REPUDIATION AND REVOCATION OF CITIZENSHIP

When in the Course of human Events, it becomes necessary for one People to dissolve the Political Bands which have connected them with another, and to assume, among the Powers of the Earth, the separate and equal Station to which the Laws of Nature and of Nature's God entitle them, a decent Respect to the Opinions of Mankind requires that they should declare the causes which impel them to the Separation.

We hold these Truths to be self-evident, that all Men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty, and the Pursuit of Happiness--That to secure these Rights, Governments are instituted among Men, deriving their just Powers from the Consent of the Governed, -That whenever any Form of Government becomes destructive of these Ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its Foundation on such Principles and organizing its Powers in such Form, as to them shall seem most likely to effect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient Causes; and accordingly, all Experience hath shown, that Mankind are more disposed to suffer, while Evils are sufferable, than to right themselves by abolishing the Forms to which they are accustomed. But when a long Train of Abuses and Usurpations, pursuing invariably the same Object, evinces a Design to reduce them under absolute Despotism, it is their **Right**, it is their **Duty**, to throw off such Government, and to provide new Guards for their future Security. --Such has been the patient sufferance of these Colonies; and such is now the Necessity which constrains them to alter their former Systems of Government. The History of the present (UNITED STATES Corp) is a History of repeated Injuries and Usurpations, all having in direct Object the Establishment of an absolute Tyranny over these States. To prove this, let Facts be submitted to a candid World.

God said, **"Let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, and over the birds of the heavens, and over the cattle, and over all the earth, and over every creeping thing that creeps upon the earth. And God created man in His own image, in the image of God created He him; male and female created He them. And God blessed them: and God said unto them, "Be fruitful, and multiply, and replenish the earth, and subdue it; and have dominion over the fish of the sea, and over the birds of the heavens, and over every living thing that moves upon the earth." Genesis 1:26-28**

So here shall I, Stand...

This shall serve as notice to certify that I; A **Living Soul**, So called by my Father and Mother since born, Sarah-Jane of the genealogy of Robbins was born the 1st day of February, 1948, in the Sovereign Republic of Alabama. I further state that my DNA has been on the land since 1743, and thus preceded the formation of the government. I am not a Resident, Employee or Citizen of the UNITED STATES Government (Corporation), whose situs is Washington, the District of Columbia. My relationship to that Federal entity

as far as jurisdiction is that of a non-resident alien to the Corporate United States Government. I am an American State National, a Lawful Bloodline American.

I am a free and natural woman described by the Lord God in Genesis 2:7 as a **Living Soul**, living under God's law and his grace alone. **"And the LORD God formed man of the dust of the ground, & breathed into his nostrils the breath of life; and man became a living soul." Genesis 2:7 KJV** I have assumed among the Powers of the Earth, granted by the Lord God Almighty, the Separate and Equal Station to which the Laws of Nature and Nature's God entitle me. Giving me dominion over all things. Therefore, in order to secure the Blessing of Liberty to my posterity and myself, to re-acquire my Birthright as "one" of a member of the Sovereign Social Body of "We the People," I hereby Asseverate, Repudiate and Revoke my Citizenship, if any ever existed, with the Legal fiction known as the "UNITED STATES" Government (Corporation), USA Inc, and any reincarnations unknown and henceforth, and any and all subsidiary corporations both known (STATE, COUNTY, CITY, MUNICIPAL) and unknown under its control.

Maxim of Law: No man can renounce the country in which he was born, nor abjure the obligation of his allegiance. Co. Litt. 129. Sed vide Allegiance; Expatriation; Naturalization. (The Nation State Republic is the country state in which you were born and it cannot be renounced, by anybody or anyone)

I further rescind any and all feudal contracts with that Federal government, (Corporation) its agencies and with the State of Alabama, that Corporation STATE OF ALABAMA and its agencies .

I also now understand that my Birth Registration Number was created via fraud using my mother as an informant while under the extreme duress of child birth, to give me up to STATE without full and honest disclosure and I was bonded and insured shortly after I was born. And at present those funds are being used by multiple Corporations including multiple Life insurance policies. I demand that those bonds and policies be redeemed for real monies and if any debts are proved against me those debts withheld as payment in full that I may be made whole and the balance paid to me in real money. US Postal Money Orders, gold or silver shall suffice.

