ARTICLE I  
EXCLUSIVE RESIDENTIAL USE AND IMPROVEMENTS

1.01 These Protective Covenants are subject to the Development Agreement dated June 14, 2021 between EBSCO Development Company, Inc. (“EBSCO”), and the Developer, recorded in the Office of the Judge of Probate of Shelby County, Alabama, Instrument No. 20210615000292230 and the Development Agreement dated March 23, 2022 between EBSCO and the Developer, recorded in the aforesaid Probate Office as Instrument No. 20220324000120060 (collectively, the “Development Agreement”). 1.01.3 until such time, if at all, that Developer has closed on the purchase of all of the Additional Phases, the documents associated with the Hillsong at Mt. Laurel Development ("Development Documents") may not be amended, modified, terminated or altered without the prior written consent of EBSCO; provided, however, that upon the purchase of each of the Additional Phases by Purchaser, the Development Documents may be amended without EBSCO's written consent to add each of the additional phases to all of the terms and provisions of the Development Documents.

1.01.4 Purchaser covenants and agrees that the HOA Documents shall also provide that Purchaser shall solely and exclusively have all "Developer" rights under the improvements to be made within the Property, subject to the terms and Provisions of Paragraph 7(c) below. Purchaser agrees to ensure that the overall community layout and home plans within the Property achieve continuity with neighboring Mt Laurel.

1.01.5 Notwithstanding anything provided herein or in the HOA Documents approved by the Seller to the contrary, Seller must approve all Elements to be constructed within the Property, which shall not be unreasonably withheld, conditioned or delayed so long as such Elements are comparable to those currently found in Mt Laurel.

1.01.6 Immediately upon the recordation of the HOA Documents, Purchaser shall enter into a recordable assignment conditionally assigning to Seller all development rights of Purchaser under the HOA Documents, which assignment will be exercisable by Seller only if Purchaser fails to timely close on the purchase of the Additional Property in accordance with the terms and provisions of the Purchase Agreement. Such assigned development rights shall be a first in-priority assignment superior to any mortgages or other encumbrances on the Property and include, without limitation, all rights of Purchaser to add the Additional Phases to the terms and provisions of the HOA Documents.

1.02 All Lots shall be known and described as residential Lots and shall be used for single-family residential purposes exclusively. No Lot shall be subdivided or re-subdivided without the prior written approval of Developer, or after the termination of the Developer's interest.

No mobile home or modular housing is allowed. Any outbuilding will be in conformity to the standards set herein and approved by the Architectural Review Committee (hereinafter referred to as "Committee"), established by Developer pursuant to Article III hereof.

1.04 Notwithstanding anything provided to the contrary herein, Developer shall be permitted to construct and maintain on any Lot a structure and related facilities which may be designed and used as a construction field office and as a sales/marketing office.

1.05 Subject to the provisions of Articles VII and VIII below and the rights retained below by the Committee, each Lot and any dwelling, building or other structure constructed or placed thereon shall be subject to minimum setbacks as set forth on the recorded Subdivision Plat. No structure (other than the residential dwelling and any attached garage or guest house) may be constructed closer to the ingress and egress road than the back of the residential dwelling. Any buildings of any nature, including gazebos, decks and outbuildings built on any Lot must conform to a residential nature and must be approved by the Committee.

Any and all dwellings, buildings, structures and other improvements of any nature to any Lot must be approved by the Committee.

2.02 No refuse pile or unsightly object, including firewood, shall be allowed to be placed or suffered to remain upon any part of any Lot or the Property, including vacant Lots or Common Area. Developer, for itself and the Association, reserves the right (after ten (10) days prior written notice to an Owner) to enter any Lot during normal working hours for the purpose of removing trash or refuse therefrom which, in the sole opinion of either Developer or the Association, detracts from the overall beauty and safety of the Property, and may charge the Owner of such Lot a reasonable cost for such services, which charge shall constitute a lien upon such Lot enforceable by appropriate proceedings at law or equity or as hereinafter provided.

2.03 No animals, livestock, or poultry of any kind shall be raised, bred or kept on any Lot, except that dogs and/or cats (not to exceed a total of two (2) in number) and other indoor household pets may be kept on each Lot provided they are not kept, bred or maintained for any commercial purpose, subject to appropriate zoning ordinances. No household pets shall be permitted to run at large and shall be kept on a leash at all times when they are allowed off of their owner's property.

2.04 No noxious or offensive trade or activity shall be carried on or upon any Lot nor shall anything be done thereon which may be or become an annoyance or nuisance to the neighborhood or to other Owners or which would be in violation of any applicable governmental law, ordinance or regulation.

