The Grantee shall have free access, ingress and egress to and from said land over and across adjacent lands of Grantor(s) for the purposes herein mentioned, and the Grantor(s) shall erect no structures on the portion of the land above described within the width of said easement, or do any act or thing which would in any way interfere with, damage, place at risk or pose future risk or possible risk to the mains, pipes, or appurtenances installed or to be installed within the width of said easement or interfere with the right of the Grantee to enter upon said land at any time for the purposes heretofore expressed and to have immediate access to all mains, pipes, and appurtenances.

The Grantee shall also have the right to temporarily place dirt and materials on adjacent lands of the Grantor(s) for the purposes heretofore expressed. Any and all disturbed areas within said easement will be put back to match adjacent natural ground and a suitable grass mixture for the season shall be applied.

Grantee agrees to leave the property substantially as found upon commencement of construction on said easement but is not required to improve said property beyond its original state and condition, subject to grassing and grading as described herein. Grantor(s) covenant that they have good and merchantable title to said property and good right to convey this easement.

In consideration of the benefit of the property of the undersigned by reason of the construction of said improvement, the undersigned hereby release the Grantee, its agents, successors, and assigns, from all damages present or prospective to the property of the undersigned arising or resulting from the construction, maintenance and repair of said premises and repair of said water line and the undersigned do hereby admit and acknowledge that said improvement, if and when constructed, will be a benefit to the property of the undersigned.

IN WITNESS WHEREOF, the undersigned have hereunto set their hands and seals, all on this 29<sup>th</sup> day of August, 2022.
