(hereinafter known as "Grantor", whether one or more) for and in consideration of One and No/100 Dollar (\$1.00) and other good and valuable consideration paid to Grantor in hand by Alabama Power Company, a corporation, the receipt and sufficiency of which are hereby acknowledged, do hereby grant to said Alabama Power Company, its successors and assigns (hereinafter the "Company"), the following easements, rights, and privileges

The right from time to time to construct, install, operate and maintain, upon, over, under and across the Property described below, all poles, towers, wires, conduits, fiber optics, cables, communication lines, translosures, transformers, anchors, guy wires, and other facilities useful or necessary in connection therewith (collectively, "Facilities"), for the overhead and/or underground transmission and distribution of electric power and communications, along a route selected by the Company, as determined by the location(s) in which the Company's facilities are to be installed.
