### III: Constraints of law;

- 1) The SOCIAL SECURITY ADMINISTRATION owns all social security numbers they issue and, thusly, it shall be construed as trickery and inadmissible in court as evidence of admission when THE INTERNAL REVENUE and/or THE INTERNAL REVENUE SERVICE asks a human being "what is your social security number?"; (See reverse of Social Security Card for clarification as to OWNERSHIP);
- 2) The FEDERAL INCOME TAX is by definition the FEDERAL EMPLOYEES INCOME TAX and only applies to a certain class of contracted persons as listed in Title 26 section 6331 (a), and thusly ALL entities NOT listed in said section are therefore excluded;
- 3) The term RETURN refers to a form mandated for use ONLY by the people listed in Title 26 section 6331 (a) and thusly ALL entities not listed in said section are therefore excluded;
- 4) The government is outside of its purpose in its attempts to steal from me:  
"Government does not exist, in a personal sense, for the purpose of acquiring, protecting and enjoying property. *It exists primarily for the protection of the people in their individual rights, and holds property not primarily for the enjoyment of property accumulations, but as an incident to the purpose for which it exists ---that of serving the people and protecting them in their rights. Curley vs U.S., 130 F. 1, 8, 64 C.C.A. 369*

5) The government is NOT within its rights when violating my rights: *"All that government does and provides legitimately is in pursuit of it's duty to provide protection for private rights, which duty is a debt owed to it's creator, WE THE PEOPLE and the private unenfranchised individual; which debt and duty is never extinguished nor discharged, and is perpetual. Wynhammer v. People, 13 NY 378),*

6) The government is outside of its jurisdiction when taxing me: *"On behalf of the Government it is urged that taxation is a practical matter and concerns itself with the substance of the thing upon which the tax is imposed rather than with legal forms or expressions. United States v. Merriam, 263 U.S. 179, 44 S.Ct. 69*

7) The government is outside its authority and THE INTERNAL REVENUE SERVICE REVENUE AGENT is committing a criminal act when they purposely leave out section 6331 (a) when filing a levy: *"But in statutes levying taxes the literal meaning of the words employed is most important, for such statutes are not to be extended by implication beyond the clear import of the language used. If the words are doubtful, the doubt must be resolved against the Government and in favor of the taxpayer". Gould v. Gould, 245 U.S. 151, 153."*

#### IV: Evidence of Purposeful violation of his oath by a rogue agent;

TITLE 26 > Subtitle F > CHAPTER 64 > Subchapter D > PART II > § 6331  
Levy and Distraint

##### **(a) Authority of Secretary**

If any person \*1 being liable to pay any tax \*2 neglects or refuses to pay \*3 the same within 10 days after notice and demand, it shall be lawful for the Secretary to collect such tax (and such further sum as shall be sufficient to cover the expenses of the levy) by levy upon all property and rights to property (except such property as is exempt under section 6334) belonging to such person \*4 or on which there is a lien \*5 provided in this chapter for the payment of such tax \*6. Levy may be made upon the accrued salary or wages of any officer, employee, or elected official, of the United States, the District of Columbia, or any agency or instrumentality of the United States or the District of Columbia \*7, by serving a notice of levy on the employer (as defined in section 3401(d)) \*8 of such officer, employee, or elected official. If the Secretary makes a finding that the collection of such tax is in jeopardy, notice and demand for immediate payment of such tax may be made by the Secretary \*9 and, upon failure or refusal to pay such tax \*10, collection \*11 thereof by levy shall be lawful without regard to the 10-day period provided in this section.

\*1 I am not a person as defined in Federal/State statutes, I am a "natural person" known also as a human being and have only been considered a person by THE INTERNAL REVENUE SERVICE due to their purposeful and fraudulent act of misstating my status in their **administrative determination of status** as a means of terrorizing me into cooperation;

- \*2 I am not liable to pay such tax and thusly am excluded from this section;
- \*3 I have not, nor can it be stated I refused to pay a tax when I do not owe said tax and I am not liable to pay a tax I do not owe;
- \*4 My property belongs to me, a human being who is not a person as defined by the Internal Revenue Service and thusly My rights are protected by the Alabama Constitution and the federal Constitution, guarding such un-a-LIEN-able rights, such as right to labor.....including, without limitations, my right to unencumbered property ownership;
- \*5 A Lien that has not been lawful adjudicated is not a lien and no lawful lien has been placed upon my property, and if a fraudulent Notice of Intent to Lien that has been unlawfully converted by a rogue agent into a lien;
- \*6 Such statement only includes payment for a lawful tax on one who is legally liable for such a tax;
- \*7 I am not any of such stated, and am not employed by any of such stated;
- \*8 Notice was given outside of the rogue agent's authority to a private sector non-employer under color of law in direct violation of this code and the rogue agent's oath of office as a means to commit the felonious act of fraudulent conversion;
- \*9 Notice and demand was made by a rogue agent and not the Secretary under color of law in direct violation of this code and the rogue agent's oath of office as a means to commit the felonious act of fraudulent conversion;
- \*10 I have never refused to pay a debt and/or tax I lawfully owe, nor can it be stated I refused to pay a tax when I do not owe said tax;
- \*11 THE INTERNAL REVENUE SERVICE has no authority to collect from natural persons and human beings who are by definition outside of the scope and jurisdiction of THE INTERNAL REVENUE SERVICE.

It appears that an agent doing data entry for THE INTERNAL REVENUE SERVICE made an administrative determination that I am a citizen and resident of the United States, that I have "income" effectively connected with the U.S., that I am an "employee", etc. These determinations affect My "legal rights" and therefore would seem to possess "the elements of a reviewable order."

*See: 5 U.S.C. § 702: Right of review*

*A person suffering legal wrong because of agency action, or adversely affected or aggrieved by agency action within the meaning of a relevant statute, is entitled to judicial review thereof. An action in a court of the United States seeking relief other than money damages and stating a claim that an agency or an officer or employee thereof acted or failed to act in an official capacity or under color of legal authority shall not be dismissed nor relief therein be denied on the ground that it is against the United States or that the United States is an indispensable party.*

As required by Title 5 USC 702, it is now the responsibility of THE INTERNAL REVENUE and/or THE INTERNAL REVENUE SERVICE to correct their administrative determination of My status accordingly. Failure to do so shall be considered by all courts as prima facie evidence of conspiracy in an effort to violate My human and Constitutional rights, as well as FRAUD, which VITIATES AND makes VOID all contracts, hidden or otherwise, upon discovery.