I emphatically deny that I have ever filed for bankruptcy protection with any degree of complete understanding and honest disclosure. Nor have I ever given my Power of Attorney to anyone or to the

State of Alabama or any of the union states or territories of the UNITED STATES (Corporation) government for the purpose of instituting a bankruptcy action in my name with any degree whatsoever of complete understanding, full and honest disclosure or without great duress. Nor granting that my Labor and or my Property of whatever kind, or wherever situated, be held as collateral in any bankruptcy proceeding of the State or Federal governments. Nor any scheme, using my labor and property as collateral, to support or fund a fiat money scheme of the Federal Reserve Bank, Inc. and/ or the State of Alabama and/or Federal UNITED STATES Government. I have found even real property has been stolen from me through fraud by agents of county on behalf of STATE. This should be Allodial to me under Land Patent and described in metes and bounds. Not in lot block tax#.

I have lived a productive and eventful life, now in anticipation of the end and God's mercy and grace. Undoubtedly the singularly most horrific moment of that life was the conviction to repudiate my Citizenship of the "UNITED STATES". Those words, "REPUDIATE MY CITIZENSHIP," crushes the very soul within me. I have proudly stood for and pledged my allegiance to the Flag, not knowing until recently, the civil flag even existed. The memories of our brave young men, comrades in arms, who defended the Constitution, who never had a life, flood before me. They sacrificed all of their tomorrows so that I might have mine. Those memories will always remain with me and be remembered with humble honor and gratitude. My own family members and ancestors proudly served our country to defend our great Constitution to assure that we remained a freedom nation. My brother was one of them.

Our educational propaganda system is a joke, our children are taught only what the fraud of government wants known and nothing more.

The awful knowledge and horror of betrayal by my own government of which I was once so proud, is an unbearable sorrow that I must now carry to my grave; but I shall do so a free woman.

Alas, our fathers and grandfathers were asleep at the helm and not as vigilant as they were instructed to be by Thomas Jefferson. Americans are now awakening to the cataclysmic reality of a Fascist, one-world government, having replaced our intended Constitutional Republican Government.

The Declaration of Independence for the United States of America clearly outlined the necessary course each citizen must take when his government became insufferable. Over the past one hundred years, nearly all of our unalienable rights have been stripped from us through the sophistry and obfuscation of

the Courts and blood lust of the Congress for spending debt-based money borne on the back of the American people. What they have done is egregious, but as the Declaration of Independence points out, “... all experience hath shown that Mankind are more disposed to suffer, while Evils are sufferable, than to right themselves by abolishing the Forms to which they are accustomed.” By sufferable, I believe they meant survivable.

That same Declaration also declared: “We hold these Truths to be self-evident, that all Men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty, and the Pursuit of Happiness – That to secure these Rights, Governments are instituted among Men, deriving their just Powers from the Consent of the Governed, that whenever any Form of Government becomes destructive of these Ends, it is the Right of the People to alter or abolish it...”

“I most certainly understand now that God is not one to show partiality, but in every nation the man who fears (reveres) Him, and does what is right, is welcome to Him.” (Acts 10:16)

Since 1861, We have been under Martial Rule, And the 41st congress adjourned Sine Die it has operated as De Facto.

Since 1871, the United States of America, became The United States of America Corporation, without disclosure of the facts and without the vote of the people. And with the 14th Amendment and the redefining of the word “Person” All were made US Citizens without disclosure of what that meant made all Persons Slaves and residents of Washington D.C.

Since 1911, and its Federal Reserve Act has given our currency to a Private mostly foreign owned and controlled Corporation.

Since 1933, beginning with the confiscation of our Gold and Allodial property, rather than “secure” our Right to Life, Liberty and the Pursuit of Happiness, our government has persistently and systematically reduced our standard of living. But this Evil seemed survivable, so we just suffered and let it pass, letting the water get a little hotter.

