

AFFIDAVIT

I, Gary-Forrest of the family Edwards, being of sound mind and lawful age, do solemnly declare:

1. I am a living freeman, born on the land of Alabama, of parents who were white, who were Citizen-Principals and whose parents time out of mind were and always had been white. As an hereditament I acquired directly the status of Citizen-Principal of said state sharing equally in its sovereignty. Slaughterhouse Cases, 83 U.S. 36 (1873).
2. As a white man, born on the land of Alabama, I am not restricted by the 14th Amendment, and because I receive no protection from it, I have no reciprocal obligation to a 14th Amendment allegiance or sovereignty and owe no obedience to anyone under the 14th Amendment. United States v. Wong Kim Ark, 169 U.S. 649 (1898).
3. I am a free Citizen of the aforesaid state of my birth and derivative and mediate thereof I am also a Citizen of the united states of America as contemplated in the Constitutional Contract of 1787.
4. I am not a citizen of the UNITED STATES as contemplated by the 14th Amendment, and I do not reside in any state with the intention of receiving from the Federal government or any other party a protection against the legislative power of that state pursuant to the authority of the 14th Amendment.
5. I am, therefore, "nonresident" to the residency and "alien" to the citizenship of the 14th Amendment.
6. I, as a minor child, filled out a SSA-5 application with the wrong political status designation, as I was instructed by trusted adults at the SSA office in Selma, Alabama. I was not then, nor have ever been a US Citizen, though I was told to check that box on the application. I have since amended that form with the SSA to reflect the accurate status, non pro tunc.
7. I have subsequently been MIS-represented as a corporate entity: GARY FORREST EDWARDS and have been mistreated by various government agencies operating on the faulty information noted above, causing harm to me, the living man. I am not, nor have I ever truly been the entity known as GARY FORREST EDWARDS, though I have

in error responded to such through deception and fraud by the offending agencies with a specific bias and obtained gain at my expense.

8. As the tax imposed in 26 U.S.C.1, pursuant to 26 C.F.R. 1.1-1, is on citizens and residents as contemplated by the 14th Amendment, it is not an applicable Internal Revenue Law to me, as I am neither such a citizen or resident.

Notwithstanding the fact that I may have in past years filed U.S. Individual Income Tax Returns, such filings were done under mistake by me not knowing that such filings were and are mandated only on citizens and residents of the United States as contemplated by the 14th Amendment.

9. Furthermore, I am not a resident of any state under the 14th Amendment and hereby publicly disavow any contract, form, agreement, application, certificate, license, permit or other document that I or any other person may have signed expressly or by acquiescence that would grant me any privileges and thereby ascribe to me rights and duties under a substantive system of law other than that of the Constitutional Contract of 1787 for the united states of America and of the constitutions for the several states of the Union, exclusive of the 14th Amendment.

10. I reiterate that I have made the above determinations and this declaration under no duress, coercion, promise of reward or gain, or undue influence and of my own free will, with no mental reservation and with no intent to evade any legal duty under the laws of the United States or any of the several states.

11. I sincerely invite any person who has reason to know or believe that I am in error in my determinations and conclusions above to so inform me and to state the reason(s) they believe I am in error in writing at the location of my abode shown below. Upon contact, I will require proof of advanced disclosure and meeting of the minds, with specificity as to the date, place, time and content of any supposed contract, as well a sworn, certified copy of said contract in the contact person's full commercial and personal liability.

Gary Forrest Edwards – sui juris, in propria persona, with express reservation of all my rights in law, equity and all other natures of law.
