AFFIDAVIT OF TRUTH AND ASSERTORY OATH – STATUS CHANGE

When in the Course of human Events, it becomes necessary for one People to dissolve the Political Bands which have connected them with another, and to assume, among the Powers of the Earth, the separate and equal Station to which the Laws of Nature and of Nature's God entitle them, a decent Respect to the Opinions of Mankind requires that they should declare the causes which impel them to the Separation. We hold these Truths to be self-evident, that all Men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty, and the Pursuit of Happiness—That to secure these Rights, Governments are instituted among Men, deriving their just Powers from the Consent of the Governed, that whenever any Form of Government becomes destructive of these Ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its Foundation on such Principles and organizing its Powers in such Form, as to them shall seem most likely to affect their Safety and Happiness.

Prudence, indeed, will dictate that Governments long-established should not be changed for light and transient Causes; and accordingly, all Experience hath shown, that Mankind is more disposed to suffer, while Evils are sufferable, than to right themselves by abolishing the Forms to which they are accustomed. But when a long Train of Abuses and Usurpations, pursuing invariably the same Object, evinces a Design to reduce them under absolute Despotism, it is their Right, it is their Duty, to throw off such Government, and to provide new Guards for their future Security. Such has been the patient sufferance of these Colonies; and such is now the Necessity which constrains them to alter their former Systems of Government. The History of the present (UNITED STATES Corp) is a history of

repeated Injuries and Usurpations, all having in direct Object the Establishment of an absolute Tyranny over these States. To prove this, let Facts be submitted to a candid World.

So here shall I, Stand...

This shall serve as notice to certify that I; A Living Soul, so called by my Father and Mother since born, Patrick Harland; of the genealogy of Sutton, was born 21st of December, 1971, in the Sovereign Republic Alabama State. I am not a Resident, Employee or Citizen of the UNITED STATES Government (Corporation), whose situs is Washington, the District of Columbia. I am a living man residing where God has placed me and allows me free travel to go, in a peaceful manner, any place I freely see fit. I am not bound by imaginary lines or repressive policies, mandates or laws repugnant to the Constitution, created by States Incorporated within the UNITED STATES Government (Corporation) My relationship to that Federal entity as far as jurisdiction is that of a non-resident alien to the Corporate United States Government. I am hereby known as an American State National, or direct descendant of my forefathers born in freedoms endowed upon me by God Himself, in the land of my fathers the United States for America, which entitles me as a living man recognized as a Lawful Bloodline American through my antecedents and I living as their heir, and to inherit my birthright and all privileges entitled to me by this right, to this great land which is to me by my rights given to me by God.

I am a free and natural man, described by the Lord God in Genesis 2:7 as **Living Soul**, living under God's law and his grace alone. I have assumed among the Powers of the Earth, granted by the Lord God Almighty, the Separate and Equal Station to which the Laws of Nature and Nature's God entitle me. Giving me dominion over all things. Therefore, in order to secure the Blessing of Liberty to my posterity and myself, to re-acquire my Birthright as "one" of a member of the Sovereign Social Body of "We the People," I hereby Asseverate, Repudiate and Revoke my Citizenship, if any ever existed, with the Legal fiction known as the "UNITED STATES" Government (Corporation), USA Inc, and any and all subsidiary corporations both known (STATE, COUNTY, CITY, etc.) and unknown under its control, whether known or unknown, created in the future, existing in the present or defunct from the past. You acquiesce that your oath to the Constitution of the United States binds you to requirements of this great document, the Constitution, even though you or your color of law corporate government entities operate in many ways repugnant to the Constitution. You are not allowed to separate and suppress and remove any living men and women from the very oath you swore to protect while operating outside the Constitution, and thereby violating your oath of office to uphold and protect the Constitution of the United States so help you God. As the Constitution is written for all in this Sovereign land, and bound by an oath to the Constitution, let it be known that all that take this oath are required to recognize my existence to live as a free man and travel, in peace, to travel in freedom without intimidation from your corporate entities masking as government through the color of law. Let it be known that no right to detain me for any reason is in force, stated upon and written by the very documents prepared and recognized by your corporate color of law entities, such as my American State National Passport, among others. Let it be known that that any color of law corporate government entities are powerless against any and all living men and women. You agree that only God has the ultimate power to create and control all aspects of the lives, including yours, and all aspects of his creation, all aspects of our God given rights and freedoms as read and understood in the Bible in Genesis and including all successive books of the Bible, which is the foundation of our lineage through our antecedents and or our present bloodline lineage. You recognize you are powerless if you are acting outside the bindings of the Constitution through your oath of office and working through corporate governance as a representative of a legal dead fiction color of law government entity. Let it be known that the only proper way to fulfill your oath of office is to operate through a Constitutional Republic setup by our Founding Fathers voted for Government

run by "We the People" and controlled by "We the People". Furthermore, our founding fathers made it clear in the Declaration of Independence that, "When in the Course of human events, it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume among the powers of the earth, the separate and equal station to which the Laws of Nature and of Nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation.

We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness.—That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed, —That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient causes; and accordingly, all experience hath shewn, that mankind are more disposed to suffer, while evils are sufferable, than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security.—Such has been the patient sufferance of these Colonies; and such is now the necessity which constrains them to alter their former Systems of Government. The history of the present King of Great Britain is a history of repeated injuries and usurpations, all having in direct object the establishment of an absolute Tyranny over these States. To prove this, let Facts be submitted to a candid world."

You must take note. Maxim of Law: No man can renounce the country in which he was born, nor abjure the obligation of his allegiance. Co. Litt. 129. Sed vide Allegiance; Expatriation; Naturalization. (The Nation State Republic is the country state in which you were born and it cannot be renounced, by anybody or anyone)

I further rescind any and all feudal contracts with that Federal government, its agencies and with the State of Alabama, STATE OF ALABAMA and its agencies all the way to the county, city and any local level. I have the right to use the Social Security number to operate in as such needed to my consent only and have the right to abolish it if I see fit, without recourse, as this Social Security number was fraudulently issued upon me by the government well before the age of 18, as such I was legally incompetent to enter into a legal contract with the government. The government by obfuscation of facts and misinformation led my parents/me to believe at that time that I was required to secure a Social Security Account number in order to gain employment, which is simply not true. The government agent who obligated me to the Social Security System knew or should have known that there are or could be one to exist with serious liabilities to anyone who accepted a Social Security Number. I renounce and rescind these obligations and any contract related to the Social Security number. That Agent had a fiduciary responsibility to inform my parents/me of the true nature of the Social Security Trust Account and the obligations and liabilities that the Trust involved. By the government's silence on the matter, the government established, by/through fraud, a Constructive Trust Agreement with me which must be vitiated. Since receiving that Account, I have through my religious instruction come to the belief that the Social Security number and/or Birth Number (CUSIP's) may be what is referred to in the Holy Bible, Book of Revelation 13:16-18 and 14:9-10, could very well be the mark of the beast or at the least its precursor in whole or in part. It is designed to tie me to Babylon and all the evils herein for the profit of others at my exploitation. For me to participate in that program and continue to use that number may place my eternal soul in jeopardy. Since this separation from my Holy Creator is the single greatest grievance a natural living man one could encounter, upon

entering into a relationship with their Holy Creator and Savior, be it known, if this is your intent, this I will not and cannot do.

The money which I have paid into that Socialist Security system for over my lifetime, including the monies paid by my employers' demand, is hereby made as demand for full reimbursement to me. I also now understand that my SS number or CUSIP was used, via fraud, while under the extreme duress of child birth, using my mother as an informant to give me up to the STATE without full and honest disclosure was bonded and insured since my birth. And at present those funds are being used by multiple Corporations including multiple Life Insurance Policies. I demand that those bonds and policies be redeemed for real monies and if any debts are proved against me those debts withheld as payment in full that I may be made whole and the balance paid to me in real money. Please note that US Postal Money Orders, gold or silver shall suffice since these are defined and recognized as real and tangible. Please collapse the CQV, I am the beneficiary. I am the living man and entitled to this CQV and the CQV of my since passed forefathers.