Since 1871, our government has refused to “secure” our Right to Life, Land or Liberty by persistently increasing our burden by Regulations, prohibitions, legalized abortion and unlawful taxes. They have corrupted our Judicial System with Statutory Law, replacing the Common Law and the protections which it afforded us with the severe and brutal Equity/Admiralty jurisdictions, where the Constitution is of no protection. They have lied and withheld the truth about the jury’s power to judge the law as well as the facts, all but turning the jury system into a prosecutor’s tool and not our protection from over-zealous prosecutors that it was intended to be through nullification.

They have increased our Prison population to nearly Two and a half million inmates, the largest imprisonment of its own citizens of any country in the world. They have done this not to secure justice to protect the people but are imprisoning people without a crime. No victim No crime! And a corporation of any sort be it The UNITED STATES or STATE of Franchise or Burger King, has no living soul to be harmed. With the “Patriot Act” and the “NDAA” US Citizens are held without due process, without a jury of their “Peers” as defined by Black’s Law Dictionary, without adequate defense or of benefit of witnesses or evidence that is not allowed, at the whim of corrupt judges, being lied to by Actors of the court, AKA members of the Bar Association. Completely blatantly obvious and repulsive to sit in a court of fake law and watch good men and women citizens supposed to be under the protection of “government” sent to prison by these actors when there was no victim and no harm to another living soul. It is a for profit system! A way to tax the poor with no regard to destruction of lives of citizens. Why? Bonds! (Proofed by sf24, sf25, sf25a, and others) The courts collect billions from (the people’s trust) and judges and prosecutors receive “net retention’s” effectively commissions, incentives for a conviction, a system of fraud designed to destroy real justice.

Child kidnapping and trafficking by CPS, CSD, or DHR, workers in cohorts with courts (Attorneys and Judges) and “Houses” that all make a profit from (Citizens and Taxpayers) these Heinous Crimes and Trafficking.

The United States Constitution is a Compact or Contract between the Federal government and the “States” of the Union. Its fundamental and guiding principle is the idea that the State is always a potential source of corruptive power and ultimate tyranny.

Originally the Federal government's responsibilities were confined to a few enumerated powers, involving mainly national security and public safety. In the realm of domestic affairs, the Founders sought to guarantee that federal interference in the daily lives of citizens would be strictly limited. They also wanted to make sure government would have a minimal role in the domestic economy and that it would be financed and delivered at the state and local levels, not by an evil and pestilential Central Banking System, as is the Federal Reserve Bank, Inc.

In Article I, Section 8, of the Constitution, the enumerated powers of the federal government to spend money are defined as 18 services under contract with one more additional service located in the preamble that the States people agreed to pay for and no more. That Sirs, is the contract and no more.

These powers include the right to "establish Post Offices and post roads; raise and support Armies; provide and maintain a Navy; declare War..." and to conduct a few other activities related mostly to national defense. No matter how long one may search, it is impossible to find in the Constitution any language that authorizes at least ninety percent of the civilian programs that Congress crams into the federal budget every day of every year.

The federal government has no authority to pay money to farmers, run the health care industry; impose wage and price controls, give welfare to the poor and unemployed. They have no authority to provide job training, subsidize electricity and telephone service, lend money to businesses and foreign governments, or build parking garages, tennis courts, and swimming pools. But they do. The Founders did not create a Department of Commerce, a Department of Education, or a Department of Housing and Urban Development. Or a Bureau of Land Management, or a Federal Bureau of investigation which has no congressional charter to even exist. What Part of 10 Square Miles and forts and ports do they not get? This was no oversight: they did not believe that government was authorized to establish such agencies. They were correct; Congress is forbidden by the Constitution to establish any such agencies.

The Tenth Amendment to the Constitution states clearly and unambiguously: "The powers not delegated to the United States by the Constitution ... are reserved to the States respectively, or to the people."

In other words, if the Constitution doesn't specifically permit the federal government to do something,

then it doesn't have the right to do it. May God have mercy on your soul for bankrupting and enslaving our people. Yes, the 14th Amendment enslaves us albeit voluntary, but without full and proper disclosure, and this as you know is fraud.

