Executor's opinion shall be for the best interests of the estate;

(22) To advance money to the estate for any purpose of the estate, and the Executor shall reimburse the Executor for the money so advanced with reasonable interest thereon from the estate or from any funds belonging thereto; and

(23) To do all other acts which in the Executor's judgment is necessary or desirable, for the proper and advantageous management, investment and distribution of my estate.

(b) No person or corporation dealing with the Executor shall be required to inquire into the terms of this instrument, nor shall any purchaser therefrom be required to see to the application of the purchase money.

(c) The powers herein granted to the Executor may be exercised in whole or in part, from time to time, and shall be deemed to be supplementary to and not exclusive of the general powers of executors pursuant to law, and shall include all powers necessary to carry the same into effect.

ITEM V

RESIGNATION OF EXECUTOR

(a) Any Executor may resign upon Sixty (60) days written notice to the successor to such Executor designated herein, or if no successor designated herein is available to serve, to the person entitled under this ITEM to appoint a successor to such Executor. No resignation by a sole Executor shall be effective until a successor Executor shall have accepted appointment and qualified to serve as Executor.

(b) In the event no successor Executor designated hereunder is available to serve, then the Executor wishing to resign may petition a court of competent jurisdiction for the appointment of a successor Executor and the judicial settlement of his or her account.

ITEM VI

STATUS OF SUCCESSOR FIDUCIARY

(a) Any successor fiduciary shall be vested with all the duties, rights, titles, powers (whether discretionary or otherwise) and exemptions as if originally named as Executor.

(b) No successor fiduciary shall be liable or responsible in any way for the actions or defaults of any predecessor fiduciary, nor have any loss or expense from or occasioned by anything done or neglected to be done by any predecessor fiduciary, but such successor fiduciary shall be liable only for its own actions and defaults in respect to property actually received as such fiduciary.

(c) Any successor fiduciary appointed hereunder may accept the account rendered and the assets and property delivered to it by the predecessor fiduciary as a full and complete discharge of the predecessor fiduciary, and shall incur no liability or responsibility to any beneficiary by reason of so doing, all without the necessity of any court proceedings or judicial supervision or approval, regardless of any beneficial, vested or contingent interests of any minors, incompetent beneficiaries, or unborn beneficiaries. Any superseded fiduciary shall, at the cost and expense of the estate, execute and deliver all conveyances and assignments, and do or cause to be done any and all acts and things as may be necessary to vest effectually in the remaining fiduciary, if any, and the successor fiduciary all of the rights, titles and interests of the superseded fiduciary hereunder, and to confirm

to such successor fiduciary the authority to act as such. Such action shall be taken by the superseded fiduciary within ninety (90) days after the receipt of the notice of such removal or the giving of notice of resignation.

ITEM VII

MISCELLANEOUS TAX PROVISIONS

My Executor is hereby authorized, to the extent permitted by law, to deduct administration expenses and commissions whether against the gross estate in computing the estate tax or against estate income in computing estate income tax, as my Executor, in his sole discretion, shall elect.