There shall be no occupancy of any dwelling unit until the interior and exterior of the dwelling is completed and a Certificate of Occupancy for such dwelling has been issued by the appropriate governmental authorities.

2.08 No sign of any kind shall be displayed to the public view on any Lot except builder's marketing and directional signs or as may be approved by the Committee. All signs shall comply with the design specifications of the Committee. No signs shall be nailed to trees, unless approved by the Committee.

2.14 Wood fencing may be utilized on any Lot with prior written approval of the same by the Committee. Black aluminum fencing is allowed on the rear only of any Lot. No other form of fencing may be utilized without the prior written consent of the Committee. If fencing is not finished on both sides, the finished side must be to the outside, if it faces any street or house. Where fences are constructed on two adjoining lots, the owners of each adjoining lot shall connect their fences on a shared fence as near as possible to the boundary line between their lots. The cost of the construction and maintenance of the shared fence shall be the responsibility of the first of the two adjacent property owners to construct the shared fence unless otherwise negotiated independently between the adjacent property owners. The owners of the adjoining lots shall grant an easement to the other adjoining lot owner for any encroachment of the shared fence onto their lot. All Residential Lots shown on the Final Plat of Phase 3 of Hillsong at Mt Laurel shall have exterior perimeter fencing which shall be maintained by the owners.

This section shall be subject to the Over-The-Air Reception Devices rule (47 C.F.R. Section 1.4000) as promulgated by the Federal Communications Commission.

2.18 No individual sewage disposal system shall be permitted on any Lot except as provided in Article IX below.

2.27 During all construction, all vehicles, including those delivering supplies, must enter each Lot on the driveway only as approved by the Committee so as not to unnecessarily damage trees, street paving and curbs. Any damage not repaired by the Owner or his contractor will be repaired by Developer or the Committee (after ten (10) days written notice) and will be charged to the Owner of such Lot at a reasonable cost for such services, which charge shall constitute a lien upon such Lot enforceable by appropriate proceedings at law or equity or as hereinafter provided during construction, all Owners must keep the homes, garages and building sites clean and attractive. No construction debris will be dumped in any area of the Property or any Common Area.

2.28 Except with the prior written consent of Developer, no Lot shall be sold or used for the purpose of extending any public or private road, street or alley or to provide a means of access to any other real property situated adjacent to or in close proximity with the Property.

2.32 The Committee shall have the right, in its sole and absolute discretion, to establish what type of mailbox may be utilized with any dwelling situated on a Lot.

### ARTICLE III ARCHITECTURAL REVIEW COMMITTEE

3.01 The Committee will consist of no more than five (5) persons each of whom will be designated and may be removed at any time by the Developer, until such time as Developer relinquishes in writing the authority to appoint members to the Committee to the Association. At such time as Developer no longer owns any Lot within the Property or upon Developer's written notice to the Association that it no longer desires to exercise the right to appoint and remove members of the Committee, then the Board of Directors of the Association shall have the right to appoint and terminate, with or without cause, all members of the Committee.

3.02 All plans and specifications, including plot plans, grading and drainage plans for any improvements to a Lot, exterior materials, texture and color selections for any dwellings and the plans for entrance columns serving any Lot within the Property shall be first filed with and approved by the Committee before any construction is commenced on such Lot. The Committee shall have the authority to require modifications and changes in plans and specifications if it deemed the same necessary. Notwithstanding any of the foregoing, homes built by Developer are excluded from the requirements set forth in this section.

3.03 The authority to review and approve plans and specifications as provided herein is a right and not an obligation. Owners (and their respective contractors) shall have the sole obligation to oversee and construct dwellings in accordance with the restrictions hereof and the plans and specifications approved by the Committee. No dwellings, buildings, structures or other improvements of any nature shall be constructed, erected, placed or maintained on any Lot until such time as the Committee has approved in writing the plans therefore. The Committee shall have the right to establish and amend from time to time written rules, regulations and standards governing policies, guidelines and minimum requirements relating to the construction and alteration of any dwellings or other improvements on any Lot, as well as the content and types of information required to be submitted to the Committee for its approval, each of which shall be in addition to the provisions and requirements set forth herein.

3.04 Any exterior remodeling, reconstruction, alterations or additions to an existing dwelling or any activity which would change or alter the exterior appearance of a dwelling must be approved by the Committee. Interior remodeling, reconstruction or alterations not affecting the exterior appearance of a dwelling shall not require the written approval of the Committee, but shall comply with all restrictions and covenants set forth herein.