I do not wish, nor am I permitted by God, to make myself a ward of the State ever, as would be the case if I accepted the Social Security benefits. I demand the same treatment that was given to the people of the Philippines who were participants in the Social Security Trust and who choose Citizenship of the Philippines over that of the United States. As the Social Security program is not a feudal contract, in that Congress gave no property rights to a Social Security Trust Account, I demand the contract be voided and all monies returned, as would be the case for any fraudulent contract or Constructive Trust Agreement. The United States Government Corporation should not enrich itself from the Fruits of a Poisonous Tree.

I emphatically deny that I have ever filed for bankruptcy protection with any degree of complete understanding and honest full disclosure. Nor have I ever given my Power of Attorney to anyone or to the State of Alabama or any of the union states or territories of the UNITED STATES (Corporation) government for the purpose of instituting a bankruptcy action in my name with any degree whatsoever of complete understanding, full and honest disclosure or without great duress. Nor granting that my Labor and or my Property, including my Land among other things, of whatever kind, or wherever situated, be held as collateral in any bankruptcy proceeding of the State or Federal governments. Nor any scheme, using my labor and property as collateral, to support or fund a fiat money scheme of the Federal Reserve Bank, Inc. and/ or the State of Alabama and/or Federal UNITED STATES Government. I have found even real property has been stolen from me through fraud by agents of county on behalf of STATE. This should be Allodial to me under Land Patent and described in metes and bounds. Not in lot block tax#. I demand a return of any and all Property of whatever kind be returned to me at once. I demand a return in full for any and all property and monies taken from me through these means and that any future attempts be halted immediately. This is seen all the way through every structure of Corporate Governance from the Federal, State, County, City or neighborhood level or beyond be it known or unknown. Full disclosure must be given so I can provide my full and proper written consent in the future.

Some of my reasons for repudiating that Citizenship status are defined in the following Articles and by the totality of this document, are made a part hereof.

I have lived a productive and eventful life, now in anticipation of the end and God's mercy and grace. Undoubtedly the singularly most horrific moment of that life was the conviction to repudiate my Citizenship of the "UNITED STATES" Corporation Government. Those words, "REPUDIATE MY CITIZENSHIP," crushed the very soul within me. The memories of our brave young men, comrades in arms, who defended the Constitution, who never had a life, flood before me. They sacrificed all of their tomorrows so that I might have mine. Those memories will always remain with me and be

remembered with humble honor and gratitude. It is now understood that these wonderful men and women have laid down their lives for profit, and have been seen as nothing more than collateral damage to achieve the goals of thinning the heard and providing a perpetuation of wartime profiteering by some of the very people who send these brave men and women into battle. These brave men and women stand on the ideals of freedom through sacrifice for the country they so dearly love, and they believe they are defending the very nation they so dearly love, but are really there to drive the profits of the war machine with intent to perpetuate a state of war forever. They and others including all free and living men and women must be given full disclosure of these means and intents. I have discovered that my Nation has been hijacked by unscrupulous and nefarious means, by men and women who are known and unknown, working together around the world, through our Nations existence who conduct evil deeds for personal gain of wealth and to control power for themselves directly or indirectly through others they put in their stead, whom they control, while hiding in the shadows. These very bad actors have operated in the past and others still do today, including the heirs to these nefarious individuals, with fraudulent and deceptive structured systems repugnant of the Constitution, all the while taking an oath to defend the very Constitution they violate daily and frequently, and are not held to account because the very systems used to punish citizens are not applicable to them since they create and control these systems. One of many of the greatest frauds perpetuated upon "We the People" is seen by individuals in the past with, unclean hands, building corporate systems that are masked and named as Government entities, in some cases nearly going by the same or similar names, as to control their fraudulent and deceptive appearance of their validity, and controls are put in place and perpetuated by people they choose to put in place to run these corporate entities similarly to employees of all Corporate Government Entities and their respective subsidiaries. Furthermore, a structure is put in place to make "We the People" believe we are "voting" these civil servants to positions of power when we are doing no such thing. There is an obvious divide of equality in the way of life through these individuals as there is a system that is disproportionate due to money, power, influence, control, or simply what you believe and whose side you are on. We are all living men and women controlled by God and created equal in his eyes.

Our educational propaganda system is a repressive perversion on our children by and in that we are taught only what the fraud of government wants known and nothing more. We are forced to learn aspects of circulated curriculum that is destructive to our Nation and how God looks upon us and judges us as a Nation, when He is the ultimate judge. Our educational system has created a regressive system of basic knowledge and skills and has perpetuated an understanding of history for our youth through the eyes of the victors of wars and the propaganda needed to further a movement or ideal. It is not a place for our youth to expand their minds and grow and develop through their own understanding and knowledge they learn from given all facts, so they will have the ability and freedom to choose their own paths through full disclosure and full knowledge of their choices. Our elected officials have created a confusion of what is right and wrong and force upon us either slowly or immediately ideals to cause division and infighting so they may profit from such means. They repress large groups of people they have categorized as from a certain race and repress them. They teach them they are supporting their side only to further put policies in place that further repress people through inequality and beg for their votes when it comes time to be re-elected. This is seen from the local school board level all the way up the chain. We are not people of color and of different races, we are not segmental, we are all living men and women derived from a common ancestor. We are all members of humanity created by God and formed from the foundations of the earth. We are all one race of humans and living creatures given life by our creator. We are all unique, valuable and we are all to be loved and respected because God loved us first.

The awful knowledge and horror of betrayal by my own government through color of law Corporate Governance of which I previously did not fully understand and I was taught to be so proud for this system, as I believed this was a continuation of what my Founding Fathers instituted in the very

foundations of this Nation, is an unbearable sorrow that I must now carry to my grave; but I shall do so a free man, since by God's grace has this repugnant information found its way to me distressingly so clearly.

Perhaps if the American people had detected and were given the right to understand and had the opportunity to look into the future to have full understanding to choose for themselves the intent of what we were going to be subjected to, and the consequences of these deceptions would allow free and living men and women to have full understanding of what they are to come to understand of what they would live in sooner, we could have ended this evil progression against all living men and women saving both the Republic and ourselves. Let it be known that the Republic is not dead, it's just dormant and hijacked by worldwide evil doers and this Constitutional Republic is waiting to be reignited and repopulated by "We the People" who are learning about and waking up to these stated above positions. True Americans are tired of being controlled by a few elites who feel they have the power to supplant our God given rights and freedoms bestowed upon all living men and women.

But, alas, our fathers and grandfathers were asleep at the helm, and our suffering is a result of systems created which are repugnant to the Constitution and our proper walk with God to obey his laws and hold back his judgement. Our land has the full resources for each living man and woman to live in abundance and with God's favor. Many of our fathers were lazy and many more repressed, and they were complicit to put in systems by wealthy elites, forcing them to evacuate who they were and in desperate time they were receptive to obtain handouts to sustain a minimal standard in life's circumstances, due to desperation created in a system to repress them unnecessarily, and as a result these men and women were not as vigilant as they were instructed to be by Thomas Jefferson.

Americans are now awakening to the cataclysmic reality of a Fascist, one-world government, including but not limited to New World Orders and foreign powers such as World Health Organization Repression and NATO treaties, having replaced our intended Constitutional Republican System of Government. "We the People" stand against this and declare we will restore our Constitutional Republic. We will restore our State Republic in each state of the emerging Constitutional Republic our founding fathers put in place to represent every living man's ideal of life, liberty and the pursuit of happiness.

