Mortgagor does hereby represent and warrant that Mortgagor is lawfully seized of the Premises and has the right, power and authority to MORTGAGE, PLEDGE, HYPOTHECATE, GRANT, WARRANT, CONVEY AND ASSIGN the Premises, and that the Premises are unencumbered except for those encumbrances (the "Permitted Encumbrances") shown on the schedule of exceptions to coverage in the Title Policy (as defined in the Loan Agreement), issued to and accepted by Lender contemporaneously with the execution and recordation of this Instrument and insuring Lender's interest in the Premises. Mortgagor does hereby covenant and agree that Mortgagor will warrant and defend generally the title to the Premises against all claims and demands, subject to the Permitted Encumbrances.

In consideration of the aforesaid, and in order to more fully protect the security of this Instrument, Mortgagor hereby represents, warrants, covenants, and agrees as follows:

1. Inspection. Lender and any other Person authorized by Lender shall have the right to enter and inspect the Premises at all reasonable times.
2. Security Agreement. This Instrument is also a security agreement between Mortgagor, as debtors, and Lender, as secured party, for any of the Premises which, under applicable law, may be subjected to a security interest under the Uniform Commercial Code in the state of Alabama (the "UCC"), for the purpose of securing Mortgagor's obligations under this Instrument and to further secure Mortgagor's obligations under the Note, and other Loan Documents, whether such Premises are owned now or acquired in the future, and all products and cash and non-cash proceeds thereof (collectively, the "UCC Collateral"), and by this Instrument, Mortgagor hereby grants to Lender a security interest in the Collateral. To the extent necessary under applicable law, Mortgagor hereby authorizes Lender to prepare and file financing statements, continuation statements and financing statement amendments in such form as Lender may require to perfect or continue the perfection of this security interest. If an Event of Default (as hereinafter defined) has occurred and is continuing, Lender will have the remedies of a secured party under the UCC, in addition to all remedies provided by this Instrument or existing under applicable law. In exercising any remedies, Lender may exercise its remedies against the Collateral separately or together, and in any order, without in any way

affecting the availability of Lender's other remedies. This Instrument also constitutes a financing statement with respect to any part of the Premises that is or may become a fixture, if permitted by applicable law.

3. Taxes and Other Charges. Mortgagor is responsible for the payment of all taxes ("Taxes"), assessments for local improvements ("Assessment"), rates and charges, license fees, all charges which may be imposed for the use of vaults, chutes, areas and other space beyond the lot line and abutting the public sidewalks in front of or adjoining the Premises, and all other governmental levies and charges (collectively, the "Impositions"), of every kind and nature whatsoever. Upon Lender's request, Mortgagor shall deliver to Lender within five (5) days of any such request, proof of payment of any and all Impositions, in form satisfactory to Lender.

4. Insurance. Mortgagor shall keep the Premises insured in accordance with the provisions of the Loan Agreement.

5. Liens. Mortgagor shall not, directly or indirectly, create or suffer or permit to be created, or to stand, against the Premises or any portion thereof, or against the rents, issues and profits therefrom, any lien, charge, mortgage, deed of trust, adverse claim or other encumbrance, whether senior or junior to the lien of this Instrument, other than the lien of this Instrument and the Permitted Encumbrances.

6. Due on Sale or Encumbrance. Should the title to the Premises, or any part thereof or any interest therein, be transferred to any Person, firm or entity other than the Borrower, or should the ownership of the Premises, or any part thereof, become vested in any owner other than the Borrower, or should any lien, mortgage or any other encumbrance, voluntary or involuntary, be placed against the Premises, or in any of the foregoing events, the entire principal balance due under the Note, together with all accrued interest thereunder, shall at the election of Lender, be and become immediately due and payable in full, subject to applicable law, and Lender shall be entitled to pursue all remedies provided for in this Instrument or at law, including without limitation, foreclosure of the lien of this Instrument.