3.05 Neither the Committee or any architect or agent thereof nor the Developer shall be responsible to check for any defects in any plans or specifications submitted, revised or approved in accordance with the foregoing provisions, nor for any structural or other defects in any work done according to such plans and specifications. EACH OWNER, BY ACCEPTANCE OF A DEED TO ANY LOT, DOES HEREBY WAIVE AND RELEASE THE COMMITTEE AND DEVELOPER AND ANY OF THEIR RESPECTIVE AGENTS, OFFICERS, DIRECTORS, MEMBERS AND SUCCESSORS AND ASSIGNS, FROM ANY LIABILITY OF ANY NATURE WHATSOEVER ARISING FROM DAMAGE, LOSS OR EXPENSE SUFFERED, CLAIMED, PAID OR INCURRED BY ANY OWNER ON ACCOUNT OF ANY DEFECTS IN ANY PLANS AND SPECIFICATIONS SUBMITTED TO OR APPROVED BY THE COMMITTEE, ANY DEFECTS RESULTING IN ANY WORK DONE IN ACCORDANCE WITH SUCH PLANS OR OTHER DATA SUBMITTED PURSUANT TO THE REQUIREMENTS OF THIS ARTICLE III AND ANY INJURY TO PROPERTY OR PERSON, INCLUDING DEATH, ARISING FROM ANY DEFECT IN ANY IMPROVEMENTS CONSTRUCTED ON SUCH OWNER'S LOT.

3.06 The Committee shall, in its sole and absolute discretion, determine whether the plans and specifications and other data submitted by any Owner for approval are acceptable. Any approval granted by the Committee shall be effective only if such approval is in writing. The Committee shall have the right to disapprove any plans and specifications upon any ground which is inconsistent with the objectives and purposes of the Protective Covenants, including, without limitation, purely aesthetic considerations, failure to comply with any of the provisions of the Protective Covenants, failure to provide requested information, objection to exterior design, appearances or material, objection on the ground of incompatibility with the overall scheme of development for the Property, objection to location of any proposed improvements on any Lot, objection to the color scheme, finish, proportions, style of architecture, height, bulk or appropriateness of any dwellings or other improvements on any Lot or any other matter which, in the sole and absolute judgment of the Committee, would render the proposed dwelling or other improvements inharmonious with the general plan of development for the Property. The approval of plans, specifications and other data for any one specific dwelling shall not be deemed to have established a precedent for future construction or otherwise obligate the Committee to approve similar plans, specifications or data for any other dwelling to be constructed on any Lot within the Property.

3.07 THE PROPERTY MAY BE LOCATED IN AN AREA WHICH INCLUDES UNDERGROUND MINES, TUNNELS, SINKHOLES AND SUBSURFACE CONDITIONS. THE APPROVAL OF PLANS AND SPECIFICATIONS BY THE COMMITTEE SHALL NOT BE CONSTRUED IN ANY RESPECT AS A REPRESENTATION OR WARRANTY BY THE COMMITTEE OR DEVELOPER TO ANY OWNER THAT THE SURFACE OR SUBSURFACE CONDITIONS OF ANY LOT ARE SUITABLE FOR THE CONSTRUCTION OF A DWELLING OR OTHER STRUCTURES THEREON. IT SHALL BE THE SOLE RESPONSIBILITY OF EACH

OWNER TO DETERMINE THE SUITABILITY AND ADEQUACY OF THE SURFACE AND THE SUBSURFACE CONDITIONS OF THE LOT. NEITHER DEVELOPER NOR THE COMMITTEE SHALL BE LIABLE OR RESPONSIBLE FOR ANY DAMAGE OR INJURY SUFFERED OR INCURRED BY OWNER OR ANY OTHER PERSON AS A RESULT OF SURFACE OR SUBSURFACE CONDITIONS AFFECTING A LOT OR ANY PORTION THEREOF, INCLUDING, WITHOUT LIMITATION, ANY SURFACE OR SUBSURFACE DRAINAGE OR UNDERGROUND MINES, TUNNELS, SINKHOLES OR OTHER CONDITIONS OR TYPES OF GROUND SUBSIDENCE OCCURRING ON OR UNDER ANY LOT.

3.08 The Committee shall have the right to establish, amend, change and modify from time to time reasonable charges and fees for the review of any plans and specifications submitted pursuant to the provisions hereof. Furthermore, the Committee shall, upon request and at reasonable charges, furnish to any owner a written certificate setting forth whether all necessary Committee approvals have been obtained in connection with any dwelling or other improvements on any Lot.

3.09 The Committee, in its sole and absolute discretion, shall have the exclusive right to grant variances with respect to any of the matters set forth in these Protective Covenants. Any variance approved by the Committee shall be in writing and shall be executed by either the chairman or the vice-chairman of the Committee. Oral statements shall not be binding on the Developer or Committee.