ARTICLE I

The Declaration of Independence for the United States of America clearly outlined the necessary course each citizen must take when his government became insufferable. Over the past one hundred years, nearly all of our unalienable rights have been stripped from us through the sophistry and obfuscation of the Courts and blood lust of the Congress for spending debt-based money borne on the back of the American people. Using the banks to be the middle man trading money from the bonds to cash at the Federal Reserve and making a management fee in between is repugnant and inequitable to "We the People". These acts of money creation drive false inflation that further enriches those who control these systems against the people as a whole. The Congress is there to control the purse strings but they are working against the Constitution for the benefits of special interest and pork projects which enrich their cronies and in turn themselves. They use these means for self-funding donations from special interests to fund the process of election deception on the people as perpetuated upon the citizens, as the best candidate for the job. What they have done is egregious, but as we revisit the Declaration of Independence it points out that, "... all experience hath shown that Mankind are more disposed to suffer, while Evils are sufferable, than to right themselves by abolishing the Forms to which they are accustomed." By sufferable, one could come to the conclusion they mean survivable.

Again, that same Declaration also declared: "We hold these Truths to be self-evident, that all Men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among

these are Life, Liberty, and the Pursuit of Happiness – That to secure these Rights, Governments are instituted among Men, deriving their just Powers from the Consent of the Governed, that whenever any Form of Government becomes destructive of these Ends, it is the Right of the People to alter or abolish it..."

Since 1861, We have been under Martial Rule, And the 41st congress adjourned Sine Die it has operated as De Facto.

Since 1871, the United States of America, became The United States of America Corporation, without disclosure of the facts and without the vote of the people. And with the 14th Amendment and the redefining of the word "Person" All were made US Citizens without disclosure of what that meant made all Persons Slaves and residents of Washington D.C.

Since 1911, and with the passage of the Federal Reserve Act this De Facto government has given our currency to a Private, mostly foreign owned and controlled Corporation.

Since 1933, beginning with the confiscation of our Gold and Allodial property, rather than "secure" our Right to Life, Liberty and the Pursuit of Happiness, our government has persistently and systematically reduced our standard of living. But this Evil seemed survivable, so we just suffered and let it pass, letting the repression continue for our tolerance for it.

Since 1871, our government has refused to "secure" our Right to Life, Land or Liberty by persistently increasing our burden by Regulations, prohibitions, legalized abortion, endless wars and creation of suffering for people around the world, and unlawful taxes. They have bastardized our Judicial System with Statutory Law, replacing the Common Law and the protections which it afforded us with the severe and brutal Equity/Admiralty jurisdictions, where the Constitution is of no protection. All this has been done without anyone's direct and full disclosure to understand what the purposes were ultimately for. Let it be known, from hence force it is understood and agreed upon that as a living man, I am entitled to an Article 3 court for any issues I may encounter and find the need to enter court for resolution to disputes or solving issues as they may be necessary by a court of common law under a true Republic. Let it be known, my name PATRICK HARLAND SUTTON, Patrick Harland Sutton, or any and all derivatives of my name therein, whether known or unknown, may not be used in any form of announcement, promotion, legal document of any sort, any filing, or any means henceforth without my full understanding of its intended purpose and written consent henceforth. If this is violated the entity or person or man or woman using my legal, living or name derivative henceforth is subject to a maximum fine of \$500,000. Let this be known by public decree. In addition a trademark of my name will be available for my personal protection against the unfair use of my name for any reason henceforth. This trademark violation infringement will be a maximum penalty of \$500,000 in addition. Since I am living, I must be given full disclosure and understanding of any person represented by any entity outside of my understanding and only in a true Republic am I only held in and by my true spoken and understanding of my consent, not a trick or wordsmithing from any civil servant or any other agent of the government henceforth. We have been lied to and withheld the truth about a jury's power to judge the law as well as the facts, all but turning the jury system into a prosecutor's tool and not our protection from over-zealous prosecutors that it was intended to be through nullification. We are to be tried by 12 jurors of our peers. That is 12 people that know me personally and can attest to my character in a case where I am an accused or accuser.

They have increased our Prison population to nearly two and 1/2 million inmates and growing. This is the largest imprisonment of its own citizens of any country in the world. They now prepare plans for new prison construction for the new millennium, projecting twenty years in advance and building cells for our as yet unborn children, as though all or most of our offspring will be criminals. It is the job of

our society to raise up young men and women to be productive members of society. This reality alone reduces the expression, "The home of the brave and Land of the Free" to mere illusion and an oxymoron. But these evils were/are also sufferable, and we let the perpetuation of evil grow and prevail as we continue to erode our rights and freedoms as a society. They have done this not to secure justice to protect the people, but are imprisoning people without a crime. Corpus Delicti means no injured party there is no crime! A corporation of any sort be it The UNITED STATES or STATE of Franchise or Burger business, has no living soul to be harmed. These are un-living dead fictions and you cannot injure a fictitious entity. With the "Patriot Act" and the "NDAA" US Citizens are held without due process, without a jury of their "Peers" as defined by Black's Law Dictionary, without adequate defense or of benefit of witnesses or evidence that is not allowed, at the whim of corrupt judges, being lied to by Actors of the court, those members of the Bar Association. Completely blatantly obvious and repulsive to sit in a court of fake law and watch good men and women citizens supposed to be under the protection of "government" sent to prison by these actors when there was no victim and no harm to another living soul. Why I Ask? Because it is a for profit system! A way to tax the poor with no regard to destruction of lives of citizens. A way to classify a person by a race or color and then exploit that race for purpose of inequitable suffering and profit. Why? Bonds! (Proofed by sf24, sf25, sf25a, and others) The courts collect billions from (the people's trust) and judges and prosecutors receive "net retention's" effectively commissions, incentives for a conviction, a system of fraud designed to destroy real justice.

Government owned subsidiaries and agencies have been found to possess some personnel such as CPS, CSD, or DHR, whereby these individuals work in cohorts with courts and deceive or work in conjunction with some (Attorneys and Judges) and "Houses" that all make a profit from (Citizens and Taxpayers) and perpetuate heinous crimes ultimately resulting in trafficking humans for profit. This is not the prevailing intent of these agencies but an easy cover for such acts of profiteering.

The individual Rights guaranteed by our Constitution cannot be compromised or ignored by our government. For example, in United States v. Johnson, 76 F. Supp. 538, 539 (D. Pa. 1947), Federal District Court Judge James Alger Fee ruled that,

"The privilege against self-incrimination is neither accorded to the passive resistant, nor to the person who is ignorant of his rights, nor to one indifferent thereto. It is a FIGHTING clause. Its benefits can be retained only by sustained COMBAT. It cannot be claimed by attorney or solicitor. It is valid only when insisted upon by a BELLIGERENT claimant in person." McAlister vs. Henkel, 201 U.S. 90, 26 S.Ct. 385, 50 L.Ed. 671; Commonwealth vs. Shaw, 4 Cush. 594, 50 Am.Dec. 813; Orum vs. State, 38 Ohio App. 171, 175 N.E. 876. The one who is persuaded by honeyed words or moral suasion to testify or produce documents rather than make a last-ditch stand, simply loses the protection. . . He must refuse to answer or produce, and test the matter in contempt proceedings, or by habeas corpus."

> > Notice the verdict's confrontational language: "fighting", "combat", and most surprising, "belligerent". Did you ever expect to ever read a Federal Court condemn citizens for being "passive" or "ignorant"? Did you ever expect to see a verdict that encouraged citizens to be "belligerent" IN COURT...? For this reason, I am entitled to all remedy in an Article 3 court as a result of my living status.

Better go back and re-read that extraordinary verdict. And commit it to memory, for it succinctly describes the essence of the American legal system. I am not bound to this system without my full and fully comprehended consent as an American State National or a US National or also known as a National.

