ARTICLE I.

WARRANTIES AND COVENANTS

1.1. Warranties of Grantor. To the extent that there are Leases, Grantor hereby warrants and represents as follows:

- (a) Grantor is the sole holder of the landlord's interest under the Leases, is entitled to receive the rents, issues and profits from the Leases and from the Premises, and has good right to sell, assign, transfer and set over the same and to grant to and confer upon Grantee the rights, interests, powers, and authorities herein granted and conferred;
- (b) Grantor has made no assignment other than this Assignment of any of the rights of Grantor under any of the Leases or with respect to any of said rents, issues or profits;
- (c) Grantor has neither done any act nor omitted to do any act which might prevent Grantee from, or limit Grantee in, acting under any of the provisions of this Assignment;
- (d) All Leases provide for rental to be paid monthly, in advance, and Grantor has not accepted payment of rental under any of the Leases for more than one (1) month in advance of the due date thereof;

- (e) So far as is known to Grantor, there exists no default or event of default or any state of facts which would, with the passage of time or the giving of notice, or both, constitute a default or event of default on the part of Grantor or by any Tenant under the terms of any of the Leases;
- (f) Neither the execution and delivery of this Assignment or any of the Leases, the performance of each and every covenant of Grantor under this Assignment and the Leases, nor the meeting of each and every condition contained in this Assignment, conflicts with, or constitutes a breach or default under any agreement, indenture or other instrument to which Grantor is a party, or any law, ordinance, administrative regulation or court decree which is applicable to Grantor;
- (g) No action has been brought or, so far as is known to Grantor, is threatened, which would interfere in any way with the right of Grantor to execute this Assignment and perform all of Grantor's obligations contained in this Assignment and in the Leases;
- (h) The Leases are valid, enforceable and in full force and effect; and
- (i) All security deposits and other deposits (whether refundable or non-refundable pursuant to the terms of the Leases) are held by Grantor in a segregated account and have been received and applied for the uses and purposes designated in the Leases.

1.2. Covenants of Grantor. Grantor hereby covenants and agrees as follows:

- (a) Grantor shall (i) fulfill, perform and observe each and every condition and covenant of landlord or lessor contained in each of the Leases; (ii) give prompt notice to Grantee of any claim of default under any of the Leases, whether given by the Tenant to Grantor, or given by Grantor to the Tenant, together with a complete copy of any such notice; (iii) at no cost or expense to Grantee, enforce, short of termination, the performance and observance of each and every covenant and condition of each of the Leases, to be performed or observed by the Tenant thereunder; and (iv) appear in and defend any action arising out of, or in any manner connected with, any of the Leases, or the obligations or liabilities of Grantor as the landlord thereunder, or of the Tenant or any guarantor thereunder;
- (b) Grantor shall not, without the prior written consent of Grantee, (i) modify any of the Leases; (ii) terminate the term or accept the surrender of any of the Leases; (iii) waive or release the Tenant from the performance or observance by the Tenant of any obligation or condition of any of the Leases; (iv) permit the prepayment of any rents under any of the Leases for more than one (1) month prior to the accrual thereof; (v) give any consent to any assignment or sublease by the Tenant under any of the Leases; or (vi) assign its interest in, to or under the Leases or the rents, issues and profits

from the Leases and from the Premises to any person or entity other than Grantee;

- (c) Grantor shall not, without the prior written consent of Grantee, enter into any Lease unless the Tenant thereunder shall have been approved in writing by Grantee and said Lease is in form and content satisfactory to and approved in writing by Grantee;
- (d) Grantor shall protect, indemnify and save harmless Grantee from and against all liabilities, obligations, claims, damages, penalties, causes of action, costs and expenses (including, without limitation, attorneys' fees actually incurred and expenses) imposed upon or incurred by Grantee by reason of this Assignment and any claim or demand whatsoever which may be asserted against Grantee by reason of any alleged obligation or undertaking to be performed or discharged by Grantee under this Assignment. In the event Grantee incurs any liability, loss or damage by reason of this Assignment, or in the defense of any claim or demand arising out of or in connection with this Assignment, the amount of such liability, loss or damage shall be added to the Indebtedness, shall bear interest at the rate of Default Interest specified in the Note from the date incurred until paid and shall be payable on demand;
- (e) Grantor shall authorize and direct, and does hereby authorize and direct each and every present and future Tenant of the whole or any part of the Premises to pay all rental to Grantee upon receipt of written demand from Grantee to so pay the same;
- (f) The warranties and representations of Grantor made in Paragraph 1.01 hereof and the covenants and agreements of Grantor made in this Paragraph apply to each Lease in effect as of the time of execution of this Assignment, and shall apply to each Lease hereafter made at the time each such future Lease becomes effective.
- (g) At the request of Grantee, Grantor immediately shall deliver to Grantee evidence that all security deposits and other deposits (whether refundable or non-refundable) paid by Tenants under the Leases have been placed in a separate account in accordance with applicable law.

1.3. Covenants of Grantee. Grantee, by its acceptance of this Assignment, hereby covenants and agrees with Grantor as follows:

- (a) Although this Assignment constitutes a present, absolute and current assignment of all rents, issues and profits from the Premises, so long as there shall exist no Default, Grantee shall not demand that such rents, issues and profits be paid directly to Grantee, and Grantor shall have the right to collect, but no more than one (1) month prior to accrual, all such rents,

issues and profits from the Premises (including, but not by way of limitation, all rental payments under the Leases); and

- (b) Upon the payment in full of the Indebtedness, as evidenced by the recording or filing of an instrument of satisfaction or full release of the Security Instrument without the recording of another security instrument in favor of Grantee affecting the Premises, this Assignment shall be terminated and released of record by Grantee and shall thereupon be of no further force or effect.

