## Canon of Positive law

### Canon 2055

While the private secret trusts of the private central banks cannot be directly addressed, they are still formed on certain presumptions of law including claimed ownership of the name, the body, the mind and soul of infants, men and women. Each and every man and woman has the absolute right to rebuke and reject such false presumptions as a member of One Heaven and holder of their own title.

### Canon 2056

Given the private secret trusts of the private central banks are created on false presumptions, when a man or woman makes clear their Live Borne Record and claim over their own name, body, mind and soul, any such trust based on such false presumptions ceases to have any property.

### Canon 2057

Any Administrator or Executor that refuses to immediately dissolve a Cestui Que (Vie) Trust, upon a Person establishing their status and competency, is guilty of fraud and fundamental breach of their fiduciary duties requiring their immediate removal and punishment.
