LAKE EASEMENT AGREEMENT

THIS LAKE EASEMENT AGREEMENT (the "Easement Agreement") is made and entered into by and between Eddleman Lands, LLC, an Alabama limited liability company ("Eddleman Lands"), and Hargis Christian Camp, Inc., an Alabama non-profit corporation ("Hargis").

RECITALS:

Eddleman Lands has leased approximately 18.75 acres of land with improvements to Hargis for recreational and religious activities, including the operation of a children's camp (the "Camp"), under the terms and conditions of the Ground Lease and Purchase Option Agreement between Eddleman Lands and Hargis, dated December 8, 2021 (the "Lease Agreement"). The property subject to the Lease Agreement is more particularly described on Exhibit A to this Easement Agreement and is referred to as the "Premises". Eddleman Lands owns the land underlying the lake abutting the Premises (the "Lake"), which land is more particularly described on Exhibit B to this Easement Agreement. The Lease Agreement provided Hargis the right to use the Lake.

Hargis has purchased the Premises from Eddleman Lands pursuant to the purchase option set forth in the Lease Agreement (the "Purchase Option"), at which time the Lease Agreement terminated. The Purchase Option requires Eddleman Lands to grant to Hargis a non-exclusive easement to use the Lake for the benefit of the Premises upon the purchase of the Premises by Hargis. Eddleman Lands and Hargis have entered into this Easement Agreement to evidence the mutually acceptable terms and conditions of the easement for the use of the Lake as required under the Purchase Option.

AGREEMENT:

NOW, THEREFORE, These Premises Considered and in consideration of the mutual covenants and undertakings of the parties as herein set forth, the undersigned parties hereby agree as follows:

[Signature]

1. Eddleman Lands hereby gives, grants and conveys to Hargis, its successors and assigns (the "Owner"), the following a non-exclusive right, privilege and easement to use and enjoy the Lake for recreational purposes. The easements herein granted shall be for the benefit of Owner as the owner of the Premises and its successors in interest in the Premises and their respective mortgagees, assignees, lessees, sublessees, licensees, contractors, subcontractors, agents, employees and other invitees (collectively, the "Grantee Users"). The rights granted pursuant to this Section 1 are and shall be permanent and perpetual, and are appurtenant to and shall pass and run with title to the Premises. The rights granted hereunder with respect to the Lake are expressly subject to the rights reserved by Eddleman Lands with respect to the use of the Lake under Section 2 below and with respect to the regulation of the use of the Lake under Section 3 below.

2. Eddleman Lands hereby reserves for itself and its respective successors and assigns and for their respective mortgagees, assignees, lessees, sublessees, licensees, contractors, subcontractors, employees, agents and other invitees, the non-exclusive right to use and enjoy the Lake in common with the Grantee Users. Eddleman Lands does hereby reserve for itself and its successors and assigns, the right, but not the obligation, to grant to other persons a nonexclusive right and license to use the Lake in common with the use of the Lake by the Grantee Users.

3. Hargis covenants and agrees that Eddleman Lands, its successors and assigns, their respective members and immediate family members and the owners of the four (4) properties adjcant to the Lake Hargis that are commonly referred to as acreage along Hargis Drive running to the dam and Tracts 1-1, 1-2 and 1-3 lying between Hargis Lake and Pine Mountain Trail shall have right to use and enjoy the Lake shall have the the right and license (a) to have ingress and egress to and from the Lake over and across the roads and boat launch on the Premises, (b) to use the parking lot on the Premises for parking of vehicles used to provide such ingress and egress, and (c) to use the boat launch area on the Premises for individuals and watercraft to enter and exit the Lake (the rights described in subparagraphs (a), (b) and (c) of this paragraph are herein referred to as "Access Rights"); provided that the exercise of the Access Rights shall not unreasonably interfere with the operations of the Camp and the safety of the invitees of Owner at the Camp. Hargis shall have the right to regulate and police the use of the Access Rights on the Premises by establishing, modifying and enforcing reasonable rules to promote safety on the Premises and to ensure the use of the Access Rights in harmony with the operations of the Camp on the Premises.

