Below you will find your Commission as a Notary Public. Please detach the commission card and keep it in a secure place. If your commission is being renewed this card will replace any previously issued commission card. Note that your commission card indicates the term of your current commission and it is important that you begin the renewal process in advance of the expiration of your commission to ensure there is no break in service.

The office of Notary Public is a serious and responsible public office and should not be taken lightly. Abuse of the office or irresponsibility in the performance of notarial duties can result in grave consequences. If a Notary Public has doubts about the propriety of any action, he or she should seek competent professional advice before he or she acts.

A Notary Public is a public officer whose function it is:

- 1. To administer oaths; and
- 2. To attend and certify, by his signature and official seal, certain classes of documents, in order to give them credit and authenticity; and
- 3. To take acknowledgments of deeds and other conveyances and certify the same; and
- 4. To perform certain official acts, chiefly in commercial matters, such as the protesting of notes and bills, the notice of foreign drafts, and marine protests in cases of damage.

You will need to obtain your notarial seal prior to performing any official acts. It is required that your notarial seal reflect your name as stated in the below commission card.