3.10 Each and every covenant and restriction contained herein shall be considered to be an independent and separate covenant and agreement, and, in the event any one (1) or more of said covenants or restrictions shall, for any reason, be held to be invalid or unenforceable, all remaining covenants and restrictions shall nevertheless remain in full force and effect.

#### ARTICLE IV

#### HILLSONG AT MT. LAUREL HOMEOWNERS' ASSOCIATION, INC.

4.01 Every Owner of a Lot within the Property and the Owner of every "Residential Lot" as hereinafter defined in the Development, is subject to assessments, as hereinafter provided, and shall be a member of the Association (the Certificate of Formation for which are recorded in the Probate Office of Shelby County, Alabama). Membership in the Association shall be appurtenant to and may not be separated from ownership of any Lot and shall be subject to the provisions of these Protective Covenants and the rules, regulations and bylaws of the Association, as the same may be modified and amended from time to time.

4.02 The Association shall have one (1) class of voting membership. All Owners, together with the Owners of all "Residential Lots", as hereinafter defined, shall be members of the Association and, subject to the rights reserved by Developer in the Certificate of Formation and Bylaws of the Association, shall be entitled to one (1) vote for each Residential Lot owned. When more than one (1) person holds an interest in any Lot, all persons shall be members; however, the vote for such Lot shall be exercised as they determine, but in no event shall more than one (1) vote be cast with respect to any Lot. Each Owner, by acceptance of a deed to a Lot, does hereby acknowledge and agree that (a) Developer, for so long as Developer owns any portion of the Development, shall be exclusively entitled to take all actions and vote on all matters to be voted on by the board of directors and the members of the Association in the manner set forth in the Certificate of Formation and Bylaws of the Association,

and (b) if Developer elects to add Additional Property to this Declaration or as part of the Association or modify the description of the Development to add or delete real property from such description, each Owner consents and agrees to the dilution of his voting interests in the Association as a result thereof.

4.03 The Association (with the prior written consent of Developer for so long as Developer owns any portion of the Development) shall have the right at any time and from time to time to merge, consolidate or otherwise transfer all of the rights and obligations of the Association to any other association which has been formed for the benefit of the Owners of any of the Lots within the Property or any real properties situated adjacent to or in close proximity with the Development.

## ARTICLE V COVENANT FOR ASSESSMENTS

5.01 Each Owner of a Lot within the Property, by acceptance of a deed to such Lot, agrees to pay to the Association: (i) annual assessments or charges levied each year by the Association, (ii) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided, and (iii) individual assessments which may be levied against any Lot and the Owner thereof as a result of such Owner's failure to comply with the terms of these Protective Covenants. The annual, special and individual assessments, together with interest, late charges, costs and reasonable attorney's fees, shall also be a charge on each Lot and shall be a continuing lien upon each Lot against which such assessment is made, which lien may be enforced in the manner hereinafter provided. Each such assessment, together with interest, late charges, costs and reasonable attorney's fees shall also be the personal obligation of the person who was the Owner of such Lot at the time when the assessment fell due or was due.

5.02 The annual and special assessments levied by the Association shall be used exclusively to promote the recreation, health, safety and welfare of the owners and residents of the Development, for the improvement and maintenance of the Common Areas within the Development and the payment of any and all costs and expenses incurred from time to time by the Association, including, without limitation, any "Common Expenses", as defined in the Bylaws of the Association.

5.03 Any expenses incurred by the Committee or the Association in enforcing any of the provisions of these Protective Covenants against a specific Owner shall be deemed an individual assessment against the Owner and the respective Lot owned by such Owner. Such individual assessment shall be levied by the Association and shall be specified to the Owner, which notice shall also specify the due date for the payment of same. The Association is solely responsible for and shall assume all maintenance responsibilities with respect to all Common Area within the Property.

5.04 The annual assessment for the Property shall commence on June 1 of each year, and shall be paid in advance. The annual assessment shall be established by the Association in accordance with its rules, regulations and Bylaws. Lots owned by the Developer or any Home Builder who has purchased lots for inventory in the Development shall not be subject to any assessment by the Association, be it annual, special or individual.

5.05 In addition to the annual assessments, the Association may levy, in any assessment year, a special assessment, applicable to that year only for the purpose of defraying in whole or in part the cost

of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, provided that any such assessment must have the assent and approval of (a) at least fifty-one percent (51%) of the total votes in the Association, whether voted in person or by proxy, at a meeting duly called for this purpose and (b) for so long as Developer owns any portion of the Development, the approval of the Developer.

5.06 Written notice of any meeting called for the purpose of taking any action authorized under Section 5.05 above shall be sent to all Owners not less than thirty (30) days but no more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence, either in person or by proxy, of the holders of at least fifty-one percent (51%) or more of all votes in the Association shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirements and the required quorum at the subsequent meeting shall be one-half (½) of the required quorum at the preceding meeting.