7. Assignment of Rents; Appointment of Receiver; Lender in Possession. (A) As part of the consideration for the Indebtedness, Mortgagor absolutely and unconditionally assigns and transfers to Lender all Rents. It is the intention of Mortgagor to establish a present, absolute and irrevocable transfer and assignment to Lender of all Rents and to authorize and empower Lender to collect and receive all Rents without the necessity of further action on the part of the Borrower. Promptly upon request by Lender, Mortgagor agrees to execute and deliver such further assignments as Lender may from time to time require. Mortgagor and Lender intend this assignment of Rents to be immediately effective and to constitute an absolute, present, and unconditional assignment and not an assignment for additional security only. For purposes of giving effect to this absolute assignment of Rents, and for no other purpose, the Rents will not be deemed to be a part of the Premises. However, if this present, absolute, and unconditional assignment of the Rents is not enforceable by its terms under the laws of the state of Alabama, then the Rents will be included as a part of the Premises and it is the intention of Mortgagor that in this circumstance this Instrument create and perfect a lien on the Rents in favor of Lender, which lien will be effective as of the date of this Instrument. (B) Until the occurrence of an Event of Default, Lender hereby grants to Mortgagor a revocable license to collect and

receive all the Rents, to hold all the Rents in trust for the benefit of Lender and to apply all the Rents to pay the installments of interest and principal then due and payable under the Note and the other amounts then due and payable under the other Loan Documents, including the Taxes, Impositions, Assessments, and Insurance, and to pay the current costs and expenses of managing, operating and maintaining the Premises, tenant improvements and other capital expenditures. So long as no Event of Default has occurred and is continuing, the Rents remaining after application pursuant to the preceding sentence may be retained by Mortgagor free and clear of, and released from, Lender's rights with respect to the Rents under this Instrument. After the occurrence of an Event of Default, and during the continuance of such Event of Default, Mortgagor authorizes Lender to collect, sue for, and compromise the Rents and directs each tenant of the Premises to pay all the Rents to, or as directed by, Lender. From and after the occurrence of an Event of Default, and during the continuance of such Event of Default, and without the necessity of Lender entering upon and taking and maintaining control of the Premises directly, or by a receiver, Mortgagor's license to collect the Rents will automatically terminate and Lender will, without notice, be entitled to all the Rents as they become due and payable, including the Rents then due and unpaid. Mortgagor will pay to Lender upon demand all the Rents to which Lender is entitled. At any time on or after the date of Lender's demand for the Rents, Lender may give, and Mortgagor hereby irrevocably authorizes Lender to give, notice to all tenants of the Premises instructing them to pay all Rents to Lender. *No tenant will be obligated to inquire further as to the occurrence or continuance of an Event of Default. No tenant will be obligated to pay to Mortgagor any amounts which are actually paid to Lender in response to such a notice.* Any such notice by Lender will be delivered to each tenant personally, by mail or by delivering such demand to each rental unit. Mortgagor will not interfere with and will cooperate with Lender's collection of such Rents. (C) If an Event of Default has occurred and is continuing, then Lender will have each of the following rights and may take any of the following actions: (i) Lender may, regardless of the adequacy of Lender's security or the solvency of Mortgagor and even in the absence of waste, enter upon and take and maintain full control of the Premises in order to perform all acts that Lender in its discretion determines to be necessary or desirable for the operation and maintenance of the Premises, including the execution, cancellation, or modification of the Leases, the collection of all the Rents, the making of repairs to the Premises and the execution or termination of contracts providing for the management, operation or maintenance of the Premises, for the purposes of enforcing the assignment of the Rents pursuant to Section 7(A) of this Instrument, protecting the Premises or the security of this Instrument, or for such other purposes as Lender, in its discretion, may deem necessary or desirable. (ii) Alternatively, if an Event of Default has occurred and is continuing, regardless of the adequacy of Lender's security, without regard to Mortgagor's solvency and without the necessity of giving prior notice (oral or written) to Mortgagor, Lender may apply to any court having jurisdiction for the appointment of a receiver for the Premises to take any or all of the actions set forth in the preceding sentence. If Lender elects to seek the appointment of a receiver for the Premises at any time after an Event of Default has occurred and is continuing, Mortgagor's, by its execution of this Instrument, expressly consents to the appointment of such receiver, including the appointment of a receiver *ex parte* if permitted by applicable law. (iii) If Mortgagor is a housing cooperative corporation or association, Mortgagor hereby agrees that if a receiver is appointed, the order appointing the receiver may contain a provision requiring the receiver to pay the installments of interest and principal then due and payable