ARTICLE II

Now, the United States government not only refuses to "secure" our Right to Life, it is openly seeking to diminish or even eliminate that Right in order, that a foreign people, we neither know nor see might survive. Thanks to the UN, The New World Order, IMF, CFR, World Bank, NAFTA, GATT, the criminal BAR Association, and every whore, coward and traitor elected or appointed to American public office that voted in favor of those dastardly Treaties, our very survival as a people is now at stake. Our government's Evils are no longer sufferable.

The La Paz portion of the NAFTA agreement provides for the forfeiture of a thirty-mile-wide strip of American soil to a foreign power (the UN) across the entire 1,935 miles of border between Mexico and the U.S.A. Roughly sixty thousand square miles of American soil is being surrendered without a single shot being fired. That is more land than is contained in Rhode Island, Delaware, Connecticut, New Jersey, New Hampshire, Vermont, Massachusetts, and Hawaii combined, constituting the single greatest act of treachery in the history of this nation. Even more land is being surrendered as National Parks are converted to UN Biospheres. Thank the Lord that the legislature of Kentucky flat out refused to go along with the surrender of any of their land to a UN Biosphere. The Antiquities Act Causes even more.

There is no provision in the Constitution for Congress, the President, or the Courts to surrender any portion of our national sovereignty to any foreign government.

I am positive that there's no provision in any State constitution for those States along the Mexican border to surrender any portion of their State sovereignty to a foreign power. Those legislators who swore to uphold the national Constitution have violated their oath to God and the American people's trust. Our incumbent politicians are guilty of treason and should so be accused and tried rightly and justly.

The justification for surrendering our sovereignty to the UN (New World Order) is found in their ecological argument. "The Earth is overpopulated and its resources are inadequate to support our species. The human population must be reduced by at least half if our species are to survive." Well, who are they to determine this, New advances are made every day in Technology that can change this. Example; in a 50' x 70' Building I can grow the same amount of highly nutritious animal feed today as 575 Acres of prime farmland and use 1/400th the water or in 150' x 300' Building as 3750 acres of prime farmland if government would simply "Get out of the way".

If that argument is accurate, then there is not enough food or resources to sustain all currently living human life. In any other time throughout the history of human society, such shortages as described by the ecological pundits would precipitate violence and unimagined wars, as individuals, families and entire nations struggled for scarce resources in their survival against other human competitors. Such has been true since time immemorial. Under such extreme circumstances, where a foreign power or population might threaten your survival and mine, we would inevitably deduce that foreign power or population was our mortal "enemy." After all, for them to survive, we must die or at least condemn our children and ourselves to a diminished life span.

Yet you look at the UN own Prospectus and of the more than One Trillion dollars USD Equivalent they take in each year, how much is lent out to those impoverished nations as their own mission statement says is their purpose? Less than 2%. How much is given to underprivileged people of this Nation? Some of this money is given to other bad actors and Nations and siphoned through corrupt governments to end in no small amount as compared to the ultimate sum, in the hands of the very people who are in position to provide it in the first place.

According to Article 3, Section 3, Clause 1, of the U.S. Constitution, "Treason against the United States shall consist only in levying war against them, or in adhering to their enemies, giving them aid and comfort."

If the world is on the threshold of a life-or-death Malthusian battle over scarce resources, what more "aid and comfort" could this government possibly provide to a foreign people or power than to voluntarily surrender our nuclear technology to China for political campaign contributions – the surrender of our land and sovereignty to the UN, as well as our very lives, so that some foreign competitors, our "mortal enemies" as politicians and media moguls perpetuate, might survive.

Will the American People just sit back and let these nefarious acts continue through the concoctions of evil throughout the world, letting this government sacrifice their children's lives and futures to benefit some foreign slaves or aborigines? I don't think so, and I for one, in the capacity of a Citizen, want no part of this moronic agenda with that insane policy.

ARTICLE III

The United States Constitution is a Compact or Contract between the Federal government and the "States" of the Union. Its fundamental and guiding principle is the idea that the State is always a potential source of corruptive power and ultimate tyranny.

Originally the Federal government's responsibilities were confined to a few enumerated powers, involving mainly national security and public safety. In the realm of domestic affairs, the Founders sought to guarantee that federal interference in the daily lives of citizens would be, most definitely, strictly limited. They also wanted to make sure government would have a minimal role in the domestic economy and that it would be financed and delivered at the state and local levels, not by an evil and pestilential Central Banking System, such as is the Federal Reserve Bank, Inc.

In Article I, Section 8, of the Constitution, the enumerated powers of the federal government are to spend money are defined as 18 services under contract with one more additional service located in the preamble that the States people agreed to pay for and no more. That Sir's and Ma'am's, constitutes the whole of the contract and no more.

These powers include the right to "establish Post Offices and post roads; raise and support Armies; provide and maintain a Navy; declare War..." and to conduct a few other activities related mostly to national defense. No matter how long one may search, it is impossible to find in the Constitution any language that authorizes at least ninety percent of the civilian programs that Congress crams into the federal budget every day of every year. This would not be allowed by "We the People" as those who formulate such programs and waste resources would not stand in power in a Constitutional Republic run by "We the People" and be allowed to perpetuate such overreach of power.

The federal government has no authority to pay money to farmers, run the health care industry; impose wage and price controls, give welfare to the poor and unemployed. They have no authority to provide job training, subsidize electricity and telephone service, lend money to businesses and foreign governments, or build parking garages, tennis courts, and swimming pools. But they do these things every day. They do not have the ability to profit from toll roads controlled on the highway or freeway but they do. All toll booths should be placed on the exit ramps and not the passable roads as built by the people and paid for by them with tax raised through gas tax. Roads are and should be paid for by a tax used and imposed by those who buy the very product that funds the fair use proportionally. The Founders did not create a Department of Commerce, a Department of Education, or a Department of Housing and Urban Development. They did not create a Bureau of Land Management, or a Federal Bureau of investigation which has no congressional charter to even exist. What Part of 10 Square Miles

and forts and ports is not understood. There was no oversight and our Founding Fathers did not believe that government was authorized to establish such agencies. Our Founding Fathers made it clear that Congress is forbidden by the Constitution to establish any such agencies. A government operating as a corporation under the color of law is how the whole system is bypassed. The people running these systems are guilty of treason if they partake in Un-Constitutional practices because they have sworn an oath to uphold the Constitution.

The Tenth Amendment to the Constitution states clearly and unambiguously: "The powers not delegated to the United States by the Constitution ... are reserved to the States respectively, or to the people."

In other words, if the Constitution does not specifically permit the federal government to do something, then it does not have the right to do it. May God have mercy on their soul for bankrupting and enslaving our people old and young. Yes, the 14th Amendment enslaves us albeit voluntary, but without full and proper disclosure, and this as you know is fraud on all who continue to consent. Let it be known, this is repugnant to me so I do not further consent to this perversion of the Constitution.

ARTICLE IV

The Bill of Rights clearly defines the most often "government" abused individual liberties. It forbids the Federal Government to violate any of these unalienable rights of the people and reserves all other rights of a sovereign not delegated to the United States, to the States: the States' authority and sovereign rights would be determined by the people in their individual state Constitutions. All sovereign rights not delegated to the Federal or State Governments by the people remains with the people.

On April 19th, 1993, at Waco, Texas, the United States (Corporation) showed its utter contempt for the unalienable Rights of its Citizens and the Sovereigns of its creation. Eighty-six men, women and children were murdered by Agents of the FBI and BATF, with the sanction of the Executive Branch of that government. An internal investigation by the Department of Justice (the fox asked to investigate the fox in the hen house), determined that the agents of the government perpetrated no criminal acts. The majority of this nation's population knows it was murder and will never forgive nor forget this manifestly evil work. I can no longer abide in this government's unlawful conduct and moral bankruptcy, because as a citizen, by proxy, I am guilty also. This I will not participate and accept.