5.07 Both annual and special assessments for all Lots within the Property shall be fixed at a uniform rate; provided, however, that the Board of Directors of the Association shall have the right, in their sole and absolute discretion, to levy, assess and collect different amounts as the annual and/or special assessment payable by each "Residential Lot", as hereinafter defined, within the Development based on the zoning classifications of such Residential Lot. As used herein, the term "Residential Lot" or "Residential Lots" shall mean and refer to any real property within the Development which has been or will be developed for single family residential purposes, including, without limitation, attached or detached residential dwellings, townhouses, condominiums, cooperatives, duplexes, garden homes, patio homes, zero-lot-line homes, cluster homes, or any other types of single family dwellings. As used herein and in the Certificate of Formation and Bylaws of the Association, the term "Residential Lots", whether used in the singular or plural tense, shall include all Lots within the Property. Annual and special assessments shall commence as to each Lot on the day on which such Lot is conveyed to any Owner for home occupancy (other than Developer and Builder) and shall be due and payable in such manner as established by the Board of Directors of the Association. The Board of Directors of the Association shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner. The due date for the payment of annual assessments shall be established by the Board of Directors in such notice (but such due date shall be, at a minimum, thirty (30) days from the date of such notice).

5.08 The Association shall, upon demand and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessment on a Lot has been paid. A properly executed certification of the Association as to the status of the assessment on a Lot is binding upon the Association as of the date of its issuance.

5.09 Any assessments (whether annual, special or individual) which are not paid on or before the due date of the same shall bear interest from and after such due date at a rate equal to the lesser of eighteen percent (18%) per annum or the highest rate which may be charged to such Owner by law. In addition to interest, any assessments not paid by the due date for the same shall be subject to a late charge which the Board of Directors of the Association may from time to time establish. In the event any assessments or other amounts due to the Association are not paid by any Owner when the same comes due, then, in addition to all other rights and remedies provided by law or in equity, the Association, acting through

the Board of Directors or through any of its duly authorized officers or representatives, may undertake any of the following remedies:

(a) The Association may commence and maintain a suit at law against the Owner for a personal money judgment to enforce all such charges and obligations for assessments and other amounts due to the Association, which amounts shall include the late charge and interest specified above as well as all attorneys' fees, court costs and all other expenses paid or incurred by the Association in connection therewith; and/or

(b) The Association may enforce the lien created pursuant to Section 5.01 above as hereinafter provided. The lien created pursuant to Section 5.01 above shall secure payment of any and all assessments (annual, special and individual) levied against any Lot or Owner, all late charges and interest as provided above as well as all attorneys' fees, court costs and all other expenses paid or incurred by the Association in attempting to collect the assessments and in maintaining any legal action in connection therewith. If any assessments and other charges remain unpaid for more than sixty (60) days following the due date of the same, then the Association shall make written demand on defaulting owner, which demand shall state the date and amount of delinquency. If such delinquency is not paid in full within ten (10) days after the giving of such demand notice, then the Association may file a claim of a lien against the Lot of such delinquent Owner, which claim shall be executed by any member of the Board of Directors of the Association or any officer of the Association and may be foreclosed in the same manner as a foreclosure of a mortgage on real property under the laws of the State of Alabama, as the same may be modified or amended from time to time. The Association shall have the right and power to bid at any such foreclosure sale and to purchase, acquire, hold, lease, mortgage, convey and sell any such Lot purchased at any such foreclosure proceeding. Each Owner, by acceptance of a deed to any Lot, shall be deemed to (i) grant and vest in the Association and/or its agents the right and power to exercise the power of sale granted herein and foreclose the lien created herein, (ii) grant and vest in the Association and/or its agents the right and power to bring all actions against such Owner personally for the collection of all amounts due from such Owner, (iii) expressly waive any objection to the enforcement in foreclosure of the lien created herein, and (iv) expressly waive the defense of the statute of limitations which may be applicable to the commencement of any suit or action for foreclosure. No Owner (other than Developer) may waive or otherwise be exempt from the liability to pay the assessments provided herein.

5.10 The lien for assessments and other charges provided herein with respect to any Lot shall be subordinate to the lien of any first mortgage encumbering such Lot. The sale or transfer of any Lot shall not affect any lien retained by the Association on a Lot; provided, however, that the sale or transfer of any Lot pursuant to mortgage foreclosure or any similar proceedings shall extinguish the lien of such assessment as to payments which became due prior to such sale or transfer.

