Registered Mail No. **RE 594 277 275 US**, dated: 6/28/2011

Public Notice of reservation of rights and Amendment

This Notice supersedes and amends any and all previous Agreements signed by **Gary-Forrest: Edwards**. All previous agreements and contracts signed by **Gary-Forrest: Edwards** are herefore amended to include the words 'authorized representative' next to the signature, thus releasing **Gary-Forrest: Edwards** from any surety responsibility for GARY FORREST EDWARDS, as per UCC 3-402(b).

Let it be known to all that I, **Gary-Forrest: Edwards** explicitly claim and reserve all of my rights, as per UCC 1-308, the Declaration of Independence, and the Bill of Rights. And that includes, but is not limited to, the following:

- 1) Right to be tried under common Law jurisdiction in any and all cases.
 - 2) Right to have the flag of the Republic and of state of the Union in court, replacing fringed flags of corporate Democracy
 - 3) Right to have my case presided over by an Article III Judge with valid Oath of office, sworn exactly word for word, as required by the Alabama Constitution.
 - 4a) Right to a non-licensed counsel in court. 4b) Right to refuse a Public Defender or assigned counsel.
 - 5) Right not to appear on behalf of an artificial person, unless the original creation document is produced for the record.
 - 6) Right to be presented with the original signed contract, in all cases involving any agreement or contract.
 - 7) Right to be presented with a verified complaint, signed by the injured party, in all but contractual cases.
 - 8) Rights to contract, to property, and of ownership, only limited by the de Jure US of A and state Constitutions.
 - 9) Right to answer charges in court, only in Pro pria Persona.
 - 10) Right to be compensated for any violation of my rights, by any violator, regardless of their claimed immunity, to the amount of \$250,000 per violation, per person, plus \$5000 per hour of lost freedom, all in lawful money.
 - 11) Right to use commercial liens against any violator of my rights, to collect the above-mentioned damages.
- Nothing that I say or do, may be construed as a waiver of one or more of these rights. Only a written waiver of right(s) by myself, may be considered a valid waiver. Any presumption contradicting these rights, must be in writing.

This Notice removes any presumption, that I, **Gary-Forrest: Edwards** am not in full possession of my natural, unalienable rights, and subsequently anyone acting on such presumption, will be in violation of my rights. Furthermore, all are being notified that a "license" plate on my cars and trucks may be a diplomatic plate, "Diplomatic Corps, CD". And as publishing new laws in the Federal Register informs US citizens about the change of their obligations toward the United States, recording of this document by a county Recorder (in public), informs the United States and its corporate subdivisions, about change of their obligations toward this man.

Further, let all be advised that all actions commenced against me may be in violation of, at least, but limited to the following...

18 USC Chapter 13-Section 242- Deprivation of rights under color of law,
And/or
18 USC Chapter 13-Section 241-Conspiracy against rights.

Wherefore all have undeniable knowledge.