under the Note and the other amounts then due and payable under the other Loan Documents, including the Taxes, Impositions, Assessments, and Insurance, it being acknowledged and agreed that the Indebtedness is an obligation of Mortgagor and must be paid out of maintenance charges payable by Mortgagor's tenant shareholders under their proprietary leases or occupancy agreements. (iv) Lender or the receiver, as the case may be, will be entitled to receive a reasonable fee for managing the Premises. (v) Immediately upon appointment of a receiver or immediately upon Lender's entering upon and taking possession and control of the Premises, Mortgagor will surrender possession of the Premises to Lender or the receiver, as the case may be, and will deliver to Lender or the receiver, as the case may be, all documents, records (including records on electronic or magnetic media), accounts, surveys, plans, and specifications relating to the Premises and all security deposits and prepaid Rents. (vi) If Lender takes possession and control of the Premises, then Lender may exclude Mortgagor and its representatives from the Premises. Mortgagor acknowledges and agrees that the exercise by Lender of any of the rights conferred under this Section 7 will not be construed to make Lender a Lender-in-possession of the Premises so long as Lender has not itself entered into actual possession of the Land and Improvements. (D) If Lender enters the Premises, Lender will be liable to account only to Mortgagor and only for those Rents actually received. Except to the extent of Lender's gross negligence or willful misconduct, Lender will not be liable to the Borrower, anyone claiming under or through Mortgagor or anyone having an interest in the Premises, by reason of any act or omission of Lender under Section 7(C) of this Instrument, and Mortgagor hereby releases and discharges Lender from any such liability to the fullest extent permitted by law. If the Rents are not sufficient to meet the costs of taking control of and managing the Premises and collecting the Rents, any funds expended by Lender for such purposes will become an additional part of the Indebtedness. (E) If the Rents are not sufficient to meet the costs of taking control of and managing the Premises and collecting the Rents, any funds expended by Lender for such purposes will become an additional part of the Indebtedness as provided in Section 9 of this Instrument. (F) Any entering upon and taking of control of the Premises by Lender or the receiver, as the case may be, and any application of Rents as provided in this Instrument will not cure or waive any Event of Default or invalidate any other right or remedy of Lender under applicable law or provided for in this Instrument.

8. Application of Payments. If at any time Lender receives, from Mortgagor or otherwise, any amount applicable to the Indebtedness which is less than all amounts due and payable at such time, then Lender may apply that payment to amounts then due and payable in any manner and in any order determined by Lender, in Lender's discretion. Neither Lender's acceptance of an amount that is less than all amounts then due and payable nor Lender's application of such payment in the manner authorized will constitute or be deemed to constitute either a waiver of the unpaid amounts or an accord and satisfaction. Notwithstanding the application of any such amount to the Indebtedness, Mortgagor's obligations under this Instrument, the Note and all other Loan Documents will remain unchanged.

9. Protection of Lender's Security; Instrument Secures Future Advances. If Mortgagor should fail to perform any of its obligations under this Instrument or any other Loan Document, or if any action or proceeding is commenced which purports to affect the Premises, Lender's security, or Lender's rights under this Instrument, including eminent domain, insolvency, code enforcement, civil or criminal forfeiture, enforcement of Hazardous Materials Laws (as hereinafter defined), fraudulent conveyance or reorganizations or proceedings involving a