5.11 In addition to the rights and remedies set forth above, if any Owner (or his contractor, family members, guests or invitees) shall violate or attempt to violate any of the covenants and restrictions set forth herein, then Developer, the Association or the Committee, jointly and severally, shall each have the right to prosecute proceedings at law for the recovery of damages against such Owner as a result of such violations or maintain a proceeding in equity against such Owner to enjoin such violation; provided, however, that the rights and remedies set forth herein shall be deemed to be cumulative of all other rights and remedies available at law or in equity. In any such proceedings, Developer, the

Association or the Committee, jointly and severally, shall be entitled to recover all costs and expenses, including reasonable attorneys' fees, incurred by any of them in such proceedings, as well as interest on all unpaid amounts as specified in Section 5.09 above. The failure of Developer, the Association or the Committee to institute proceedings for any one (1) or more violations of these Protective Covenants shall not constitute approval of the same or be construed as a waiver of any right of action contained herein for past or future violations of said covenants and restrictions.

## ARTICLE VI EASEMENTS

6.01 Developer does hereby establish and reserve for itself, the Association, the Committee and their respective successors and assigns, a permanent and perpetual non-exclusive easement over, across, through and upon each Lot for the purpose of inspecting each Lot and any dwelling constructed thereon in order to determine the compliance with the provisions of these Protective Covenants and to otherwise perform any of their duties or undertake any of the action authorized or permitted to be taken by any of them pursuant to these Protective Covenants.

6.02 Developer does hereby establish and reserve for itself, its successor and assigns, a permanent and perpetual non-exclusive easement over, across, through, upon and under those portions of any Lot upon which the Developer has reserved an easement, as reflected on the recorded Subdivision Plat for such Lot, which easements may be used for the purpose of installing, erecting, maintaining and using above and below ground utility and cable television lines, poles, wires, cables, conduits, storm sewers, sanitary sewers, conveniences, appurtenances and other utilities.

6.03 Developer does hereby establish and reserve for itself, its successors and assigns, a permanent and perpetual non-exclusive easement over, across, through, upon and under all portions of the Common Area for the purpose of installing, erecting, maintaining and using thereon above and below ground utility and cable television lines, pipes, poles, wires, cables, conduits, storm sewers, sanitary sewers, conveniences and other utilities.

6.04 Subject to any applicable rules and regulations adopted from time to time by the Association and the payment of any fees and charges which may from time to time be established by the Association, Developer does hereby grant to the Association and each Owner the non-exclusive right, privilege and easement of access to and the use of the Common Area in common with Developer, its successors and assigns.

## ARTICLE VII SIDEWALK MAINTENANCE

7.01 Maintenance of all easements outside the road right-of-way shall be the responsibility of the Association.

7.02 Sidewalks are constructed throughout the Development. Lot owners are required to maintain sidewalks on their Lot. All common area sidewalks shall be maintained by the Association.

## ARTICLE VIII

## PRIVATE ROADS

8.01 Private Roads. The roads contained within Hillsong at Mt. Laurel shall not be dedicated for public use and shall remain a private road. Subject to the provisions of Section 8 of the Development Agreement, the Association shall be responsible for the upkeep and paving of all the roads within the Development.

8.02 Assessment. The Developer, for each lot owned within the Development, hereby covenants that each lot Owner of any lot, by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the HOA: (i) annual assessments of charges as established in the Protective Covenants and (ii) special assessments for capital improvements as established in the Protective Covenants, such assessments to be established and collocated as hereinafter provided. The annual and special assessments, together with interest, costs and responsible attorney's fees, shall be made, and shall further be a personal obligation of the person or persons who were the owner or owners of such lot at the time such assessments were made. The personal obligation is for delinquent assessment and shall not pass to the successor in title of any lot owner unless expressly assumed by such successor.

8.03 Responsibility of Shelby County. Shelby County will not maintain the roads within the Development or sewer within the Development now or in the future and will not honor a request to do such. Each deed for the sale of any lot in this subdivision will contain a statement that acknowledges the existence of these Protective Covenants and that Articles 8.01 and 8.03 contained herein cannot and will not be amended by action of the HOA.