Title 50, Chapter 32, Section 1520, permits the government to experiment on us with biological and chemical agents. Thanks to a treacherous Treasonous Congress, it is now legal for the DOD or their contractors to experiment with biological and chemical agents on the American people. The only proviso Congress imposes on them is that at least two unspecified local officials be notified within the subject community, as in the garbage collector or the water meter reader. Once that major communication event occurs, the test can begin within 30 days. But we are not told; our children aren't told. No problem?

Through government oversight and regulations, it is done now with our food with Pesticides, herbicides, RBST, GMO's, Fluorides, Estrogen sterilization agent coatings on the inside of nearly every can used to can common everyday foods, then we wonder why men need Viagra just to get an erection and why we have a much higher percentage of unmanly men, and manly women. Harm is done with Pharmaceutical Drugs, Vaccines, and Heavy Metals. All these things change our very Genomes. Our DNA.

Today we are poisoned by our spraying of our air, food, water, doctor's dealing legal death drugs, all at the blessing of government. Despicable! Shame on you.

This is a few of the many reasons, (all would fill many volumes) that I, a God-fearing Living Soul must sever my relationship with the UNITED STATES (Corporation) government, to ease the heavy burden on my soul these foul deeds have laden it with. What Is The Name of The Crime? — Unlawful Conversion

Obviously, it's fraud. Slavery and involuntary servitude. That, surely... Trespass also...

But there is so much more to what has been done to us by our "Public Servants".... conscription, inland piracy, racketeering, kidnapping, press-ganging, enslavement, false presumption, false arrests, false impersonation, deliberate mischaracterization, plundering, pillaging, unauthorized hypothecation of debt, conspiracy to defraud, conspiracy against The Constitution, invasion, trespassing, copyright infringement, trademark violations, identity theft, grand theft and larceny, deprivation of rights....

I believe that Congressman Louis T. McFadden nailed it back in 1934.

Unlawful Conversion Unlawful conversion of our identities and our assets has been the entire aim of the Territorial United States/Municipal United States Tag Team. We've had the British Enemy pretending to be our friend on one side, and the out-of-control Vatican Thugs on the other, conspiring together against us and against virtually everyone else's lawful government, too, because the same evils have been visited on a many other countries including most of Europe, Australia, New Zealand, Japan, India, Canada, Mexico.... and the list goes on.

Unlawful conversion of our Trade Names redefining them as Foreign Situs Trusts. Unlawful conversion of our American state national standing to that of mere corporate US "citizens".

Unlawful conversion of our land patents to titles and leases held under color of law.

Unlawful conversion of our private property to public assets.

Unlawful conversion of our government on the land to a government on the sea.

Unlawful conversion of the copyrights and trademarks we are owed.

Unlawful conversion of our private bank accounts to public "personal" accounts.

Unlawful conversion of our States to "State of States" and "STATE OF STATES".

Unlawful conversion of our public courts to private corporate tribunals.

Unlawful conversion of private civilian assets to public trust assets.

Unlawful conversion of American Common Law to English Common Law.

Unlawful conversion of public records to private registrations.

Unlawful conversion of our right to elect to mere voting privileges.

The sheer scale of this sly, secretive crime spree all across the globe is staggering, especially when one considers that it has all taken place under a lie, a banner of freedom and progress---- while in fact delivering a form of modern feudalism instead.

How long before police forces and military wake up and do their jobs and prosecute the actual criminals?

How long before the government politicians responsible know for sure that they have been caught and are forced to correct, or none of us will have any reason to pay them for their "service"?

Even the IRS is not who we think they are, IRS agents are neither trained nor paid by the United States government. Pursuant to Treasury Delegation Order No. 92, the IRS is trained under the direction of the Division of Human Resources of the United Nations (U.N.) and the Commissioner (International), by the office of Personnel Management.

In the 1979 edition of 22 USCA 278, "The United Nations," you will find Executive Order 10422. The Office of Personnel Management is under the direction of the Secretary of the United Nations. Pursuant to Treasury Delegation Order No. 91, the IRS entered a "Service Agreement" with the US Treasury Dept (See Public Law 94-564, Legislative History, pg.5967, Reorganization (BANKRUPTCY!!!) Plan No. 26) and the Agency for International Development.