bankrupt or decedent, then Lender, at Lender's option may make such appearances, file such documents, disburse such sums and take such actions as Lender reasonably deems necessary to perform such obligations of Mortgagor and to protect Lender's interest, including all of the following: (i) payment of attorney's fees and costs; (ii) enter upon the Premises to make repairs or secure the Premises; procure insurance as required by the Loan Agreement; (iii) pay any amounts which Mortgagor has failed to pay under this Instrument, the Loan Agreement, or any of the Loan Documents; (iv) perform any of the Mortgagor's obligations under the Loan Agreement; (v) make advances to pay, satisfy or discharge any obligation of the Mortgagor for the payment of money that is secured by a lien on the Premises. Any amounts disbursed by Lender under this Section 9 or under any other provision of this Instrument that treats such disbursement as being made under this Section 9, will be secured by this Instrument, will be added to, and become part of, the principal component of the Indebtedness, will be immediately due and payable and will bear interest from the date of disbursement until paid at the Default Rate (as defined in the Note). Nothing in this Section 9 will require Lender to incur any expense or take any action. The provisions of this Section 9, including the obligation to indemnify Lender, shall survive the payment of the indebtedness and the satisfaction and reconveyance of the lien of this Instrument and shall not be affected by Lender's acquisition of any interest in the Premises, whether by foreclosure or otherwise. As used herein, the term "Hazardous Materials Law" and "Hazardous Materials Laws" means any and all federal, state and local laws, ordinances, regulations and standards, rules, policies and other governmental requirements, administrative rulings and court judgments and decrees in effect now or in the future, including all amendments, that relate to Hazardous Materials (as hereinafter defined) or the protection of human health or the environment and apply to Mortgagor or to the Premises. Hazardous Materials Laws include the Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. Section 9601, et seq., the Resource Conservation and Recovery Act of 1976, 42 U.S.C. Section 6901, et seq., the Toxic Substance Control Act, 15 U.S.C. Section 2601, et seq., the Clean Water Act, 33 U.S.C. Section 1251, et seq., and the Hazardous Materials Transportation Act, 49 U.S.C. Section 5101 et seq., and their state analogs. As used herein, the term "Hazardous Materials" means petroleum and petroleum products and compounds containing them, including gasoline, diesel fuel and oil; explosives; flammable materials; radioactive materials; polychlorinated biphenyls (PCBs) and compounds containing them; lead and lead-based paint; asbestos or asbestos containing materials in any form that is or could become friable; underground or above-ground storage tanks, whether empty or containing any substance; any substance the presence of which on the Premises are prohibited by any governmental authority; any substance that requires special handling and any other material or substance now or in the future that (i) is defined as a "hazardous substance," "hazardous material," "hazardous waste," "toxic substance," "toxic pollutant," "contaminant," or "pollutant" by or within the meaning of any Hazardous Materials Law, or (ii) is regulated in any way by or within the meaning of any Hazardous Materials Law.

10. Events of Default. An Event of Default under the Note, the Loan Agreement, or any other Loan Documents will constitute an Event of Default under this Instrument. Upon the occurrence of an Event of Default, the Indebtedness shall become due and payable forthwith at the option of Lender.

11. Remedies Cumulative. Each right and remedy provided in this Instrument is distinct from all other rights or remedies under this Instrument, the Loan Agreement or any other Loan

Document or afforded by applicable law or equity, and each will be cumulative and may be exercised concurrently, independently or successively, in any order. Lender's exercise of any particular right or remedy will not in any way prevent Lender from exercising any other right or remedy available to Lender. Lender may exercise any such remedies from time to time and as often as Lender chooses.

12. Waiver of Statute of Limitations, Offsets, and Counterclaims. Mortgagor waives the right to assert any statute of limitations as a bar to the enforcement of the lien of this Instrument or to any action brought to enforce any Loan Document. Mortgagor hereby waives the right to assert a counterclaim, other than a compulsory counterclaim, in any action or proceeding brought against it by Lender or otherwise to offset any obligations to make the payments required by the Loan Documents. No failure by Lender to perform any of its obligations under this Instrument will be a valid defense to, or result in any offset against, any payments that Mortgagor is obligated to make under any of the Loan Documents.