ARTICLE II.

DEFAULT

2.1. **Default.** The term, "Default," wherever used in this Assignment, shall mean any one or more of the following events:

- (a) The occurrence of any "Default" under any of the Loan Documents;
- (b) The failure by Grantor duly and fully to comply with any covenant, condition or agreement of this Assignment; or
- (c) The breach of any warranty by Grantor contained in this Assignment.

2.2. **Remedies.** Upon the occurrence of any Default, Grantee may at its option, with or without notice or demand of any kind, exercise any or all of the following remedies:

- (a) Declare any part or all of the Indebtedness to be due and payable, whereupon the same shall become immediately due and payable;
- (b) Perform any and all obligations of Grantor under any or all of the Leases or this Assignment and exercise any and all rights of Grantor herein or therein as fully as Grantor himself could do, including, without limitation of the generality of the foregoing: enforcing, modifying, extending or terminating any or all of the Leases; collecting, modifying, compromising, waiving or increasing any or all the rents payable thereunder; and obtaining new tenants and entering into new leases on the Premises on any terms and conditions deemed desirable by Grantee; and, to the extent Grantee shall incur any costs in connection with the performance of any such obligations of Grantor, including costs of litigation, then all such costs shall become a part of the Indebtedness, shall bear interest from the incurring thereof at the rate of Default Interest specified in the Note, and shall be due and payable on demand;
- (c) In Grantor's or Grantee's name, institute any legal or equitable action which Grantee in its sole discretion deems desirable to collect and receive any or all of the rents, issues and profits assigned herein;

- (d) Collect the rents, issues and profits and any other sums due under the Leases and with respect to the Premises, and apply the same in such order as Grantee in its sole discretion may elect against (i) all costs and expenses, including reasonable attorneys' fees, actually incurred in connection with the operation of the Premises, the performance of Grantor's obligations under the Leases and collection of the rents thereunder; (ii) all the costs and expenses, including reasonable attorneys' fees, actually incurred in the collection of any or all of the Indebtedness, including all costs, expenses and attorneys' fees actually incurred in seeking to realize on or to protect or preserve Grantee's interest in any other collateral securing any or all of the Indebtedness; and (iii) any or all unpaid principal and interest on the Indebtedness.

Grantee shall have the full right to exercise any or all of the foregoing remedies without regard to the adequacy of security for any or all of the Indebtedness, and with or without the commencement of any legal or equitable action or the appointment of any receiver or trustee, and shall have full right to enter upon, take possession of, use and operate all or any portion of the Premises which Grantee in its sole discretion deems desirable to effectuate any or all of the foregoing remedies.

ARTICLE III.

GENERAL PROVISIONS

3.1. Successors and Assigns. This Assignment shall inure to the benefit of and be binding upon Grantor and Grantee and their respective heirs, executors, legal representatives, successors and assigns. Whenever a reference is made in this Assignment to "Grantor" or "Grantee", such reference shall be deemed to include a reference to the heirs, executors, legal representatives, successors and assigns of Grantor or Grantee.

3.2. Terminology. All personal pronouns used in this Assignment, whether used in the masculine, feminine or neuter gender, shall include all other genders, and the singular shall include the plural, and vice versa. Titles of articles are for convenience only and neither limit nor amplify the provisions of this Assignment.

3.3. Severability. If any provision of this Assignment or the application thereof to any person or circumstance shall be invalid or unenforceable to any extent, the remainder of this Assignment and the application of such provisions to other persons or circumstances shall not be affected thereby and shall be enforced to the greatest extent permitted by law.

3.4. Applicable Law. This Assignment and Note will be governed by, construed and enforced in accordance with federal law and the laws of the State of Wisconsin, except and only to the extent of procedural matters related to the perfection and enforcement of Grantee's rights and remedies against the Premises, which matters shall be governed by the laws of the State of Alabama. However, in the event that the enforceability or validity of any provision of this Assignment is challenged or questioned, such provision shall be governed by which whichever applicable state or federal law would uphold or would enforce such challenged or questioned provision. The remedies herein provided or otherwise available to Grantee shall be cumulative and may be exercised concurrently. The failure to exercise any of the remedies herein provided shall not constitute a waiver thereof, nor shall use of any of the remedies herein provided prevent the subsequent or concurrent resort to any other remedy or remedies. It is intended that this clause shall be broadly construed so that all remedies herein provided or otherwise available to Grantee shall continue to be each and all available to Grantee until the Indebtedness shall have been paid in full.

3.8. Cross-Default. A Default by Grantor under this Assignment shall constitute a Default under the other Loan Documents.

3.10. Further Assurance. Upon any failure by Grantor so to do, Grantee may make, execute, record, file, re-record and/or refile any and all such assignments, deeds to secure debt, mortgages, deeds of trust, security agreements, financing statements, continuation statements, instruments, certificates, and documents for and in the name of Grantor, and Grantor hereby irrevocably appoints Grantee the agent and attorney-in-fact of Grantor so to do.