In 2014, In Nevada, they did it again at the Bundy Ranch. Militarized agents with no de jure authority terrorizing innocent ranchers and their families.

In January 2016, In Oregon, they did it again with the FBI HRT Team, Oregon State police, With the consent of Governor K. Brown, Senators R. Wyden, and J. Merkley, A.G. Loreta Lynch, and more than likely J Kerry, and possibly the White House itself. Using a military tactic murdered a Father, Husband, and rancher Lavoy Finnicum a righteous, peaceful and gentle man in a peaceful protest, indirectly resulting in deaths of three nurses, and Blake Paine. Yet ignoring Black lives matter and Antifa, protestors nationwide stating them to be conducting peaceful protests and exercising their rights to protest to drive and agenda of divisiveness to reach a narrative and agenda of more erosion of freedoms and control. All this happened while the government did nothing to come to the aid of the victims while they lost their livelihoods and property, which is one of the 19 essential governmental services they are required to perform. This and many other examples like this are repugnant to me and therefore I can not support such atrocities.

ARTICLE V

LET IT BE KNOWN, I am NOT anti-government, anti-military, or anti-American. Quite the contrary. I stand for all these and the real Republic and for which it stands. For Generations, my family served the united States of America in both active and inactive service all over the world. Veterans like my family joined the military because of our love of Country and our constitutional obligation. I never imagined there were any real "domestic enemies." Today and events I've seen play out in States and in Washington DC. I know otherwise. The following is a partial example of the activities of those "domestic enemies."

In 1997, the Pittsburgh Post-Gazette exposed the "Tuskegee Experiment." It was conducted for forty years, from 1932 to 1972. According to the Associated Press, "The government withheld treatment from 399 black men with syphilis so they could study how it spreads and kills."

That's not an "experiment;" that's genocide. Whether it happens to one Black man or ten Eskimos or three Hispanics, it is wrong and violates everything this country stands for. President Clinton publicly apologized on behalf of this government to the aging male survivors. But it wasn't just the 399 men who were damaged. Their spouses also got the disease, causing their children to be born deformed. All told, 6,000 Americans were sickened, deformed or killed as a result of The UNITED STATES Government's "Tuskegee experiment" to study how syphilis kills. President Clinton didn't bother to acknowledge their suffering.

In 1977 during the Senatorial Select Committee on Intelligence hearings (reported in "Project MK-Ultra; the CIA's Program of Research in Behavior Modification"), the CIA revealed that over forty universities and institutions were involved in extensive testing and experimentation using covert drugs on unwitting citizens at all social levels. In 1977, the University of Maryland newspaper reported that during the 1950s and 1960s, forty-four colleges, fifteen research foundations, twelve hospitals, and three prisons knowingly participated in MK Ultra experiments, but people that were experimented upon were never informed or asked to consent to be "guinea pigs."

Project MK Ultra was one of the biggest military experiments (there were one hundred forty-nine sub-projects) and lasted for years. It included human drug and biological testing by the Department of Defense (DOD) under the direction of the CIA over entire American communities. The Bureau of Narcotics and even the IRS participated in MK Ultra. When you see these government documents, they are more frightening than the rumors because our government actually admits to participating in these experiments.

At the U.S. Army Biological Weapons Research facility at Fort Dietrich, Maryland, "weaponized" mosquitoes were developed. They actually grew viruses inside mosquitoes, placed the mosquitoes in balloons, released the balloons from aircraft over American communities and infected people. They had to infect people to tell how far the disease went and how far it would spread. How many of today's diseases are direct results of those experiments?

Tuskegee was not a one-time anecdote; it's just the tip of an iceberg that indicates they're still doing experiments on the American people.

Another experiment was done in 1966 at Kessler Air Force Base. In 1966, 12,000 recruits at Kessler received the "micro plasma vaccine." Obviously, another experiment.

"MK Ultra" considered various means of controlling human behavior; it was literally a mind control project.

"MK Action" was funded with CIA money through the Geschickter Foundation at Georgetown University. In the 1977 congressional hearing, Dr. Geschickter testified that during the Vietnamese War, the CIA didn't know if various Vietnamese nationals were double agents. Therefore, the CIA

included a material in the anti-cholera vaccine given to pro-American Vietnamese, which made them glow when they were exposed to an ultraviolet light and helped identify those who rejoined the Viet Cong. This may be a clever wartime strategy, but it illustrates that as early as the 1960s, our government used vaccinations for purposes other than the prevention of disease.

The 1977 Senate Hearing report (Biological Testing Involving Human Subjects by the Department of Defense) actually says that unwitting American people were involved in open air testing. For example, it says, "The Army was using live organisms which we know can infect human beings." The Food and Drug Administration allowed it; entire cities were involved in the testing of these biological agents. Our government even placed biological warfare agents in the New York City subway to see how many people would be infected. They did the same thing in Pennsylvania's Kittatinny and Tuscarora turnpike tunnels. You would drive through and receive aerosolized bacteriological agents.

"MK Naomi" – a biological project from the 1950s through 1969 which exposed six entire towns (including Ft. McClellan, Alabama; San Francisco, California; Ft. Wayne, Indiana; Minneapolis, Minnesota; and St. Louis, Missouri) to biological warfare agents dropped out of aircraft to see how many people would become ill. They say MK Naomi ended in 1969. With a track record of heinous human experimentation why should we believe them?

On page 160 of the 1977 "Human Drug Testing by the CIA" Senate report (S. 1893), they discussed "EA3167" – a compound they could rub up against you and it would absorb into your skin and kill you. They tested it in Pennsylvania and Kentucky prisons. It was applied to the skin through some type of adhesive tape. They also did this on military and civilian people without telling them what they were exposed to or getting their informed consent. As if anyone would volunteer!

The primary excuse for nearly going to war again with Iraq in February, 1998, was the suspicion that Iraq had been conducting biological experiments on its own prisoners. If those experiments are evil for Iraq, how then can they be legal, moral or ethical, in the United States of America?

In 1997 Congressional hearings, the Army admitted conducting these experiments but argued, "We just didn't tell you about it because nobody was hurt and there was no problem." Title 50, Chapter 32, Section 1520, permits the government to experiment on us with biological and chemical agents. This is repugnant to the Constitution and violates the Nuremberg Code. Thanks to a treacherous Treasonous Congress, it is now legal for the DOD or their contractors to experiment with biological and chemical agents on the American people. The only proviso Congress imposes on them is that at least two unspecified local officials be notified within the subject community, and they could be the garbage collector or the water meter reader. Once that major communication event occurs, the test can begin within 30 days. But we are not told; our children aren't told. This is unacceptable.

Through government oversight and regulations, it is done now with our food with Pesticides, herbicides, RBST, GMO's, Fluorides, Hormones injected and flooded in common everyday foods. Harm is done with Pharmaceutical Drugs, Vaccines, and Heavy Metals. Some of these items have been proven to change our very Genomes and DNA.

Today we are poisoned by our spraying our air, food, water. Doctor's are able to deal legal death drugs, all at the blessing of government. Let it be known I am to never be given a medication, vaccine or any agent I deem unacceptable without my full disclosure and written consent. I will not be forced to take, have injected, ingest or by any other means any substance including but not limited to food, medicine, experimental agents, and new technologies put into our bodies without my full written consent only after full disclosure. Only my wife or living children can make decisions about my life if I am

incapacitated and only then through written consent with their full disclosure are you able to perpetuate anything of the sort.

