Branch shall be responsible for the maintenance, repair and replacement of any Common Areas outside of the Outparcel and any associated landscaping, sidewalks and streetlights associated with the Common Areas; provided, however, that Owner shall reimburse Branch for such maintenance Four Hundred and No/100 Dollars (\$400.00) per month (the "CAM Contribution"). Any escalations of the CAM Contribution shall not exceed two (2%) percent in the aggregate over any one (1) year period.

4.2 General Maintenance.

(a) Owner shall be responsible for the maintenance, repair and replacement of the building and common areas located on the Outparcel and shall maintain all such improvements in a safe, clean, sightly, good, and functional first-class condition and state of repair. Without limiting the generality of the foregoing, Owner shall perform or cause to be performed the following specific items of maintenance and upkeep with respect to the areas located within the Outparcel:

(1) keeping and maintaining all paved surfaces in good order and repair and in a safe condition, patching, restriping, repairing and resurfacing such areas when appropriate;

(2) removing papers, debris, filth, refuse, ice and snow, and sweeping to the extent necessary to keep such areas in a first-class, clean, neat and orderly condition;

(4) operating, maintaining and repairing any lighting standards, including replacement of light bulbs; and

(5) keeping the drainage improvements and all storm water drainage lines and facilities on its property in good operating condition and state of repair and free of debris and other obstructions.

(b) If Owner fails to maintain or repair the Outparcel in a first-class condition, Branch will have self-help rights to maintain and repair the Outparcel as hereinafter provided in Section 6.7 hereof.

4.3 Construction Obligations.

(a) Owner shall diligently pursue completion of exterior construction of the improvements on the Outparcel within eight (8) months from commencement thereof. Owner shall be required to keep all construction materials and equipment on the Outparcel and shall have no right to store or place construction materials on other areas in the Shopping Center without Branch's prior written consent. In no event shall any construction work on the Outparcel occur between November 1 and December 31 of any calendar year (excluding any interior build-out work by Occupants). During construction, Owner shall use commercially reasonable efforts to minimize disruptions to other tenants' business within the Shopping Center.

(b) Branch hereby grants to Owner and the Occupants, for the benefit of the Outparcel, reasonable ingress and egress over, across and through the Shopping Center at all times for the construction of improvements on the Outparcel. Owner shall clean, as reasonably needed, any portion of the Common Areas used by its construction vehicles of mud, dirt and construction

debris resulting from the construction of improvements on the Outparcel, and upon completion of such construction activity, shall promptly restore any damage to the Common Areas as a result of the constructions of improvements on the Outparcel to a condition which is equal to or better than the condition which existed prior to such damage.

(c) Notwithstanding any provision herein to the contrary, if in the course of any construction activity on the Outparcel, including, but not limited to, activity to establish a utility hook-up to improvements constructed upon the Outparcel, any existing utility lines, drainage lines or facilities, streets, curbs or other improvements are damaged or, in the case of utility or drainage lines, blocked in any way, Owner shall, at its sole cost and expense, restore or repair such lines, facilities, streets, curbs or other improvements to a condition at least as good as existed prior to the damage or blockage, and shall pay any reasonable cost or expenses incurred by any person other than such Owner arising from or as a result of such damage or blockage.

(d) Prior to the commencement of any utility work within the Shopping Center, Owner shall provide to Branch the final construction plans (in substantial accordance with the previously approved plans) and a construction schedule for such work. The construction plans for the utility work shall have been approved prior to the date hereof, and Owner shall perform such work in substantial accordance with the approved plans. Owner acknowledges that it is imperative that access and traffic flow within the Shopping Center not be disrupted; therefore, except as set forth in the immediately following sentence, no work outside the boundaries of the Outparcel shall continue for more than 24 hours. Notwithstanding the foregoing or anything to the contrary herein, Branch acknowledges that certain work outside the boundaries of the Outparcel may continue for more than 24 hours (e.g., bringing utilities to the Outparcel, parking lot tie-in work), but in no event will utility work exceed more than seven (7) business days, and agrees that Owner may perform such work for periods in excess of 24 hours; provided, however, that (i) such work shall be completed as expeditiously as possible, (ii) Owner shall use commercially reasonable efforts to maintain at all times (A) traffic flow through all access drives in the Shopping Center, (B) availability of all parking spaces in the Shopping Center and (C) the areas outside the boundaries of the Outparcel in a neat and clean condition and, (iii) in the exercise of such work, Owner shall use commercially reasonable efforts to avoid and minimize any disruption or interference that materially and adversely affects access and traffic flow within the Shopping Center, (iv) Owner shall cover any ditching when not directly marked off and supervised and (v) no work shall be performed in the Utility Easement Area after 5:30 P.M. or on Saturdays, Sundays or Federal or State holidays. Any connections made to the existing utilities within the Shopping Center that may disrupt the utilities of other tenants in the Shopping Center must be performed prior to 8:00 a.m. or after 8:00 p.m., and in no event shall any roadways providing access to or within the Shopping Center be closed.

(e) Branch does hereby grant to Owner and the Occupants, for the benefit of the Outparcel, a temporary construction easement for modifying and tying into the existing parking lot and islands, in substantial accordance with construction plans approved by Branch prior to the date hereof, over, across, through and under the area labeled "Variable Width Temporary Grading and Construction Easement" as shown on **Exhibit D**, which temporary construction easement shall expire automatically upon the earlier of (a) completion of such parking lot work or (b) twelve (12) months after the commencement of construction on the Outparcel.