This agency is an international paramilitary operation and according to the Dept of the Army Field manual (1969) 41-10, pages 1-4, Sec. 1-7(b) & 1-6, Sec. 1-10 (7) (c) (1), and 22 USCA 284, includes such activities as, "Assumption of Full or partial executive, legislative, and judicial authority over a country or area."

The IRS is also an agency/member of a 169 Nation pact called the International Criminal Police

organization, or INTERPOL, found at 22 USCA 263a. The memorandum of Understanding (MOU), between the Secretary of Treasury, AKA the corporate governor of "The Fund" and "The Bank" (International Monetary Fund, and the International Bank for Reconstruction and Development), indicated that the Attorney General and its associates are soliciting and collecting information for foreign principles; the international organizations, corporations, and associations, exemplified by 22 USCA 286f.

According to the 1994 US Government Manual, page 390, the Attorney General is the permanent representative to INTERPOL, and the Secretary of Treasury is the alternate member. Under Article 30 of the INTERPOL constitution, these individuals must expatriate their citizenship. They serve no allegiance to the United States of America.

The IRS is paid by "The Fund" and "The Bank". Thus, it appears from the documentary evidence that the Internal Revenue Service agents are "Agents of a Foreign Principle" within the meaning and intent of the "Foreign Agents Registration Act of 1938" for private, not public gain!

The IRS is directed and controlled by the corporate Governor of "The Fund" and "The Bank". The Federal Reserve Bank and the IRS collection agency are both privately owned and operated under private statutes. The IRS operates under public policy, not the Constitutional Law, and in the interest of our nation's foreign creditors.

The Constitution only permits Congress to lay and collect taxes. It does not authorize Congress to delegate the tax collection power to a private corporation, which collects our taxes for a private bank, the Federal Reserve, who then deposits it into the Treasury of the IMF. The IRS is not allowed to state that they collect taxes for the United States Treasury. They only refer to "The Treasury."

Supporting Statutes – R.S. TITLE XXV SEC. 1999 (1878)

“Whereas the right of expatriation is a natural and inherent right of all people, indispensable to the enjoyment of the rights of Life, Liberty, and the pursuit of happiness; and whereas in the recognition received emigrants from all nations and vested them with the rights of citizenship; and whereas it is claimed that such American citizens, with their descendants, are subjects of foreign states, owing

allegiance to the governments thereof; and whereas it is necessary to the maintenance of the public peace that this claim of foreign allegiance should be promptly and finally disavowed: Therefore, any declaration, instruction, opinion, order, or decision of an officer of the United States which denies, restricts, impairs, or question the right of expatriation, is declared inconsistent with the fundamental principles of the Republic.”

The above statute reads like it was meant for foreigners who come to this country from all over the world. Definitions are all important in the reading of any legal writing. The definition most important in the above statute is the words “foreign states,” so let’s look at some other statutes, Supreme Court decisions and dictionary definitions that shed additional light on those words.

The Constitution was made for States, not territories,” wrote Daniel Webster. “[T]he Constitution of the United States as such does not under it extend beyond the limits of the States which are united by and under it,” wrote author Langdell in “The Status of Our New Territories,” 12 Harvard Law Review 365, 371.

Judicial note should be taken that the United States Constitution always denoted “Citizen” and “Person” in capital letters prior to the 14th Amendment; thereafter, “citizen” and “person” were not capitalized. The distinction between “citizens of the United States” and “Union States Citizens” has been fully recognized by the Congress and the Courts as follows:

“We have in our political system a government of the United States and a government of each of the several States. Each one of these governments is distinct from the others, and each has citizens of its own who owe it allegiance, and whose rights, within its jurisdiction, it must protect.” ^a [Emphasis added]

The Federal Government is a “state”. ^b Foreign State. A foreign country or nation. The several United States are considered “foreign” to each other except as regards their relations as common members of the Union. (Black’s Law Dictionary, Sixth Edition, page 1407) Congress identifies these citizens of the “District” as “individuals” or citizens who reside in the “United States” and who are subject to the direct control of Congress in its local taxing and other municipal laws. Asking one question can clear up the distinction between the two types of Citizens:

Are both classes of Citizenship the same and, if not, what is the difference?