This is but a few of the many reasons, (all would fill many volumes) that I, a God-fearing Living Soul, a peaceful man with no malice in my heart to my Country, I have no treasonous intent of any kind, must sever my relationship with the UNITED STATES (Corporation) government, to ease the heavy burden on my soul these foul deeds have laden it with. I have decided to jump off the citizenSHIP and no longer wish to ride on this dead vessel perpetuating evils and profits on the backs of its citizens through exploiting persons by/with contract law. I do not see the benefits of taking the crumbs of what is offered in replacement of a life of freedom and abundance. I choose to return to the land, I am stepping off the ship and standing on the land of my forefathers, let it be known, from henceforth, I decree that I am not subject to this jurisdiction only. I can operate in and have jurisdiction of the land, air and water and take dominion over these jurisdictions, as I choose, as declared and commanded by God in Genesis. For example, I can choose to operate in Admiralty contract law only with my full consent devoid of any tricks or word smithing by any actor in the courtroom including the Judge. Let it be known I have the ability to demand and receive an Article 3 court in a state if that state does not have one existing granted to me by the judge at my demand. It is required that I will be given full disclosure always and I must have full comprehension at all times, and furthermore, I cannot be tricked by words or actions in a court of law for any reason. The courtroom is to be a place of honor for all and I demand this for myself. In the Admiralty courts I will be given and have the same rights I would as those on the land, those as recognized by an Article 3 court and will be allowed to and receive such an Article 3 court from any Admiralty law court instantly at my demand or the judge will be found to be out of honor since I have placed my seal on this document, provided full disclosure, and given public notice. As all know, if these demands herein go un rebutted, then all who receive this document, along with the institutions they represent henceforth have provided their acquiescence by their silence. If un rebutted by the time established by law (21 days from receipt) and this document is made part of public decree and public record it is understood and henceforth so.

"And after these things I saw another angel come down from heaven, having great power; and the earth was lightened with his glory. And he cried mightily with a strong voice, saying, 'Babylon the great is fallen, is fallen, and is become the habitation of devils, and the hold of every foul spirit, and a cage of every unclean and hateful bird. For all nations have drunk of the wine of the wrath of her fornication, and the kings of the earth have committed fornication with her, and the merchants of the earth are waxed rich through the abundance of her delicacies.' And I heard another voice from heaven, saying, 'Come out of her, my people, that ye be not partakers of her sins, and that ye receive not her plagues. For her sins have reached unto heaven, and God hath remembered her iniquities.'" — Revelation 18: 1-5.

As one of God's people, saved by grace through faith, I must now also leave Babylon the Great and not partake of her sins any longer lest, I receive her plagues, for her sins have reached unto Heaven, and God will remember her iniquities. May God have mercy on the people of the United States/UNITED STATES Corporation! I proclaim that I have returned to the land a living man.

What Is the Name of The Crime? — Unlawful Conversion

Obviously, it's fraud. Barratry at the least. Slavery and involuntary servitude. That, surely... Trespass also...

But there is so much more to what has been done to us by our "Public Servants" conscription, inland piracy, racketeering, kidnapping, press-ganging, enslavement, false presumption, false arrests, false impersonation, deliberate mis-characterization, plundering, pillaging, unauthorized hypothecation of debt, conspiracy to defraud, conspiracy against The Constitution, invasion, trespassing, copyright infringement, trademark violations, identity theft, grand theft and larceny, deprivation of rights... I could probably go on, but at the root of it— besides constructive fraud in general, there is a nagging need to nail down a razor-sharp diagnosis of what has transpired, and in the end, after several years of ruminating perpetually, I believe that Congressman Louis T. McFadden said it best back in 1934 and I concur with his assessment as he was alive at the time, actively living in the erosion and conversion of our Nation from a Constitutional Republic to a Corporate Government hell bent of doing it without regard to "We the People" and the values and oath of the very Constitution they have sworn to uphold.

Unlawful Conversion: Unlawful conversion of our identities and our assets has been the entire aim of the Territorial United States/Municipal United States Tag Team System. We have had the British Enemy pretending to be our friend on one side, and the out-of-control Vatican Thugs on the other, conspiring together against us and against virtually everyone else's lawful government, too, because the same evils have been visited on a many other countries including most of Europe, Australia, New Zealand, Japan, India, Canada, Mexico.... and the list goes on.

Unlawful conversion of our Trade Names redefining them as Foreign Situs Trusts.
Unlawful conversion of our American State National Standing to that of mere corporate US "citizens".
Unlawful conversion of our Land Patents to titles and leases held under color of law.
Unlawful conversion of our private property to public assets.
Unlawful conversion of our government on the land to a government on the sea.
Unlawful conversion of the copyrights and trademarks we are owed.
Unlawful conversion of our private bank accounts to public "personal" accounts.
Unlawful conversion of our States to "State of States" and "STATE OF STATES".
Unlawful conversion of our public courts to private corporate tribunals.
Unlawful conversion of private civilian assets to public trust assets.
Unlawful conversion of American Common Law to English Common Law.
Unlawful conversion of public records to private registrations.
Unlawful conversion of our right to elect to mere voting privileges that are not true and correct but certified as such, and are not the will of "We the People".
The sheer scale of this sly, secretive crime spree all across the globe is staggering, especially when one considers that it has all taken place under a lie, a banner of freedom and progress— while in fact delivering a form of modern feudalism instead.
It is the responsibility of the police forces and military to wake up and do their jobs and prosecute the actual criminals and treasonous individuals responsible for perpetuating these evils in broad daylight? How long before the government politicians responsible know for sure that they have been caught and are forced to correct their actions and come clean with their support of ill deeds.

Article VII

IRS agents are neither trained nor paid by the United States government. Pursuant to Treasury Delegation Order No. 92, the IRS is trained under the direction of the Division of Human Resources of the United Nations (U.N.) and the Commissioner (International), by the office of Personnel Management.

In the 1979 edition of 22 USCA 278, "The United Nations," you will find Executive Order 10422. The Office of Personnel Management is under the direction of the Secretary of the United Nations. Pursuant to Treasury Delegation Order No. 91, the IRS entered a "Service Agreement" with the US

Treasury Dept (See Public Law 94-564, Legislative History, pg.5967, Reorganization (BANKRUPTCY!!!) Plan No. 26) and the Agency for International Development.

This agency is an international paramilitary operation and according to the Dept of the Army Field manual (1969) 41-10, pgs 1-4, Sec. 1-7(b) & 1-6, Sec. 1-10 (7) (c) (1), and 22 USCA 284, includes such activities as, "Assumption of Full or partial executive, legislative, and judicial authority over a country or area."

The IRS is also an agency/member of a 169 Nation pact called the International Criminal Police organization, or INTERPOL, found at 22 USCA 263a. The memorandum of Understanding (MOU), between the Secretary of Treasury, AKA the corporate governor of "The Fund" and "The Bank" (International Monetary Fund, and the International Bank for Reconstruction and Development), indicated that the Attorney General and its associates are soliciting and collecting information for foreign principles; the international organizations, corporations, and associations, exemplified by 22 USCA 286f.

According to the 1994 US Government Manual, at page 390, the Attorney General is the permanent representative to INTERPOL, and the Secretary of Treasury is the alternate member. Under Article 30 of the INTERPOL constitution, these individuals must expatriate their citizenship. They are persons who live outside the United States by serving their post. They serve no allegiance to the United States of America.

The IRS is paid by "The Fund" and "The Bank". Thus, it appears from the documentary evidence that the Internal Revenue Service agents are "Agents of a Foreign Principle" within the meaning and intent of the "Foreign Agents Registration Act of 1938" for private, not public, gain!

The IRS is directed and controlled by the corporate Governor of "The Fund" and "The Bank". The Federal Reserve Bank and the IRS collection agency are both privately owned and operated under private statutes. The IRS operates under public policy, not the Constitutional Law, and in the interest of our nation's foreign creditors.