## ARTICLE IX MISCELLANEOUS

9.01 Developer reserves the right, in its sole and absolute discretion, at any time and from time to time, to add and submit any additional property (the "Additional Property") situated adjacent to or in close proximity within the Property to the terms and provisions of these Protective Covenants. Additional Property may be submitted to the provisions of these Protective Covenants by an instrument executed solely by Developer and filed for record in the Probate Office of Shelby County, Alabama, which instrument shall be deemed an amendment to these Protective Covenants which need not be consented to or approved by any Owner or his mortgagee and which may contain different terms, conditions, restrictions and provisions from those set forth herein. From and after the date on which an amendment to these Protective Covenants is recorded in the Probate Office of Shelby County, Alabama submitting any Additional Property to the terms and provisions hereof, (a) all references herein to Owner shall include Owners of all Lots within the Property and the Owners of all Lots within such Additional Property, (b) all references herein to the Property shall include the Additional Property, and (c) the number of votes in the Association shall be increased by the number of Lots within the Additional Property so that there shall continue to be one (1) vote in the Association per Lot within the Property. In no event shall Developer be obligated to submit any Additional Property to the provisions of these Protective Covenants or to otherwise impose any covenants, conditions or restrictions set forth herein upon any other real property owned by Developer situated adjacent to or in close proximity within the Property.

9.02 The terms and provisions of these Protective Covenants shall be binding upon each Owner and their respective heirs, executors, administrators, personal representatives, successors and assigns of each Owner and shall enure to the benefit of Developer, the Committee, the Association and all of the Owners of any of the Lots within the Property. These Protective Covenants shall be deemed covenants running with the land and any Lot shall be held, owned, sold, transferred, conveyed, hypothecated, encumbered, leased, occupied, built upon and otherwise used, improved and maintained subject to all of the terms and provisions of these Protective Covenants.

9.03 It is understood and agreed that the foregoing covenants and restrictions shall attach to and run with the land for a period of fifty (50) years from the date hereof, at which time these covenants and restrictions shall be automatically extended for successive periods of ten (10) years, unless, by a vote of at least fifty-one percent (51%) of all votes in the Association, it is agreed to change the same in whole or part.

9.04 Subject to EBSCO's rights under the Development Agreement and the provisions of Sections 9.01 and 9.09 hereof, these covenants and restrictions may be amended or altered (a) solely by Developer during such periods of time as the Developer owns any Lots within the Property in the Developer's sole and absolute discretion, or (b) by the (i) vote of fifty-one percent (51%) of all votes in the Association and (ii) written agreement of the Developer which shall be provided by the Developer in its sole and absolute discretion.

9.05 All personal pronouns used herein, whether used in masculine, feminine or neuter gender, shall include all genders. The use of the singular tense shall include the plural and vice versa.

9.06 Each Owner hereby waives any right to seek or obtain judicial partition of any portion of the Property.

9.07 Notwithstanding anything provided herein to the contrary, no sale, transfer, conveyance, lease, pledge, encumbrance or other hypothecation of any Lot by Developer to any third party shall constitute or be deemed a transfer of any of the rights reserved herein to Developer unless express reference is made in such instrument of conveyance to the specific rights created in these Protective Covenants which Developer is transferring to such third party.

9.08 Whenever in these Protective Covenants Developer, the Association or the Committee has the right to approve, consent to or require any action to be taken, such approval, consent or required action shall, except as otherwise specifically provided herein to the contrary, be given or withheld in the sole and absolute discretion of Developer, the Association or the Committee, as the case may be.

9.09 Subject to the Development Agreement, Developer reserves the right, in its sole and absolute discretion, at any time and from time to time, without any obligation or requirement to obtain the consent or approval of any Owners or any of their mortgagees, to (a) add any additional real property to the Development to the extent the same may be developed for Residential Lots, (b) amend Exhibit "B" attached hereto in order to add or remove any real property from the definition of the Development, (c) alter, change or extend any roadways within the Development or alter any street grades of any roads within the Development, without liability to the Owners for any claims for damages resulting from such alterations or changes, and (d) change, modify or adopt different covenants and restrictions which would

affect the Residential Lots within other portions of the Development which covenants and restrictions may be different from those set forth in these Protective Covenants. Developer may undertake any of the actions set forth in this Section 8.09 including, without limitation, executing and recording amendments to these Protective Covenants with respect to any of the matters described in items (a) through (d) above, without the consent or approval of any Owner or his mortgagee. The Protective Covenants shall be applicable only to the Property, as described in Exhibit "A" hereto, and shall not extend to or be binding upon any other real property owned by Developer or any portion of the Development unless expressly subjected to the terms and provisions of these Protective Covenants by an instrument duly executed by Developer and recorded in the office of the Judge of Probate of Shelby County, Alabama. The Development shall not include any real property which may be developed for schools, golf courses, commercial uses or any other uses which are not Residential Lots (collectively, "Non-Residential Uses") and any of the real property described in Exhibit "B" hereto which is developed for Nonresidential Uses shall not be subject to assessments pursuant to these Protective Covenants or pursuant to the Certificate of Formation or Bylaws of the Association.