13. Waiver of Marshalling. Notwithstanding the existence of any other security interests in the Premises held by Lender or by any other party, Lender will have the right to determine the order in which any or all of the Premises will be subjected to the remedies provided in this Instrument, the Note, the Loan Agreement, or any other Loan Document, or applicable law. Lender will have the right to determine the order in which any or all portions of the Indebtedness are satisfied from the proceeds realized upon the exercise of such remedies. Mortgagor and any party who now or in the future acquires a security interest in the Premises and who has actual or constructive notice of this Instrument waives any and all right to require the marshalling of assets or to require that any of the Premises be sold in the inverse order of alienation or that any of the Premises be sold in parcels or as an entirety in connection with the exercise of any of the remedies permitted by applicable law or provided in this Instrument.

14. Further Assurances. Mortgagor will deliver, at its sole cost and expense, all further acts, deeds, conveyances, assignments, estoppel certificates, financing statements or amendments, transfers and assurances as Lender may require from time to time in order to better assure, grant, and convey to Lender the rights intended to be granted, now or in the future, to Lender under this Instrument and the Loan Documents.

15. Governing Law; Consent to Jurisdiction and Venue. This Instrument, and the provisions for the creation, perfection, priority, enforcement, and foreclosure of the liens and security interests created in the Premises will be governed by, and construed in accordance with, the laws of the state of Alabama. Notwithstanding the foregoing, the law of the state of Connecticut shall govern the validity and enforceability of all Loan Documents, and the Indebtedness arising hereunder (but the foregoing shall not be construed to limit Lender's rights with respect to such security interest created in the state of Alabama). Nothing in this Section 15 is intended to limit Lender's right to bring any suit, action or proceeding relating to matters under this Instrument, the Note, the Loan Agreement, or any of the Loan Documents in any court of any other jurisdiction.

16. Notices. All notices given by Mortgagor or Lender in connection with this Instrument must be in writing. Any notice to Mortgagor in connection with this Instrument shall be deemed to

have been given to Mortgagor when mailed by first class mail or when actually delivered to Mortgagor's notice address if sent by other means. Notice to any one Co-Borrower shall constitute notice to all Co-Borrowers unless applicable law expressly requires otherwise. The notice address shall be the address of the Premises unless Mortgagor has designated a substitute notice address by notice to Lender. Mortgagor shall promptly notify Lender of Mortgagor's change of address. If Lender specifies a procedure for reporting Mortgagor's change of address, then Mortgagor shall only report a change of address through that specified procedure. There may be only one designated notice address under this Instrument at any one time. Any notice to Lender shall be given by delivering it or by mailing it by first class mail to Lender's address stated herein unless Lender has designated another address by notice to Mortgagor. Mortgagor acknowledge that any notice Mortgagor provides to Lender must also be provided to MERS as Nominee for Lender until MERS' Nominee interest is terminated. Any notice provided by Mortgagor in connection with this Instrument will not be deemed to have been given to MERS until actually received by MERS. Any notice in connection with this Instrument shall not be deemed to have been given to Lender until actually received by Lender. If any notice required by this Instrument is also required under applicable law, the applicable law requirement will satisfy the corresponding requirement under this Instrument.

17. Successors and Assigns. This Instrument will bind the respective successors and assigns of Mortgagor and Lender, and the rights granted by this Instrument will inure to Lender's successors and assigns.

19. Joint and Several Liability. If more than one party signs this Instrument as Mortgagor, the obligations of such Persons will be joint and several.

19. Relationship of Parties; No Third-Party Beneficiary. The relationship between Lender and Mortgagor will be solely that of creditor and debtor, respectively, and nothing contained in this Instrument will create any other relationship between Lender and Mortgagor. Nothing contained in this Instrument will constitute Lender as a joint venturer, partner or agent of Mortgagor, or render Lender liable for any debts, obligations, acts, omissions, representations or contracts of Mortgagor. No creditor of any party to this Instrument and no other Person will be a third-party beneficiary of this Instrument or any other Loan Document.