The Constitution only permits Congress to lay and collect taxes. It does not authorize Congress to delegate the tax collection power to a private corporation, which collects our taxes for a private bank, the Federal Reserve, who then deposits it into the Treasury of the IMF! The IRS is not allowed to state that they collect taxes for the United States Treasury. They only refer to "The Treasury." Let it be known that by not rebutting this document and its contents herein stands as acquiesce to that Jurisdiction falls only to those who fall inside the definitions of the United States Corporate Systems, State Corporate Systems and Local County and City Corporate Governments, that also it is further acquiesce that a person who is not a Citizen founded in Washington DC and is not visiting a particular state for the purposes of conducting business, such as is the nature of the citizen. It is understood that a National falls outside the Jurisdiction of color of law corporate governance, its subsidiaries and any of its color of law corporate constructs and any agencies herein, and that a person classified as a National is free from these systems in total and in whole. A National is bound by none of these systems. If unrebutted then it is declared so.

SUPPORTING STATUTES – R.S. TITLE XXV SEC. 1999 (1878)

"Whereas the right of expatriation is a natural and inherent right of all people, indispensable to the enjoyment of the rights of Life, Liberty, and the Pursuit of Happiness; and whereas in the recognition received emigrants from all nations and vested them with the rights of citizenship; and whereas it is claimed that such American citizens, with their descendants, are subjects of foreign states, owing allegiance to the governments thereof; and whereas it is necessary to the maintenance of the public peace that this claim of foreign allegiance should be promptly and finally disavowed: Therefore, any declaration, instruction, opinion, order, or decision of an officer of the United States which denies,

restricts, impairs, or question the right of expatriation, is declared inconsistent with the fundamental principles of the Republic."

The above statute reads like it was meant for foreigners who come to this country from all over the world. Definitions are all important in the reading of any legal writing. The definition most important in the above statute is the words "foreign states," so let's look at some other statutes, Supreme Court decisions and dictionary definitions that shed light on those words.

"The Constitution was made for States, not territories," wrote Daniel Webster. "[T]he Constitution of the United States as such does not under it extend beyond the limits of the States which are united by and under it," wrote author Langdell in "The Status of Our New Territories," 12 Harvard Law Review 365, 371.

Judicial note should be taken that the United States Constitution always denoted "Citizen" and "Person" in capital letters prior to the 14th Amendment; thereafter, "citizen" and "person" were not capitalized. The distinction between "citizens of the United States" and "Union States Citizens" has been fully recognized by the Congress and the Courts as follows:

"We have in our political system a government of the United States and a government of each of the several States. Each one of these governments is distinct from the others, and each has citizens of its own who owe it allegiance, and whose rights, within its jurisdiction, it must protect."

The Federal Government is a "state". Foreign State. A foreign country or nation. The several United States are considered "foreign" to each other except as regards their relations as common members of the Union. (Black's Law Dictionary, Sixth Edition, page 1407) Congress identifies these citizens of the "District" as "individuals" or citizens who reside in the "United States" and who are subject to the direct control of Congress in its local taxing and other municipal laws. Asking one question can clear up the distinction between the two types of Citizens:

Are both classes of Citizenship the same and, if not, what is the difference?

Citizens of the Union States have the right of suffrage (right to vote); District citizens have no such right.

If you are not a United States citizen of Washington, D.C., or the territories and possessions, then what are you in relation to the federal government?
a NON-RESIDENT ALIEN or more appropriately known as an...

American State National

At first that term does not seem to describe your relationship to the federal government, but Federal Income Tax Law and the Supreme Court enlighten greater understanding of the term. The revenue laws do not use the term "sovereign citizen." Those laws refer to United States Persons, Resident Aliens and Nonresident Aliens. U.S. persons are defined to include, among other things, citizens and residents (i.e.: resident aliens) of the United States. I do not recognize the ideocracy by many public officials and many persons in court personnel using the term "sovereign citizen" as a way to describe a US National or American State National. The term literally means "free municipal slave", or an oxymoron and the mere utterance of the word may make one look like a moron for saying it in the first place. Let it be know that a State National is residing on the land and is classified a living man or woman with rights by common law and are allowed to live in a Republic or any form of government they so choose collectively for themselves. The Constitution of the United States is the basis of my ideal just as it should be the basis of all oath takers and oath violations seen as our civil servants.

Treasury Decision (TD) 2313

The Supreme Court decision on a tax case determined the issue. *Brushaber v. Union Pacific Railroad Co. Inc.* (240 U.S. 1) 1916 is often cited by the IRS as demonstrating its authority to collect income tax

and that the income tax is constitutional (limited application). What the IRS fails to mention, and what is not apparent from looking at the court's ruling in the case, is that the case concerned income from within the United States accruing to a nonresident alien, which is subject to the federal income tax because he was involved in a trade or business with a federally-chartered corporation.

Treasury Decision 2313 in elaborating on the case makes this apparent:

"Under the decision of the Supreme Court of the United States in the case of *Brushaber v. Union Pacific Railway Co.*, decided January 24, 1916, it is hereby held that income accruing to nonresident aliens in the form of interest from the bonds and dividends on the stock of domestic corporations is subject to the income tax imposed by the act of October 3, 1913." (Treasury Decision 2313)

It is based upon the decision of the Supreme Court in a lawsuit brought by a citizen of New York, living in Brooklyn, against the Union Pacific Railway Co., a federally-chartered corporation. The purpose of the suit was to prevent the railway company from withholding the 1% tax from the dividends payable to the New Yorker. The state citizen lost that case. In reliance upon that decision, the Treasury Department referred to the New Yorker as a nonresident alien who, as such, was not exempt from the withholding of taxes from dividends payable by a domestic corporation (i.e., chartered by the federal government)! The fact that TD 2313 called Mr. Brushaber a nonresident alien seems proof enough that citizens of states are nonresident aliens for all purposes of the Code, and if this is true, then a corporation chartered in a state is foreign, while only federally-chartered corporations can be domestic. So, anything done in a state is done without the United States.

The Treasury Department actually confirmed their understanding by their analysis of the *Brushaber* case on the status of a sovereign as being a nonresident alien for revenue purposes.

A nonresident alien is anyone who is neither a citizen nor a resident (alien) of the United States. Since the sovereign is not a "citizen of the United States" under the Code (by virtue of the definition in the regulations), and since he does not fit the definition of a resident alien, by elimination, he must be a nonresident alien!

The term "alien" must apply to the sovereign, not to be confused with sovereign citizen, because he/she is alien to the status of subject citizen, and he/she does not fit the special definition of resident found in the 14th Amendment. It may also be said that, since the sovereign person does not live within the political jurisdiction of the United States, he is nonresident thereto. Thus, he can be nonresident to the place, as well as nonresident and alien to the status of subject citizen.

Under the language of the Code, as interpreted by the tax regulations, the sovereign may be liable for the tax applicable to the nonresident alien. The Code subjects nonresident aliens to taxes upon income which is received either from a trade or business "effectively connected with the United States," or from a source "within" the United States. Do not assume that this means some place as foreign as France or Japan. It appears to refer to the fifty states, just as clearly as did TD 2313.

As to taxability of nonresident alien income, in order for such income of the nonresident alien to be taxable, it will have to emanate from sources within sovereign federal areas or from an activity that is effectively connected with the political jurisdiction of the United States by reason of the ATF laws, patents, copyrights, federally-created entities, etc. If it emanates from any of the fifty states and is not "connected" with those federally-controlled activities, such income is not taxable to the sovereign people. Once again, the problem is to find a court that will apply this truth. To do this, one must show to the court that an activity in one of the fifty states is "without" the United States.

To do this, it is suggested that a standard form subpoena, as issued by the clerk of any United States District Court, be marked as an exhibit.