9.10 Subject to the conditions, restrictions and other provisions of this Declaration, all agreements, actions and determinations lawfully authorized by the Board shall be binding upon Owners, their heirs, executors, personal representatives, administrators, successors and assigns and all others having any interest in the Development. In performing its responsibilities hereunder, the Association, through the Board, shall have the right and authority to delegate to such persons of its choice such duties of the Association as may be determined by the Board. In furtherance of the foregoing and not in limitation thereof, the Association may obtain and pay for the services of any person or entity to manage its affairs or any part thereof, to the extent it deems advisable, as well as such other personnel as the Association shall deem necessary or desirable for the proper operation of any portion of the Development, whether such personnel are furnished or employed directly by the Association or by independent contract with the Association. All costs and expenses incurred incidental to the employment of a manager of the Development or any of the Common Areas shall be a Common Expense. During the term of any such management agreement entered into by the Association with a third party, such manager may, if authorized by the Board, exercise all the powers and shall be responsible for the performance of all of the duties of the Association, excepting any of such powers or duties specifically and exclusively reserved to the Board or the duties specifically and exclusively reserved to the Board or the officers of the Association by the Declaration, the Certificate of Formation or the Bylaws. Such manager may be an individual, corporation or other legal entity and may be bonded in such manner as the Board may require, with the costs of such bond to be a Common Expense. In addition to the foregoing, the Association may pay for and the Board may hire and contract for such legal and accounting services as are necessary or desirable in connection with the operation of the Development, or the enforcement of this Declaration, the Certificate of Formation, the Bylaws or any rules and regulations of the Association.

9.11 The Association shall and does hereby indemnify, defend and agree to hold each and every officer, agent, representative and member of the Board of the Association, including the Developer, harmless from and against any and all expenses, including court costs and reasonable attorney's fees, suffered, paid or incurred by any such officer, agent, representative or member of the Board in connection with any action, suit or other proceedings (including the settlement of any suit or proceedings if approved by the Board) to which such person may be made a party by reason of being or having been an officer, agent, representative or member of the Board of the Association. The officers, agents, representatives

and members of the Board of the Association shall not be liable for any mistake in judgment, negligence or otherwise except for their own willful misconduct or reckless disregard of duty, as finally determined by a court of competent jurisdiction. The officers, agents, representatives and members of the Board of the Association shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the Association and the Association shall and does hereby indemnify, defend and agree to forever hold each such officer, agent, representative and member of the Board harmless from any and all liability to others on account of any such contract or commitment. The indemnification obligations and rights provided for herein shall not be exclusive of any other rights to which any officer, agent, representative or member of the Board of the Association may be entitled, including anything provided to the contrary contained in the Certificate of Formation or the Bylaws. The Association shall maintain adequate general liability and officers and directors liability insurance in order to fulfill its obligations under this section and the costs of such insurance shall constitute a Common Expense.

ARTICLE XI  
REGISTERED SEX OFFENDERS

11.01 No offender (sexual offender or violent sexual offender) which is required to register pursuant to the Alabama Sex Offender Registration and Community Notification Act (Section 15-20A-1, et seq. Ala. Code (1975)) or any other similar federal, state or local legislation ("Offender") shall be permitted to: (i) hold an interest, including, without limitation, a fee simple or leasehold interest, in any lot or residence in the Development; (ii) reside within the Development; or (iii) utilize or enter upon the roadways or the lots in the Development. Without limiting any other right or remedy available to Developer, the Association, or the other owners in the Development, and notwithstanding anything herein to the contrary, Developer, the Association, and/or the other owners in the Development shall have the right to immediately seek any and all remedies available at law or in equity, including, without limitation, injunctive relief and rescission, in cases of a violation of this Restrictive Covenant. Upon the discovery of the purchase of a lot or residence, or the residing within the Development, by an Offender, the Developer, or the Association, shall retain the right to buy back the lot or residence for the original purchase price of the lot or residence from the owner. This Restriction may be rescinded by the Board of Directors of Hillson at Mt. Laurel Homeowners' Association ("Board") on the application by a potential purchaser or resident on a lot or residence within the Development. This rescission shall not be deemed effective until (i) a determination is made by the Board that the person applying is, in the Board's judgment, no longer a danger to the community based upon the facts and circumstances existing at said time, and (ii) it is set out in writing and recorded with the Office of the Judge of Probate of Shelby County, Alabama. This Covenant shall not be utilized at any time by the Board to discriminate against purchasers or lot owners on the basis of race, sex, national origin, ethnicity, familial status, or other illegal purpose. The Developer, the Board, or any committee to which authority is delegated with regard to the enforcement of this Restrictive Covenant, shall be personally immune from any liability for enforcement and shall be indemnified by the Owners for any and all legal expenses, fines, or other costs associated with the enforcement of this provision.