4. Eddleman Lands does hereby reserve for itself and its successors and assigns, the right, but not the obligation, to regulate, control and police the use of the Lake and from time to time to establish, modify and enforce reasonable rules and regulations regarding the use of the Lake, and the method, time and location, and other matters reasonably related to the use of the Lake, including without limitation, with respect to the following:

(i) restrictions and limitations on swimming in the Lake; the term swimming shall be deemed to include, without limitation, any entry of a person into the Lake whether from the shore, boat or platform and any use of a floating device other than a watercraft that is permitted under (ii) below;

(ii) restrictions and limitations as to the size, type and activities of boats or other watercraft, if any, that may be permitted in or on the Lake and limitations and restrictions on the type and size of motors powering the permitted watercraft;

(iii) limitations and restrictions on the location, construction and design of piers, jetties, storage facilities, launches or other similar structures, if any, that may extend into any portion of the Lake; and

(iv) limitations and restrictions on fishing in the Lake.

5. (a) Eddleman Lands reserves for itself and their respective successors and assigns, the exclusive right to maintain, repair and restore the Lake, including any dams, spillways, culverts, retention ponds and other improvements supporting the Lake; provided that the Owner of the Premises shall maintain in clean, neat and good repair the land and improvements on the Premises that are visible from the Lake. Subject to Section 5(b) and Section 5(d) below, Eddleman Lands and the Owner of the Premises and their respective successors and assigns, shall share in the cost of maintaining and repairing the Lake and supporting improvements which shall include, without limitation, costs and expenses described on Exhibit C reasonably incurred for the maintenance, repair and restoration of the Lake and supporting improvements in the following percentages: Eddleman Lands -50% and Owner of Premises - 50%.

(b) In the event either Eddleman Lands or an affiliate purchases the land owned by Hargis Daffodil Hills Foundation that is described in the Real Estate Purchase and Sale Agreement recorded in the Probate Office of Shelby County, Alabama, as Instrument No. 20220729000297660 as amended by the First Amendment Agreement recorded in said Probate Office as Instrument No, 20220729000297670, then the percentages for the sharing of maintenance expenses shall be adjusted based on the ratio that the number of feet fronting the Lake owned by each of the Owner and Eddleman Lands (or an affiliate) bears to the total feet fronting the Lake owned by all of them.

(c) In the event that Eddleman Lands or an affiliate shall create one or more owners' associations whose members include owners of land fronting the Lake (a "Properties Association" or, if more than one, the "Properties Associations"), and the Properties Association has the right and power to levy, collect and enforce the collection of assessments from its owners or members for, among other things, the care, maintenance, repair and restoration of the Lake, and the Properties Association or the Properties Associations assume in writing all or part of the obligations of Eddleman Lands under Section 5(a) and Section 5(b) above, including without limitation, the maintenance of the Lake, Eddleman Lands and its successors and assigns shall have no further obligations or liability under this Section 5 to the extent such obligations or liability are assumed by the Properties Associations and all notices and other communications required to be made to Eddleman Lands with respect to the assumed obligations shall be made or delivered to the Properties Associations.

(d) So long as the Premises is being used for the operation of the Camp, Eddleman Lands, or its successor or assign (the "Eddleman Grantor"), may at its option convey

to the Owner all of its right title and interest in and to the land underlying the Lake (the "Lake Land"), subject to easements and restrictions of record and this Easement Agreement. The deed conveying the Lake Land to Owner shall provide that Owner shall succeed to the rights and obligations of Eddleman Lands under this Easement Agreement except that (i) the deed shall reserve for Eddleman Lands or the Eddleman Grantor, as applicable, the right to use and access the Lake as provided in Section 3 and Section 4 hereof, and (b) Eddleman Lands or the Eddleman Grantor, as applicable, shall be relieved of any liability or responsibility for the maintenance, care, repair and restoration of the Lake under this Section 5.

6. Eddleman Lands agrees to pay, prior to delinquency, ad valorem taxes and assessments levied against the real property underlying the Lake directly to the appropriate taxing authorities. If Eddleman Lands fails to pay any such tax or assessment, as herein required prior to delinquency, then Owner may, but shall not be required to, pay such tax, assessment or premium, and, upon submission of a written statement demanding reimbursement together with a receipt for such payment, the Owner shall be entitled to reimbursement from Eddleman Lands for all such amounts expended.

7. The Grantee Users shall access the Lake to and from the Premises only. The Grantee Users shall have no right to enter in, on, or upon, any other property abutting the Lake.