Citizens of the Union States have the right of suffrage (right to vote); District citizens have no such right.

If you are not a United States citizen of Washington, D.C., or the territories and possessions, then what are you in relation to the federal government?

a NON-RESIDENT ALIEN or more appropriately known as an...

American State National

At first that term does not seem to describe one's relationship to the federal government, but Federal Income Tax Law and the Supreme Court enlighten greater understanding of the term. The revenue laws do not use the term "sovereign citizen." Those laws refer to United States Persons, Resident Aliens and Nonresident Aliens. U.S. persons are defined to include, among other things, citizens, employees and residents (i.e.: resident aliens) of the United States.

Treasury Decision (TD) 2313

The Supreme Court decision on a tax case determined the issue. *Brushaber v. Union Pacific Railroad Co. Inc.* (240 U.S. 1) 1916 is often cited by the IRS as demonstrating its authority to collect income tax and that the income tax is constitutional (limited application). What the IRS fails to mention, and what is not apparent from looking at the court's ruling in the case, is that the case concerned income from within the United States accruing to a nonresident alien, which is subject to the federal income tax because he was involved in a trade or business with a federally-chartered corporation.

Treasury Decision 2313 in elaborating on the case makes this apparent:

"Under the decision of the Supreme Court of the United States in the case of *Brushaber v. Union Pacific Railway Co.*, decided January 24, 1916, it is hereby held that income accruing to nonresident aliens in the form of interest from the bonds and dividends on the stock of domestic corporations is subject to the income tax imposed by the act of October 3, 1913." (Treasury Decision 2313)

It is based upon the decision of the Supreme Court in a lawsuit brought by a citizen of New York, living in Brooklyn, against the Union Pacific Railway Co., a federally-chartered corporation. The purpose of the

suit was to prevent the railway company from withholding the 1% tax from the dividends payable to the New Yorker. The state citizen lost that case. In reliance upon that decision, the Treasury Department referred to the New Yorker as a nonresident alien who, as such, was not exempt from the withholding of taxes from dividends payable by a domestic corporation (i.e., chartered by the federal government)! The fact that TD 2313 called Mr. Brushaber a nonresident alien seems proof enough that citizens of states are nonresident aliens for all purposes of the Code, and if this is true, then a corporation chartered in a state is foreign, while only federally- chartered corporations can be domestic. So, anything done in a state is done without the United States.

The Treasury Department actually confirmed their understanding by their analysis of the Brushaber case on the status of a sovereign as being a nonresident alien for revenue purposes.

A nonresident alien is anyone who is neither a citizen nor a resident (alien) of the United States. Since the sovereign is not a “citizen of the United States” under the Code (by virtue of the definition in the regulations), and since he does not fit the definition of a resident alien, by elimination, he must be a nonresident alien!

The term “alien” must apply to the sovereign, because he is alien to the status of subject citizen, and he does not fit the special definition of resident found in the 14th Amendment. It may also be said that, since the sovereign person does not live within the political jurisdiction of the United States, he is nonresident thereto. Thus, he can be nonresident to the place, as well as nonresident and alien to the status of subject citizen.

Under the language of the Code, as interpreted by the tax regulations, the sovereign may be liable for the tax applicable to the nonresident alien. The Code subjects nonresident aliens to taxes upon income which is received either from a trade or business “effectively connected with the United States,” or from a source “within” the United States. Do not assume that this means some place as foreign as France or Japan. It appears to refer to the fifty states, just as clearly as did TD 2313.

As to taxability of nonresident alien income, in order for such income of the nonresident alien to be taxable, it will have to emanate from sources within sovereign federal areas or from an activity that is effectively connected with the political jurisdiction of the United States by reason of the ATF laws, patents, copyrights, federally-created entities, etc. If it emanates from any of the fifty states and is not

“connected” with those federally-controlled activities, such income is not taxable to the sovereign people. Once again, the problem is to find a court that will apply this truth. To do this, one must show to the court that an activity in one of the fifty states is “without” the United States.

To do this, it is suggested that a standard form subpoena, as issued by the clerk of any United States District Court, be marked as an exhibit.