20. Severability; Amendments; Construction The invalidity or unenforceability of any provision of this Instrument will not affect the validity or enforceability of any other provision, and all other provisions will remain in full force and effect. This Instrument contains the entire agreement among the parties as to the rights granted and the obligations assumed in this Instrument. This Instrument may not be amended or modified except by a writing signed by the party against whom enforcement is sought. The captions and headings of the sections of this Instrument are for convenience only and will be disregarded in construing this Instrument. Any reference in this Instrument to a "Section" will, unless otherwise explicitly provided, be construed as referring to a section of this Instrument. Any reference in this Instrument to a statute or regulation will be construed as referring to that statute or regulation as amended from time to time. Use of the singular in this Instrument includes the plural and use of the plural includes the singular. As used in this Instrument, the term "including" means "including, but not limited to" and the term "includes" means "includes without limitation." Unless the context requires otherwise, any definition of or reference to any agreement, instrument, or other document in this

Instrument will be construed as referring to such agreement, instrument or other document as from time to time amended, supplemented or otherwise modified (subject to any restrictions on such amendments, supplements or modifications set forth in this Instrument). Any reference in this Instrument to any Person will be construed to include such Person's successors and assigns. Any capitalized term not specifically defined in this Instrument will have the meaning ascribed to that term in the Loan Agreement. The term "Person" as used herein, shall mean any natural person, sole proprietorship, corporation, general partnership, limited partnership, limited liability company, limited liability partnership, limited liability limited partnership, joint venture, association, joint stock company, bank, trust, estate, unincorporated organization, any federal, state, county or municipal government (or any agency or political subdivision thereof), endowment fund or any other form of entity.

21. Subrogation. If, and to the extent that, the proceeds of the loan evidenced by the Note, or subsequent advances under Section 9 of this Instrument, are used to pay, satisfy or discharge a prior lien, such loan proceeds or advances will be deemed to have been disbursed by Lender at Mortgagor's request, and Lender will automatically, and without further action on its part, be subrogated to the rights, including lien priority, of the owner or holder of the obligation secured by the prior lien, whether or not the prior lien is released.

22. Confession of Judgment in Ejectment. To the extent permissible under the laws of the state of Alabama, at any time after an Event of Default, regardless of whether Lender has asserted any other right or exercised any other remedy under this Instrument or any of the other Loan Documents, it shall be lawful for any attorney of any court to confess judgment in ejectment against Mortgagor and all Persons claiming under Mortgagor for the recovery by Lender of possession of all or any part of the Premises, for which this Instrument shall be sufficient warrant. If for any reason after such action shall have commenced the same shall be discontinued and the possession of the Premises shall remain in or be restored to Mortgagor, Lender shall have the right upon subsequent default or defaults to bring one or more action or actions as hereinabove set forth to recover possession of all or any part of the Premises.

23. Acceleration; Remedies. (A) At any time during the existence of an Event of Default, Lender's option, may declare the Indebtedness to be immediately due and payable without further demand, and may invoke the POWER OF SALE and any one or more other remedies permitted by applicable law or provided in this Instrument, the Loan Agreement or in any other Loan Document. Mortgagor hereby acknowledges that the POWER OF SALE granted in this Instrument may be exercised by Lender without prior judicial hearing. Lender will be entitled to collect all costs and expenses incurred in pursuing such remedies, including attorneys' fees and costs and costs of documentary evidence, abstracts and title reports. (B) If Lender invokes the POWER OF SALE, Lender will deliver a copy of a notice of sale to Mortgagor in the manner provided in the Loan Agreement. Lender will give notice by publication once a week for three consecutive weeks of the time, place and terms of such sale, together with a description of the Premises to be sold, in a newspaper published in the county or counties in which the Land to be sold is located, and thereupon will sell the Premises (or such part or parts thereof as Lender may from time to time elect to sell) to the highest bidder at public auction at the front door of the County Courthouse of the county in which the Land to be sold, or a substantial and material part thereof is located. The sale will be held between the hours of 11:00 a.m. and 4:00 p.m. on the day designated for the exercise of the POWER OF SALE hereunder. Lender may sell the Premises in one or more parcels and in such order as Lender may determine. Lender may postpone sale of all or any parcel of the Premises by public announcement at the time and place of any previously scheduled sale and by re-publication of notice announcing the new sale date.