8. No covenant, condition or restriction set forth in this Easement Agreement is intended to be, or shall be construed as, a condition subsequent or as creating the possibility of reverter.

9 Eddleman Lands and Owner shall maintain commercial general liability insurance on the Lake and the use thereof in such amount as is reasonably acceptable to Eddleman. Each of Eddleman Lands and Owner will provide to the other a description of its insurance coverage on request. Each of Eddleman Lands and Owner shall cause the other party to be named as an additional insured on the insurance policy providing such coverage.

10. In the event that any party shall fail to perform or breach any covenants or restrictions imposed upon such person under this Easement Agreement (the "Defaulting Party"), then, in any such event, any party to this Easement Agreement not in default (the "Affected Party"), in addition to all other remedies it may have at law or in equity, after thirty (30) days' prior written notice to the Defaulting Party (or in the event of an emergency, after such notice that is reasonable in the circumstances), shall have the right to perform such obligation on behalf of the Defaulting Party. In such event, the Defaulting Party shall promptly reimburse the Affected Party for the costs incurred and paid in curing said default together with interest at a rate equal to two percent (2%) above the prime rate published in the Wall Street Journal, to float and be adjusted on the first business day of each calendar month, from date of payment until paid in full. In addition, any Affected Party shall have the right to pursue any available remedies at law or in equity, and any costs of any said proceeding, including attorneys' fees in a reasonable amount, shall be paid by the Defaulting Owner.

11. In the event that the Premises is no longer used for the operation of a children's camp, Eddleman Lands may, at its option, terminate this Easement Agreement and all of the

rights granted hereunder; provided that Eddleman Lands shall have no right to terminate this Easement Agreement without first giving Owner notice and the opportunity to cure by entering into a written agreement with Eddleman restricting the use of the Premises to a use acceptable to Eddleman Lands, in its sole discretion, within ninety (90) days after such notice. If Owner and Eddleman Lands fail to enter into an agreement for an acceptable use during such ninety (90) day cure period, Eddleman Lands shall have the right to terminate the rights granted hereunder. This right to terminate the Easement Agreement under this Section 11 is in addition to the remedies set forth in Section 10 and no exercise of the remedies in Section 10 or this Section 11 shall limit any remedy otherwise available to a party to this Easement Agreement.

12. (a) The easements granted hereby shall be used solely for recreational purposes, and the responsibility of Eddleman Lands and Owner and their respective successors and assigns for liability for injury or damage to persons (including death) or property is intended to be limited by Section 35-15-1, et seq. of the Code of Alabama (1975) (the "Statute"). However, in the event the Statute is deemed inapplicable to Eddleman Lands and Owner or their respective successors and assigns with regard to the Lake, any Grantee User, by use of the Lake under this Easement Agreement, covenants and agrees that neither Eddleman Lands nor Owner nor their respective successors and assigns shall have any duty of care to keep the Lake safe for entry and use by such persons, or to give any warning of hazardous conditions, use of structures or activities on or about the Lake to any person entering the Lake; and Eddleman Lands and Owner and their respective successors and assigns shall have no liability for any injury to persons (including death) or property caused by any act or omission of Eddleman Lands or any other person or relating to or arising out of the use of the Lake by any person.

(b) Notwithstanding Section 12(a) above, nothing herein contained shall be deemed to be a gift or dedication of any portion of the Lake to the general public or for any public use or purpose whatsoever, it being the intention and understanding of the parties hereto that this Easement Agreement shall be strictly limited to, and for the purposes herein expressed, solely for the benefit of the parties hereto and their respective successors and assigns and their agents, employees, lessees, sublessees, contractors, subcontractors, licensees, invitees and guests. Nothing contained in this Easement Agreement, express or implied, shall confer upon any other person or entity any rights or remedies under or by reason of this Easement Agreement.

13. The covenants and agreements herein contained shall be covenants running with the land and shall bind and inure to the benefit of the parties hereto and their respective successors and assigns. Any reference to "Eddleman Lands" under this Easement Agreement shall mean and refer to any successor or assign of rights and obligations of Eddleman Lands hereunder and any reference to "Owner" under this Easement Agreement shall mean and refer to Hargis and any successor or assign of Hargis's rights and obligations hereunder.