Point to the return of service which states that it is signed “under penalties of perjury pursuant to the laws of the United States of America.” Then attach it to a motion which cites 28 USC §1746(1). This statute defines that form of verification is applicable only “without” the United States! Also cite 28 USC §297, showing that the fifty “freely associated compact states” are referred to as “countries.”

Combined with the Brushaber case and TD 2313, one would make it hard for the court to deny that income from within the fifty states is without the United States.

Through its regulations, the government has made it difficult to expatriate, as they require that you leave the country and do the deed at a Consulate or Embassy. However, President Bush may have made the task a little easier since he has Declared War against Terrorists as (6) formally renouncing U.S. citizenship within the U.S. (but only “in time of war”) (Sec. 349 (a) (6) INA); Simply address the Document to the Attorney General per the regulation.

“...he was not a citizen of the United States, he was a citizen and voter of the State...” “One may be a citizen of a State and yet not a citizen of the United States”. McDonel v. The State, 90 Ind. 320 (1883)

"That there is a citizenship of the United States and citizenship of a state,..." Tashiro v. Jordan, 201 Cal. 236 (1927)

"A citizen of the United States is a citizen of the federal government ..." Kitchens v. Steele, 112 F. Supp 383

"Taxpayers are not [de jure] State Citizens." Belmont v. Town of Gulfport, 122 So. 10.

State v. Manuel, 20 NC 122: "the term 'citizen' in the United States, is analogous to the term 'subject' in common law; the change of phrase has resulted from the change in government."

Supreme Court: Jones v. Temmer, 89 F. Supp 1226: "The privileges and immunities clause of the 14th Amendment protects very few rights because it neither incorporates the Bill of Rights, nor protects all rights of individual citizens. Instead, this provision protects only those rights peculiar to being a citizen of the federal government; it does not protect those rights which relate to state citizenship."

Supreme Court: US vs. Valentine 288 F. Supp. 957: "The only absolute and unqualified right of a United States citizen is to residence within the territorial boundaries of the United States."

The Amendment (14th) recognized that "an individual can be a Citizen of one of the several states without being a citizen of the United States," (U.S. v. Anthony, 24 Fed. Cas. 829, 830), or, "a citizen of the United States without being a Citizen of a state." (Slaughter-House Cases, supra; cf. U.S. v. Cruikshank, 92 US 542, 549 (1875)).

A more recent case is Crosse v. Bd. of Supervisors, 221 A.2d 431 (1966) which says: "Both before and after the Fourteenth Amendment to the federal Constitution, it has not been necessary for a person to be a citizen of the United States in order to be a citizen of his state." Citing U.S. v. Cruikshank, supra.

The courts presume you to be a federal citizen, without even telling you that there are different classes of citizens. It is up to you dispute this. See...

"Unless the defendant can prove he is not a citizen of the United States, the IRS has the right to inquire and determine a tax liability." U.S. v. Slater, 545 Fed. Supp. 179,182 (1982).

"There are, then, under our republican form of government, two classes of citizens, one of the United States and one of the state". Gardina v. Board of Registrars of Jefferson County, 160 Ala. 155; 48 So. 788 (1909)

"The governments of the United States and of each state of the several states are distinct from one another. The rights of a citizen under one may be quite different from those which he has under the other". Colgate v. Harvey, 296 U.S. 404; 56 S.Ct. 252 (1935)

"...rights of national citizenship as distinct from the fundamental or natural rights inherent in state citizenship". Madden v. Kentucky, 309 U.S. 83; 84 L.Ed. 590 (1940)

"There is a difference between privileges and immunities belonging to the citizens of the United States as such, and those belonging to the citizens of each state as such". Ruhstrat v. People, 57 N.E. 41 (1900)

"...the first eight amendments have uniformly been held not to be protected from state action by the privilege and immunities clause [of the 14th Amendment]". Hague v. CIO, 307 US 496, 520