Point to the return of service which states that it is signed "under penalties of perjury pursuant to the laws of the United States of America." Then attach it to a motion which cites 28 USC §1746(1). This statute defines that form of verification is applicable only "without" the United States! Also cite 28 USC §297, showing that the fifty "freely associated compact states" are referred to as "countries."

Combined with the *Brushaber* case and TD 2313, one would make it hard for the court to deny that income from within the fifty states is without the United States.

Since one has always been a non-resident alien of the United States, or one who has corrected their status such as a known American State National, it seems absurd that you would be required to prove it with rebuttal evidence, but that is exactly what you have to do. The government and the courts are not going to let you easily out of the system that it took them so long to put in place to fund their criminal activity.

Therefore I, demand this affidavit be certified by the Secretary of State, as evidence of my Status as an American State National and a passport correction be made to reflect such status and jurisdictional venue and returned to me upon completing the necessary changes.

Through its regulations, the government has made it difficult to expatriate, as they require that you leave the country and do the deed at a Consulate or Embassy. However, President Bush may have made the task a little easier since he has Declared War against Terrorists as (6) formally renouncing U.S. citizenship within the U.S. (but only "in time of war") (Sec. 349 (a) (6) INA); Simply address the Document to the Attorney General per the regulation.

"Taxpayers are not [de jure] State Citizens." Belmont v. Town of Gulfport, 122 So. 10.

State v. Manuel, 20 NC 122: "the term 'citizen' in the United States, is analogous to the term 'subject' in common law; the change of phrase has resulted from the change in government."

Supreme Court: Jones v. Temmer, 829 F. Supp 1226: "The privileges and immunities clause of the 14th Amendment protects very few rights because it neither incorporates the Bill of Rights, nor protects all rights of individual citizens. Instead, this provision protects only those rights peculiar to being a citizen of the federal government; it does not protect those rights which relate to state citizenship."

Supreme Court: US vs. Valentine 288 F. Supp. 957: "The only absolute and unqualified right of a United States citizen is to residence within the territorial boundaries of the United States."

The Amendment (14th) recognized that "an individual can be a Citizen of one of the several states without being a citizen of the United States," (U.S. v. Anthony, 24 Fed. Cas. 829, 830), or, "a citizen of the United States without being a Citizen of a state." (Slaughter-House Cases, supra; cf. U.S. v. Cruikshank, 92 US 542, 549 (1875)).

A more recent case is Crosse v. Bd. of Supervisors, 221 A.2d 431 (1966) which says: "Both before and after the Fourteenth Amendment to the federal Constitution, it has not been necessary for a person to be a citizen of the United States in order to be a citizen of his state." Citing U.S. v. Cruikshank, supra. The courts presume you to be a federal citizen, without even telling you that there are different classes of citizens. It is up to you dispute this. See...

"There is a difference between privileges and immunities belonging to the citizens of the United States as such, and those belonging to the citizens of each state as such". *Ruhrstrat v. People*, 57 N.E. 41 (1900)

"...the first eight amendments have uniformly been held not to be protected from state action by the privilege and immunities clause [of the 14th Amendment]." *Hague v. CIO*, 307 US 496, 520

"The right to trial by jury in civil cases, guaranteed by the 7th Amendment...and the right to bear arms guaranteed by the 2nd Amendment...have been distinctly held not to be privileges and immunities of citizens of the United States guaranteed by the 14th Amendment...and in effect the same decision was made in respect of the guarantee against prosecution, except by indictment of a grand jury, contained in the 5th Amendment...and in respect of the right to be confronted with witnesses, contained in the 6th Amendment...it was held that the indictment, made indispensable by the 5th Amendment, and trial by jury guaranteed by the 6th Amendment, were not privileges and immunities of citizens of the United States, as those words were used in the 14th Amendment. We conclude, therefore, that the exemption from compulsory self-incrimination is not a privilege or immunity of National citizenship guaranteed by this clause of the 14th Amendment." *Twining v. New Jersey*, 211 US 78, 98-99

State Citizenship Test

The following are some of the citizenship questions you will see on various government forms styled in a way to deceive you out of your rights secured by the original constitution of our republic. United States of America and the original State constitutions. They have stopped using the term State Citizens on all of the forms for the purpose of constructive fraud. Remember that a State Citizen is a not a national of the United States. But is a national of the United States of America. See...

8 USC § 1101(a)(21) The term state "national" means a person owing permanent allegiance to a state. (This is a State Citizen) (22) The term "national of the United States" means (A) a citizen of the United States, or (B) a person who, though not a citizen of the United States, owes permanent allegiance to the United States. (23) The term "naturalization" means the conferring of nationality of a state upon a person after birth, by any means whatsoever.

There exist mountains of supporting evidence and court decisions regarding my true status, and it seems absolutely preposterous to require anyone to jump over obstacles in order to expatriate from tyranny.

Again, this is one of the most important decisions of my life, so I do not approach it in a cavalier manner. I, asked the good Lord for direction before making that decision.

Notice herein: taxes are not even a consideration, as having taxes as one's motivating reason makes the attempt a Complete failure. It is known with my properly designated status an American State National is not subject to any jurisdiction of anything related to the UNITED STATES (Corporation) government and its agencies and furthermore and subsidiaries therein.

Conclusion

On every front, with blinding speed and inexhaustible power, the evil forces of darkness of the New World Order are closing a Ring of Fire on freedom. In every domain and field of human endeavor, the choking, suffocating idolatry permeates all fields of human thought, corrupting our language,

destroying truth and justice, demolishing integrity, and virtue, enacting totalitarian legislation and controlling education and communications.

Above all, the vilest evil is the destruction of our unborn children – a thing so horribly vile that even maggots in filth do not do. Then the attack on our faith and its foundations of Biblical thought and experience, demonizing God's followers as religious right-wing zealots to be held in ill repute, ever rapidly expanding its deviancy of evil, closing the parameters on the just, as the UNITED STATES collapses inextricably into Babylon.

What malevolent force of darkness thus captains the ship of State for Columbia, the Gem of the Ocean?

God save me, but the UNITED STATES Corporate Government is no longer sufferable. I can tolerate its pernicious and predatory conduct no longer as a citizen of the UNITED STATES (Corporate) government fiction.

I hereby repudiate, rescind, renounce and disavow any CITIZENSHIP status with the UNITED STATES GOVERNMENT that I may have inadvertently acquired, by any scheme, for the reasons detailed in the foregoing Articles. My birthright now being re-secured as a member of the Sovereign Body of free men and women known as Americans, American State Nationals, I hereby pledge my allegiance only to my God. I shall live by the commandment of "Love thy Neighbor" and shall "Do no Harm" in my private pursuit of life, liberty, happiness.

American State Nationals

I hereby pledge my allegiance only to my God. I shall live by the commandment of "Love thy Neighbor" and shall "Do no Harm" in my private pursuit of life, liberty, happiness.

America demands no less from me in that freedom has never been free.

My love for the united "States of America" has never been stronger. So, help me GOD;

Lord Jesus come quickly, Amen.

This NOTICE is from a man, a living soul, sui juris, jus soli (on the land), a private non-citizen, non-resident, non-person, state national pursuant to 8 U.S.C. § 1101(a)(21) under Common Law Jurisdiction. "U.S. adopted common laws of England with the constitution."

See Caldwell v. Hill, 178 SE 383 (1934).

Let it be known, avoidance of tax is not the purpose of this document, and is both voluntary and necessary for the 19 essential governmental services the state Nationals, we the people contracted for and agreed to pay for.

As a "nonresident alien," my estate and/or trust is, as described in 26 USC 7701 (a)(31), as a TAX-EXEMPT "foreign estate or trust."

"The Tax Code represents the genius of legal fiction... The IRS has never really known why people pay the wages/income tax... The IRS encourages voluntary compliance, through FEAR."