"The right to trial by jury in civil cases, guaranteed by the 7th Amendment...and the right to bear arms guaranteed by the 2nd Amendment...have been distinctly held not to be privileges and immunities of citizens of the United States guaranteed by the 14th Amendment...and in effect the same decision was made in respect of the guarantee against prosecution, except by indictment of a grand jury, contained in the 5th Amendment...and in respect of the right to be confronted with witnesses, contained in the 6th Amendment...it was held that the indictment, made indispensable by the 5th Amendment, and trial by jury guaranteed by the 6th Amendment, were not privileges and immunities of citizens of the United States, as those words were used in the 14th Amendment. We conclude, therefore, that the exemption from compulsory self-incrimination is not a privilege or immunity of National citizenship guaranteed by this clause of the 14th Amendment." Twining v. New Jersey, 211 US 78, 98-99

State Citizenship Test

The following are some of the citizenship criteria found on various government forms styled in a way to deceive you out of your rights secured by the original constitution of our republic. United States of America and the original State constitutions. They have stopped using the term State Citizens on all of the forms for the purpose of constructive fraud. Remember that a State Citizen is a not a national of the United States. But is a national of the United States of America. See...**8 USC § 1101(a)(21)** The term state “national” means a person owing permanent allegiance to a state. (This is a State Citizen) **(22)** The term “national of the United States” means (A) a citizen of the United States, or (B) a person who, though not a citizen of the United States, owes permanent allegiance to the United States. **(23)** The term “naturalization” means the conferring of nationality of a state upon a person after birth, by any means whatsoever.

There exist mountains of supporting evidence and court decisions regarding my true status, and it seems absolutely preposterous to require anyone to jump over obstacles in order to expatriate from tyranny.

Again, this is one of the most important decisions of my life, so I, do not approach it in a cavalier manner.

I asked for wisdom and direction from my Heavenly Father before making this very important decision.

“If any of you lack wisdom, let him ask of God, that giveth to all *men* liberally, and upbraideth not; and it shall be given him.” **James 1:5**

Last, but not least”. “If the Son therefore shall make you free, ye shall be free indeed.” John 8:36

Notice that lawful taxes are not even a consideration, as raising any concerns whatsoever, as proper taxes have proper and entire place in government.

Conclusion

On every front, with blinding speed and inexhaustible power, the evil forces of darkness of the New World Order are closing a Ring of Fire on freedom. In every domain and field of human endeavor, the choking, suffocating idolatry permeates all fields of human thought, corrupting our language, destroying truth and justice, demolishing integrity and virtue, enacting totalitarian legislation and controlling education and

communications.

“But thou shalt say unto them this is a nation that obeys not the voice of the LORD their God, nor receives correction: truth is perished, and is cut off from their mouth.” (Jeremiah 7:28

Above all, the vilest evil is the destruction of our unborn children – a thing so horribly vile that even maggots in filth do not do. Then the attack on our faith and its foundations of Biblical thought and experience, demonizing God’s followers as religious right-wing zealots to be held in ill repute, ever rapidly expanding its deviancy of evil, closing the parameters on the just, as the UNITED STATES collapses inextricably into Babylon. “For You formed my inward parts; you knitted me together in my mother’s womb. I praise You, for I am fearfully and wonderfully made. Wonderful are your works; my soul knows it very well. My frame was not hidden from you, when I was made in secret, intricately woven in the depths of the earth. Your eyes saw my unformed substance’ in your book were written, every one of them, the days that were formed for me, when as yet there were none of them.” Psalms 139-13-16

God save me, but the UNITED STATES government is no longer sufferable. I can tolerate its pernicious and predatory conduct no longer as a citizen of the UNITED STATES (Corporate) fiction.

I hereby repudiate, rescind, renounce and disavow any CITIZENSHIP status with the UNITED STATES GOVERNMENT that I may have inadvertently acquired, by any scheme. My birthright now being re-secured as a member of the Sovereign Body of freemen and women known as Americans, American State Nationals

American State Nationals

I hereby pledge my allegiance only to the one and only Creator God. I shall live by the commandment of “Love thy Neighbor” and shall “Do no Harm” in my private pursuit of life, liberty, happiness. **“YOU SHALL WORSHIP THE LORD YOUR GOD AND SERVE HIM ONLY.” Luke 4:8**

America demands no less from me in that freedom has never been free.

My love for the united “States of America” has never been stronger. So help me GOD; Lord Jesus come

quickly, Amen.
